Notice concerning Partial Amendment to the Articles of Incorporation

Tokyo, May 23, 2007 Mitsubishi UFJ Financial Group, Inc. (MUFJ) resolved, at a meeting of the Board of Directors held today, to submit a proposal for partial amendment to the Articles of Incorporation of MUFJ, as stated below, at the 2nd Annual General Meeting of Shareholders to be held on June 28, 2007 (which will also serve as a general meeting of holders of class shares with respect to ordinary shares) and at the general meeting of holders of class shares with respect to each class of preferred shares to be held on June 27, 2007; provided, however, that the amendments related to the stock splits and the introduction of a unit share system shall not take effect until the stock splits stated below become effective.

1. Reasons for Amendments

In order to reduce the minimum stock investment unit through stock splits and the introduction of the unit share system, for the purpose of enhancing the opportunities for investment in the stock of the Company, the necessary amendments will be made as described below. Subject to the approval of the shareholders to the Amendments to the Articles of Incorporation, the Board of Directors meeting held on May 23, 2007 adopted a resolution on the stock splits to be effective as of September 30, 2007 by which each ordinary share and preferred share will be split into 1,000 shares. In addition, the description of the total number of shares authorized to be issued with respect to some classes of Preferred Shares will be deleted.

- (1) The total numbers of shares authorized to be issued will be increased, taking the stock split ratio into consideration. In addition, the total number of Class 9 Preferred Shares and Class 10 Preferred Shares authorized to be issued will be deleted as all of such shares were cancelled (Article 6 of the Proposed Amendments).
- (2) A provision which enables the Company to introduce the unit share system along with execution of the stock splits, by which the number of shares constituting one unit of shares of the Company shall become 100, and a provision concerning nonissuance of share certificates for fractional unit shares will be newly established (Article 8 of the Proposed Amendments).
- (3) With the introduction of the unit share system, provisions to specify the rights pertaining to fractional unit shares will be newly established (Article 9 of the Proposed Amendments).
- (4) With the introduction of the unit share system, a provision for sales of fractional unit shares will be newly established (Article 10 of the Proposed Amendments).
- (5) With the introduction of the unit share system, provisions concerning fractional shares will be deleted (deletion of Article 9, Article 10, Paragraph 4 and Article 11, Paragraph 2 of the current Articles of Incorporation; Articles 50 and 51 of the Proposed Amendments).
- (6) In accordance with the stock split ratio of Preferred Shares, necessary amendments will be made to the provisions concerning preferred dividends, preferred interim dividends, distribution of residual assets, right to request acquisitions, etc. (Articles 14, 15, 16 and 19 of the Proposed Amendments; Attachments 1, 2 and 3 of the Proposed Amendments).

- (7) As the total number of shares authorized to be issued with respect to Class 9 Preferred Shares and Class 10 Preferred Shares will be deleted, provisions concerning requests for acquisitions of such Preferred Shares will be deleted (deletion of Attachments 2 and 3 of the current Articles of Incorporation).

- (8) A provision will be newly established to stipulate that amendments related to the stock splits and the unit share system shall have effect from September 30, 2007, on which date the stock splits will be effective (Article 1 of Supplement of the Proposed Amendments).

- (9) A provision will be newly established to stipulate that the provision of Unless otherwise provided for by laws or regulations, the Company shall not consolidate or split any Preferred Shares. (Article 18, Paragraph 1 of the Proposed Amendments) shall not be applied to the stock splits of Preferred Shares which will be effective as of September 30, 2007, pursuant to a resolution of the Board of Directors meeting held on May 23, 2007 (Article 2 of Supplement of the Proposed Amendments).

- (10) Renumbering of the articles and other necessary amendments will be made.

2. Details of Amendments

Current Articles of Incorporation

(c) The Current market price per share in the Acquisition Price Adjustment Formula means the average daily closing price (including closing bids or offered prices) of Ordinary Shares of the Company (in regular trading) as reported by the Tokyo Stock Exchange for the thirty (30) consecutive trading days (excluding a trading day or days on which no closing price or closing bid or offered price is reported) commencing on the forty-fifth (45th) trading day prior to the date on which the acquisition price after adjustment becomes effective (or, in the case as provided for in the proviso of c.(a)(ii) above, the record date set for the stock split or free allotment of Ordinary Shares to shareholders), calculated by rounding up to the nearest hundred (100) yen when the fraction is equal to or more than fifty (50) yen, discarding amounts less than fifty (50) yen.

If any of the events of adjustment of acquisition price as set forth in c.(a) or (b) above occurs during the above forty-five (45) trading day period, the average price above shall be adjusted in a manner consistent with c.(a) or (b) above.

(d) and (e) (Omitted.)

(f) The result of the calculation by the Acquisition Price Adjustment Formula shall be rounded up to the nearest hundred (100) yen when the fraction is equal to or more than fifty (50) yen, discarding amounts less than fifty (50) yen.

(g) In the event that the difference between the acquisition price after adjustment calculated by the Acquisition Price Adjustment Formula and the acquisition price before adjustment is less than one thousand (1,000) yen, no adjustment shall be made; provided, however, that if any event occurs thereafter that would require adjustment of the acquisition price, when calculating the acquisition price, such difference shall be deducted from the acquisition price before adjustment in the Acquisition Price Adjustment Formula.

Proposed Amendments

(c) The Current market price per share in the Acquisition Price Adjustment Formula means the average daily closing price (including closing bids or offered prices) of Ordinary Shares of the Company (in regular trading) as reported by the Tokyo Stock Exchange for the thirty (30) consecutive trading days (excluding a trading day or days on which no closing price or closing bid or offered price is reported) commencing on the forty-fifth (45th) trading day prior to the date on which the acquisition price after adjustment becomes effective (or, in the case as provided for in the proviso of c.(a)(ii) above, the record date set for the stock split or free allotment of Ordinary Shares to shareholders), calculated by rounding up to the nearest first decimal place when the fraction is equal to or more than 0.05 yen, discarding amounts less than 0.05 yen.

If any of the events of adjustment of acquisition price as set forth in c.(a) or (b) above occurs during the above forty-five (45) trading day period, the average price above shall be adjusted in a manner consistent with c.(a) or (b) above.

(d) and (e) (Unchanged.)

(f) The result of the calculation by the Acquisition Price Adjustment Formula shall be rounded up to the nearest first decimal place when the fraction is equal to or more than 0.05 yen, discarding amounts less than 0.05 yen.

(g) In the event that the difference between the acquisition price after adjustment calculated by the Acquisition Price Adjustment Formula and the acquisition price before adjustment is less than one (1) yen, no adjustment shall be made; provided, however, that if any event occurs thereafter that would require adjustment of the acquisition price, when calculating the acquisition price, such difference shall be deducted from the acquisition price before adjustment in the Acquisition Price Adjustment Formula.
