Items 1.01 and 2.03 Entry into a Material Definitive Agreement; Creation of a Direct Financial Obligation

On April 2, 2007, BioDelivery Sciences International, Inc. (the Company) obtained a \$1.0 million financing from Hopkins Capital Group II, LLC (HCG) in the form of an unsecured, non-interest bearing note, due June 30, 2007. The proceeds from this loan were used by the Company to make a required installment payment to QLT USA, Inc. (QLT) in connection with the Company's August 2006 purchase of the non-U.S. rights to the BEMATM disc drug delivery technology from QLT. HCG is affiliated with Dr. Frank E. O'Donnell, the Company's Chairman of the Board.

In connection with the loan made by HCG, the Company granted HCG the right, for a period of six months, to enter into a royalty purchase agreement with the Company. The consideration to be paid by HCG upon exercise of the right, which can be demanded by the Company or HCG in their respective discretion at any time before September 30, 2007, is \$5.0 million in cash. If the royalty purchase agreement is entered into, the royalty to be paid to HCG shall be based on a low, single digit, tiered percentage of net sales of the BEMATM Fentanyl, once the product is approved and commercial sales begin. In addition, if the royalty purchase agreement is entered into, the Company would issue a warrant to HCG to purchase 475,000 shares of Company common stock at \$5.55 per share (the closing price on April 2, 2007). No assurances can be given either the Company or HCG will elect to enter into the royalty purchase agreement.

If exercised, the form of purchase agreement to be entered into shall be substantially in the form which is an exhibit to the note issued to HCG (which note and form of purchase agreement are attached as Exhibit 10.1 to this Current Report).

Item 9.01. Financial Statements and Exhibits.

(d) Exhibits

*10.1 Promissory Note, dated March 30, 2007, by the Company in favor of HCG.

*** Confidential treatment is requested for certain portions of this exhibit pursuant to 17 C.F.R. Sections 200.8(b)(4) and 240.24b-2.**

This Current Report on Form 8-K and the exhibits hereto may contain, among other things, certain forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995, including, without limitation, statements with respect to the Company's plans, objectives, expectations and intentions and other statements identified by words such as may, could, would, should, believes, expects, anticipates, estimates, intends, plans or similar expressions. These statements are based upon the current beliefs and expectations of the Company's management and are subject to significant risks and uncertainties. Actual results may differ from those set forth in the forward-looking statements. These forward-looking statements involve certain risks and uncertainties that are subject to change based on various factors (many of which are beyond the Company's control).
