**Title: Message from Tom Kalaris: Barclays and ABN AMRO**

You will find on the Barclays Wealth intranet a note that Bob Diamond has written to all staff in the Investment Banking and Investment Management cluster regarding the successful conclusion of our negotiations with ABN AMRO. As Bob has laid out, this is a major milestone for Barclays and it will significantly accelerate progress towards the objectives that the Board has set for the institution.

For Barclays Wealth and for ABN's wealth management business, our two businesses are remarkably complementary. The combination will create one of the world's top ten wealth managers; give us two home markets; a leading geographic presence in Europe; critical mass in Asia; a fantastic base in Latin America; a presence in a number of high growth emerging markets and true scale in infrastructure.

I have spoken repeatedly about the opportunity that we have to redefine the wealth management business. In addition to the tools and the talent that we already have in place, we will have the benefit of our colleagues at ABN. I am excited at what this means for Barclays Wealth; I hope that you will join me in that excitement while still remembering how much more we have to do.
