*(e) Compensatory Arrangements*

On January 10, 2007, Hercules Offshore, Inc. (the Company) implemented the Hercules Offshore, Inc. Deferred Compensation Plan (the Plan), effective as of January 1, 2007. The Plan was approved by the board of directors of the Company. Directors and, subject to the discretion of a committee appointed by the board of directors to administer the Plan, certain management and other highly compensated employees of the Company (such employees, together with the directors, Participants), including our Chief Executive Officer and our Chief Financial Officer, are eligible to participate in the Plan. Participants may elect to defer, on a pre-tax basis, up to 80% of base salary and up to 100% of any director fees, bonus or compensation under the Company's long-term incentive plan. All deferrals are credited to a deferred compensation account. The Company may make contributions to a Participant's deferred compensation account (1) to restore any 401(k) matching contribution the Participant may forego because of compensation deferred into the Plan and (2) at the discretion of the board of directors, to recognize a Participant's service to the Company. Participants are fully vested in their deferrals at all times; however, contributions by the Company to a Participant's deferred compensation account may be subject to vesting requirements. Compensation deferred under the Plan earns interest based on the performance of measurement funds selected by the Participant.

Under certain circumstances, including in connection with a change of control of the Company, distributions of amounts deferred under the Plan may accelerate. The Company reserves the right to terminate the Plan at any time. An optional termination of the Plan by the Company will not result in a distribution acceleration except as permitted by the Internal Revenue Code and related Treasury guidance in connection with a change in control of the Company.

The Plan is administered by a committee appointed from time to time by the board of directors of the Company. Following a change in control of the Company, the members of the committee in place immediately prior to the change in control may appoint an independent third party to administer the Plan.

In connection with the adoption of the Plan, the Company has adopted a trust agreement with JPMorgan Chase Bank, N.A. as the trustee (the Trust). The Company intends to deposit amounts to the Trust as such amounts are deferred by Participants or contributed by the Company. The Trust is a rabbi trust, meaning that the funds held by the trustee remain subject to the claims of the Company's general creditors in the event of the Company's insolvency.

The foregoing description of the Plan is not complete and is qualified in its entirety by reference to the Plan, which is filed as Exhibit 10.1 hereto and is incorporated herein by reference.
