Audit Committee

The Audit Committee (i) reviews the independence, qualifications and performance of the Company's independent public accountants, recommends their retention to the entire board, and reviews the final report of the independent accountants; (ii) reviews the procedures employed by the Company in the preparation of its financial statements; (iii) reviews known or suspected violations of policies and procedures set forth in the Code of Business Conduct and Ethics and applicable laws and regulations; (iv) pre-approves all audit and non-audit services provided by the independent accountants; (v) reviews with the Chief Financial Officer and independent accountants corporate accounting practices and policies and financial controls; and (vi) performs all other duties as the Board may from time to time designate.

The Board has determined that Messrs. Feinsilver and Webb each qualify as an audit committee financial expert under federal securities laws. The Audit Committee members are not professional accountants or auditors, and their role is not intended to duplicate or certify the activities of management and the independent accountants. The Audit Committee held five meetings during fiscal 2006, at which all members were present.

The Audit Committee has a written charter adopted by the Board of Directors in fiscal 2006 that has been attached as Appendix A to this proxy statement and also can be found on the Company's website, www.acrgroup.com.

Compensation Committee

The Compensation Committee is comprised of Messrs. St. Cyr (Chairman), Feinsilver and Reno, each of whom is an independent director as defined under the listing requirements of the AMEX. The Compensation Committee is responsible for overseeing the Company's executive compensation programs and making recommendations to the entire Board regarding compensation of the Company's executive officers in order to ensure the attraction and retention of talented senior corporate executives, to motivate and reward their performance in the achievement of the Company's business objectives, and to align their interests with the long-term interests of the Company's shareholders. The Company's compensation strategy has increasingly linked compensation to performance of the Company and the creation of shareholder value tied to the long-term performance of the Company. The Compensation Committee has a written charter that can be found on the Company's website, www.acrgroup.com. The Compensation Committee held six meetings during fiscal 2006, at which all members were present.

Nominating Committee

In April 2006, the Board established a Nominating Committee, for the purpose of evaluating and nominating potential candidates to become members of the Board, and evaluating current members of the Board. The Nominating Committee is comprised of Messrs. Shaw (Chairman), Reno and St. Cyr, each of whom is an independent director as defined under the listing requirements of the AMEX. The Company has prepared, but not yet adopted, a written Nominating Committee Charter. The Nominating Committee does not yet have a written policy that governs the consideration of shareholder-recommended director candidates, but will consider

candidates recommended by shareholders on a case-by-case basis. Shareholders who desire to recommend a candidate for service on the Board should provide such recommendation to the Chairman of the Nominating Committee in accordance with applicable securities laws. A candidate for consideration must have an educational background and business experience that would likely result in a meaningful contribution being made by such candidate to the Board. Candidates must possess unquestionable integrity and have a strong reputation in the community. The Committee will evaluate candidates submitted by shareholders with the same criteria that it uses for all other candidates. As it was formed in April 2006, the Nominating Committee did not meet in fiscal 2006.

Shareholder Communications with Board

Shareholders may send written communication directly to the Board by writing to the Board at the Company's office in Houston. Shareholders may also write to the independent members of the Board by sending an electronic message to the address provided on the Company's web site, www.acrgroup.com.

Code of Ethics and Business Conduct

The Company has prepared and adopted a written code of ethics applicable to all of the Company's officers and employees. The code restates the Company's practices of requiring honest and ethical conduct, including handling of apparent and actual conflicts of interest, full, fair, accurate, timely, and understandable disclosure in reports and documents filed or submitted, compliance with all applicable laws, rules and regulations, prompt reporting of violations of the code and accountability for adherence to the code. The Code of Business Conduct and Ethics can be found on the Company's website, www.acrgroup.com.

Report of the Audit Committee

The Company's management is responsible for preparing the Company's financial statements and implementing and maintaining systems of internal control, and the independent accountants are responsible for auditing those financial statements and expressing an opinion as to whether the financial statements present fairly, in all material respects, the financial position, results of operations and cash flows of the Company in conformity with generally accepted accounting principles in the United States of America. Members of the Audit Committee are not professional accountants or auditors and their functions are not intended to duplicate or to certify the activities of management and the independent accountants.

The Audit Committee reviews and makes recommendations to the Board concerning the reliability and integrity of the Company's financial statements and the adequacy of its system of internal controls and processes to assure compliance with its policies and procedures, Code of Business Conduct and Ethics, and applicable laws and regulations. The Committee establishes procedures for and oversees receipt, retention, and treatment of complaints received by the Company regarding accounting, internal control or auditing matters, and the confidential, anonymous submission by its employees of concerns regarding questionable accounting or auditing matters. The Committee is responsible for overseeing the conduct of these activities by the Company's management and the independent accountants.

The Committee has reviewed and discussed with management the audited financial statements as of and for the fiscal year ended February 28, 2006, as well as the representations of management, and the independent accountants' opinion thereon. The Committee discussed with the Company's independent accountants the overall scope and plans for their audits, and met with the independent accountants, with and without management present, to discuss the results of their examinations. The Committee has discussed with the independent accountants the matters required by Statement on Auditing Standards, No. 61, *Communications with Audit Committees*, as amended (including significant accounting policies, alternative accounting treatments and estimates, judgments and uncertainties), and the accountants' independence from the Company and its management, including the written disclosures and letter from the Company's independent accountants required by Independence Standards Board, Standard No. 1, *Independence Discussions with Audit Committees*, as amended.

The Committee has reviewed and discussed with management and the independent accountants, with and without management present, the Company's internal controls over financial reporting. The Securities and

Exchange Commission recently extended the Sarbanes-Oxley Section 404 compliance date for filing internal control reports by companies not designated as accelerated filers. Under the new compliance schedule, the Company will be required to file its initial report of internal control over financial reporting and related requirements for its fiscal year beginning March 1, 2007.

Further, the Committee has established policies and procedures that require pre-approval of non-audit services provided by the independent accountants and the fees and costs billed and expected to be billed by the independent accountants for those services. Non-audit services, if any, provided by the independent accountants during the year, and the fees and costs incurred in connection with those services, require pre-approval by the Committee in accordance with the Audit Committee Charter. When approving the retention of the independent accountants for non-audit services, and in reliance on reviews and discussions with management and the independent accountants, the Committee considers whether the retention of the independent accountants to provide those services is compatible with, and does not impair, auditor independence.

The Company's independent accountants provided to the Committee a copy of the audited financial statements and footnotes and their opinion dated May 19, 2006. The Committee reviewed with the independent accountants the results of the audit which expressed an unqualified opinion on the Company's financial statements.

Based on the reviews and discussions with management and the independent accountants referred to above, the Committee recommended to the Board of Directors on May 26, 2006, and the Board has approved, the inclusion of the audited financial statements in the Company's Annual Report on Form 10-K for the year ended February 28, 2006, for filing with the Securities and Exchange Commission.

Report of the Compensation Committee

The Compensation Committee is committed to achieving the objectives outlined above by acknowledging and rewarding contributions made by the Company's executive officers to the overall performance of the Company. Compensation arrangements for executive officers generally consist of a combination of fixed base salary, performance-based cash bonuses, and long-term incentives utilizing common stock of the Company.

The Committee considers competitive compensation offered for similar responsibilities by other organizations, including the compensation offered by a peer group of companies. The Committee compares the Company's total compensation, as well as each major component of compensation, with the peer group for overall competitiveness. Although the Committee reviews peer group information for guidance, it does not exclusively target executive compensation to specific compensation levels at other companies. The Committee uses a variety of resources, including publicly available data and published compensation surveys, in order to establish compensation levels in a highly competitive environment for executive leadership. Additionally, the committee may utilize the services of outside compensation experts.

The Committee met a total of six times in fiscal 2006 and continued its practice of reviewing total compensation for the Company's Chief Executive Officer and the two other named executive officers. Total compensation includes base salary, annual cash bonus, long-term incentive compensation, perquisites and other benefits.

The different components of compensation are presented in more detail in the Summary Compensation Table set forth below.

Audit-related fees are fees that principally relate to assurance and related services that are reasonably related to the performance of the audits and reviews of our consolidated financial statements and special procedures required to meet certain regulatory requirements.

Tax fees are fees for tax compliance, planning and advisory services other than those that relate specifically to the audits and reviews of our consolidated financial statements.

All other fees are fees that relate to consulting services.

Policy on Pre-Approval of Audit and Non-Audit Services

The Audit Committee has the sole authority to approve the scope of the audit as well as all audit fees and terms. The Audit Committee must pre-approve any audit and non-audit services provided by our independent registered public accounting firm. The Audit Committee will not approve the engagement of the independent registered public accounting firm to perform any services that the independent registered public accounting firm would be prohibited from providing under applicable securities laws or American Stock Exchange requirements. In assessing whether to approve the use of our independent registered public accounting firm to provide permitted non-audit services, the Audit Committee tries to minimize relationships that could appear to impair the objectivity of our independent registered public accounting firm. The Audit Committee will approve permitted non-audit services by BDO only when it will be more effective or economical to have such services performed

by BDO than another firm. No fees were paid for non-audit related professional services for which the pre-approval process by the Audit Committee was waived.

PROPOSALS OF SHAREHOLDERS

It is anticipated that the next annual meeting will be held in August 2007 with proxy solicitation commencing in July 2007. OTHER MATTERS

Management knows of no matter to be presented for action at the meeting other than those described above. If any such other matter should properly come before the meeting, or if any vacancy in the proposed slate of directors should be caused by an unexpected occurrence before the holding of the election, the proxies will vote thereon in accordance with the recommendations of management or for such other nominees as management may select.

The statements set forth herein as to the present principal occupations of the nominees as directors, the beneficial ownership of securities of the Company, and other matters not of record with the Company, are based upon information furnished to the Company.

Audit Committee Charter

January 2006

Introduction

The Audit Committee (the "Committee") of the Board of Directors (the "Board") of ACR Group, Inc. (the "Company") shall assist the Board in fulfilling its oversight responsibilities with respect to (i) the annual financial information to be provided by the Company to its shareholders and the Securities and Exchange Commission; (ii) the system of internal controls that management has established; and (iii) the outside audit process. In addition, it is intended that the Committee will provide an avenue for communication among the independent auditors, management and the Board. The Committee shall inform the independent auditors that the auditors are to maintain an open relationship with management, the Committee and the Board, and that the independent auditors are accountable to the Committee and the Board.

While the Committee has the responsibilities and powers set forth in this Charter, it is not the duty of the Committee to plan or conduct audits or to determine that the Company's financial statements are complete and accurate, presented fairly, or in accordance with generally accepted accounting principles. Management is responsible for the preparation, presentation and integrity of the Company's financial statements and for the appropriateness of the accounting principles and reporting policies that are used by the Company. The independent auditors are responsible for auditing the Company's financial statements and for reviewing the Company's unaudited interim financial statements.

Membership

A Committee will be comprised of three or more members of the Board. The members of the Committee shall each have been determined by the Board to be independent under applicable regulations of any exchange on which the Company's shares are traded, and other applicable rules. The Board shall determine that each member of the Committee is financially literate and that at least one member has accounting or related financial management expertise as those terms are defined by applicable regulation so as to be considered financially sophisticated. The members of the Committee shall serve for a period of one year unless such member resigns or is replaced by the Board. Committee members may be removed by a majority vote of the other members of the Board.

Meetings

The Committee shall meet at least quarterly and as many additional times as it deems necessary. The Committee shall meet separately with management and the independent auditors at least quarterly, or at other times as appropriate, to review the Company's financial statements and significant findings based upon the auditors' review procedures.

Authority

The Committee is directly responsible for the appointment, compensation, retention and oversight of the work of the independent auditors engaged for the purpose of preparing or issuing audit reports or for performing other review services for the Company. The auditor shall report directly to the Committee.

The Committee shall have the authority to investigate any matter or activity involving financial accounting and financial reporting, as well as the internal controls of the Company. All employees will be directed to cooperate with respect to any such investigation as requested by members of the Committee. The Committee shall have the authority to retain, compensate and terminate outside counsel or other experts, and will receive adequate funding from the Company to engage such advisors, and pay the ordinary administrative expenses incurred by the Committee in carrying out its duties. The Committee shall have the sole authority to approve the fees and retention terms of the consultants retained.

The Committee may delegate any of its responsibilities to one or more members of the Committee to the extent permitted by applicable law and listing standards. The decisions of any Committee member to whom responsibility is delegated must be presented to the Committee at the next scheduled meeting after any such decisions are made.

Responsibilities

In carrying out its oversight responsibilities, the Committee shall:

If deemed appropriate after such review and discussion, the Committee shall recommend to the Board that the financial statements be included in the Company's annual report on Form 10-K;
