The commitment letter is subject to customary conditions to consummation, including the absence of any event or circumstance that would result in a material adverse change in the business, assets, operations, properties, condition (financial or otherwise) or liabilities of the Company and its subsidiaries, taken as a whole (other than any event or condition disclosed in the Company's filings with the Securities and Exchange Commission prior to the date hereof), or that represents a material worsening of, or a material increase in the anticipated liability associated with, any event or condition previously disclosed to the Banks (including disclosed litigation and governmental investigations and proceedings). The Company has agreed to pay the Banks certain fees in connection with the commitment letter and has agreed to indemnify the Banks against certain liabilities.
