Item 1.01. Entry into a Material Definitive Agreement.

On June 4, 2007, Accredited Home Lenders Holding Co., a Delaware corporation (Accredited), entered into an Agreement and Plan of Merger (the Merger Agreement) with LSF5 Accredited Investments, LLC, a Delaware limited liability company (Parent), and LSF5 Accredited Merger Co., Inc., a Delaware corporation and wholly-owned subsidiary of Parent (Purchaser).

Pursuant to the Merger Agreement, and upon the terms and subject to the conditions thereof, Purchaser will commence a tender offer (the Offer) to acquire all of the outstanding shares of common stock, par value \$0.001 per share, of Accredited at a purchase price of \$15.10 per share, net to the holder thereof in cash (the Offer Price). Pursuant to the Merger Agreement, as soon as practicable after the consummation of the Offer and subject to the satisfaction or waiver of certain conditions set forth in the Merger Agreement, Purchaser will merge with and into Accredited (the Merger) and Accredited will become a wholly-owned subsidiary of Parent. In the Merger, the shares of Accredited remaining outstanding following the consummation of the Offer, other than shares held by Parent, Purchaser or by stockholders who have validly exercised their appraisal rights under Delaware law, will be converted into the right to receive the Offer Price.

The obligation of Purchaser to accept for payment and pay for the shares tendered in the Offer is subject to the satisfaction or waiver of a number of closing conditions set forth in the Merger Agreement. It is also a condition to Purchaser's obligation to accept for payment and pay for the shares tendered in the Offer that more than 50% of the outstanding shares of Accredited common stock on a fully diluted basis shall have been validly tendered in accordance with the terms of the Offer and not properly withdrawn (the Minimum Condition). The Minimum Condition may not be waived by Purchaser without the prior written consent of Accredited.

The closing of the Merger is subject to customary closing conditions, and, depending on the number of shares held by Parent and Purchaser after Purchaser's acceptance of the shares properly tendered in connection with the Offer, approval of the Merger by holders of the outstanding shares of Accredited common stock remaining after the completion of the Offer.

The Merger Agreement includes customary representations, warranties and covenants of Accredited, Parent and Purchaser. Accredited has agreed to operate its business in the ordinary course until the Merger is consummated. Accredited has also agreed not to solicit or initiate discussions with third parties regarding other proposals to acquire Accredited and to certain restrictions on its ability to respond to any such proposal. The Merger Agreement also includes customary termination provisions for both Accredited and Parent. Depending on the circumstances of a termination of the Merger Agreement, Accredited or Parent may be required to pay a termination fee.

A copy of the Merger Agreement is attached as Exhibit 2.1 to this report and is incorporated herein by reference. The foregoing description of the Merger Agreement does not purport to be complete and is qualified in its entirety by reference to the Merger Agreement.

The Merger Agreement contains representations and warranties of Accredited, Parent and Purchaser made to each other as of specific dates. The assertions embodied in those representations and warranties were made solely for purposes of the contract among Accredited, Parent and Purchaser and may be subject to important qualifications and limitations agreed to by Accredited, Parent and Purchaser in connection with the negotiating terms. Moreover, some of those representations and warranties may not be accurate or complete as of any specified date, may be subject to a contractual standard of materiality different from those generally applicable to stockholders or may have been used for purposes of allocating risk among Accredited, Parent and Purchaser rather than establishing matters as facts.

Notice to Investors

The tender offer for the outstanding common stock of Accredited referred to in this report has not yet commenced. This report is neither an offer to purchase nor a solicitation of an offer to sell any securities. The solicitation and the offer to buy shares of Accredited common stock will be made pursuant to an offer to purchase and related materials that Parent intends to file with the U.S. Securities and Exchange Commission. At the time the offer is commenced, Parent will file a Tender Offer Statement on Schedule TO with the U.S. Securities and Exchange Commission, and thereafter Accredited will file a Solicitation/Recommendation Statement on Schedule 14D-9 with respect to the offer. The Tender Offer Statement (including an Offer to Purchase, a related Letter of Transmittal and other offer documents) and the Solicitation/Recommendation Statement will contain important information that should be read carefully and considered before any decision is made with respect to the tender offer. These materials will be sent free of charge to all stockholders of Accredited. In addition, all of these materials (and all other materials filed by Accredited with the U.S. Securities and Exchange Commission) will be available at no charge from the U.S. Securities and Exchange Commission through its website at www.sec.gov. Investors and security holders may obtain free copies of the documents filed with the U.S. Securities and Exchange Commission by Accredited at www.accredhome.com.
