BARCLAYS BANK PLC

Written Resolution of: The Fund Raising Committee of the Board of Directors of Barclays Bank PLC (the **Bank**) (duly constituted by Resolution of the Board of Directors of the Bank (the **Board**) passed on 14 April 1994)

Issue: Proposed issue of (a) Non-Cumulative Callable Dollar Preference Shares, Series 2 (which are to be represented by American Depositary Shares (the **Retail ADSs**)) by the Bank which are to be offered to retail investors (the **Retail Dollar Preference Shares**) and (b) Non - Cumulative Callable Dollar Preference Shares, Series 3 (which are to be represented by American Depositary Shares, (the **Institutional ADSs**)) by the Bank which are to be offered to institutional investors (the **Institutional Dollar Preference Shares**).

We, the undersigned, constituting the Fund Raising Committee (the **Committee**) of the Board of the Bank, note that:

1. **Background**

1.1 On 8 December 2005, the Board and the Board of Directors of Barclays PLC (**Barclays**) each resolved to grant authority to the Committee to approve and authorise transactions to raise new capital including Tier 1 issuance, up to certain limits (such authorities, being the **Board Authorities**). It has not definitively been determined whether to pursue an issue of Institutional Dollar Preference Shares. Accordingly, pursuant to the Board Authorities, the Committee proposes to approve and authorise the proposed issue of Retail Dollar Preference Shares and Institutional Dollar Preference Shares (together the **Dollar Preference Shares**), although it is noted that the proposed issue of Institutional Dollar Preference Shares might not occur.

1.2 It is proposed that the Dollar Preference Shares, subject to agreeing the rights attaching to them, will constitute upon issue core Tier 1 capital of the Bank.

2. **Timetable**

2.1 The expected timetable for the proposed issue of Retail Dollar Preference Shares in outline is as follows:

On or about 18 April 2006: Launch of the proposed issue.

On or about 20 April 2006:	Target date for pricing transaction after completion of book building.
On or about 20 April 2006:	Final Retail Prospectus Supplement to be published and Underwriting Agreement and Pricing Agreement with underwriters to be executed as soon as practicable after pricing.
On or about 25 April 2006:	Target date for Retail Dollar Preference Shares and the Retail ADSs to be issued and expected transaction closing date.

(Note: all dates stated in this paragraph are indicative dates only and are subject to change)

- 2.2 It is noted that an outline timetable for the proposed issue of Institutional Dollar Preference Shares has yet to be finalised. The actual timetable will depend on a number of factors, such as market conditions.

3. **Stamp Duty and SDRT**

- 3.1 HM Revenue & Customs have confirmed that the issue of the Dollar Preference Shares to The Bank of New York as the ADR Depositary will not give rise to a 1.5 per cent. UK stamp duty reserve tax (**SDRT**) charge. (In practice, any such liability would otherwise have to be borne by the Bank.) The subsequent transfer of the Dollar Preference Shares in ADR form by investors will not give rise to any charge to UK SDRT or (in practice) UK stamp duty.

4. **Terms of the Dollar Preference Shares**

The Dollar Preference Shares to be issued by the Bank will be non-cumulative callable preference shares, the terms of which will comply with FSA requirements for core tier 1 capital. The Dollar Preference Shares will contain dividend stopper provisions in the same form as those found in the EUR 1,000,000,000 4.875% non-cumulative callable preference shares issued on 8 December 2004 and the EUR 1,400,000,000 4.75% non-cumulative callable preference shares issued on 15 March 2005 (the **Euro Preference Shares**), the 100,000 non-cumulative callable dollar preference shares, Series 1, issued on 8 June 2005 (the **Series 1 Dollar Preference Shares**), the GBP 750,000,000 6.0% non-cumulative callable preference shares issued on 22 June 2005 and generally similar in nature to those contained in the tier one notes (the **TONS**) and reserve capital instruments (the **RCIs**) of the Bank. In the case of the Dollar Preference Shares, the dividend stopper provides that if the Bank does not declare and pay in full any dividend on the Dollar Preference Shares on a dividend payment date (or if the Bank declares the dividend but fails to pay it or set aside the amount of the payment in full), neither the Bank nor Barclays may: (i) declare or pay a dividend on any of its respective ordinary shares, other preference shares or other share capital; or (ii) redeem, purchase, reduce or otherwise acquire any of its respective share capital

(or set aside any sum or establish any sinking fund for the redemption, purchase or other acquisition thereof), in each case until the earlier of (a) the dividend payment date on which the Bank next declares and pays in full (or sets aside a sum to provide for payment in full of) a dividend on the Dollar Preference Shares and (b) the date on or by which all of the Dollar Preference Shares are either redeemed in full or purchased by or for the Bank's account, in each case in accordance with the Bank's articles of association and the terms of the Dollar Preference Shares. The restriction in clause (i) above does not apply to any payment by Barclays of a final dividend declared by its shareholders prior to the relevant dividend payment date, or a dividend paid by the Bank to Barclays or to another wholly owned subsidiary of Barclays PLC. The restriction in clause (ii) above does not apply to the purchases, redemptions, reductions or other acquisitions of the shares of the Bank held by Barclays or another wholly owned subsidiary of Barclays.

The twelve month restriction reflects the market norm of annual dividend/coupon payments on fixed rate dollar-denominated issues and is in line with the Euro and Sterling Preference Shares and a twelve month restriction in the Bank's outstanding Euro and Sterling RCIs (though the dividend stopper on the Dollar Preference Shares will be slightly more onerous in that there is potential under the RCIs issues, but not this issue, for the dividend block to be removed within the twelve month period by paying arrears of coupons). A twelve month dividend stopper has been accepted by the Bank in the past on the Euro and Sterling Preference Shares and the Series 1 Dollar Preference Shares.

As part of the transaction documentation for the Dollar Preference Shares, Barclays will execute a deed of covenant giving effect to the terms of the dividend restriction on it (see paragraph 17 below).

Generally the terms of the Dollar Preference Shares are designed to retain maximum flexibility for the Bank as regards the terms of any further preference share issues which the Bank may wish to make in the future.

5. Funding of the underwriting commitment of Barclays Capital Securities Limited (BCSL) in the event of investor default and of market making and secondary market trading by BCSL

Consideration has been given to how BCSL can cover its underwriting commitments, market making and secondary market trading on the transaction in order to avoid any possibility of contravening the UK company law prohibition on the Bank providing financial assistance for the acquisition of its own shares.

Legal advice has been received by BCSL that the use of a limited proportion of the existing lending line (the Existing Lending Line) from the Bank to BCSL to fund its underwriting commitments (in the unlikely event of investor default) and to fund its market making and secondary market trading should not, subject to certain restrictions and assumptions stated in such legal advice, constitute a contravention of the UK company law prohibition on providing financial assistance. In addition, BCSL has confirmed that a lending line has been or will be arranged with Barclays Bank S.A.

(Spain) (the **BB SA Line**). It is proposed that BCSL would draw on the BB SA Line in the event that its funding requirements in relation to its underwriting commitments, market making and secondary market trading go beyond the permitted proportion of the Existing Lending Line.

6. **Shareholder Written Resolution**

6.1 Written resolutions to be signed by all the members of the Bank pursuant to the Articles of Association (the **Shareholder Written Resolution**) are proposed to authorise the Directors for the purposes of Section 80 of the Companies Act 1985 to exercise the Bank's power to allot the authorised but unissued share capital of the Bank, including the new Dollar Preference Shares. A copy of the proposed Shareholder Written Resolutions have been circulated with these resolutions.

Barclays Bank PLC

NON-CUMULATIVE CALLABLE DOLLAR PREFERENCE SHARES, SERIES 2

TERMS AND CONDITIONS

(Adopted by a written resolution of the shareholders of Barclays Bank PLC passed as a special resolution on 21 April, 2006)

The Non-Cumulative Callable Dollar Preference Shares, Series 2 (the **Series 2 Dollar Preference Shares**) of Barclays Bank PLC (the **Issuer**) have attached thereto the respective terms and conditions set out below and are otherwise subject to the provisions of the Articles of Association of the Issuer (the **Articles**).

2. General

The Series 2 Dollar Preference Shares will have a nominal value of U.S.\$0.25 each and will be issued fully paid in accordance with the terms of the underwriting agreement and pricing agreement relating thereto. The Series 2 Dollar Preference Shares will rank *pari passu* and rateably without any preference or priority among themselves and will rank in priority to the Ordinary Shares of the Issuer. A fuller description of the ranking of the Series 2 Dollar Preference Shares as regards participation in profits and on a return of capital is contained in paragraphs 2(i) and 3 below.

The Series 2 Dollar Preference Shares will, following their initial issue in registered form, be represented by a share warrant to bearer, within the meaning of the Companies Act, in the form of a single global share warrant to bearer (the **Global Series 2 Dollar Preference Share**). The Global Series 2 Dollar Preference Share will be deposited with the custodian for The Bank of New York of 101 Barclay Street, Floor 21 West, New York, New York 10286, as depositary (the **Depositary**). The Global Series 2 Dollar Preference Share is exchangeable in whole or in part for definitive Series 2 Dollar Preference Shares, each in registered form in the circumstances set out in the Global Series 2 Dollar Preference Share.

3. Dividends

- (i) Each Series 2 Dollar Preference Share shall entitle the holder thereof to receive out of the profits of the Issuer available for distribution and permitted by law to be distributed a non-cumulative preferential dividend (the **Preference Dividend**), in priority to the payment of any dividend to the holders of Ordinary Shares and any other class of shares in the capital of the Issuer ranking junior to

the Series 2 Dollar Preference Shares as regards participation in profits of the Issuer and *pari passu* in such regard with the holders of any other class of shares in the capital of the Issuer, (other than any shares which may be issued by the Issuer and which by their terms rank in priority, with the consent or sanction of the holders of the Series 2 Dollar Preference Shares given in accordance with the Articles, to the Series 2 Dollar Preference Shares as regards participation in such profits).

- (ii) In respect of the period from (and including) 25 April, 2006 to (but excluding) the date on which all the preference shares are redeemed, the Preference Dividend shall accrue at a fixed rate of 6.625 per cent. per annum on the principal amount in respect of each Series 2 Dollar Preference Share, which dividend will be payable, subject as provided below, quarterly in arrear in U.S. dollars on 15 March, 15 June, 15 September and 15 December in each year (each a **Dividend Payment Date**) when, as and if declared by the Board. The first payment of the Preference Dividend will be made on 15 September 2006 in respect of the period from (and including) 25 April 2006 to (but excluding) 15 September 2006. For the purposes of this paragraph (ii), **principal amount** means, in relation to each Series 2 Dollar Preference Share, an amount equal to U.S.\$25. In respect of the period from (and including) 25 April, 2006 to (but excluding) the date on which all the preference shares are redeemed, the amount of dividend accruing in respect of any period from (and including) the most recent Dividend Payment Date (or if none, 25 April, 2006) to (but excluding) the relevant payment date (the **Calculation Period**) will be calculated on the following basis. The amount of dividend will be calculated on the basis of the number of days in the Calculation Period divided by 360 (the number of days to be calculated on the basis of a year of 360 days with 12 30-day months).

- (iii) Subject to paragraph (iv) below, the Preference Dividend for each Dividend Period shall be paid to the extent that payment can be made out of the profits of the Issuer available for distribution and permitted by law to be distributed. If a dividend is to be paid but the distributable profits of the Issuer available for distribution are insufficient (after payment in full, or the setting aside of a sum to enable the payment in full, of dividends expressed to be payable on the relevant Dividend Payment Date on any class of shares in the capital of the Issuer ranking in priority to the Series 2 Dollar Preference Shares as regards participation in the profits of the Issuer, and after payment in full, or the setting aside of a sum to enable the payment in full, of all dividends expressed to be payable on a date earlier than the relevant Dividend Payment Date on any class of shares in the capital of the Issuer that ranks in priority to the Series 2 Dollar Preference Shares in such regard and carries cumulative rights to dividends) to enable payment in full of dividends on the Series 2 Dollar Preference Shares on any Dividend Payment Date and also (1) the payment in full of all other dividends expressed to be payable on such date on any other preference shares and any other class of shares in the capital of the Issuer ranking *pari passu* therewith as regards participation in profits, and (2) the payment in full, or the setting aside of a sum

to enable the payment in full, of all dividends expressed to be payable before such date on any other class of shares in the capital of the Issuer that ranks *pari passu* with the Series 2 Dollar Preference Shares in such regard and carries cumulative rights to dividends, then the Board shall (subject to paragraph (iv) below) declare and pay dividends to the extent of the distributable profits on a *pro rata* basis so that (i) the aggregate amount of dividends declared on the Series 2 Dollar Preference Shares and (ii) the aggregate amount of dividends declared on each other class of shares on which dividends are expressed to be payable on such date and ranking *pari passu* with the Series 2 Dollar Preference Shares as regards participation in profits and (iii) the aggregate amount of dividends paid or set aside for payment on such date on each other class of shares ranking *pari passu* with the Series 2 Dollar Preference Shares in such regard and carrying cumulative rights to dividends, on which dividends were expressed to be payable before such date, will bear to each other the same ratio as the full amounts of dividends (1) expressed to be payable in aggregate on the Series 2 Dollar Preference Shares on such date, (2) expressed to be payable in aggregate on each such other *pari passu* ranking class of shares on which dividends are expressed to be payable on such date and (3) paid or provided for in aggregate on each such other *pari passu* ranking class of shares carrying cumulative rights to dividends in respect of dividends expressed to be payable before such date, bear to each other.

- (iv) Notwithstanding paragraph (iii) above, if on or prior to any Dividend Payment Date the Board determines in its absolute discretion that the Preference Dividend which would otherwise be declared and payable on a Dividend Payment Date (the **Relevant Dividend**) should not be paid, or should be paid only in part, then the Relevant Dividend shall in accordance with such determination either not be declared and payable at all or only be declared and payable in part.
- (v) If a dividend on the Series 2 Dollar Preference Shares is not paid, or is paid only in part, pursuant to subparagraph (iii) or (iv) above, the holders of the Series 2 Dollar Preference Shares shall have no claim in respect of such non-payment or non-payment in part, as applicable. The Issuer shall have no obligation to pay the Preference Dividend accrued for the relevant Dividend Period or to pay interest thereon, whether or not Preference Dividends are declared for any future Dividend Period.
- (vi) If any dividend on the Series 2 Dollar Preference Shares is not declared and paid in full on a Dividend Payment Date (the **Relevant Dividend Payment Date**) (or is declared but not paid in full nor a sum set aside to provide for its payment in full), the Dividend Restriction shall apply. The **Dividend Restriction** means that neither the Issuer nor the Holding Company may (a) declare or pay a dividend (other than payment by the Holding Company of a final dividend declared by its shareholders prior to the Relevant Dividend Payment Date, or a dividend paid by the Issuer to the Holding Company or to another wholly-owned Subsidiary) on any of their respective ordinary shares, other preference shares or

other share capital or (b) redeem, purchase, reduce or otherwise acquire any of their respective share capital, other than shares of the Issuer held by the Holding Company or a wholly-owned Subsidiary (or set aside any sum or establish any sinking fund for the redemption, purchase or other acquisition thereof), until the earlier of (1) the date on which the Issuer next declares and pays (or sets aside a sum to provide for payment of) in full a Preference Dividend and (2) the date on or by which all of the Series 2 Dollar Preference Shares are either redeemed in full or purchased by or for the account of the Issuer, in each case in accordance with the Articles and the terms of the Series 2 Dollar Preference Shares.

- (vii) Any dividend unclaimed after a period of 12 years from the date when it became due for payment shall be forfeited and shall revert to the Issuer and the payment by the Board of any unclaimed dividend or other sum payable on or in respect of a share into a separate account shall not constitute the Issuer a trustee in respect of it.
- (viii) No dividend or other moneys payable on or in respect of the Series 2 Dollar Preference Shares shall bear interest as against the Issuer.

4. Capital

On a winding-up or other return of capital (other than a redemption or purchase by the Issuer of any of its issued shares, or a reduction of share capital, permitted by the Articles and under applicable law), the assets of the Issuer available to shareholders shall be applied in priority to any payment to the holders of Ordinary Shares and any other class of shares in the capital of the Issuer then in issue ranking junior to the Series 2 Dollar Preference Shares on such a return of capital and *pari passu* on such a return of capital with the holders of any other class of shares in the capital of the Issuer then in issue (other than any class of shares in the capital of the Issuer then in issue ranking in priority, with the consent or sanction of the holders of the Series 2 Dollar Preference Shares given in accordance with the Articles, to the Series 2 Dollar Preference Shares on a winding-up or other such return of capital), in payment to the holders of the Series 2 Dollar Preference Shares of an amount per Series 2 Dollar Preference Share equal to the aggregate of:

- (i) an amount equal to dividends accrued thereon for the then current Dividend Period to the date of the commencement of the winding-up or other such return of capital; and
- (ii) an amount equal to U.S.\$25 per Series 2 Dollar Preference Share.

After payment of the full amount of the liquidating distributions to which they are entitled, the holders of the Series 2 Dollar Preference Shares will have no right or claim to any of the remaining assets of the Issuer and will not be entitled to any further participation in such return of capital. In the event of the sale of all or substantially all of the assets of the Issuer, the distribution to the shareholders of the Issuer of all or substantially all of the consideration for such sale, unless such consideration (apart from assumption of liabilities) or the net proceeds thereof consists entirely of cash, will not be deemed to be a return of capital in respect of the winding-up of the Issuer.

5. Redemption

The Issuer may, subject to the Companies Act, to the Articles and to the prior consent of the FSA (if required), upon not less than 30 nor more than 60 days' notice, redeem the Series 2 Dollar Preference Shares in whole, but not only part, on September 15, 2011 and on any Dividend Payment Date thereafter. Redemption will be effected in the manner provided in the Articles. There shall be paid on each Series 2 Dollar Preference Share so redeemed the aggregate of:

(i) an amount equal to U.S.\$25; and

(ii) the dividend accrued thereon for the then current Dividend Period to the date fixed for redemption.

In the event that payment of the redemption price in respect of any Series 2 Dollar Preference Share is improperly withheld or refused, the dividend on such Series 2 Dollar Preference Share shall continue to accrue, at the then applicable rate, from the date fixed for redemption to the date of payment of such redemption price. If the due date for payment of any amount of redemption moneys is not a dollar business day, then payment of such amount will be made on the next succeeding dollar business day, without any interest or payment in respect of such delay.

6. Purchases

The Issuer may at any time purchase, or cause to be purchased for its account, all or any of the Series 2 Dollar Preference Shares, subject to the provisions of the Companies Act, the Articles and the applicable rules of any stock exchange or exchanges on which any of its shares are listed from time to time, at any price. The Issuer shall not be required to select the shares to be purchased rateably or in any other particular manner as between the holders of Series 2 Dollar Preference Shares or as between them and the holders of shares of any other class or in accordance with the rights as to dividends or capital conferred by any class of shares. No purchase of Series 2 Dollar Preference Shares will be made by or on behalf of the Issuer without the prior consent of the FSA (if required).

7. Form and Transfer

Title to Series 2 Dollar Preference Shares represented by a share warrant to bearer will pass by delivery of the relevant bearer share warrants. Title to Series 2 Dollar Preference Shares in registered form will pass by transfer and registration on the register for the Series 2 Dollar Preference Shares.

The bearer of any share warrant for the Series 2 Dollar Preference Shares and the persons (if any) in whose names Series 2 Dollar Preference Shares are for the time being registered, shall (to the fullest extent permitted by applicable law) be deemed to be, and shall be treated as, the holders and absolute owners of the relevant Series 2

Dollar Preference Shares for the purpose of receiving payment in respect thereof and for all other purposes (notwithstanding any notice of ownership or writing thereon or any notice of previous loss or theft thereof or any trust or other interest therein), whether or not any payment in respect of the Series 2 Dollar Preference Shares shall be overdue.

Each exchange or registration of transfer of Series 2 Dollar Preference Shares in registered form will, subject to and in accordance with the Articles, be effected by entry on the register for the Series 2 Dollar Preference Shares kept by the Registrar at its office in the United Kingdom. No fee shall be charged on the registration of any instrument of transfer or other instrument relating to or affecting the title to the Series 2 Dollar Preference Shares, but the person requesting such registration will be required to pay any related taxes, stamp duties or other governmental charges.

Upon presentation to the Registrar at its office in the United Kingdom, a share warrant to bearer may be exchanged for the relevant Series 2 Dollar Preference Shares in registered form, in which event the holder of the share warrant to bearer will be registered as a holder of the Series 2 Dollar Preference Shares in the register of members of the Issuer and will receive a certificate made out in such holder's name. The exchange of Series 2 Dollar Preference Shares represented by a share warrant to bearer for Series 2 Dollar Preference Shares in registered form will also be subject to applicable UK tax laws and regulations in effect at the time of the exchange. No exchange will be made unless any resulting taxes, stamp duties or other governmental charges have been paid to the Issuer. Series 2 Dollar Preference Shares in registered form will not be exchangeable, in whole or in part, for Series 2 Dollar Preference Shares represented by a share warrant to bearer.

8. Payments

Payments in respect of any amount payable by way of dividend or on redemption in respect of the Series 2 Dollar Preference Shares in bearer form will be made against presentation and, where applicable on redemption, surrender of the relevant share warrant to bearer at the specified office of the Principal Paying Agent or the Paying Agent. Each such payment will be made, at the option of the payee, by a dollar cheque drawn on, or by transfer to a dollar account maintained by the payee with, a branch of a bank in London.

In the case of payments in respect of Series 2 Dollar Preference Shares in bearer form represented by a share warrant, if the due date for payment or any later date upon which the share warrant is presented for payment is not a Payment Business Day, then the holder shall not be entitled to payment at such place of the amount due until the next following Payment Business Day and shall not be entitled to further interest or other payment in respect of such delay.

Payments in respect of any amount payable by way of dividend or on redemption in respect of the Series 2 Dollar Preference Shares in registered form will be made by cheque or warrant sent by post to the registered address of the holder, or in the case of joint holders, to any one of them, or, upon request of the holder or joint holders not

later than the date specified for such purpose in the notice of redemption, by bank transfer to a dollar account maintained by the holder, details of which are notified by the holder in writing to the Issuer.

A record of each payment made on a share warrant to bearer will be made on or in relation to such share warrant to bearer by the Principal Paying Agent or the Paying Agent to which the share warrant to bearer is presented for the purposes of making such payment and such record shall be prima facie evidence that the payment in question has been made.

Payments in respect of amounts payable by way of dividend and on redemption on the Series 2 Dollar Preference Shares will be subject in all cases to any applicable fiscal or other laws and other regulations.

9. Voting

The holders of Series 2 Dollar Preference Shares shall not be entitled to receive notice of, or to attend or vote at, any general meeting of the Issuer.

10. Variations of Rights and Further Issues

- (i) Save with the sanction of a special resolution passed at a separate general meeting of the holders of Series 2 Dollar Preference Shares then in issue or with the consent in writing of the holders of three-fourths of the issued Series 2 Dollar Preference Shares, the Board shall not authorise or create, or increase the amount of, any shares of any class, or any security convertible into shares of any class, ranking as regards participation in the profits or assets of the Issuer (other than on a redemption or purchase by the Issuer of any such share, or a reduction of share capital, permitted by the Articles and under applicable law) in priority to the Series 2 Dollar Preference Shares. Any such separate general meeting shall be convened and conducted in all respects as nearly as possible in the same way as an extraordinary general meeting of the Issuer and rights to be given notice thereof and to attend and vote thereat shall be as provided in the Articles. The quorum at any such meeting shall be persons holding or representing by proxy at least one third of the issued Series 2 Dollar Preference Shares then in issue but so that if at any adjourned meeting a quorum as so defined is not present, any two holders of the Series 2 Dollar Preference Shares present in person or by proxy shall be a quorum. In relation to any such special resolution, on a show of hands every such holder who is present in person or by proxy shall have one vote and on a poll every such member who is present in person or by proxy shall have one vote in respect of each Series 2 Dollar Preference Share held by him.

- (ii) The Issuer shall be entitled at any time and from time to time and without any consent or sanction of the holders of the Series 2 Dollar Preference Shares to create and/or issue further preference or other share capital ranking as regards participation in the profits and assets of the Issuer *pari passu* with or junior to the Series 2 Dollar Preference Shares. Such creation and/or issue shall be deemed not to alter, vary, affect, modify or abrogate any of the rights attaching to the

Series 2 Dollar Preference Shares and for the avoidance of doubt such rights shall not be deemed to be varied by the alteration of any of the provisions, other than an alteration which would result in any such shares ranking as regards participation in the profits or assets of the Issuer in priority to the Series 2 Dollar Preference Shares, set out in the Articles in respect of any such unissued shares. Any further series of shares ranking, as regards participation in profits or assets of the Issuer, *pari passu* with or junior to the Series 2 Dollar Preference Shares may, without their creation or issue being deemed to vary the special rights attaching to the Series 2 Dollar Preference Shares, either carry identical rights in all respects with the Series 2 Dollar Preference Shares (except as regards the date from which such shares rank for dividend) or carry rights differing therefrom in any respect including, but without prejudice to the foregoing, in that:

- (a) the rate and/or basis of calculating dividends may differ and the dividend may be cumulative or non-cumulative;
- (b) such shares may rank for dividends as from such date as may be provided by the terms of issue thereof and the dates for payment of dividend may differ;
- (c) such shares may be denominated in any currency or, if permitted by law, any basket of currencies;
- (d) a premium may be payable on return of capital or there may be no such premium;
- (e) such shares may be redeemable at the option of the Issuer or may be non-redeemable;
- (f) different or no restrictions may apply in the event a dividend is not paid on such shares on a scheduled dividend payment date therefor; and
- (g) such shares may be convertible into Ordinary Shares or any other class of shares ranking as regards participation in the profits and assets of the Issuer *pari passu* with or junior to the Series 2 Dollar Preference Shares, in each case on such terms and conditions as may be prescribed by the terms of issue thereof.

11. Principal Paying Agent and Paying Agent

The Bank of New York, London office, will act as the Registrar and initial Principal Paying Agent and the Paying Agent for the Series 2 Dollar Preference Shares.

The Issuer reserves the right at any time to vary or terminate the appointment of the Principal Paying Agent and any Paying Agent and to appoint additional or other Paying Agents. Notice of any such termination or appointment and of any change in the specified offices of the Paying Agents will be given to Preference Shareholders in accordance with paragraph 11 below.

12. **Notices**

Further to the provisions for giving notices to members contained in the Articles, notices to holders of Series 2 Dollar Preference Shares represented by one or more share warrants to bearer will be valid if published in a leading daily newspaper in London (which is expected to be the Financial Times) or, if such publication shall not be practicable, in an English language newspaper of general circulation in Europe or such other method as may be agreed with the holder from time to time. Any such notice shall be deemed to have been given on the date of such publication or, if published more than once or on different dates, on the first date on which publication is made.

This Agreement is made on 25 April 2006 **between:**

- (1) **BARCLAYS BANK PLC** (the **Issuer**); and
- (2) **THE BANK OF NEW YORK, London office** of One Canada Square, London E14 5AL (the **Principal Paying Agent** , **Paying Agent** and **Registrar**).

Whereas:

- (A) The Issuer has agreed to issue U.S.\$675,000,000 in aggregate value of Non-Cumulative Callable Dollar Preference Shares to be known as its 6.625 per cent. Non-Cumulative Callable Dollar Preference Shares, Series 2 (the **Preference Shares**). If the over-allotment option referred to in recital (C) below is exercised in full, the total aggregate value of the Preference Shares will be U.S.\$776,250,000 (equal to 31,050,000 Preference Shares).
- (B) The Preference Shares will be represented by a Global Preference Share, which will be exchangeable for definitive preference shares in registered form (**Definitive Preference Shares**) in the circumstances specified therein.
- (C) In addition, the Issuer may issue up to an additional amount value of U.S.\$101,250,000 (equal to 4,050,000 Preference Shares) in connection with the exercise, if any, of an over-allotment option granted by the Issuer to certain underwriters under an underwriting agreement and pricing agreement to which the Issuer is a party dated 20 April 2006. Such Preference Shares would be represented by a Global Preference Share reflecting the amount of such Preference Shares being issued (which will form part of a single series and be consolidated with the amount value of U.S.\$675,000,000 (equal to 27,000,000 Preference Shares) issued hereby). Any such Preference Shares would be issued on the relevant date pursuant to the terms set forth in this Agreement.

Now it is hereby agreed as follows:

1 Interpretation

Terms defined in the Issuer's Articles of Association (the **Articles**) have the same meanings in this Agreement, except where otherwise defined in this Agreement. In addition:

Agents means the Principal Paying Agent, the Registrar and the Paying Agent or any of them;

Business Day for purposes of the preference shares is a Monday, Tuesday, Wednesday, Thursday or Friday that (i) is not a day on which banking institutions in New York City or London generally are authorized or obligated by law, regulation or executive order to close and (ii) is a day on which, during the floating rate dividend period, dealings in US dollars are transacted in the London interbank market;

Conditions means the terms and conditions on which the Preference Shares are issued pursuant to the Articles, as set out in Schedule A of Schedule 1;

Deposit Agreement means the deposit agreement dated 25 April 2006 among The Bank of New York as depositary, the Issuer and the holders from time to time of American Depositary Shares issued thereunder;

Global Preference Share means the share warrant to bearer which will be in the form of a global Preference Share, substantially in the form set out in Schedule 1;

outstanding means, in relation to the Preference Shares, all the Preference Shares issued except (a) those which have been redeemed in accordance with the Articles, (b) those which have been purchased and cancelled as provided in the Articles, (c) (for the purpose only of determining how many Preference Shares are outstanding and without prejudice to their status for any other purpose) those Preference Shares alleged to have been lost, stolen or destroyed and in respect of which replacement Preference Shares have been issued, and (d) the Global Preference Share to the extent that it shall have been exchanged for Definitive Preference Shares pursuant to its provisions; and

Preference Shares means the 6.625 per cent. Non-Cumulative Callable Dollar Preference Shares, Series 2 and for the time being outstanding or, as the context may require, a specific number or value of them and includes the Global Preference Share and the Definitive Preference Shares.

The terms **Principal Paying Agent** and **Paying Agent** shall also include any additional or successor paying agent appointed in accordance with the provisions of this Agreement.

2 Appointment and Duties

The Issuer appoints the Principal Paying Agent and the Paying Agent as its agents and the Registrar as the registrar in respect of the Preference Shares at their respective specified offices referred to above and the Agents hereby agree to such appointment. Except in Clause 14, references to the Agents are to them acting solely through such specified offices. Each Agent shall perform the duties required of it by the Articles and this Agreement. The obligations of the Agents are several and not joint.

3 Authentication and Exchange of the Preference Shares

3.1 The Global Preference Share: On the date hereof, the Issuer shall deliver the duly executed Global Preference Share to the Principal Paying Agent. The Principal Paying Agent (or its agent on its behalf) shall authenticate (without liability or recourse) the Global Preference Share and return the Global Preference Share to or to the order of the Issuer for delivery to The Bank of New York as custodian for The Bank of New York as depositary and the issuer of American Depositary Receipts (**ADRs**) representing the Preference Shares. The ADRs will be issued pursuant to the Deposit Agreement.

3.2 Exchange of Global Preference Share: The Global Preference Share may be exchanged, in whole or in part, for Definitive Preference Shares in accordance with the Global Preference Share and Clause 8.3 of this Agreement.

4 Payment

4.1 Payment to Principal Paying Agent: The Issuer will, by 11.30 a.m. (London time) on each date on which any payment in respect of the Preference Shares becomes due, transfer, or arrange to be transferred to the Principal Paying Agent such amount as may be required for the purposes of such payment. The Issuer will confirm, or arrange to be confirmed on its behalf, to the Principal Paying Agent not later than 5.00 p.m. (London time) on the second Business Day prior to the due date for any such payment that irrevocable instructions have been issued by it or on its behalf for such payment to be made to the Principal Paying Agent. In this Clause, the date on which a payment in respect of the Preference Shares becomes due means the first date on which the holder of a Preference Share could claim the relevant payment (while any Preference Shares are in registered form) by transfer to an account under the Articles, but disregarding the necessity for it to be a Business Day in any particular place of presentation.

- 4.2 Condition to payment by Paying Agent:** The Principal Paying Agent will forthwith notify by facsimile the Paying Agent (if different from the Principal Paying Agent) and the Issuer if it has not by the time specified for its receipt received the full amount so payable on such date by the time specified for its receipt referred to in sub-Clause 4.1 or if for any other reason(s) it cannot or will not be able to make payments on the due date in accordance with the Articles, stating the reason(s) therefor.
- 4.3 Payment by Paying Agent:** Unless it receives a notification from the Principal Paying Agent under sub-Clause 4.2, the Paying Agent (if different from the Principal Paying Agent) will, subject to and in accordance with the Articles, pay or cause to be paid on behalf of the Issuer on and after each due date therefor the amounts due in respect of the Preference Shares and will be entitled to claim any amounts so paid from the Principal Paying Agent. If any payment provided for in sub-Clause 4.1 is made late but otherwise in accordance with this Agreement, the Paying Agent will nevertheless make such payments in respect of the Preference Shares. However, unless and until the full amount of any such payment has been made to the Principal Paying Agent, the Paying Agent will not be bound to make such payments.
- 4.4 Reimbursement of Paying Agent:** The Principal Paying Agent will on demand promptly reimburse the Paying Agent for payments in respect of the Preference Shares properly made by it in accordance with the Articles and this Agreement.
- 4.5 Late Payment:** If the Principal Paying Agent has not by the due date for any payment in respect of the Preference Shares received the full amount payable on such date but receives it later, it will forthwith give notice to the Paying Agent that it has received such full amount.
- 4.6 Payment by Principal Paying Agent:** If the Principal Paying Agent is the sole Paying Agent, the Principal Paying Agent will, subject to and in accordance with the Articles, pay or cause to be paid on behalf of the Issuer on and after each due date therefor the amounts due in respect of the Preference Shares and sub-Clauses 4.3 to 4.5 shall be construed accordingly.
- 4.7 Method of payment to Principal Paying Agent:** All sums payable to the Principal Paying Agent hereunder will be paid in U.S. dollars and in immediately available or same day funds to such U.S. dollars account with such bank as the Principal Paying Agent may from time to time notify to the Issuer.
- 4.8 Moneys held by Principal Paying Agent:** The Principal Paying Agent may deal with moneys paid to it under this Agreement in the same manner as other moneys paid to it as a banker by its customers and shall not be liable to account to the Issuer for any interest thereon, save as otherwise agreed between the Issuer and the Principal Paying Agent. No Agent shall exercise any lien, right of set-off or similar claim in respect of them. Unless required by law, moneys held by the Principal Paying Agent need not be segregated.
- 4.9 Partial Payments:** If on presentation of a Preference Share only part of the amount payable in respect of it is paid (except as a result of a deduction of tax permitted by the Articles), the Principal Paying Agent shall procure that such is evidenced with a memorandum of the amount paid and the date of payment.

5 Repayment

If claims in respect of any Preference Shares (including any payments thereunder) become void under the Articles, the Principal Paying Agent shall forthwith repay to the Issuer the

amount which would have been due if presentations for payment had been made before such claims became void. The Principal Paying Agent shall not however be otherwise required or entitled to repay any sums received by it under this Agreement.

6 Early Redemption

6.1 Notice of Redemption: If the Issuer intends to redeem the Preference Shares in accordance with the Articles it shall, at least 14 days before the latest date for the publication of the notice of redemption required to be given to holders of the Preference Shares, give notice of its intention to the Principal Paying Agent stating the date on which such Preference Shares are to be redeemed and the Principal Paying Agent shall so advise the Paying Agent.

6.2 Redemption Notice: The Principal Paying Agent shall at the request of the Issuer give to the Paying Agent (if different from the Principal Paying Agent) and to the holders of the Preference Shares the notice required in connection with such redemption. Such notice shall specify the date fixed for redemption, the redemption price and the manner in which redemption will be effected and will be given in accordance with the Articles.

7 Cancellation, Destruction and Records

7.1 Cancellation by Paying Agent: All Preference Shares which are redeemed shall be cancelled forthwith by the Agent by or through which they are redeemed or paid. Such Agent (if such agent is not the Principal Paying Agent) shall send to the Principal Paying Agent the details required by the Principal Paying Agent for the purposes of this Clause and the cancelled Preference Shares.

7.2 Cancellation by Issuer: If the Issuer purchases any Preference Shares which are to be cancelled after such purchase, the Issuer shall forthwith cancel them or procure their cancellation.

7.3 Certification of Payment Details: The Principal Paying Agent shall within three months after the date of any such redemption or payment send to the Issuer a certificate stating (1) the aggregate value of Preference Shares which have been redeemed and cancelled and (2) the certificate numbers of such Preference Shares.

7.4 Destruction: Unless otherwise instructed by the Issuer, the Principal Paying Agent (or its designated agent) shall destroy the cancelled Preference Shares in its possession and upon written request will send the Issuer a destruction certificate giving the certificate numbers of such Preference Shares in numerical sequence and the total numbers by maturity date.

7.5 Records: The Principal Paying Agent shall keep a full and complete record of the payment, redemption, replacement, surrender, exchange, cancellation and destruction (as the case may be) of all Preference Shares. It shall make such record available at all reasonable times to the Issuer and any persons authorised by it and any Paying Agent.

8 Duties of the Registrar

8.1 Register: Upon instruction by the Issuer on the date hereof, the Registrar will enter the name of Merrill Lynch, Pierce, Fenner & Smith Incorporated on the register of members of the Issuer (the **Register**) as holder of the Preference Shares.

8.2

Edgar Filing: BARCLAYS PLC - Form 6-K

8.2.1 the fact of the issue of the Global Preference Share;

8.2.2 a statement of the Preference Shares included in the Global Preference Share; and

8.2.3 the date of issue of the Global Preference Share.

8.3 Exchange for Definitive Preference Shares: Upon presentation at its specified office of the Global Preference Share (in whole or in part), the Registrar will, unless otherwise instructed by the Issuer, exchange such Global Preference Share for Preference Shares in registered form in accordance with the Global Preference Share and by entering the name of the holder thereof in the Register and issuing to such holder a certificate made out in such holder's name substantially in the form set out in Schedule 2, whereupon the Issuer will make available to the Registrar and to the Paying Agent in its capacity as transfer agent hereunder (the **Transfer Agent**) regulations relating to the transfer of registered Preference Shares.

8.4 Deed of Covenant: For so long as the Preference Shares remain outstanding, the Registrar shall keep possession of the deed of covenant dated 25 April 2006 and executed by Barclays PLC.

9 Notices

9.1 Publication: At the request and expense of the Issuer, the Principal Paying Agent shall arrange for the publication of all notices to holders of Preference Shares. Notices to holders of Preference Shares shall be published in accordance with the Articles.

9.2 Notices received by Paying Agent: The Paying Agent shall promptly forward any written notice received by it from any holder of Preference Shares to the Principal Paying Agent who shall promptly furnish to the Issuer a copy of each such and any other notice received by it from any holder of Preference Shares or the Paying Agent, as the case may be.

10 Documents and Forms

The Issuer shall send to the Agents:

10.1 sufficient copies of all documents required by the Preference Shares, the Offering Circular relating to the Preference Shares or any Stock Exchange on which the Preference Shares are listed from time to time to be available for issue or inspection (and the Agents shall make them so available to the holders of Preference Shares); and

10.2 as required, forms of voting certificates and block voting instructions, together with instructions as to how to complete, deal with and record the issue of such forms (and the Agents shall make such documents available to the holders of Preference Shares).

11 Voting

The Registrar may be appointed under Article 15(e) as the person with whom the Preference Shares may be deposited to enable the holder to vote at a meeting.

12 Indemnity

12.1 By Issuer: The Issuer will indemnify and hold harmless each Agent and its directors, officers, employees or agents (in this sub-Clause, each an **Indemnified Party**) against any loss,

- 5 -

liability, cost, claim, action, demand or expense (including, but not limited to, all reasonable costs, charges and expenses paid or incurred in disputing or defending any of the foregoing) which such Indemnified Party may incur or which may be made against it arising out of or in relation to or in connection with its appointment or the exercise of its functions, except such as may result from a breach by it of this Agreement or its wilful default, negligence or bad faith or that of its directors, officers, employees or agents.

If any action, proceeding, claim or demand shall be brought or asserted against an Indemnified Party in respect of which indemnity may be sought from the Issuer as herein provided, the Indemnified Party shall promptly notify the Issuer in writing, and the Issuer shall have the option to assume the defence thereof, including the employment of legal advisers approved by the Indemnified Party (such approval not to be unreasonably withheld), and shall pay all expenses relating thereto. Where the Issuer has assumed such defence the Issuer shall keep the Indemnified Party informed of material developments in the conduct of such defence and shall have reasonable regard to any requests made by the Indemnified Party regarding such conduct. The Indemnified Party shall have the right to employ separate legal advisers in any such action and defend or participate in the defence thereof, but the fees and expenses of such legal advisers shall be borne by the Indemnified Party, unless the employment thereof has been specifically authorised by the Issuer or the Issuer has failed to assume such defence and employ legal advisers for such purpose. The Issuer shall not be liable to indemnify the Indemnified Party for any settlement of any such action, proceeding, claim or demand effected without the consent of the Issuer.

12.2 By Agents: Each Agent shall indemnify and hold harmless the Issuer and its directors, officers, employees or agents (in this sub-Clause, each an **Indemnified Party**) against any loss, liability, cost, claim, action, demand or expense (including, but not limited to, all reasonable costs, charges and expenses paid or incurred in disputing or defending any of the foregoing) which such Indemnified Party may incur or which may be made against it as a result of a breach by that Agent of this Agreement or its wilful default, negligence or bad faith or that of its directors, officers, employees or agents, and excluding any taxes incurred by any Indemnified Party on its or his actual net income, profits or gains.

12.3 Notwithstanding the foregoing, an Agent will not be liable to the Issuer or any other party to this Agreement for any consequential loss (being loss of business, goodwill, opportunity or profit) or any special or punitive damages of any kind whatsoever, whether or not foreseeable and even if advised of the possibility of such loss or damage, arising other than as a result of such Agent's own negligence, wilful default or bad faith.

12.4 The indemnities contained in this Clause 12 shall survive the termination or expiry of this Agreement.

13 General

13.1 No agency or trust: In acting under this Agreement, the Agents shall have no obligation towards or relationship of agency or trust with any holder of a Preference Share and need only perform the duties set out specifically in this Agreement and the Articles and any duties necessarily incidental to them.

13.2 Holder to be treated as owner: Except as otherwise ordered by a court of competent jurisdiction or required by law or otherwise instructed by the Issuer, each Agent will treat the holder of a Preference Share as its absolute owner as provided in the Articles and will not be liable for doing so.

- 13.3 No lien:** No Agent shall exercise any lien, right of set-off or similar claim against any holder of a Preference Share in respect of moneys payable by it under this Agreement.
- 13.4 Legal advice:** Each Agent may, acting reasonably, consult on any legal matter any legal adviser selected in good faith by it, who may be an adviser to the Issuer, and it shall not be liable in respect of anything done, or omitted to be done, relating to that matter in good faith in accordance with that adviser's opinion.
- 13.5 Reliance on documents etc.:** No Agent shall be liable in respect of anything done or suffered by it in reliance on a Preference Share or other document reasonably believed by it to be genuine and to have been signed by the proper parties or on information to which it should properly have regard and reasonably believed by it to be genuine and to have been originated by the proper parties.
- 13.6 Other relationships:** Any Agent and any other person, whether or not acting for itself, may acquire, hold or dispose of any Preference Share or other security (or any interest therein) of the Issuer or any other person, may enter into or be interested in any contract or transaction with any such person and may act on, or as depositary, trustee or agent for, any committee or body of holders of securities of any such person in each case with the same rights as it would have had if that Agent were not an Agent and need not account for any profit.
- 13.7 No implicit duties:** The Agents shall be obliged to perform such duties, and only such duties, as are specifically set forth in this Agreement and the Conditions and any duties necessarily incidental to them. No implied duties or obligations shall be read into this Agreement or the Conditions. None of the Agents shall be under any obligation to take any action hereunder which it expects, and has thus notified the Issuer in writing, may involve it in any expense or liability the payment of which within a reasonable time is not, in its reasonable opinion, assured to it.
- 14 Changes in Agents**
- 14.1 Appointment and Termination:** The Issuer may at any time appoint additional Paying Agents and/or terminate the appointment of any Agent by giving to the Principal Paying Agent and the Agent (if such agent is not the Principal Paying Agent) at least 30 days' notice to that effect, which notice shall expire at least 30 days before or after any due date for payment of any Preference Shares.
- 14.2 Resignation:** Any Agent may resign its appointment at any time by giving the Issuer and the Principal Paying Agent (if such agent is not the Principal Paying Agent) at least 60 days' notice to that effect, which notice shall expire at least 30 days before or after any due date for payment of any Preference Shares.
- 14.3 Condition to Resignation or Termination:** No resignation or (subject to sub-Clause 14.5) termination of the appointment of the Principal Paying Agent shall, however, take effect until a new Principal Paying Agent (which shall be a bank or trust company) has been appointed and no resignation or termination of the appointment of a Paying Agent shall take effect if there would not then be Paying Agents as required by the Conditions. The Issuer agrees with the Principal Paying Agent that if, by the day falling 10 days before the expiry of any notice under this Clause, the Issuer has not appointed a replacement Paying Agent, then the Principal Paying Agent shall be entitled, on behalf of the Issuer, to appoint as Paying Agent in its place any reputable financial institution of good standing which the Issuer shall approve.

- 14.4 Change of Office:** If an Agent changes the address of its specified office in a city it shall give the Issuer and the Principal Paying Agent (if such agent is not the Principal Paying Agent) at least 45 days prior notice of the change, giving the new address and the date on which the change takes effect.
- 14.5 Automatic Termination:** The appointment of an Agent shall forthwith terminate if at any time such Agent becomes incapable of acting, is adjudged bankrupt or insolvent, files a voluntary petition in bankruptcy, makes an assignment for the benefit of its creditors, consents to the appointment of a receiver, administrator or other similar official of all or a substantial part of its property or admits in writing its inability to pay or meet its debts as they mature or suspends payment thereof, or if a resolution is passed or an order made for the winding up or dissolution of such Agent, a receiver, administrator or other similar official of such Agent or all or a substantial part of its property is appointed, a court order is entered approving a petition filed by or against it under applicable bankruptcy or insolvency law or a public officer takes charge or control of such Agent or its property or affairs for the purpose of rehabilitation, conservation or liquidation.
- 14.6 Delivery of records:** If the Principal Paying Agent resigns or its appointment is terminated, it shall, on the date the resignation or termination takes effect, pay to the new Principal Paying Agent any amount held by it for payment of the Preference Shares and deliver to the new Principal Paying Agent the records kept by it and all Preference Shares held by it pursuant to this Agreement.
- 14.7 Successor Corporations:** A corporation into which an Agent is merged or converted or with which it is consolidated or which results from a merger, conversion or consolidation to which it is a party shall, to the extent permitted by applicable law, be the successor Agent under this Agreement without further formality. The Agent concerned shall forthwith notify such an event to the other parties to this Agreement and to the holders of the Preference Shares in accordance with the Articles.
- 14.8 Notices:** The Principal Paying Agent shall give holders of the Preference Shares at least 30 days notice of any proposed appointment, termination, resignation or change under sub-Clauses 14.1 to 14.4 of which it is aware, and, as soon as practicable, notice of any succession under sub-Clause 14.7 of which it is aware. The Issuer shall give holders of the Preference Shares, as soon as practicable, notice of any termination under sub-Clause 14.5 of which it is aware.
- 15 Commissions, Fees and Expenses**
- 15.1 Fees:** The Issuer will pay to the Principal Paying Agent the commissions, fees and expenses in respect of the Agents' services as separately agreed with the Principal Paying Agent and the Issuer need not concern itself with their apportionment between the Agents.
- 15.2 Costs:** The Issuer will also pay on demand, against presentation of such invoices and receipts as it may reasonably require, all reasonable out-of-pocket expenses (including legal, advertising, telex and postage expenses) properly incurred by the Agents in connection with their services together with any applicable value added tax and stamp, issue, documentary or other similar taxes and duties (but, notwithstanding anything else in this Agreement, excluding any taxes incurred by the Agents on their actual net income, profits or gains).

Schedule A

CONDITIONS

The terms of, and rights attaching to, the Non-Cumulative Callable Preference Shares are contained in the Issuer's Articles of Association and in a special resolution of the members of the Issuer passed on 21 April 2006 which provides as follows.

Barclays Bank PLC

NON-CUMULATIVE CALLABLE DOLLAR PREFERENCE SHARES, SERIES 2

TERMS AND CONDITIONS

(Adopted by a written resolution of the shareholders of Barclays Bank PLC passed as a special resolution on 21 April, 2006)

The Non-Cumulative Callable Dollar Preference Shares, Series 2 (the **Series 2 Dollar Preference Shares**) of Barclays Bank PLC (the **Issuer**) have attached thereto the respective terms and conditions set out below and are otherwise subject to the provisions of the Articles of Association of the Issuer (the **Articles**).

1. General

The Series 2 Dollar Preference Shares will have a nominal value of U.S.\$0.25 each and will be issued fully paid in accordance with the terms of the underwriting agreement and pricing agreement relating thereto. The Series 2 Dollar Preference Shares will rank *pari passu* and rateably without any preference or priority among themselves and will rank in priority to the Ordinary Shares of the Issuer. A fuller description of the ranking of the Series 2 Dollar Preference Shares as regards participation in profits and on a return of capital is contained in paragraphs 2(i) and 3 below.

The Series 2 Dollar Preference Shares will, following their initial issue in registered form, be represented by a share warrant to bearer, within the meaning of the Companies Act, in the form of a single global share warrant to bearer (the **Global Series 2 Dollar Preference Share**). The Global Series 2 Dollar Preference Share will be deposited with the custodian for The Bank of New York of 101 Barclay Street, Floor 21 West, New York, New York 10286, as depositary (the **Depositary**). The Global Series 2 Dollar Preference Share is exchangeable in whole or in part for definitive Series 2 Dollar Preference Shares, each in registered form in the circumstances set out in the Global Series 2 Dollar Preference Share.

2. Dividends

- (i) Each Series 2 Dollar Preference Share shall entitle the holder thereof to receive out of the profits of the Issuer available for distribution and permitted by law to be distributed a non-cumulative preferential dividend (the **Preference Dividend**), in priority to the payment of any dividend to the holders of Ordinary Shares and any other class of shares in the capital of the Issuer ranking junior to the Series 2 Dollar Preference Shares as regards participation in profits

of the Issuer and *pari passu* in such regard with the holders of any other class of shares in the capital of the Issuer, (other than any shares which may be issued by the Issuer and which by their terms rank in priority, with the consent or sanction of the holders of the Series 2 Dollar Preference Shares given in accordance with the Articles, to the Series 2 Dollar Preference Shares as regards participation in such profits).

- (ii) In respect of the period from (and including) 25 April, 2006 to (but excluding) the date on which all the preference shares are redeemed, the Preference Dividend shall accrue at a fixed rate of 6.625 per cent. per annum on the principal amount in respect of each Series 2 Dollar Preference Share, which dividend will be payable, subject as provided below, quarterly in arrear in U.S. dollars on 15 March, 15 June, 15 September and 15 December in each year (each a **Dividend Payment Date**) when, as and if declared by the Board. The first payment of the Preference Dividend will be made on 15 September 2006 in respect of the period from (and including) 25 April 2006 to (but excluding) 15 September 2006. For the purposes of this paragraph (ii), **principal amount** means, in relation to each Series 2 Dollar Preference Share, an amount equal to U.S.\$25. In respect of the period from (and including) 25 April, 2006 to (but excluding) the date on which all the preference shares are redeemed, the amount of dividend accruing in respect of any period from (and including) the most recent Dividend Payment Date (or if none, 25 April, 2006) to (but excluding) the relevant payment date (the **Calculation Period**) will be calculated on the following basis. The amount of dividend will be calculated on the basis of the number of days in the Calculation Period divided by 360 (the number of days to be calculated on the basis of a year of 360 days with 12 30-day months).
- (iii) Subject to paragraph (iv) below, the Preference Dividend for each Dividend Period shall be paid to the extent that payment can be made out of the profits of the Issuer available for distribution and permitted by law to be distributed. If a dividend is to be paid but the distributable profits of the Issuer available for distribution are insufficient (after payment in full, or the setting aside of a sum to enable the payment in full, of dividends expressed to be payable on the relevant Dividend Payment Date on any class of shares in the capital of the Issuer ranking in priority to the Series 2 Dollar Preference Shares as regards participation in the profits of the Issuer, and after payment in full, or the setting aside of a sum to enable the payment in full, of all dividends expressed to be payable on a date earlier than the relevant Dividend Payment Date on any class of shares in the capital of the Issuer that ranks in priority to the Series 2 Dollar Preference Shares in such regard and carries cumulative rights to dividends) to enable payment in full of dividends on the Series 2 Dollar Preference Shares on any Dividend Payment Date and also (1) the payment in full of all other dividends expressed to be payable on such date on any other preference shares and any other class of shares in the capital of the Issuer ranking *pari passu* therewith as regards participation in profits, and (2) the payment in full, or the setting aside of a sum to enable the payment in full, of all dividends expressed to be payable before such date on any other class of shares in the capital of the Issuer that ranks *pari passu* with the Series 2 Dollar Preference Shares in such regard and carries cumulative rights to dividends, then the Board shall (subject to paragraph (iv) below) declare and pay dividends to the extent of the distributable profits on a *pro rata* basis so that (i) the aggregate amount of dividends declared on the Series 2 Dollar Preference Shares and (ii) the aggregate amount of dividends declared on each other class of shares on which dividends are expressed to be payable on such date and ranking *pari passu* with the Series 2 Dollar Preference Shares as regards participation in profits and (iii) the aggregate amount of dividends paid or set aside for payment on such date on each other class of shares ranking *pari passu* with the Series 2 Dollar Preference Shares in such regard and carrying cumulative rights to dividends, on which dividends were expressed to be payable before such date, will

bear to each other the same ratio as the full amounts of dividends (1) expressed to be payable in aggregate on the Series 2 Dollar Preference Shares on such date, (2) expressed to be payable in aggregate on each such other *pari passu* ranking class of shares on which dividends are expressed to be payable on such date and (3) paid or provided for in aggregate on each such other *pari passu* ranking class of shares carrying cumulative rights to dividends in respect of dividends expressed to be payable before such date, bear to each other.

- (iv) Notwithstanding paragraph (iii) above, if on or prior to any Dividend Payment Date the Board determines in its absolute discretion that the Preference Dividend which would otherwise be declared and payable on a Dividend Payment Date (the **Relevant Dividend**) should not be paid, or should be paid only in part, then the Relevant Dividend shall in accordance with such determination either not be declared and payable at all or only be declared and payable in part.
- (v) If a dividend on the Series 2 Dollar Preference Shares is not paid, or is paid only in part, pursuant to subparagraph (iii) or (iv) above, the holders of the Series 2 Dollar Preference Shares shall have no claim in respect of such non-payment or non-payment in part, as applicable. The Issuer shall have no obligation to pay the Preference Dividend accrued for the relevant Dividend Period or to pay interest thereon, whether or not Preference Dividends are declared for any future Dividend Period.
- (vi) If any dividend on the Series 2 Dollar Preference Shares is not declared and paid in full on a Dividend Payment Date (the **Relevant Dividend Payment Date**) (or is declared but not paid in full nor a sum set aside to provide for its payment in full), the Dividend Restriction shall apply. The **Dividend Restriction** means that neither the Issuer nor the Holding Company may (a) declare or pay a dividend (other than payment by the Holding Company of a final dividend declared by its shareholders prior to the Relevant Dividend Payment Date, or a dividend paid by the Issuer to the Holding Company or to another wholly-owned Subsidiary) on any of their respective ordinary shares, other preference shares or other share capital or (b) redeem, purchase, reduce or otherwise acquire any of their respective share capital, other than shares of the Issuer held by the Holding Company or a wholly-owned Subsidiary (or set aside any sum or establish any sinking fund for the redemption, purchase or other acquisition thereof), until the earlier of (1) the date on which the Issuer next declares and pays (or sets aside a sum to provide for payment of) in full a Preference Dividend and (2) the date on or by which all of the Series 2 Dollar Preference Shares are either redeemed in full or purchased by or for the account of the Issuer, in each case in accordance with the Articles and the terms of the Series 2 Dollar Preference Shares.
- (vii) Any dividend unclaimed after a period of 12 years from the date when it became due for payment shall be forfeited and shall revert to the Issuer and the payment by the Board of any unclaimed dividend or other sum payable on or in respect of a share into a separate account shall not constitute the Issuer a trustee in respect of it.
- (viii) No dividend or other moneys payable on or in respect of the Series 2 Dollar Preference Shares shall bear interest as against the Issuer.

3. Capital

On a winding-up or other return of capital (other than a redemption or purchase by the Issuer of any of its issued shares, or a reduction of share capital, permitted by the Articles and under applicable law), the assets of the Issuer available to shareholders shall be applied in priority to any payment to the holders of Ordinary Shares and any other class of shares in the capital of the Issuer then in issue ranking junior to the Series 2 Dollar Preference Shares on such a return of capital and *pari passu* on such a return of capital with the holders of any other class

of shares in the capital of the Issuer then in issue (other than any class of shares in the capital of the Issuer then in issue ranking in priority, with the consent or sanction of the holders of the Series 2 Dollar Preference Shares given in accordance with the Articles, to the Series 2 Dollar Preference Shares on a winding-up or other such return of capital), in payment to the holders of the Series 2 Dollar Preference Shares of an amount per Series 2 Dollar Preference Share equal to the aggregate of:

(i) an amount equal to dividends accrued thereon for the then current Dividend Period to the date of the commencement of the winding-up or other such return of capital; and

(ii) an amount equal to U.S.\$25 per Series 2 Dollar Preference Share.

After payment of the full amount of the liquidating distributions to which they are entitled, the holders of the Series 2 Dollar Preference Shares will have no right or claim to any of the remaining assets of the Issuer and will not be entitled to any further participation in such return of capital. In the event of the sale of all or substantially all of the assets of the Issuer, the distribution to the shareholders of the Issuer of all or substantially all of the consideration for such sale, unless such consideration (apart from assumption of liabilities) or the net proceeds thereof consists entirely of cash, will not be deemed to be a return of capital in respect of the winding-up of the Issuer.

4. **Redemption**

The Issuer may, subject to the Companies Act, to the Articles and to the prior consent of the FSA (if required), upon not less than 30 nor more than 60 days' notice, redeem the Series 2 Dollar Preference Shares in whole, but not only part, on September 15, 2011 and on any Dividend Payment Date thereafter. Redemption will be effected in the manner provided in the Articles. There shall be paid on each Series 2 Dollar Preference Share so redeemed the aggregate of:

(i) an amount equal to U.S.\$25; and

(ii) the dividend accrued thereon for the then current Dividend Period to the date fixed for redemption.

In the event that payment of the redemption price in respect of any Series 2 Dollar Preference Share is improperly withheld or refused, the dividend on such Series 2 Dollar Preference Share shall continue to accrue, at the then applicable rate, from the date fixed for redemption to the date of payment of such redemption price. If the due date for payment of any amount of redemption moneys is not a dollar business day, then payment of such amount will be made on the next succeeding dollar business day, without any interest or payment in respect of such delay.

5. **Purchases**

The Issuer may at any time purchase, or cause to be purchased for its account, all or any of the Series 2 Dollar Preference Shares, subject to the provisions of the Companies Act, the Articles and the applicable rules of any stock exchange or exchanges on which any of its shares are listed from time to time, at any price. The Issuer shall not be required to select the shares to be purchased rateably or in any other particular manner as between the holders of Series 2 Dollar Preference Shares or as between them and the holders of shares of any other class or in accordance with the rights as to dividends or capital conferred by any class of shares. No purchase of Series 2 Dollar Preference Shares will be made by or on behalf of the Issuer without the prior consent of the FSA (if required).

6. Form and Transfer

Title to Series 2 Dollar Preference Shares represented by a share warrant to bearer will pass by delivery of the relevant bearer share warrants. Title to Series 2 Dollar Preference Shares in registered form will pass by transfer and registration on the register for the Series 2 Dollar Preference Shares.

The bearer of any share warrant for the Series 2 Dollar Preference Shares and the persons (if any) in whose names Series 2 Dollar Preference Shares are for the time being registered, shall (to the fullest extent permitted by applicable law) be deemed to be, and shall be treated as, the holders and absolute owners of the relevant Series 2 Dollar Preference Shares for the purpose of receiving payment in respect thereof and for all other purposes (notwithstanding any notice of ownership or writing thereon or any notice of previous loss or theft thereof or any trust or other interest therein), whether or not any payment in respect of the Series 2 Dollar Preference Shares shall be overdue.

Each exchange or registration of transfer of Series 2 Dollar Preference Shares in registered form will, subject to and in accordance with the Articles, be effected by entry on the register for the Series 2 Dollar Preference Shares kept by the Registrar at its office in the United Kingdom. No fee shall be charged on the registration of any instrument of transfer or other instrument relating to or affecting the title to the Series 2 Dollar Preference Shares, but the person requesting such registration will be required to pay any related taxes, stamp duties or other governmental charges.

Upon presentation to the Registrar at its office in the United Kingdom, a share warrant to bearer may be exchanged for the relevant Series 2 Dollar Preference Shares in registered form, in which event the holder of the share warrant to bearer will be registered as a holder of the Series 2 Dollar Preference Shares in the register of members of the Issuer and will receive a certificate made out in such holder's name. The exchange of Series 2 Dollar Preference Shares represented by a share warrant to bearer for Series 2 Dollar Preference Shares in registered form will also be subject to applicable UK tax laws and regulations in effect at the time of the exchange. No exchange will be made unless any resulting taxes, stamp duties or other governmental charges have been paid to the Issuer. Series 2 Dollar Preference Shares in registered form will not be exchangeable, in whole or in part, for Series 2 Dollar Preference Shares represented by a share warrant to bearer.

7. Payments

Payments in respect of any amount payable by way of dividend or on redemption in respect of the Series 2 Dollar Preference Shares in bearer form will be made against presentation and, where applicable on redemption, surrender of the relevant share warrant to bearer at the specified office of the Principal Paying Agent or the Paying Agent. Each such payment will be made, at the option of the payee, by a dollar cheque drawn on, or by transfer to a dollar account maintained by the payee with, a branch of a bank in London.

In the case of payments in respect of Series 2 Dollar Preference Shares in bearer form represented by a share warrant, if the due date for payment or any later date upon which the share warrant is presented for payment is not a Payment Business Day, then the holder shall not be entitled to payment at such place of the amount due until the next following Payment Business Day and shall not be entitled to further interest or other payment in respect of such delay.

Payments in respect of any amount payable by way of dividend or on redemption in respect of the Series 2 Dollar Preference Shares in registered form will be made by cheque or warrant sent by post to the registered address of the holder, or in the case of joint holders, to any one of them, or, upon request of the holder or joint holders not later than the date specified for such purpose in the notice of redemption, by bank transfer to a dollar account maintained by the holder, details of which are notified by the holder in writing to the Issuer.

A record of each payment made on a share warrant to bearer will be made on or in relation to such share warrant to bearer by the Principal Paying Agent or the Paying Agent to which the share warrant to bearer is presented for the purposes of making such payment and such record shall be prima facie evidence that the payment in question has been made.

Payments in respect of amounts payable by way of dividend and on redemption on the Series 2 Dollar Preference Shares will be subject in all cases to any applicable fiscal or other laws and other regulations.

8. Voting

The holders of Series 2 Dollar Preference Shares shall not be entitled to receive notice of, or to attend or vote at, any general meeting of the Issuer.

9. Variations of Rights and Further Issues

- (i) Save with the sanction of a special resolution passed at a separate general meeting of the holders of Series 2 Dollar Preference Shares then in issue or with the consent in writing of the holders of three-fourths of the issued Series 2 Dollar Preference Shares, the Board shall not authorise or create, or increase the amount of, any shares of any class, or any security convertible into shares of any class, ranking as regards participation in the profits or assets of the Issuer (other than on a redemption or purchase by the Issuer of any such share, or a reduction of share capital, permitted by the Articles and under applicable law) in priority to the Series 2 Dollar Preference Shares. Any such separate general meeting shall be convened and conducted in all respects as nearly as possible in the same way as an extraordinary general meeting of the Issuer and rights to be given notice thereof and to attend and vote thereat shall be as provided in the Articles. The quorum at any such meeting shall be persons holding or representing by proxy at least one third of the issued Series 2 Dollar Preference Shares then in issue but so that if at any adjourned meeting a quorum as so defined is not present, any two holders of the Series 2 Dollar Preference Shares present in person or by proxy shall be a quorum. In relation to any such special resolution, on a show of hands every such holder who is present in person or by proxy shall have one vote and on a poll every such member who is present in person or by proxy shall have one vote in respect of each Series 2 Dollar Preference Share held by him.
- (ii) The Issuer shall be entitled at any time and from time to time and without any consent or sanction of the holders of the Series 2 Dollar Preference Shares to create and/or issue further preference or other share capital ranking as regards participation in the profits and assets of the Issuer *pari passu* with or junior to the Series 2 Dollar Preference Shares. Such creation and/or issue shall be deemed not to alter, vary, affect, modify or abrogate any of the rights attaching to the Series 2 Dollar Preference Shares and for the avoidance of doubt such rights shall not be deemed to be varied by the alteration of any of the provisions, other than an alteration which would result in any such shares ranking as regards participation in the profits or assets of the Issuer in priority to the Series 2 Dollar Preference Shares, set out in the Articles in respect of any such unissued shares. Any further series of shares ranking, as regards participation in profits or assets of the Issuer, *pari passu* with or junior to the Series 2

Dollar Preference Shares may, without their creation or issue being deemed to vary the special rights attaching to the Series 2 Dollar Preference Shares, either carry identical rights in all respects with the Series 2 Dollar Preference Shares (except as regards the date from which such shares rank for dividend) or carry rights differing therefrom in any respect including, but without prejudice to the foregoing, in that:

- (a) the rate and/or basis of calculating dividends may differ and the dividend may be cumulative or non-cumulative;
 - (b) such shares may rank for dividends as from such date as may be provided by the terms of issue thereof and the dates for payment of dividend may differ;
 - (c) such shares may be denominated in any currency or, if permitted by law, any basket of currencies;
 - (d) a premium may be payable on return of capital or there may be no such premium;
 - (e) such shares may be redeemable at the option of the Issuer or may be non-redeemable;
 - (f) different or no restrictions may apply in the event a dividend is not paid on such shares on a scheduled dividend payment date therefor; and
 - (g) such shares may be convertible into Ordinary Shares or any other class of shares ranking as regards participation in the profits and assets of the Issuer *pari passu* with or junior to the Series 2 Dollar Preference Shares,
- in each case on such terms and conditions as may be prescribed by the terms of issue thereof.

10. Principal Paying Agent and Paying Agent

The Bank of New York, London office, will act as the Registrar and initial Principal Paying Agent and the Paying Agent for the Series 2 Dollar Preference Shares.

The Issuer reserves the right at any time to vary or terminate the appointment of the Principal Paying Agent and any Paying Agent and to appoint additional or other Paying Agents. Notice of any such termination or appointment and of any change in the specified offices of the Paying Agents will be given to Preference Shareholders in accordance with paragraph 11 below.

11. Notices

Further to the provisions for giving notices to members contained in the Articles, notices to holders of Series 2 Dollar Preference Shares represented by one or more share warrants to bearer will be valid if published in a leading daily newspaper in London (which is expected to be the Financial Times) or, if such publication shall not be practicable, in an English language newspaper of general circulation in Europe or such other method as may be agreed with the holder from time to time. Any such notice shall be deemed to have been given on the date of such publication or, if published more than once or on different dates, on the first date on which publication is made.

The opinions set out in this letter are based upon the following assumptions:

- 3.1 The genuineness of all signatures, stamps and seals, the conformity to the originals of all documents supplied to us as certified, photostatic or faxed copies and the authenticity of the originals of such documents.
- 3.2 That the Issue Documents are duly authorised by and duly executed by or on behalf of each of the parties thereto (except the Issuer and Barclays PLC) and that the performance thereof is within the capacity and powers and legal ability of each of them (except as aforesaid).
- 3.3 That the Global Preference Share and any definitive Preference Shares are duly executed on behalf of the Issuer by the person(s) authorised to do so in the resolutions referred to above, that they are authenticated and issued in accordance with the Agency Agreement and, in the case of any definitive Preference Shares, in accordance with the terms of the Global Preference Share.
- 3.4 That the obligations expressed to be assumed by the Issuer under the Issue Documents to which it is a party constitute the Issuer's legal, valid, binding and enforceable obligations under the laws of the State of New York and that words and phrases used in such Issue Documents have the same meaning and effect as they would if such Issue Documents were governed by English law.
- 3.5 That the submission to the jurisdiction of any state and federal court in the City and State of New York by the Issuer contained in the Issue Documents to which it is a party is legal, valid and binding under the laws of the State of New York.
- 3.6 That the copy of the memorandum and articles of association of each of the Issuer and Barclays PLC referred to above is true and up-to-date.
- 3.7 That the resolutions set out in the minutes referred to above were passed at a duly convened and quorate meeting and have not been revoked or superseded and that the minutes of any meeting referred to above are true records of the proceedings at the meetings.
- 3.8 The absence of any other arrangements between any of the parties to the Issue Documents which modify or supersede any of the terms of the Issue Documents.
- 3.9 That each of the Underwriters is a person whose ordinary activities involve it in acquiring, holding, managing or disposing of investments (as principal or agent) for the purposes of its business.

- 3.10 That each of the parties to the Issue Documents which is or has been carrying on, or purporting to carry on, a regulated activity in the United Kingdom within the meaning of the Financial Services and Markets Act 2000 (the **FSMA**) has done so, and will do so, at all relevant times, in circumstances which do not contravene section 19 (*the general prohibition*) of the FSMA.
- 3.11 That there has been no alteration in the status or condition of either the Issuer or Barclays PLC as revealed by a search carried out against each of the Issuer and Barclays PLC at the Companies Registration Office in London at [] [am/pm] and [] [am/pm] respectively on [] April 2006 and an enquiry by telephone in respect of each of the Issuer and Barclays PLC at the Central Index of Winding Up Petitions at [] [am/pm] on [] April 2006.
- 3.12 That the Fund Raising Committee referred to above, in resolving to create and issue the Preference Shares and to execute the Issue Documents, has acted *bona fide* and in the interests of the Issuer and Barclays PLC.
- 3.13 That an English court would conclude that each of the Issue Documents which are governed by a law other than English law has the same effect under the relevant governing law as it would have if such agreement was governed by English law.

4. Opinion as to English Law

On the basis of such assumptions and subject to the reservations set out below, we are of the opinion that:

- 4.1 The Issuer is a company incorporated in England and has full power and capacity to create and issue the Preference Shares, to execute the Issue Documents to which it is a party and to undertake and perform the obligations expressed to be assumed by it therein.
- 4.2 Barclays PLC is a company incorporated in England and has full power and capacity, to execute the Deed of Covenant and to undertake and perform the obligations expressed to be assumed by it therein.
- 4.3 The issue of the Preference Shares has been duly authorised and the Global Preference Share has been duly executed by or on behalf of the Issuer, and the Preference Shares when issued and delivered upon payment in accordance with the terms of the Underwriting Agreement and the Pricing Agreement (or in the case of the Preference Shares to be issued to Barclays Capital Securities Limited, delivered against the unconditional undertaking to pay for the relevant Preference Shares in full in cash as set out in the Pricing Agreement) will be validly issued and fully paid and non-assessable, and the issuance of the Preference Shares is not subject to any pre-emptive or similar rights.
- 4.4 The Deed of Covenant and the Agency Agreement constitute legal, valid, binding and enforceable obligations of Barclays PLC and the Issuer, respectively.

- 4.5 The statements under the caption "Description of Preference Shares" set out on pages S-15 to S-19 of the Preliminary Prospectus Supplement and Prospectus Supplement insofar as they relate to (i) the Articles of Association or (ii) the Members' Resolution and in each such case are matters governed by English law, are in all material respects a correct summary of the relevant provisions found in the Articles of Association or the Members' Resolution, as the case may be.
- 4.6 We are aware of no reason why the choice of English law as the governing law of the Deed of Covenant and the Agency Agreement should not be recognised and given effect by the courts of England.
- 4.7 In any proceedings taken in England for the enforcement of any of the Issue Documents to which it is a party, the obligations expressed to be assumed by the Issuer in such Issue Documents would be recognised by the English courts as its legal, valid and binding obligations and would be enforceable in the English courts.
- 4.8 No further acts, conditions or things are required by English law to be done, fulfilled or performed in order to enable the Issuer lawfully to enter into, exercise its rights or perform its obligations under the Issue Documents to which it is a party or make such Issue Documents admissible in evidence in England.
- 4.9 In any proceedings taken in England for the enforcement of the obligations of the Issuer under the Issue Documents to which it is a party, the English courts would recognise the choice of the laws of the State of New York to govern the Issue Documents and the Preference Shares, subject to the provisions of the Contracts (Applicable Law) Act 1990.
- 4.10 The submission to the jurisdiction of any state or federal court of the City and State of New York by the Issuer contained in the Issue Documents is legal, valid and binding.
- 4.11 The English courts will enforce by separate action a final and conclusive judgment for a definite sum of money (not being a sum payable in respect of taxes or other charges of a like nature or in respect of a fine or other penalty) entered against the Issuer in connection with the enforcement of the Issue Documents to which it is a party in civil proceedings in a court of competent jurisdiction in the City and State of New York.
- 4.12 No registration or filing is required in England, and no authorisations, consents or approvals are required from any governmental or regulatory agency in England, in connection with:
- 4.12.1 the creation and issue of the Preference Shares or the ADSs, the execution of the Issue Documents or the performance by the Issuer and Barclays PLC of the obligations expressed to be undertaken by them therein; or
- 4.12.2 the offering and sale by the Underwriters of the ADSs or the distribution by them of the Preliminary Prospectus and the Prospectus,

provided that the ADSs have not been and will not be offered to the public in the United Kingdom in any circumstances other than those described in section 86 (*Exempt offers to the public*) of the FSMA.

- 4.13 The provisions of section 21 (*restrictions on financial promotion*) of the FSMA will not be contravened by reason of the communication of any invitation or inducement to engage in investment activity (within the meaning of that section) in connection with the issue or sale of the ADSs *provided that*:
- 4.13.1 the communication is made by an authorised person;
 - 4.13.2 the contents of the communication have been approved for the purposes of section 21 of the FSMA by an authorised person;
or
 - 4.13.3 the communication is otherwise made in circumstances in which section 21(1) of the FSMA does not apply.

5. **Reservations**

The opinions set out in paragraph 4 above are subject to a number of reservations, including the general reservation that the term enforceable as used above signifies that the relevant obligations are of a type which the English courts may enforce, but does not mean that those obligations will necessarily be enforced in all circumstances in accordance with their terms. You should particularly note the following reservations:

- 5.1 The power of an English court to order specific performance of an obligation or to order any other equitable remedy is discretionary and, accordingly, an English court might make an award of damages where specific performance of an obligation or any other equitable remedy was sought.
- 5.2 Where obligations of any person are to be performed in jurisdictions outside England, such obligations may not be enforceable under English law to the extent that performance thereof would be illegal or contrary to public policy under the laws of any such jurisdiction.
- 5.3 In some circumstances an English court may, and in certain circumstances it must, terminate or suspend proceedings commenced before it, or decline to restrain proceedings commenced in another court, notwithstanding the provisions of the Preference Shares or the Issue Documents providing that the courts of England have jurisdiction in relation thereto.
- 5.4 Where any person is vested with a discretion or may determine a matter in its opinion, English law may require that such discretion is exercised reasonably or that such opinion is based on reasonable grounds.
- 5.5 Any provision to the effect that any calculation, determination or certification will be conclusive and binding will not be effective if such calculation, determination or certification is fraudulent, arbitrary or manifestly incorrect, and an English court may regard any calculation, determination or certification as no more than *prima facie* evidence of the matter calculated, determined or certified.

- 5.6 Enforcement of rights may be or become limited by prescription or by the lapse of time, or may be or become subject to set-off or counterclaim.
- 5.7 Under English law, any obligation to pay additional interest in circumstances of breach or default might be held to be unenforceable on the ground that it is a penalty and thus void.
- 5.8 If the Deed of Covenant does not provide a contractual remedy for late payment of any amount payable thereunder that is a substantial remedy within the meaning of the Late Payment of Commercial Debts (Interest) Act 1998, the person entitled to that amount may have a right to statutory interest (and to payment of certain fixed sums) in respect of that late payment at the rate (and in the amount) from time to time prescribed pursuant to that Act. Any term of the Deed of Covenant may be void to the extent that it excludes or varies that right to statutory interest, or purports to confer a contractual right to interest that is not a substantial remedy for late payment of that amount, within the meaning of that Act. We express no opinion as to whether any such provisions in the Deed of Covenant do in fact constitute a substantial remedy in compliance with the conditions set out in Section 9 of such Act.
- 5.9 Any indemnity may be void insofar as it relates to stamp duty payable in the United Kingdom.
- 5.10 Any provision purporting to require a party to indemnify another person against the costs or expenses of proceedings in the English courts is subject to the discretion of the court to decide whether and to what extent a party to such proceedings should be awarded the costs or expenses incurred by it in connection therewith.
- 5.11 Any question as to whether or not any provision of any agreement or instrument which is illegal, invalid, not binding, unenforceable or void may be severed from the other provisions thereof in order to save those other provisions would be determined by an English court in its discretion.
- 5.12 If a party to any Issue Document or to any transfer of, or payment in respect of, a Preference Share is controlled by or otherwise connected with a person (or is itself) resident in, incorporated in or constituted under the laws of a country which is the subject of United Nations, European Community or United Kingdom sanctions implemented or effective in the United Kingdom under the United Nations Act 1946 or the Emergency Laws (Re-enactments and Repeals) Act 1964 or the Anti-terrorism, Crime and Security Act 2001 or under the Treaty establishing the European Community, as amended, or is otherwise the target of any such sanctions, then obligations to that party under the relevant Issue Document or in respect of the relevant transfer or payment may be unenforceable or void.
- 5.13 Our opinions as regards the binding nature and enforceability of the obligations of the Issuer and Barclays PLC under the Issue Documents are subject to all limitations arising from bankruptcy, insolvency, liquidation, reorganisation, moratorium or similar laws affecting the rights of creditors generally.

- 5.14 It is our experience that searches and enquiries of the type referred to in paragraph 3.11 above may be unreliable and, in particular, that notice of a winding up order made or resolutions passed, or an administration order made, or a receiver or administrative receiver appointed may not be filed promptly at the Companies Registry.
- 5.15 An English court may not apply the laws of the State of New York if to do so would be contrary to public policy or mandatory rules of English law.
- 5.16 If any proceedings are brought by the Issuer in the English courts, those courts may accept jurisdiction in certain cases, notwithstanding the provisions of the Issue Documents and the ADSs providing that the Issuer has irrevocably submitted to any state or federal court in the City and State of New York have jurisdiction in relation thereto.
- 5.17 There are no reciprocal arrangements in force between the United States of America and the United Kingdom for the recognition or enforcement of judgments. Accordingly, a judgment by any state or federal court in the City and State of New York is not enforceable directly in England but may be recognised by the English courts according to common law principles. A judgment by those courts will not be enforced by the English courts if:
- 5.17.1 the proceedings in which the judgment was given were opposed to natural justice;
 - 5.17.2 the judgement was obtained by fraud;
 - 5.17.3 the enforcement of the judgment would be contrary to English public policy;
 - 5.17.4 an order has been made and remains effective under section 9 of the Foreign Judgments (Reciprocal Enforcement) Act 1933 applying that section to judgments of those courts.
 - 5.17.5 before the date on which those courts gave judgment, the matter in dispute had been the subject of a final judgment of another court having jurisdiction whose judgment is enforceable in England;
 - 5.17.6 the judgment is for multiple damages within the meaning of section 5(3) of the Protection of Trading Interests Act 1980;
 - 5.17.7 the judgment is based on a rule of law specified by the Secretary of State as concerned with the prohibition of restrictive trade practices;
 - 5.17.8 the judgment is based on foreign measures which the Secretary of State specifies as regulating and controlling international trade and which, in so far as they apply to persons carrying on business in the United Kingdom, are damaging or threaten to damage the trading interests of the United Kingdom; or

- 5.17.9 the bringing of proceedings in those courts was contrary to an agreement under which the dispute in question was to be settled otherwise than by proceedings in those courts.
- 5.18 The confirmation provided in paragraph 4.5 is subject to the following specific reservations:
- 5.18.1 We give no confirmation as to any section of the Preliminary Prospectus and Prospectus other than the confirmation set out in paragraph 4.5.
- 5.18.2 The confirmation is given solely on the basis set out in paragraph 4.5 and in particular is limited to matters governed by English law.
- 5.18.3 Whilst we have reviewed the statements under the caption *Description of Preference Shares* we have not been responsible for drafting them so we might have expressed certain matters in a different manner or with a different emphasis.
- 5.19 If the English court gives judgment for the sum payable under a judgment of the state or federal courts in the City and State of New York, the English judgment would be enforceable by the methods generally available for the enforcement of English judgments. These give the court a discretion whether to allow enforcement by any particular method. In addition, it may not be possible to obtain an English judgment or to enforce any English judgment if the judgment debtor is subject to any insolvency or similar proceedings, if there is delay, if an appeal is pending or anticipated against the English judgment in England or against the foreign judgment in the state or federal courts in the City and State of New York or if the judgment debtor has any set-off or counterclaim against the judgment creditor.

6. Limits of our Opinion

We express no opinion as to any agreement, instrument or other document other than as specified in this letter, or as to any liability to tax which may arise or be suffered as a result of or in connection with the Preference Shares or the ADSs or, in either case, their creation, issue, allotment or delivery. We have not been responsible for investigation or verification of statements of fact (including statements as to foreign law) or the reasonableness of any statements of opinion contained in the Preliminary Prospectus and the Prospectus, the Underwriting Agreement or the Pricing Agreement, nor have we been responsible for ensuring that the Preliminary Prospectus and the Prospectus contain all material facts. In particular, we have not been responsible for ensuring that the Prospectus complies with the rules of the New York Stock Exchange Rules, or the requirements of any competent authority outside the United Kingdom.

This letter is given solely for the purposes of the issue of the Preference Shares and for the information of the persons to whom it is addressed, and may not be relied upon for any other purpose or by any other person.

Yours faithfully
