Item 1.01 Entry into a Material Definitive Agreement.

Effective May 26, 2006, Epicor Software Corporation (the Company), with approval by the Compensation Committee of its Board of Directors of Epicor Software Corporation, approved a form of Notice of Grant of Stock Purchase Right and Restricted Stock Agreement for use under the Company's 2005 Stock Incentive Plan (the Plan).

General Terms. The Notice of Grant of Stock Purchase Right and Restricted Stock Agreement provides for the grant of a right to purchase a number of shares of Company common stock subject to a vesting schedule. The recipient will vest in the restricted stock, or a portion thereof, in three equal, annual installments depending upon achievement of targets with respect to the Company's revenue and EBITDA for each of three performance years. The recipient must pay a purchase price per share equal to the par value of Company common stock (\$0.001), payable either by cash, check or some combination thereof. The recipient must make satisfactory arrangements to cover applicable tax withholdings which may include, in the administrator's sole discretion, cash, withholding a portion of the shares subject to the grant, delivering already vested and owned shares of restricted stock, or selling a sufficient number of Company shares otherwise deliverable to the recipient through such means as the Company may determine in its sole discretion.

Vesting. Shares of restricted stock will be held in escrow and the Company's reacquisition right will not lapse until vesting. Shares that have not vested upon the employee's termination of service with the Company will be forfeited and automatically transferred to and reacquired by the Company. In addition, shares of restricted stock that do not vest as a result of the Company's achievement with respect to revenue and EBITDA will be forfeited and automatically transferred to and reacquired by the Company.

Stockholder Rights. A restricted stock award recipient generally will have the rights of a Company stockholder, including voting rights and the right to receive any cash dividends, with respect to the shares upon their issuance. However, in the event of any merger, reorganization, consolidation, recapitalization, separation, liquidation, stock dividend, split-up, share combination or other change in the corporate structure of the Company affecting its common stock, any new or additional or different shares, cash or securities issued to the recipient in connection with the recipient's restricted stock will generally be subject to the same vesting and other restrictions applicable to the unvested restricted stock.

This summary of the terms of the form of Notice of Grant of Stock Purchase Right and Restricted Stock Agreement is not intended to be complete and is qualified in its entirety by the form of Notice of Grant of Stock Purchase Right and Restricted Stock Agreement, to be filed subsequently.
