The registrant is furnishing an Executive Summary and slides containing the information included in Exhibits 99.1 and 99.2 to this report, that have been prepared for presentations made in New York, New York beginning October 25, 2006.

The information contained in this report, including Exhibits 99.1 and 99.2, is furnished pursuant to Item 7.01 of Form 8-K and shall not be deemed to be filed for purposes of Section 18 of the Securities Exchange Act of 1934 or otherwise subject to the liabilities of that section, unless this report is specifically incorporated by reference in a document filed under the Securities Act of 1933 or the Securities Exchange Act of 1934.

Cautionary Statements regarding Presentation

Certain statements in this filing regarding future expectations and plans for oil and gas exploration and development may be regarded as forward looking statements. They are subject to various risks including, but not limited to, the inherent uncertainties in interpreting engineering data related to underground accumulations of oil and gas, timing and capital availability, and other factors to be discussed in detail in the registrant's filings with the Securities and Exchange Commission. Any information provided in this filing is qualified in its entirety by the registrant's filings with the Securities and Exchange Commission and any subsequent filing updates, changes or adjustments. Information is current as of the date presented, but as events change, the information herein may become out of date. Readers are encouraged to read the registrant's filings with the Securities and Exchange Commission to review the more complete discussions of the risks outlined above. The registrant expressly disclaims any obligation to update the presentation contained in Exhibits 99.1 and 99.2 of this Report. The inclusion of any data or statements in this presentation does not signify that the information is considered material.
