Management of Assurant, Inc. (the Company) is assessing whether certain amounts were incorrectly classified in the Company's unaudited Consolidated Statement of Cash Flows for the period ended September 30, 2006 and prior periods. The potential misclassifications are primarily attributable to the net increase (decrease) in payables and receivables arising from investment purchases and sales that had not yet settled as of the end of the reporting period. This could affect the subtotals of cash flows from operating, investing and financing activities, but will have no impact on the Company's Consolidated Balance Sheets, Consolidated Statements of Operations or the related earnings per share amounts as of the end of or for any previously reported period. As a result of this review, the Company is also assessing the effectiveness of its controls over financial reporting as they relate to the preparation of the Statement of Cash Flows.

As a result of the above continued assessment, the Company was unable to file its Quarterly Report on Form 10-Q for the fiscal quarter ended September 30, 2006 (the 10-Q) within the prescribed time period without unreasonable effort or expense. The 10-Q, which was due to be filed on November 9, 2006, is expected to be filed prior to or on November 14, 2006; however, there can be no assurance that the 10-Q will be filed on or prior to such date. The Company is filing this report for a five day extension, from November 9, 2006 to November 14, 2006, for filing its 10-Q.
