(Attach Extra Sheets if Needed)

SeaChange International, Inc. ( SeaChange ) has determined that it requires additional time to review its quarterly financial statements for the quarter ended April 30, 2007 in order to finalize the accounting for its proportionate share of the net loss in the German joint venture, On Demand Deutschland GmbH & Co. KG, formed during the quarter ended April 30, 2007 by SeaChange s subsidiary ON Demand Group Limited ( ODG ). ODG s share of the net loss of the joint venture for the quarter ended April 30, 2007 is approximately \$600,000; however, ODG s book value investment in the joint venture is only approximately \$200,000 because of the nature of the assets ODG contributed. SeaChange is performing additional research to determine the proper accounting treatment for the approximately \$400,000 difference between the proportionate share of the net loss and the book value of the investment.

SeaChange expects to complete its review and issue the first-quarter SEC Form 10-Q by Friday, June 15, 2007.

This form contains forward-looking statements (statements that are not historical facts). These statements, such as SeaChange s statements regarding the expected date of filing of its Form 10-Q, are neither promises nor guarantees, are based upon assumptions and estimates that might not be realized and are subject to risks and uncertainties that could cause actual results to differ materially from those in the forward looking statements. Such risks and uncertainties include the time required to complete the analysis of the accounting treatment of the German joint venture, the results of such analysis, and the time required for the Company s independent public accountants to complete their review of SeaChange s financial statements.
