PROXY STATEMENT

The Board of Directors of Sonic Foundry, Inc., a Maryland corporation (Sonic), hereby solicits the enclosed proxy. Unless instructed to the contrary on the proxy, it is the intention of the persons named in the proxy to vote the proxies:

FOR the election of Monty R. Schmidt and Gary R. Weis as Directors for terms expiring in 2013; and

FOR the proposal to adopt the 2008 Sonic Foundry, Inc. Employee Stock Purchase Plan; and

FOR the proposal to adopt the 2008 Sonic Foundry Non-Employee Directors Stock Option Plan; and

FOR the ratification of the appointment of Grant Thornton LLP as independent auditors of Sonic for the fiscal year ending September 30, 2008.

In the event that the nominee for director becomes unavailable to serve, which management does not anticipate, the persons named in the proxy reserve full discretion to vote for any other person who may be nominated. Proxies may also be authorized by telephone or over the Internet by following the instructions on the proxy card. Any stockholder giving a proxy may revoke the same at any time prior to the voting of such proxy. This Proxy Statement and the accompanying proxy are being mailed on or about January 30, 2008.

Each stockholder will be entitled to one vote for each share of Common Stock standing in his or her name on our books at the close of business on January 11, 2008 (the Record Date). Only holders of issued and outstanding shares of Sonic s common stock as of the close of business on the Record Date are entitled to notice of and to vote at the Annual Meeting, including any adjournment or postponement thereof. On that date, we had outstanding and entitled to vote 35,568,836 shares of Common Stock, held by approximately 9,800 stockholders, of which approximately 9,400 were held in street name.

QUORUM; VOTES REQUIRED

Votes cast by proxy or in person at the Annual Meeting will be tabulated by the inspector of elections appointed for the Annual Meeting and will determine whether or not a quorum is present. Where, as to any matter submitted to the stockholders for a vote, proxies are marked as abstentions (or stockholders appear in person but abstain from voting), such abstentions will be treated as shares that are present and entitled to vote for purposes of determining the presence of a quorum but as unvoted for purposes of determining the approval of any matter submitted to the stockholders for a vote. If a broker indicates on the proxy that it does not have discretionary authority as to certain shares to vote on a particular matter and has not received instructions from the beneficial owner, which is known as a broker non-vote, those shares will not be considered as present and entitled to vote with respect to that matter; however, such shares will be considered present for purposes of a quorum. A majority of the shares of Common Stock issued, outstanding and entitled to vote at the Annual Meeting, present in person or represented by proxy, shall constitute a quorum at the Annual Meeting. The election of the Directors requires a plurality of the votes present and entitled to vote. The adoption of the Employee Stock Purchase Plan and the Non-Employee Directors Stock Option Plan requires the approval of a majority of the outstanding shares of Common Stock represented at the meeting and entitled to vote. The approval of the other proposals requires the affirmative vote of the holders of a majority of the votes cast at the Annual Meeting.

DATE, TIME AND PLACE OF ANNUAL MEETING

The Annual Meeting will be held on March 6, 2008 at 9:00 a.m. (Central time) at the Monona Terrace Community and Convention Center, One John Nolen Drive, Madison, Wisconsin 53703.

PROPOSAL ONE: ELECTION OF DIRECTORS

Our Amended and Restated Articles of Incorporation and Bylaws provide that the Board of Directors shall be divided into five classes, with each class having a five-year term. Directors are assigned to each class in accordance with a resolution or resolutions adopted by the Board of Directors, each class consisting, as nearly as possible, of one-fifth the total number of directors. Vacancies on the Board of Directors resulting from death, resignation, disqualification, removal or other causes may be filled by either the affirmative vote of the holders of a majority of the then-outstanding shares or by the affirmative vote of a majority of the remaining directors then in office, even if less than a quorum of the Board of the Directors. Newly created directorships resulting from any increase in the number of directors may, unless the Board of Directors determines otherwise, be filled only by the affirmative vote of the directors then in office, even if less than a quorum of the Board of Directors. A director elected by the Board of Directors to fill a vacancy (including a vacancy created by an increase in the number of directors) shall serve for the remainder of the full term of the class of directors in which the vacancy occurred and until such director's successor is elected and qualified.

Our Amended and Restated Articles of Incorporation provide that the number of directors, which shall constitute the whole Board of Directors, shall be fixed exclusively by one or more resolutions adopted from time to time by the Board of Directors. Our currently authorized number of directors is seven. The seats on the Board of Directors, currently held by Monty R. Schmidt and Gary R. Weis., are designated as Class V Board seats, with terms expiring as of the Annual Meeting. Mssrs. Schmidt and Weis will stand for re-election at this Annual Meeting.

Mssrs. Schmidt and Weis are currently Board members of Sonic who were previously elected by the stockholders. If elected at the Annual Meeting, Mssrs. Schmidt and Weis would serve until the 2013 Annual Meeting and until their successors are elected and qualified or until their earlier death, resignation or removal.

The election of a Director requires the approval of a plurality of the votes cast by holders of the shares of Sonic's common stock. Any shares not voted, whether by broker non-vote or otherwise, will have no impact on the outcome of the election.

The Board of Directors unanimously recommends a vote FOR the election of Mssrs. Schmidt and Weis as Class V Directors.

CORPORATE GOVERNANCE

Director Independence

Through its listing requirements for companies with securities listed on the NASDAQ Global Market, the NASDAQ Stock Market (NASDAQ) requires that a majority of the members of our Board be independent, as defined under NASDAQ's rules. The NASDAQ rules have both objective tests and a subjective test for determining who is an independent director. The objective tests state, for example, that a director is not considered independent if he or she is an employee of the Company or has engaged in various types of business dealings with the Company. The subjective test states that an independent director must be a person who lacks a relationship that in the opinion of the Board would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. The Board has made a subjective determination as to each independent director that no relationship exists which, in the opinion of the Board, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. In making these determinations, the Board reviews information provided by the directors in an annual questionnaire with regard to each director's business and personal activities as they relate to the Company. Based on this review and consistent with NASDAQ's independence criteria, the Board has affirmatively determined that the following directors are independent: Gary R. Weis, David C. Kleinman, Paul S. Peercy and Arnold B. Pollard.

Related Person Transaction

The Board has adopted a Related Person Transaction Policy (the Policy), which is a written policy governing the review and approval or ratification of Related Person Transactions, as defined in SEC rules.

Under the Policy, each of our directors and executive officers must notify the Chairman of the Audit Committee in writing of any potential Related Person Transaction involving such person or an immediate family member. The

Audit Committee will review the relevant facts and circumstances and will approve or ratify the transaction only if it determines that the transaction is in, or is not inconsistent with, the best interests of the Company. The Related Party Transaction must then be approved by the independent directors. In determining whether to approve or ratify a Related Person Transaction, the Audit Committee and the independent directors may consider, among other things, the benefits to the Company; the impact on the director's independence (if the Related Person is a director or an immediate family member); the availability of other sources for comparable products or services; the terms of the transaction; and the terms available to unrelated third parties or to employees generally.

There were no Related Person Transactions in the fiscal year ended September 30, 2007 (Fiscal 2007).

Board Structure and Meetings

The Board met six times during Fiscal 2007. The Board also acted by written consent from time to time. All directors attended at least 75% of the total number of Board meetings and committee meetings on which they serve (during the period in which each director served). In addition, NASDAQ marketplace rules contemplate that the independent members of our Board will meet during the year in separate closed meetings referred to as executive sessions without any employee director or executive officer present. Executive sessions were usually held after regularly scheduled Board meetings during 2007.

The Board of Directors has four standing committees, the Audit Committee, the Executive Compensation Committee, the Nominating Committee and the Strategy Committee.

Sonic has a standing audit committee established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended (the Exchange Act). Messrs. Kleinman (chair), Weis and Peercy serve on the Audit Committee. Sonic's Board of Directors has determined that all members of Sonic's Audit Committee are independent as that term is used in Item 7(d)(3)(iv) of Schedule 14A under the Exchange Act and as defined under Nasdaq listing standards. The Audit Committee provides assistance to the Board in fulfilling its oversight responsibility including: (i) internal and external financial reporting, (ii) risks and controls related to financial reporting, and (iii) the internal and external audit process. The Audit Committee is also responsible for recommending to the Board the selection of our independent public accountants and for reviewing all related party transactions. The Audit Committee met five times in Fiscal 2007. A copy of the charter of the Audit Committee is available on Sonic's website and is attached hereto as Exhibit A.

Sonic's Board of Directors has determined that, due to his affiliation with the Graduate School of Business at the University of Chicago, and due to his serving as a director on numerous company boards, along with his other academic and business credentials, Mr. Kleinman has the requisite experience and applicable background to meet Nasdaq standards requiring financial sophistication of at least one member of the audit committee. Sonic's Board of Directors has also determined that neither Mr. Kleinman nor any other member of the Audit Committee is an audit committee financial expert as defined by applicable SEC regulations.

The Executive Compensation Committee consists of Messrs. Kleinman (chair), Weis and Peercy. The Board of Directors has determined that all of the members of the Executive Compensation Committee are independent as defined under Nasdaq listing standards. The Executive Compensation Committee makes recommendations to the Board with respect to salaries of employees, the amount and allocation of any incentive bonuses among the employees, and the amount and terms of stock options to be granted to executive officers. The Executive Compensation Committee met nine times in Fiscal 2007. A copy of the charter of the Executive Compensation Committee is available on Sonic's website.

The Nominating Committee consists of Messrs. Pollard (chair) and Kleinman. The Board of Directors has determined that all of the members of the Nominating Committee are independent as defined under Nasdaq listing standards. The purpose of the Nominating Committee is to evaluate and recommend candidates for election as directors, make recommendations concerning the size and composition of the Board of Directors, develop specific criteria for director independence, and assess the effectiveness of the Board of Directors. Our Board of Directors has adopted a charter for

the Nominating Committee, which is available on Sonic's website. The Nominating Committee will review all candidates in the same manner regardless of the source of the recommendation. Stockholder recommendations of candidates for Board membership will be considered when submitted with sufficient detail including the candidate's name, principal occupation during the past 5 years, listing of directorships, a statement that such nominee has consented to the submission of the nomination, amount of common stock of Sonic held by the nominee and qualification addressed to Corporate Secretary, Sonic Foundry, Inc., 222 W. Washington Ave., Madison, WI 53703

The Strategy Committee consists of Messrs. Pollard (chair) and Buinevicius. The Strategy Committee meets regularly with senior management, an outside advisory council and other industry experts in order to develop and refine Sonic's business strategy. The Strategy Committee met in person 5 times and held numerous informal and telephonic meetings in fiscal 2007.

DIRECTORS COMPENSATION

Our directors, who are not also our full-time employees, receive an annual retainer of \$20,000 in addition to a fee of \$1,500 for attendance at each meeting of the Board of Directors and \$1,000 per committee meeting attended, other than the chair of our Audit committee, Mr. Kleinman, who receives \$2,000 per Audit Committee meeting attended. In addition, the chair of our strategy committee receives compensation of \$5,000 per month totaling \$60,000 in 2007 for his role in managing the activities of the strategy committee. The cash compensation paid to the five non-employee directors combined in Fiscal 2007 was \$222,600. When traveling from out-of-town, the members of the Board of Directors are also eligible for reimbursement for their travel expenses incurred in connection with attendance at Board meetings and Board Committee meetings. Directors who are also employees do not receive any compensation for their participation in Board or Board Committee meetings.

Pursuant to the 1997 Non-Employee Directors' Stock Option Plan, (which expired in December 2007, the 1997 Directors Stock Option Plan) we granted to each non-employee director who was reelected or who continued as a member of the Board of Directors at each annual stockholders meeting a stock option to purchase 20,000 shares of Common Stock. Further, the chair of our Audit Committee receives an additional stock option grant to purchase 5,000 shares of Common Stock per year pursuant to Sonic's Non Qualified Stock Option Plan. The exercise price of each stock option granted was equal to the market price of Common Stock on the date the stock option was granted. Stock options issued under the 1997 Directors' Stock Option Plan vested fully on the first anniversary of the date of grant and expire after ten years from date of grant. An aggregate of 900,000 shares were reserved for issuance under the 1997 Directors Stock Option Plan. In addition, Mr. Pollard received an additional \$55,000 cash compensation for his services on the Strategy Committee and, in December 2007, was awarded an option to purchase 68,000 shares of Common Stock under Sonic's Non Qualified Stock Option Plan.

If any change is made in the stock subject to the 1997 Directors Stock Option Plan, or subject to any option granted thereunder, the 1997 Directors Stock Option Plan and options outstanding thereunder will be appropriately adjusted as to the type(s), number of securities and price per share of stock subject to such outstanding options.

The options and warrants set forth above have an exercise price equal to the fair market value of the underlying common stock on the date of grant. The term of all such options is ten years.

The following table summarizes cash and equity compensation provided our non-employee directors during the fiscal year ended September 30, 2007.

In addition, Mr. Kleinman received a grant of 5,000 shares on March 15, 2007 at an exercise price of \$3.76 with a grant date fair value of \$9,800 in connection with his position as chair of the audit committee and Mr. Pollard received a grant of 20,085 shares on January 15, 2007 at an exercise price of \$4.26 with a grant date fair value of \$38,965 in connection with his position as chair of the strategy committee.

PROPOSAL 2: PROPOSAL TO ADOPT THE

SONIC FOUNDRY 2008 DIRECTORS STOCK OPTION PLAN

The Board of Directors recommends adoption of the 2008 Sonic Foundry Non-Employee Directors Stock Option Plan (the Directors Stock Option Plan).

The purpose of the Directors Stock Option Plan is to promote the interests of Sonic and its stockholders by strengthening Sonic's ability to attract and retain experienced and knowledgeable non-employee directors and to encourage them to acquire an increased proprietary interest in Sonic. The Directors Stock Option Plan is intended to replace the 1997 Directors Stock Option Plan, adopted December 1997 and which expired December 2007. The 1997 Directors Stock Option Plan provided for the grant of up to 900,000 stock options, of which 800,000 were granted under the plan, 640,000 are currently outstanding and 540,000 are exercisable.

Consistent with the 1997 Directors Stock Option Plan, the Directors Stock Option Plan will be administered by the Board of Directors. The Directors Stock Option Plan will provide for a grant of an option to each non-employee director 1) upon his initial appointment to the Board, 2) to each non-employee director who is reelected or who is continuing in offices as a member of the Board after the adjournment of each annual meeting and 3) in the Board's discretion, other grants to one or more Non-Employee Directors from time to time. Each option grant pursuant to 1) or 2) above is effective to purchase 20,000 shares of Common Stock at an exercise price equal to the fair market value on the date of grant. Other option grants will be in amounts as determined by the Board.

Common Stock that may be issued under the Directors Stock Option Plan pursuant to options shall not exceed in the aggregate Five Hundred Thousand (500,000) shares of Common Stock.

Summary of the Directors Stock Option Plan

The following is a summary of the material provisions of the Directors Stock Option Plan. This summary is qualified in its entirety by reference to the specific provisions of the Directors Stock Option Plan, the full text of which is attached to this Proxy Statement as Exhibit B.

All options granted under the Directors Stock Option Plan are non- statutory not intended to qualify under Section 422 of the Code, as amended. The federal income tax consequences are similar to those described above with respect to the grant of a non-qualified stock option.

Payment of the option exercise price may be in cash, by delivery of previously owned Common Stock, by any other legally permissible means acceptable to the Board at the time of the grant of the option (including cashless exercise, subject to applicable legal restrictions), or by a combination of such means.

If an optionee ceases to be a director before an option vests, the option will terminate, other than in the case of death, disability or resignation required as a condition of a change in control, in which case all outstanding options granted as of the date of termination shall vest and immediately become exercisable. Each option expires ten years from the date of its grant or earlier in certain circumstances such as death or disability. Options are not transferable at any time except in certain circumstances such as transfers to family members. Options that are forfeited or terminated will again be available for grant. Shares may be authorized but unissued, currently held or reacquired shares. The Board of Directors may amend, terminate or suspend the Plan at any time.

Plan Benefits

Under the 1997 Directors Stock Option Plan, each of the five non-employee directors received options to purchase 20,000 shares of Common Stock upon initial appointment to the Board and each non-employee director has received and will continue to receive options to purchase an additional 20,000 shares of Common Stock after the adjournment of each annual stockholders meeting. However, no dollar value is assigned to the options because their exercise price is the fair market value of the common stock on the date of grant.

General

The adoption of the Directors Stock Option Plan requires the approval of a majority of the outstanding shares of Common Stock represented at the meeting and entitled to vote. Shares may be voted for or withheld from this matter. Under Securities and Exchange Commission regulations regarding stockholder approval of stock option plans, shares withheld from voting on this matter will be treated for all purposes relevant to this matter as being present at the meeting and entitled to vote and thus will have the same effect as a vote of such shares against this matter. Shares entitled to cast votes on this matter at the meeting which are the subject of a broker non-vote on this matter will be treated for quorum purposes relevant to this matter as being present at the meeting and entitled to vote but not be so treated in determining whether a majority or other required percentage of the shares present and entitled to vote on the matter has been obtained.

The Board of Directors unanimously recommends a vote FOR Proposal 2, adopting the 2008 Sonic Foundry Non-Employee Directors Stock Option Plan.

Compensation Discussion and Analysis

Introduction

This Compensation Discussion and Analysis describes our compensation strategy, policies, programs and practices for the executive officers identified in the Summary Compensation Table. Throughout this proxy statement, we refer to these individuals, who serve as our Chief Executive Officer, Chief Financial Officer, Chief Operating Officer and Chief Technology Officer as the executive officers.

The Compensation Committee (Committee) establishes and oversees our compensation and employee benefits programs and approves the elements of total compensation for the executive officers. The day-to-day design and administration of our retirement and employee benefit programs available to our employees are handled by our Human Resources and Finance Department employees. The Committee is responsible for reviewing these programs with management and approving fundamental changes to them.

Overview and Objectives of our Executive Compensation Program

The compensation program for our executive officers is designed to attract, motivate, reward and retain highly qualified individuals who can contribute to Sonic's growth with the ultimate objective of improving stockholder value. Our compensation program consists of several forms of compensation: base salary, annual bonus, long-term incentives and limited perquisites and benefits.

Base salary and annual bonus are cash-based while long-term incentives consist of stock option awards. The Committee does not have a specific allocation goal between cash and equity-based compensation or between annual and long-term incentive compensation. Instead, the Committee relies on the process described in this discussion and analysis in its determination of compensation levels and allocations for each executive officer.

The Committee does not utilize objective guidelines or formulae, performance targets or short-term changes in our stock price to determine the elements and levels of compensation for our executive officers. Instead, it relies upon its collective judgment as applied to the challenges confronting Sonic, together with advice from independent consultants, information provided by Sonic and independent sources, and the recommendations of our Chief Executive Officer. The Committee also uses subjective information when considering the credentials, length of service, experience, consistent performance, and available competitive alternatives of our executive officers. The Committee receives and reviews a variety of information throughout the year to assist it in directing the executive compensation program. Throughout the year, the Committee reviews financial reports comparing Sonic's performance on a year-to-date basis versus budget and at each Board meeting, the executive officers present an operating report.

The recommendations of the Chief Executive Officer play a significant role in the compensation-setting process. The Chief Executive Officer provides the Committee with an annual overall assessment of Sonic's achievements and performance, his evaluation of individual performance and his recommendations for annual compensation, bonus and long-term incentive awards. The Committee has discretion to accept, reject or modify the Chief Executive Officer's recommendations.

The Committee determines the compensation for each executive officer in an executive session.

Market Competitiveness

The Committee's target is for total cash compensation to average between the 50th and 75th percentile of published compensation data derived from two sources: (i) a peer group of companies that are competitors either in our industry, or for key talent, or with similar financial characteristics; and (ii) published market survey data for companies within our revenue range. Given competitive recruiting pressures, the Committee retains its discretion to deviate from this target under appropriate circumstances. The Committee periodically receives updates of the published compensation data.

Pay for Performance

The Committee believes that both long and short term compensation of executive officers should correlate to Sonic's overall financial performance. Incentive payouts will be larger with strong performance and smaller if Sonic's financial results decline. From time to time, extraordinary Board-approved initiatives in a fiscal year, such as a restructuring, acquisition, or divestiture, are considered by the Committee in its overall evaluation of Sonic's performance.

Competitive Benchmarking/Peer Group Analysis

The Committee reviewed market data from the American Electronics Association (AeA) in various size and industry stratifications similar to that of Sonic.

The second source of compensation data came from a peer group of thirty-one public companies that we consider competitors in our market for sales, or for key talent, or with similar financial or other characteristics such as size. The companies in the peer group ranged in market capitalization between \$50 million and \$250 million, had fewer than 200 employees, revenues between \$13 million and \$35 million and exhibited rapid growth in revenue in excess of 30%.

Components of Executive Compensation

Base Salary

The Committee seeks to pay the executive officers a competitive base salary in recognition of their job responsibilities for a publicly held company. As noted above, the target compensation range for an executive's total cash compensation (salary and bonus) is between the 50th and 75th percentile of the market data reviewed by the Committee.

As part of determining annual increases, the Committee also considers the Chief Executive Officer's recommendation regarding individual performance as well as internal equitable considerations.

In evaluating individual performance, the Committee considers initiative, leadership, tenure, experience, skill set for the particular position, knowledge of industry and business, and execution of strategy in placing the individual within the range outlined.

On February 2, 2007, the Committee approved base salary increases effective January 1, 2007 for Mr. Buinevicius from \$300,000 to \$315,000; for Mr. Minor from \$192,000 to \$221,000 and for Mr. Schmidt from \$220,000 to \$246,000. Following the fiscal year, on December 4, 2007, the Committee approved base salary increases effective immediately for three of the executive officers, of 5%. The salary for Mr. Buinevicius was increased to \$331,000 from \$315,000; the salary for Mr. Schmidt was increased to \$258,000 from \$246,000 and Mr. Minor's salary was increased to \$232,000 from \$221,000. Upon recommendation of Mr. Buinevicius that compensation of Mr. Coulson should be highly weighted toward incentives, the Committee took no action regarding the base compensation of Mr. Coulson leaving it at \$250,000. After its review of all sources of market data as described above, the Committee believes that the adjusted base salaries and the bonuses described below are within its targeted range for total cash compensation.

Bonus

The Committee typically targets an annual cash bonus as a percentage of total cash compensation within the 50th to 75th percentile of market data as noted above. Recognizing that Sonic's internal budgets are based on pre-established financial goals, the evaluation of individual performance reflects a discretionary assessment by the

Committee of each officer's contribution during the year. The Committee may consider factors such as general economic conditions, acquisitions, divestitures, or restructuring initiatives that may not have been contemplated when the financial budgets were developed. To aid in this evaluation, the Chief Executive Officer provides an overview of Sonic's financial metrics and performance, new product introductions, strategic initiatives, and investor relations activities for the year.

On December 4, 2007, the Committee approved bonuses for the executive officers based on the recommendations of the Chief Executive Officer and the Committee's assessment of individual performance and contribution to the improved financial performance of Sonic for fiscal 2007. Mr. Buinevicius, Mr. Schmidt and Mr. Minor received bonuses of \$60,000 each. Mr. Coulson receives bonuses quarterly based upon achieving predetermined targets for product and services billings set at the beginning of the fiscal year. Total bonus amounts paid to Mr. Coulson during fiscal 2007 totaled \$79,484.

Stock Options and Restricted Stock

The Committee has a long-standing practice of providing long-term incentive compensation grants to the executive officers. The Committee believes that such grants, in the form of stock options, help align our executive officers' interests with Sonic's stockholders. All stock option and restricted stock awards are granted under either our 1995 Stock Option Plan or the 1999 Non-Qualified Plan ("Employee Plans").

The Committee reviews option grant recommendations by the Chief Executive Officer for each executive officer, but retains full discretion to accept, reject or revise each recommendation. The Committee's policy is to grant options on the date it approves them. The exercise price is determined in accordance with the terms of the Employee Plan and cannot be less than the Fair Market Value, as defined in the Plan, of Sonic's common stock. The Committee typically grants options once a year, but may grant options to newly hired executives at other times.

In making its determinations, the Committee considers the number of options or shares owned by the executive officers.

In December 2006, the Committee awarded stock options to purchase 75,000 shares to Mr. Coulson as described in the "Grant of Plan-Based Awards" table in this Proxy Statement. The Committee considered the significant ownership position of shares of common stock and stock options of the other executive officers in determining not to grant additional options at that time. In December 2007, the Committee awarded options to purchase 200,000, 120,000, 50,000 and 50,000 shares to Messrs. Coulson, Minor, Buinevicius and Schmidt, respectively.

Health and Welfare Benefits

Our officers are covered under the same health and welfare plans, including our 401(k) plan, as salaried employees.

Employment Agreements

We entered into employment agreements with Rimantas P. Buinevicius and Monty R. Schmidt on substantially the same terms as the prior agreements in January 2001. The employment agreements automatically renew every two years for successive two year terms and were last automatically renewed on January 1, 2007. The salaries of each of Messrs. Buinevicius and Schmidt are subject to increase each year at the discretion of the Board of Directors. Messrs. Buinevicius and Schmidt are also entitled to incidental benefits of employment under the agreements. Each of the employment agreements provides that if (i) Sonic Foundry breaches its duty under such employment agreement, (ii) the employee's status or responsibilities with Sonic Foundry has been reduced, (iii) Sonic Foundry fails to perform its obligations under such employment agreement, or (iv) after a Change in Control of Sonic Foundry, Sonic Foundry's financial prospects have significantly declined, the employee may terminate his employment and receive all salary and bonus owed to him at that time, prorated, plus three times the highest annual salary and bonus paid to him in any of the three years immediately preceding the termination. If the employee becomes disabled, he may terminate his employment

and receive all salary owed to him at that time, prorated, plus a lump sum equal to the highest annual salary and bonus paid to him in any of the three years immediately preceding the termination. Pursuant to the employment agreements, each of Messrs. Buinevicius and Schmidt has agreed not to disclose our confidential information and not to compete against us during the term of his employment agreement and for a period of two years thereafter. Such non-compete clauses may not be enforceable, or may only be partially enforceable, in state courts of relevant jurisdictions.

A Change in Control is defined in the employment agreements to mean: (i) a change in control of a nature that would have to be reported in our proxy statement; (ii) Sonic Foundry is merged or consolidated or reorganized into or with another corporation or other legal person and as a result of such merger, consolidation or reorganization less than 75% of the outstanding voting securities or other capital interests of the surviving, resulting or acquiring corporation or other legal person are owned in the aggregate by our stockholders immediately prior to such merger, consolidation or reorganization; (iii) Sonic Foundry sells all or substantially all of its business and/or assets to any other corporation or other legal person, less than 75% of the outstanding voting securities or other capital interests of which are owned in the aggregate by our stockholders, directly or indirectly, immediately prior to or after such sale; (iv) any person (as the term person is used in Section 13(d) (3) or Section 14(d) (2) of the Securities Exchange Act of 1934 (the Exchange Act)) had become the beneficial owner (as the term beneficial owner is defined under Rule 13d-3 or any successor rule or regulation promulgated under the Exchange Act) of 25% or more of the issued and outstanding shares of our voting securities; or (v) during any period of two consecutive years, individuals who at the beginning of any such period constitute our directors cease for any reason to constitute at least a majority thereof unless the election, or the nomination or election by our stockholders, of each new director was approved by a vote of at least two-thirds of such directors then still in office who were directors at the beginning of any such period.

We entered into employment agreements with Kenneth A. Minor and Darrin T. Coulson in October 2007. The salaries of each of Messrs. Minor and Coulson are subject to increase each year at the discretion of the Board of Directors. Messrs. Minor and Coulson are also entitled to incidental benefits of employment under the agreements. Each of the employment agreements provide that a cash severance payment be made upon termination, other than for cause, equal to the highest cash compensation paid in any of the last three fiscal years immediately prior to termination in addition to immediate vesting of all previously unvested common stock and stock options. Further, Messrs. Minor and Coulson have the right to voluntarily terminate their employment, and receive the same severance arrangement detailed above following (i) any person becoming a beneficial owner of stock of Sonic Foundry representing 50% or more of the total voting power of Sonic Foundry's then outstanding stock; or, (ii) Sonic Foundry is acquired by another entity through the purchase of substantially all of its assets or securities and following such acquisition, Rimas Buinevicius does not remain as Chief Executive Officer and Chairman of the Board of Directors of Sonic Foundry or the acquisition is without the written consent of the Board of Directors of Sonic Foundry; or (iii) Sonic Foundry is merged with another entity, consolidated with another entity or reorganized in a manner in which any person is or becomes a beneficial owner of stock of the surviving entity representing 50% or more of the total voting power of the surviving entity's then outstanding stock; and Messrs. Minor or Coulson is demoted without cause or their duties are substantially altered. Pursuant to the employment agreements, each of Messrs. Minor and Coulson has agreed not to disclose our confidential information and not to compete against us during the term of his employment agreement and for a period of one year thereafter. Such non-compete clauses may not be enforceable, or may only be partially enforceable, in state courts of relevant jurisdictions.

For illustrative purposes, if Sonic terminated the employment of Messrs. Buinevicius, Schmidt, Coulson, and Minor (not for cause) on September 30, 2007 or if Messrs. Buinevicius, Schmidt, Coulson, and Minor elected to terminate their employment for constructive termination as defined in the employment agreements on September 30, 2007, and a change of control as defined in the employment agreements had occurred, Sonic would be obligated to pay \$1,529,000, \$1,165,000, 328,000 and \$312,000 to of Messrs. Buinevicius, Schmidt, Coulson, and Minor, respectively. In addition, any non-vested rights of Messrs. Buinevicius, Schmidt, Coulson, and Minor under the Employee Plans, would vest as of the date of employment termination. The value of the accelerated vesting of the options under these circumstances would be less than \$1,000 for Messrs. Buinevicius, Schmidt and Minor and \$95,000 Mr. Coulson.

Personal Benefits

Our executives receive a limited number of personal benefits certain of which are considered taxable income to them and which are described in the footnotes to the section of this Proxy Statement entitled Summary Compensation Table .

Internal Revenue Code Section 162(m)

Internal Revenue Code Section 162(m) limits the ability of a public company to deduct compensation in excess of \$1 million paid annually to each of the Chief Executive Officer and each of the other executive officers named in the Summary Compensation Table. There are exemptions from this limit, including compensation that is based on the attainment of performance goals that are established by the Committee and approved by the Company stockholders. No executive officer was affected by this limitation in fiscal 2007.

COMPENSATION COMMITTEE REPORT

The Compensation Committee of Sonic has reviewed and discussed the Compensation Discussion and Analysis required by Item 402(b) of Regulation S-K with management and, based on such review and discussions, the Compensation Committee recommended to the Board that the Compensation Discussion and Analysis be included in the Proxy Statement.

- (1) The amounts in column (d) represent the cash bonuses described under the section of this Proxy Statement entitled "Compensation Discussion and Analysis". These cash bonuses were awarded for performance for fiscal 2007 and paid in fiscal 2008 in the case of Messrs. Buinevicius, Minor and Schmidt and earned and paid quarterly in the case of Mr. Coulson.
- (2) The option awards in column (f) represent stock option grants for which Sonic recorded 2007 compensation expense. Under the required FAS 123(R) methodology, the compensation expense reflected is for grants made in fiscal 2007 and grants made in prior years which continued to be expensed in fiscal 2007. The full FAS 123(R) grant date fair value of the option awards granted in fiscal 2007 is included in column (l) in the "Grants of Plan-Based Awards" table included below in this Proxy Statement. The assumptions and methodology used in calculating the FAS 123(R) compensation expense of the option awards are provided in Sonic's Form 10-K. See Note 1, "Stock Based Compensation" in the Notes to the Consolidated Financial Statements in Sonic's Form 10-K. The amounts in this column represent our accounting expense for these awards and not necessarily the actual value that will be realized by the executive. There can be no assurance that the options will ever be exercised (in which case no value will be realized by the executive) or that the value on exercise will equal the FAS123(R) value.
- (3) The amount shown under column (i) includes Sonic's matching contribution under our 401(k) plan of \$9,031, \$11,057, \$8,915 and \$11,369 for Messrs Buinevicius, Minor, Coulson and Schmidt. In addition, Mr. Buinevicius receives a car allowance equal to \$713 per month of which the taxable personal portion of \$1,283 is included in this column. Messrs. - (1) Sonic grants employee stock options with exercise prices equal to the closing stock price on the date of grant.
- (2) The amount reported in column (l) represents the grant date fair value of the award following the required FAS 123(R) compensation methodology. Grant date fair value is calculated using the Lattice method. See Note 1, "Stock Based Compensation" in the Notes to the Consolidated Financial Statements in Sonic's Form 10-K for the fiscal year ended September 30, 2007 for an explanation of the methodology and assumptions used in the FAS 123(R) valuation. With respect to the option grants, there can be no assurance that the options will ever be exercised (in which case no value will be realized by the executive) or that the value on exercise will equal the FAS 123(R) value.

Sonic grants options to its executive officers under our employee stock option plans. As of September 30, 2007, options to purchase a total of 3,952,179 shares were outstanding under the plans, and options to purchase 2,985,808 shares remained available for grant thereunder. No options were exercised by Named Executive Officers during fiscal 2007.

Compensation Committee Interlocks and Insider Participation

The members of the Executive Compensation Committee of Sonic's Board of Directors for Fiscal 2007 were those named in the Executive Compensation Committee Report. No member of the Committee was at any time during Fiscal 2007 or at any other time an officer or employee of Sonic Foundry, Inc.

No executive officer of Sonic Foundry, Inc. has served on the board of directors or compensation committee of any other entity that has or has had one or more executive officers serving as a member of the Board of Directors of Sonic Foundry, Inc.

PROPOSAL THREE: PROPOSAL TO ADOPT THE EMPLOYEE STOCK PURCHASE PLAN

The Board of Directors believe that it is in the best interest of Sonic and its stockholders to adopt a new employee stock purchase plan to become effective July 1, 2008. The Board of Directors believes that such a plan would be mutually beneficial to employees as well as the Corporation and its stockholders because such a plan would enhance the interest of the employees in the continued success of Sonic and further align the interests of the employees and stockholders. In addition, the Board of Directors is of the opinion that employee stock purchase plans provide an aid in recruiting highly qualified and talented employees. For these reasons, the Board of Directors authorized the adoption of a new plan known as the Sonic Foundry, Inc. Employee Stock Purchase Plan (the Purchase Plan), subject to the approval of stockholders at the Annual Meeting.

The following is a summary of the material provisions of the Purchase Plan. This summary is qualified in its entirety by reference to the specific provisions of the Purchase Plan, the full text of which is attached to this Proxy Statement as Exhibit C.

Summary of the Purchase Plan

Common Stock Subject To Plan

Subject to adjustment as provided below, 500,000 shares of Common Stock will be available for issuance under the Purchase Plan. Shares of Common Stock delivered under the Purchase Plan may be authorized and unissued shares or reacquired shares. As of January 15, 2008, the fair market value of one share of Common Stock was \$1.30.

Participation

Any employee who has completed 90 days of employment with Sonic or any Designated Subsidiary of Sonic on the first day of each offering period will be eligible to participate in the Purchase Plan. A Designated Subsidiary of Sonic is any majority-owned subsidiary of Sonic that has been designated by the Board of Directors as eligible to participate in the Purchase Plan with respect to its Employees. An employee of Sonic or a Designated Subsidiary of Sonic who, after the grant of an option to purchase, would hold common stock and/or hold outstanding options to purchase stock possessing 5% or more of the total combined voting power or value of Sonic will not be eligible to participate. As of January 15, 2008, approximately 90 employees of Sonic would be eligible to participate in the Purchase Plan.

Purchases Under The Purchase Plan

Sonic will make a bi-annual offering to eligible employees of options to purchase shares of Common Stock under the Purchase Plan on the first trading day of January and July, commencing July 1, 2008. Each offering period will be for a period of six months from the date of offering, and each eligible employee as of the date of offering will be entitled to purchase shares of Common Stock at a purchase price equal to the lower of 85% of the fair market value of Common Stock on the first trading day of the offering period or 85% of the fair market value of Common Stock on the last trading day of the offering period.

Payment for shares of Common Stock purchased under the Purchase Plan will be made by authorized payroll deductions from an employee's Total Wages. Subject to the terms of the Purchase Plan, eligible employees who desire to participate in the Purchase Plan will designate a stated whole percentage of their total wages, up to a maximum of 10%, to be deducted from their total wages and held by Sonic until the date of purchase. No participant in the Purchase Plan will be permitted to purchase Common Stock under the Purchase Plan if such option would permit his or her rights to purchase stock under the Purchase Plan to accrue at a rate that exceeds \$25,000 of the fair market value of such shares (determined as of the date of grant of such right), or that exceeds 10,000 shares, for each calendar year during which any option granted to such individual under any such plan is outstanding at any time.

A participant will have none of the rights or privileges of a stockholder of Sonic (including the right to receive dividends) until the shares purchased under the Purchase Plan are fully paid for and issued.

Withdrawal

An employee may withdraw from the plan if such request is made at least 30 days prior to the end of a contribution period. Such withdrawal request and the refund of all cash contributions, without interest, will be made as soon as administratively feasible and all options will be cancelled. Once terminated, an employee will be eligible for reenrollment in the plan beginning with the contribution period beginning immediately following the next contribution period.

Termination Of Participation

An employee's participation in the Purchase Plan will be terminated when he or she: (1) voluntarily elects to withdraw his or her entire account; (2) resigns or is discharged from Sonic and all Designated Subsidiaries of Sonic; or (3) dies.

Administration

The Purchase Plan will be administered by the Compensation Committee of the Board or such other committee established by the Board of Directors of Sonic (the Committee).

Modification and Termination

The Committee may terminate the Purchase Plan at any time or make any amendment or modification it deems advisable.

Adjustments

Appropriate and proportionate adjustments will be made in the number and class of shares available under the Purchase Plan, and to the rights granted under the Purchase Plan and the prices applicable to such rights, to reflect changes in the outstanding stock that occur because of stock dividends, stock splits, recapitalizations, reorganizations, liquidations, or other similar events.

Transferability

A participant s rights under the Purchase Plan are exercisable only by such participant and may not be transferred in any manner.

Federal Income Tax Consequences

Sonic has been advised that under current law the federal income tax consequences to participants and Sonic of options granted under the Purchase Plan would generally be as set forth in the following summary. This summary is not a complete analysis of all potential tax consequences relevant to participants and Sonic and does not describe tax consequences based on particular circumstances. For these reasons, participants should consult with a tax advisor as to any specific questions regarding the tax consequences of participation in the Purchase Plan.

It is intended that the option to purchase shares of Common Stock granted under the Purchase Plan will constitute an option issued pursuant to an employee stock purchase plan within the meaning of Section 423 of the Internal Revenue Code of 1986, as amended. If shares are purchased under the Purchase Plan, and no disposition of these shares is made within two years of the date of grant of the option, or within one year after the purchase of the shares, then no income will be realized by the employee at the time of the transfer of the shares to such employee. When an employee sells or otherwise disposes of the shares, or in the event of his death (whenever occurring) while owning such shares, there will be included in his or her gross income, as compensation, an amount equal to the lesser of: (i) the amount by which the fair market value of the shares on the first trading day of the offering period exceeds the purchase price for the shares, or (ii) the amount by which the fair market value at the time of disposition or death exceeds the purchase price per share. Any further gain will be treated for tax purposes as long-term capital gain, provided that the employee holds the shares for the applicable long-term capital gain holding period after the last day of the offering period applicable to such shares.

No deduction will be allowed to Sonic for federal income tax purposes in connection with the grant or exercise of the option to purchase shares under the Purchase Plan, provided there is no disposition of shares by a participant within either the two-year or the one-year periods referred to above. If an employee disposes of the shares within either the two-year or the one-year periods referred to above, he or she will realize ordinary income in the year of disposition in an amount equal to the difference between the purchase price and the fair market value of the shares at the time of exercise of the option, and Sonic will be entitled to a deduction in the same amount. Any difference between the amount received upon such a disposition and the fair market value of the shares at the time of exercise of the option will be capital gain or loss, as the case may be.

Plan Benefits

Participation in the Purchase Plan is voluntary and each eligible employee will make his or her own election whether and to what extent to participate in the plan. It is therefore not possible to determine the benefits or amounts that will be received in the future by individual employees or groups of employees under the Purchase Plan.

Provision to Purchase Additional Shares of Common Stock by Employees and Directors

Apart from the Plan provisions set forth above, the Committee has the power and authority to allow any Employee or director to receive Shares in lieu of cash compensation or cash fees. In such event, in order to account for the non-transferability of any Shares acquired thereunder, the Committee may discount the value of such Shares by up to 15% of the then Fair Market Value of unvested Shares of Common Stock. This portion of the Plan will allow Employees and directors the opportunity to acquire Shares in accordance with such special terms and conditions as the Committee may establish from time to time, which terms and conditions may modify the terms and conditions of the Plan set forth elsewhere in the Plan. Without limiting the authority of the Committee, the special terms and conditions which may be established with respect to such Employees and directors who elect to participate in this portion of the Plan, and which need not be the same for all such Employees and directors, include but are not limited to the right to participate, procedures for elections to participate, the purchase price of any Shares to be acquired, and the maximum amount of Shares which may be purchased by any participating Employee or director. Any purchases made pursuant to the provisions of this portion of the Plan shall not be subject to the requirements of Section 423 of the Code and the federal income tax consequences set forth above shall not apply thereto.

General

The adoption of the Purchase Plan requires the approval of a majority of the votes cast by holders of the outstanding shares of Common Stock represented at the meeting and entitled to vote. Shares may be voted for or withheld from this matter. Under Securities and Exchange Commission regulations regarding stockholder approval of stock option plans, shares withheld from voting on this matter will be treated for all purposes relevant to this matter as being present at the meeting and entitled to vote and thus will have the same effect as a vote of such shares against this matter. Shares entitled to cast votes on this matter at the meeting which are the subject of a broker non-vote on this matter will be treated for quorum purposes relevant to this matter as being present at the meeting and entitled to vote but not be so treated in determining whether a majority or other required percentage of the shares present and entitled to vote on the matter has been obtained.

The Board of Directors unanimously recommends a vote FOR Proposal 3 adopting the Employee Stock Purchase Plan.

PROPOSAL FOUR: RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS

The Board of Directors, upon the recommendation of the Audit Committee, has appointed the firm of Grant Thornton LLP (GT) as independent auditors to audit our financial statements for the year ending September 30, 2008, and has further directed that management submit the selection of independent public accountants for certification by the stockholders at the annual meeting. Representatives of GT are expected to be present at the annual meeting to respond to stockholders' questions and to have the opportunity to make any statements they consider appropriate.

Stockholder ratification of the selection of GT as our independent auditors is not required by our Bylaws or otherwise. However, the Board is submitting the selection of GT to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the selection, the Board and the Audit Committee will reconsider whether or not to retain that firm. Even if the selection is ratified, the Board and the Audit Committee in their discretion may direct the appointment of a different independent accounting firm at any time during the year if they determine that such a change would be in the best interests of Sonic and its stockholders.

The ratification of the appointment of GT as independent public accountants requires the approval of a majority of the votes cast by holders of our shares. Shares may be voted for or withheld from this matter. Shares that are withheld and broker non-votes will have no effect on this matter because ratification of the appointment of GT requires a majority of the shares cast.

Recommendation of Board of Directors

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR PROPOSAL 4 RATIFYING THE APPOINTMENT OF GT AS INDEPENDENT AUDITORS FOR SONIC FOUNDRY.

Relations with Independent Auditors

GT has served as our independent public accountants since its appointment in July 2004. As stated in Proposal 4, the Board has selected GT to serve as our independent auditors for the fiscal year ending September 30, 2008.

Audit services performed by GT for fiscal years 2007 and 2006 consisted of the examination of our financial statements, review of fiscal quarter results, services related to filings with the Securities and Exchange Commission (SEC) and in 2007, examination of our internal controls pursuant to section 404 of the Sarbanes Oxley Act. We also retained GT to perform certain audit related fees associated with the audit of our benefit plan, and tax preparation and consultative fees associated with the preparation of Federal and State tax returns. Fiscal 2007 tax fees also included international tax services and additional sales and use tax services. All fees paid to GT were reviewed, considered for independence and upon determination that such payments were compatible with maintaining such auditors independence, approved by Sonic s audit committee prior to performance.

Fiscal Years 2007 and 2006 Audit Firm Fee Summary

During fiscal years 2007 and 2006, we retained GT to provide services in the following categories and amounts:

	Years Ended September 30,	
	2007	2006
Audit Fees	\$ 191,982	\$ 116,115
Audit Related	10,400	16,640
Tax Fees	60,973	25,231
Other Fees		

All of the services described above were approved by Sonic s audit committee and prior to performance. The Audit Committee may, in its discretion, delegate to one or more of its members the authority to pre-approve any audit or non-audit services to be performed by the independent auditors, provided that any such approvals are presented to the Audit Committee at its next scheduled meeting. The audit committee has determined that the payments made to its independent accountants for these services are compatible with maintaining such auditors independence.

REPORT OF THE AUDIT COMMITTEE ¹

The Audit Committee's role includes the oversight of our financial, accounting and reporting processes, our system of internal accounting and financial controls and our compliance with related legal and regulatory requirements, the appointment, engagement, termination and oversight of our independent auditors, including conducting a review of their independence, reviewing and approving the planned scope of our annual audit, overseeing the independent auditors' audit work, reviewing and pre-approving any audit and non-audit services that may be performed by them, reviewing with management and our independent auditors the adequacy of our internal financial controls, and reviewing our critical accounting policies and the application of accounting principles. The Audit Committee held five meetings during fiscal 2007.

Mssrs. Kleinman, Weis and Percy meet the rules of the SEC for audit committee membership and are independent as that term is used in Item 7(d)(3)(iv) of Schedule 14A under the Exchange Act and under Nasdaq listing standards. In April 2004, the Board approved revisions to the Audit Committee Charter to reflect new rules and standards set forth in certain SEC regulations as well as changes to Nasdaq listing standards. A copy of the Audit Committee Charter is attached as Exhibit A herein, and is available on Sonic's website.

As set forth in the Audit Committee Charter, management of Sonic is responsible for the preparation, presentation and integrity of Sonic's financial statements and for the effectiveness of internal control over financial reporting. Management and the accounting department are responsible for maintaining Sonic's accounting and financial reporting principles and internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. The independent auditors are responsible for auditing Sonic's financial statements and expressing an opinion as to their conformity with generally accepted accounting principles.

We have reviewed and discussed with our independent auditors, GT, matters required to be discussed pursuant to Statement on Auditing Standards No. 61 (Communications with Audit Committees). We have received from the auditors a formal written statement describing the relationships between the auditor and Sonic that might bear on the auditor's independence consistent with Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees). We have discussed with GT matters relating to its independence, including a review of both audit and non-audit fees, and considered the compatibility of non-audit services with the auditors' independence.

The members of the Audit Committee are not full-time employees of Sonic and are not performing the functions of auditors or accountants. As such, it is not the duty or responsibility of the Audit Committee or its members to conduct field work or other types of auditing or accounting reviews or procedures or to set auditor independence standards. Members of the Committee necessarily rely on the information provided to them by management and the independent accountants. Accordingly, the Audit Committee's considerations and discussions referred to above do not assure that the audit of Sonic's financial statements has been carried out in accordance with generally accepted auditing standards, that the financial statements are presented in accordance with generally accepted accounting principles or that Sonic's auditors are in fact independent.

We have reviewed and discussed with management and GT the audited financial statements. We discussed with GT the overall scope and plans of their audit. We met with GT, with and without management present, to discuss results of their examination, their evaluation of Sonic's internal controls, and the overall quality of Sonic's financial reporting.

¹ The material in this report is not soliciting material, is not deemed filed with the SEC, and is not to be incorporated by reference in any of our filings under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, whether made before or after the date hereof and irrespective of any general incorporation language in such filing.

Based on the reviews and discussions referred to above and our review of Sonic's audited financial statements for fiscal 2007, we recommended to the Board that the audited financial statements be included in the Annual Report on Form 10-K for the fiscal year ended September 30, 2007, for filing with the SEC.

Respectfully submitted,

AUDIT COMMITTEE

to discuss, as appropriate: (a) any major issues regarding accounting principles and financial statement presentations,

including any significant changes in the Company's selection or application of accounting principles, and major issues as to the adequacy of the Company's internal controls and any special audit steps adopted in light of material control deficiencies; (b) analyses prepared by management and/or the independent auditors setting forth significant financial reporting issues and judgments made in connection with the preparation of the financial statements, including analyses of the effects of alternative GAAP methods on the financial statements; and (c) the effect of regulatory and accounting initiatives, as well as off-balance sheet structures, on the financial statements of the Company.

- (iv) to inquire of the Company's chief executive officer and chief financial officer as to the existence of any significant deficiencies or material weaknesses in the design or operation of internal control over financial reporting which are reasonably likely to adversely affect the Company's ability to record, process, summarize and report financial information, and as to the existence of any fraud, whether or not material, that involves management or other employees who have a significant role in the Company's internal control over financial reporting;
- (v) to discuss guidelines and policies governing the process by which senior management of the Company and the relevant departments of the Company assess and manage the Company's exposure to risk, and to discuss the Company's major financial risk exposures and the steps management has taken to monitor and control such exposures;
- (vi) to obtain from the independent auditors assurance that the audit was conducted in a manner consistent with Section 10A of the Securities Exchange Act of 1934, as amended, which sets forth certain procedures to be followed in any audit of financial statements required under the Securities Exchange Act of 1934;
- (vii) to discuss with the Company's General Counsel any significant legal, compliance or regulatory matters that may have a material effect on the financial statements or the Company's business, financial statements or compliance policies, including material notices to or inquiries received from governmental agencies;
- (viii) to discuss and review the type and presentation of information to be included in earnings press releases;
- (ix) to discuss the types of financial information and earnings guidance provided, and the types of presentations made, to analysts and rating agencies;

Notwithstanding the foregoing, a Change in Control shall not be deemed to occur solely because the level of Ownership held by any Exchange Act Person (the Subject Person) exceeds the designated percentage threshold of the outstanding voting securities as a result of a repurchase or other acquisition of voting securities by the Company reducing the number of shares outstanding, provided that if a Change in Control would occur (but for the operation of this sentence) as a result of the acquisition of voting securities by the Company, and after such share acquisition, the Subject Person becomes the Owner of any additional voting securities that, assuming the repurchase or other acquisition had not occurred, increases the percentage of the then outstanding voting securities Owned by the Subject Person over the designated percentage threshold, then a Change in Control shall be deemed to occur;

- (ii) There is consummated a merger, consolidation or similar transaction involving (directly or indirectly) the Company and, immediately after the consummation of such merger, consolidation or similar transaction, the stockholders of the Company immediately prior thereto do not Own, directly or indirectly, outstanding voting securities representing more than fifty percent (50%) of the combined outstanding voting power of the surviving Entity in such merger, consolidation or similar transaction or more than fifty percent (50%) of the combined outstanding voting power of the parent of the surviving Entity in such merger, consolidation or similar transaction;

 - (v) Individuals who, on the date this Plan is adopted by the Board, are members of the Board (the Incumbent Board) cease for any reason to constitute at least a majority of the members of the Board; (provided, however, that if the appointment or election (or nomination for election) of any new Board member was approved or recommended by a majority vote of the members of the Incumbent Board then still in office, such new member shall, for purposes of this Plan, be considered as a member of the Incumbent Board).

2. Administration.

- (a) **Administration by Board.** The Board shall administer the Plan. The Board may delegate administration of the Plan to a committee in compliance with applicable laws and any rules or regulations of a stock exchange or quotation system on which the Common Stock is traded.

- (i) To determine from time to time which of the Non-Employee Directors shall be granted Options; when and how each Option shall be granted; the provisions of each Option granted (which need not be identical), including the time or times when an Option shall be vested and exercisable; and the number of shares of Common Stock subject to each Option.
 - (ii) To determine the terms and provisions of each Option to the extent not specified in Section 5 and 6 of the Plan.
 - (iii) To construe and interpret the Plan and Options granted under it, and to establish, amend and revoke rules and regulations for its administration. - (b) **Reversion of Shares to the Share Reserve.** If any Option shall for any reason expire or otherwise terminate, in whole or in part, without having been exercised in full, the shares of Common Stock not acquired under such Option shall revert to and again become available for issuance under the Plan.
- (c) **Source of Shares.** The shares of Common Stock subject to the Plan may be unissued shares or reacquired shares, bought on the market or otherwise.

4. Eligibility.

Non-Employee Directors shall be eligible to receive Options as provided in Section 5 below.

5. Option Grants.

- (a) **Initial Grants.** Without any further action of the Board, each person who is elected or appointed for the first time to be a Non-Employee Director automatically shall, upon the date of his or her initial election or appointment to be a Non-Employee Director, be granted an Initial Grant to purchase twenty Thousand (20,000) shares of Common Stock on the terms and conditions set forth in Section 6 and elsewhere herein.
- (b) **Annual Grants.** Without any further action of the Board, on the day of and immediately following each Annual Meeting, commencing with the Annual Meeting in 2008, each person who is then a Non-Employee Director, by reason of having been elected as such at the Annual Meeting, automatically shall be granted an Annual Grant to purchase Twenty Thousand (20,000) shares of Common Stock on the terms and conditions set forth in Section 6 and elsewhere herein; provided, however, that a Non-Employee Director shall not receive an Annual Grant within one hundred eighty (180) days of an Initial Grant.
- (c) **Other Grants.** The Board may, in its discretion, provide for other option grants to one or more Non-Employee Directors from time to time during any fiscal year of the Company on the terms and conditions set forth in Section 6 and elsewhere herein.
- (d) **Amendment.** Pursuant to Section 11, the Board may, in its discretion, amend the provisions of this Section 5 to change the terms of the Initial Grants and the Annual Grants, including, without limitation, the number of shares of Common Stock subject to the Initial Grant and the Annual Grant and the date of such Initial Grant and the Annual Grant and the conditions for receiving the Initial Grant and the Annual Grant.

6. Option Provisions.

Each Option shall be memorialized in a written agreement in such form and shall contain such terms and conditions as required by the Plan. Each Option shall contain such additional terms and conditions, not inconsistent with the Plan, as the Board deems appropriate. Each Option shall include (through incorporation of provisions hereof by reference in the Option or otherwise) the substance of each of the following provisions:

- (a) **Maximum Term.** No Option shall be exercisable after the expiration of ten (10) years from the date it was granted. An Option may terminate earlier than the maximum term if the Optionholder's Continuous Service ends with the Company as provided in Section 6(f) below.
- (b) **Exercise Price.** The exercise price of each Option shall be one hundred percent (100%) of the Fair Market Value of the Common Stock subject to the Option on the date the Option is granted.
- (c) **Consideration.** The purchase price of Common Stock acquired pursuant to an Option may be paid, to the extent permitted by applicable law, in any combination of (i) cash or check, (ii) delivery to the Company of other Common Stock; (iii) any other legal form of consideration acceptable to the Board or (iv) any combination of the foregoing.
- (d) **Transferability.** An Option is transferable by will or by the laws of descent and distribution. An Option also may be transferable to an Optionholder's family member upon written consent of the Company if the transfer is not for value and at the time of transfer, a Form S-8 registration statement under the Securities Act is available for the exercise of the Option and the subsequent resale of the underlying securities after such transfer. In addition, an Optionholder may, by

delivering written notice to the Company, in a form provided by or otherwise satisfactory to the Company, designate a third party who, in the event of the death or disability of the Optionholder, the Optionholder's estate or guardian will have one (1) year in which to exercise outstanding options. For purposes hereof, the term "family member" shall have the meaning assigned to it in the general instructions of a Form S-8 registration statement (or any successor form adopted under the Securities Act).

(e) **Vesting.** Options shall vest as follows:

(i) **Initial Grants:** 100% of the shares of Common Stock subject to the Option shall vest one (1) year after the date of grant.

(ii) **Annual Grants:** 100% of the shares of Common Stock subject to the Option shall vest one (1) year after the date of grant.

(iii) **Other Options.** Any other Options granted under the Plan shall vest on such terms determined by the Board, in its discretion.

(iv) **Acceleration of Vesting Under Certain Circumstances.** Upon termination of an Optionholder's Continuous Service by reason of death, Disability or resignation after reaching age 72, all outstanding Options granted to Optionholder as of the date of the termination of Continuous Service shall vest and immediately become exercisable.

(f) **Termination of Continuous Service.** Unless otherwise provided for in the Option, no Option or any unexercised portion thereof shall be exercisable after the first to occur of the following:

(i) Expiration of ten (10) years from the date of grant;

(ii) Expiration of one (1) year from the date the Optionholder's Continuous Service ceases for any reason.

(g) **Extension of Termination Date.** If the exercise of the Option following the termination of the Optionholder's Continuous Service (other than upon the Optionholder's death or Disability) would be prohibited at any time solely because the issuance of shares would violate the registration requirements under the Securities Act, then the Option shall terminate on the earlier of (i) the expiration of the term of the Option as set forth in the Option Agreement or (ii) the expiration of a period of thirty (30) days after the termination of the Optionholder's Continuous Service during which the exercise of the Option would not be in violation of such registration requirements.

7. Securities Law Compliance.

The Company shall seek to obtain from each regulatory commission or agency having jurisdiction over the Plan such authority as may be required to grant Options and to issue and sell shares of Common Stock upon exercise of the Options, provided, however, that this undertaking shall not require the Company to register under the Securities Act the Plan, any Option or any stock issued or issuable pursuant to any such Option. If, after reasonable efforts, the Company is unable to obtain from any such regulatory commission or agency the authority which counsel for the Company deems necessary for the lawful issuance and sale of stock under the Plan, the Company shall be relieved from any liability for failure to issue and sell stock upon exercise of such Options unless and until such authority is obtained.

8. Use of Proceeds from Stock.

Proceeds from the sale of stock pursuant to Options shall constitute general funds of the Company.

9. Miscellaneous.

- (a) **Stockholder Rights.** No Optionholder shall be deemed to be the holder of, or to have any of the rights of a holder with respect to, any shares subject to such Option unless and until such Optionholder has satisfied all requirements for exercise of the Option pursuant to its terms.
- (b) **No Service Rights.** Nothing in the Plan or any instrument executed or Option granted pursuant thereto shall confer upon any Optionholder any right to continue to serve the Company as a Non-Employee Director or shall affect the right of the Company or an Affiliate to terminate (i) the employment of an Optionholder as an Employee with or without notice and with or without cause, (ii) the service of an Optionholder as a Consultant pursuant to the terms of such Consultant's agreement with the Company or an Affiliate or (iii) the service of an Optionholder as a Director pursuant to the Bylaws of the Company or an Affiliate, and any applicable provisions of the corporate law of the state in which the Company or the Affiliate is incorporated, as the case may be.
- (c) **Investment Assurances.** The Company may require an Optionholder, as a condition of exercising or acquiring stock under any Option, (i) to give written assurances satisfactory to the Company as to the Optionholder's knowledge and experience in financial and business matters and/or to employ a purchaser representative reasonably satisfactory to the Company who is knowledgeable and experienced in financial and business matters and that he or she is capable of evaluating, alone or together with the purchaser representative, the merits and risks of exercising the Option; and (ii) to give written assurances satisfactory to the Company stating that the Optionholder is acquiring the stock subject to the Option for the Optionholder's own account and not with any present intention of selling or otherwise distributing the stock. The foregoing requirements, and any assurances given pursuant to such requirements, shall be inoperative if (1) the issuance of the shares upon the exercise or acquisition of stock under the Option has been registered under a then currently effective registration statement under the Securities Act or (2) as to any particular requirement, a determination is made by counsel for the Company that such requirement need not be met in the circumstances under the then applicable securities laws. The Company may, upon advice of counsel to the Company, place legends on stock certificates issued under the Plan as such counsel deems necessary or appropriate in order to comply with applicable securities laws, including, but not limited to, legends restricting the transfer of the stock.
- (d) **Withholding Obligations.** The Optionholder may satisfy any federal, state or local tax withholding obligation relating to the exercise or acquisition of stock under an Option by any of the following means (in addition to the Company's right to withhold from any compensation paid to the Optionholder by the Company) or by a combination of such means: (i) tendering a cash payment; (ii) authorizing the Company to withhold shares from the shares of the Common Stock otherwise issuable to the Optionholder as a result of the exercise or acquisition of stock under the Option; provided, however, that no shares of Common Stock are withheld with a value exceeding the minimum amount of tax required to be withheld by law; or (iii) delivering to the Company owned and unencumbered shares of the Common Stock.

10. Adjustments upon Changes in Common Stock.

- (a) **Capitalization Adjustments.** If any change is made in, or other events occur with respect to, the Common Stock subject to the Plan, or subject to any Option, without the receipt of consideration by the Company (through merger, consolidation, reorganization, recapitalization, reincorporation,

stock dividend, dividend in property other than cash, stock split, liquidating dividend, combination of shares, exchange of shares, change in corporate structure or other transaction not involving the receipt of consideration by the Company (each a Capitalization Adjustment), the Plan will be appropriately adjusted in the class(es) and maximum number of securities subject both to the Plan pursuant to Section 3 and to the nondiscretionary Options specified in Section 5, and the outstanding Options will be appropriately adjusted in the class(es) and number of securities and price per share of Common Stock subject to such outstanding Options. The Board shall make such adjustments, and its determination shall be final, binding and conclusive. (The conversion of any convertible securities of the Company shall not be treated as a transaction without receipt of consideration by the Company.)

- (b) **Dissolution or Liquidation.** In the event of a dissolution or liquidation of the Company, then all outstanding Options shall terminate immediately prior to the completion of such dissolution or liquidation.
- (c) **Corporate Transaction.** In the event of a Corporate Transaction, any surviving corporation or acquiring corporation may assume any or all Options outstanding under the Plan or may substitute similar stock options for Options outstanding under the Plan (it being understood that similar stock options include, but are not limited to, options to acquire the same consideration paid to the stockholders or the Company, as the case may be, pursuant to the Corporate Transaction). In the event that any surviving corporation or acquiring corporation in a Corporate Transaction does not assume any or all such outstanding Options or substitute similar stock options for such outstanding Options, then with respect to Options that have been neither assumed nor substituted and that are held by Optionholders whose Continuous Service has not terminated prior to the effective time of the Corporate Transaction, the vesting of such Options (and, if applicable, the time at which such Options may be exercised) shall (contingent upon the effectiveness of the Corporate Transaction) be accelerated in full to a date prior to the effective time of such Corporate Transaction as the Board determines (or, if the Board shall not determine such a date, to the date that is five (5) days prior to the effective time of the Corporate Transaction), and the Options shall terminate if not exercised (if applicable) at or prior to such effective time. With respect to any other Options outstanding under the Plan that have been neither assumed nor substituted, the vesting of such Options (and, if applicable, the time at which such Options may be exercised) shall not be accelerated unless otherwise provided in Section 10(d) or in a written agreement between the Company or any Affiliate and the holder of such Options, and such Options shall terminate if not exercised (if applicable) prior to the effective time of the Corporate Transaction.
- (d) **Change in Control.** In the event that an Optionholder is required to resign his or her position as a Non-Employee Director as a condition of a Change in Control, or does resign following a Change in Control, the outstanding Options of such Optionholder shall become fully vested and exercisable immediately prior to the effectiveness of such resignation.
- (e) **Parachute Payments.** If the acceleration of the vesting and exercisability of Options provided for in Sections 10(c) or 10(d), together with payments and other benefits of an Optionholder, (collectively, the Payment) (i) constitute a parachute payment within the meaning of Section 280G of the Code, or any comparable successor provisions, and (ii) but for this Section 10(e) would be subject to the excise tax imposed by Section 4999 of the Code, or any comparable successor provisions (the Excise Tax), then such Payment shall be either (1) provided to such Optionholder in full, or (2) provided to such Optionholder as to such lesser

extent that would result in no portion of such Payment being subject to the Excise Tax, whichever of the foregoing amounts, when taking into account applicable federal, state, local and foreign income and employment taxes, the Excise Tax, and any other applicable taxes, results in the receipt by such Optionholder, on an after-tax basis, of the greatest amount of the Payment, notwithstanding that all or some portion of the Payment may be subject to the Excise Tax.

Unless the Company and such Optionholder otherwise agree in writing, any determination required under this Section 10(e) shall be made in writing in good faith by the Accountant. If a reduction in the Payment is to be made as provided above, reductions shall occur in the following order unless the Optionholder elects in writing a different order: reduction of cash payments; cancellation of accelerated vesting of Options; reduction of employee benefits. If acceleration of vesting of Options is to be reduced, such acceleration of vesting shall be cancelled in the reverse order of date of grant of Options (i.e., earliest granted Option cancelled last) unless the Optionholder elects in writing a different order for cancellation.

For purposes of making the calculations required by this Section 10(e), the Accountant may make reasonable assumptions and approximations concerning applicable taxes and may rely on reasonable, good faith interpretations concerning the application of the Code and other applicable legal authority. The Company and the Optionholder shall furnish to the Accountant such information and documents as the Accountant may reasonably request in order to make such a determination. The Company shall bear all costs the Accountant may reasonably incur in connection with any calculations contemplated by this Section 10(e).

If, notwithstanding any reduction described above, the Internal Revenue Service (the IRS) determines that the Optionholder is liable for the Excise Tax as a result of the Payment, then the Optionholder shall be obligated to pay back to the Company, within thirty (30) days after a final IRS determination or, in the event that the Optionholder challenges the final IRS determination, a final judicial determination, a portion of the Payment equal to the Repayment Amount. The Repayment Amount with respect to the Payment shall be the smallest such amount, if any, as shall be required to be paid to the Company so that the Optionholder's net after-tax proceeds with respect to the Payment (after taking into account the payment of the Excise Tax and all other applicable taxes imposed on the Payment) shall be maximized. The Repayment Amount with respect to the Payment shall be zero if a Repayment Amount of more than zero would not result in the Optionholder's net after-tax proceeds with respect to the Payment being maximized. If the Excise Tax is not eliminated pursuant to this paragraph, the Optionholder shall pay the Excise Tax.

Notwithstanding any other provision of this Section 10(e), if (i) there is a reduction in the Payment as described above, (ii) the IRS later determines that the Optionholder is liable for the Excise Tax, the payment of which would result in the maximization of the Optionholder's net after-tax proceeds of the Payment (calculated as if the Payment had not previously been reduced), and (iii) the Optionholder pays the Excise Tax, then the Company shall pay or otherwise provide to the Optionholder that portion of the Payment that was reduced pursuant to this Section 11(e) contemporaneously or as soon as administratively possible after the Optionholder pays the Excise Tax so that the Optionholder's net after-tax proceeds with respect to the Payment are maximized.

If the Optionholder either (i) brings any action to enforce rights pursuant to this Section 10(e), or (ii) defends any legal challenge to his or her rights under this Section 10(e), the Optionholder shall be entitled to recover attorneys' fees and costs incurred in connection with such action,

regardless of the outcome of such action; provided, however, that if such action is commenced by the Optionholder, the court finds that the action was brought in good faith.

11. Amendment of the Plan and Options.

- (a) **Amendment of Plan.** The Board, at any time and from time to time, may amend the Plan. However, except as provided in Section 11 relating to adjustments upon changes in Common Stock, no amendment will be effective unless approved by the stockholders of the Company to the extent stockholder approval is necessary to satisfy the requirements of applicable laws and approvals under any governmental or regulatory agency or stock exchange.
- (b) **Stockholder Approval.** The Board, in its sole discretion, may submit any other amendment to the Plan for stockholder approval.
- (c) **No Impairment of Rights.** Rights under any Option granted before amendment of the Plan shall not be impaired by any amendment of the Plan unless (i) the Company requests the consent of the Optionholder and (ii) the Optionholder consents in writing.
- (d) **Amendment of Options.** The Board, at any time, and from time to time, may amend the terms of any one or more Options; provided, however, that the rights under any Option shall not be impaired by any such amendment unless the Optionholder consents in writing.

12. Termination or Suspension of the Plan.

- (a) **Plan Term.** The Board may suspend or terminate the Plan at any time. No Options may be granted under the Plan while the Plan is suspended or after it is terminated.
- (b) **No Impairment of Rights.** Suspension or termination of the Plan shall not impair rights and obligations under any Option granted while the Plan is in effect except with the written consent of the Optionholder.

13. Effective Date of Plan.

The Plan shall be effective on the date the Plan is adopted by the Board, subject to the approval of the Plan by the Company's stockholders in accordance with applicable laws and the requirements of any governmental or regulatory agency or stock exchange. Any Options granted under the Plan prior to stockholder approval of the Plan are contingent on such approval of the Plan and may not be exercised prior to the approval of the Plan by the stockholders of the Company.

14. Choice of Law.

The law of the state of Wisconsin shall govern all questions concerning the construction, validity and interpretation of this Plan, without regard to such state's conflict of laws rules.

The eligible Employee shall determine the amount of the Participant's Compensation (subject to Section 6(a) hereof) to be paid as Contributions pursuant to the Plan.
- (b) Payroll deductions shall commence on the first payroll paid on or following the Commencement Date and shall end on the last payroll paid on or prior to the Purchase Date of the Contribution Period, unless sooner terminated as provided in Section 10 hereof. A Participant who has elected to participate in a Contribution Period shall automatically participate in the next Contribution Period until such time as such Participant withdraws from the Plan or terminates employment as provided in Section 10 hereof.

Section 6. Method of Payment of Contributions.

- (a) A Participant shall elect to have payroll deductions made on each payroll paid during the Contribution Period in full dollar amounts not less than \$5 and not more than 10% (or such other maximum percentage as the Board may establish from time to time before any Commencement Date) of such Participant's Compensation on each payroll paid during the Contribution Period. All payroll deductions made by a Participant shall be credited to his or her Account under the Plan. A Participant may not make any additional payments into his or her Account. No assets in a Participant's Account shall be subject to the debts, contracts, liabilities, engagements or torts of the Participant.
- (b) A Participant may discontinue his or her participation in the Plan as provided in Section 10 hereof.
- (c) Unless otherwise provided by the Committee, a Participant may decrease the amount of his or her Contributions once during a Contribution Period by following the established administrative procedures as directed by the Committee to authorize a decrease in the payroll deduction amount. The decrease in amount shall be effective as soon as administratively feasible following the date of receipt by the Company, or other entity designated by the Committee. However, any decrease in amount must be made at least 30 days prior to the end of the Contribution Period to ensure such decrease shall be effective within the current Contribution Period.

Edgar Filing: SONIC FOUNDRY INC - Form DEF 14A

- (e) Notwithstanding the foregoing, to the extent necessary to comply with Section 423(b)(8) of the Code and Section 3(b) hereof, a Participant's payroll deductions may be adjusted during any Contribution Period, subject to the discretion of the Committee. Payroll deductions shall re-commence at the amount provided in

such Participant's most recently submitted enrollment materials at the beginning of the first Contribution Period that is scheduled to end in the next succeeding calendar year, unless terminated by the Participant as provided in Section 10 hereof.

- (f) No interest or other earnings will accrue on a Participant's Contribution to the Plan.

Section 7. Grant of Option.

On the Commencement Date of each Contribution Period, each eligible Employee participating in such Contribution Period shall be granted an option to purchase on the Purchase Date a number of Shares determined by dividing such Employee's Contributions accumulated prior to such Purchase Date and retained in the Participant's Account as of the Purchase Date by the applicable Purchase Price, subject to the limitations set forth in Sections 3(b) and 11 hereof.

Section 8. Exercise of Option.

Unless a Participant ceases to be an eligible Employee as provided in Section 3 or withdraws from the Plan as provided in Section 10 hereof, his or her option for the purchase of Shares will be exercised automatically on each Purchase Date of each Contribution Period, and the maximum number of Shares (which may include a fractional Share) subject to the option will be purchased at the applicable Purchase Price with the accumulated Contributions in his or her Account. The Shares purchased upon exercise of an option hereunder shall be deemed to be transferred to the Participant on the Purchase Date. During his or her lifetime, a Participant's option to purchase Shares hereunder is exercisable only by him or her.

Section 9. Delivery.

As promptly as practicable after each Purchase Date of each Contribution Period, the number of Shares purchased by each Participant upon exercise of his or her option shall be delivered in accordance with procedures established from time to time by the Committee, and a transfer agent for the Common Stock may be utilized or a brokerage or nominee account may be established for this purpose. The terms of such transfer agency or brokerage or nominee account shall be at the sole discretion of the Company, and participation in the Plan is expressly conditioned on the acceptance of such terms.

Section 10. Voluntary Withdrawal; Termination of Employment.

- (a) A Participant may withdraw from the Plan by following the established administrative procedures as directed by the Committee, or other entity designated by the Committee. The withdrawal request will be effective as soon as administratively feasible. However, any withdrawal request must be made at least 30 days prior to the end of a Contribution Period to ensure such withdrawal request shall be effective within such Contribution Period. Once the withdrawal request is effective, all of the Participant's Contributions credited to his or her Account will be paid to him or her without interest, his or her option will be automatically terminated, and no further Contributions for the purchase of Shares will be made absent re-enrollment. Notwithstanding the foregoing, an Officer shall not have the right to withdraw Contributions credited to his or her account under the Plan except in accordance with Section 10(b) hereof. Upon withdrawal from the Plan, a Participant may not re-enroll in the Plan until the Contribution Period following the next Contribution Period. In order to re-enroll, a Participant must follow the provisions set forth under Section 5(a) hereof.
- (b) Upon termination of the Participant's Continuous Status as an Employee prior to the Purchase Date of a Contribution Period for any reason, including death or retirement, the Contributions credited to his or her Account will be returned to him or her or, in the case of his or her death, to the person or persons entitled thereto under Section 13 hereof, in either case without interest, and his or her option will be automatically terminated. Whether the Participant's Continuous Status as an Employee has been terminated shall be determined by the Committee in its sole discretion. In the event that any Designated Subsidiary ceases to be a Designated Subsidiary of the Company, the employees of such Designated Subsidiary shall no longer be Employees for purposes of Section 3(a) hereof as of the date such Designated Subsidiary ceases to be a Designated Subsidiary.

- (c) A Participant's withdrawal from the Plan shall not have any effect upon his or her eligibility to participate in any similar plan that may hereafter be adopted by the Company or any Subsidiary.

Section 11. Shares.

- (a) Subject to adjustment as provided in Section 17 hereof, the maximum number of Shares which shall be issued under the Plan shall be 500,000 Shares. If on a given Purchase Date, the number of Shares with respect to which options are to be exercised exceeds the number of Shares available for sale under the Plan on such Purchase Date, the Committee shall make a pro rata allocation of the Shares available for purchase on such Purchase Date among all Participants, and the balances in the Accounts shall be refunded without interest to the respective Participants.

- (b) The Participant shall have no interest or voting right in Shares covered by his or her option until such option has been exercised.

Section 12. Administration.

- (a) The Committee. The Plan shall be administered by the Compensation Committee or other committee established by the Board (the Committee). Provided however, that such committee shall satisfy the independence requirements under section 16 of the Securities Exchange Act of 1934, and as prescribed by any stock exchange on which the Company lists its Common Stock, subject to the above. The members of the Committee need not be directors of the Company and shall be appointed by and serve at the pleasure of the Board.

- (b) Powers of Committee. The Committee shall supervise and administer the Plan and shall have full power to adopt, amend and rescind any rules deemed desirable and appropriate for the administration of the Plan and not inconsistent with the Plan, to construe and interpret the Plan, and to make all other determinations necessary or advisable for the administration of the Plan. Decisions of the Committee will be final and binding on all parties who have an interest in the Plan. The Committee may delegate ministerial duties to such of the Company's employees, outside entities and outside professionals as the Committee so determines.

- (c) Power and Authority of the Board. Subject to paragraph (a) above, the Board may, at any time and from time to time, without any further action of the Committee, exercise the powers and duties of the Committee under the Plan.

Section 13. Death of Participant.

In the event of the death of a Participant, the Company shall deliver any Shares and cash in the Participant's Account to a beneficiary previously designated by the Participant or, if there is no surviving beneficiary duly designated, to the executor or administrator of the estate of the Participant, or if no such executor or administrator has been appointed (to the knowledge of the Company), the Company, in its discretion, may deliver such Shares and/or cash to the spouse or to any one or more dependents or relatives of the Participant, or if no spouse, dependent or relative is known to the Company, then to such other person as the Company may designate.

Section 14. Transferability.

Neither Contributions credited to a Participant's Account nor any rights with regard to the exercise of an option or to receive Shares under the Plan may be assigned, transferred, pledged or otherwise disposed of in any way (other than as provided in Section 13 hereof) by the Participant. Any such attempt at assignment, transfer, pledge or other disposition shall be without effect, except that the Company may treat such act as an election to withdraw funds in accordance with Section 10 hereof.

Section 15. Use of Funds.

All Contributions received or held by the Company under the Plan may be used by the Company for any corporate purpose, and the Company shall not be obligated to segregate such Contributions. The Plan is unfunded and shall not create nor be construed to create a trust or separate fund of any kind or a fiduciary relationship among the Company, the Board, the Committee and the Participant. To the extent a Participant acquires a right to receive

payment from the Company pursuant to the Plan, such right shall be no greater than the right of any unsecured general creditor of the Company.

Section 16. Reports.

Accounts will be maintained for each Participant in the Plan. Account statements will be made available to participating Employees by the Company and will set forth the amounts of Contributions, the Purchase Price per Share, the number of Shares purchased and the remaining cash balance, if any.

Section 17. Adjustments Upon Changes in Capitalization: Corporate Transactions.

- (a) Adjustment. The number of Shares set forth in Section 11, the price per Share covered by each option under the Plan that has not yet been exercised and the maximum number of Shares that may be purchased by a Participant in a calendar year pursuant to Section 3(b), shall be proportionately adjusted for any increase or decrease in the number of outstanding Shares resulting from a stock split, reverse stock split, stock dividend, combination or reclassification of the Common Stock (including any such change in the number of Shares effected in connection with a change in domicile of the Company). Such adjustment shall be made by the Board, whose determination in that respect shall be final, binding and conclusive. Except as expressly provided herein, no issue by the Company of shares of stock of any class, or securities convertible into shares of stock of any class, shall affect, and no adjustment by reason thereof shall be made with respect to, the number or price of Shares issuable hereunder or subject to an option hereunder.
- (b) Corporate Transactions. In the event of a dissolution or liquidation of the Company, any Contribution Period then in progress will terminate immediately prior to the consummation of such action, unless otherwise provided by the Board in its sole discretion, and in such event, all outstanding options shall automatically terminate and the balance in the Accounts shall be refunded without interest to the respective Participants. In the event of a Corporate Transaction, each option outstanding under the Plan shall be assumed or an equivalent option shall be substituted by the successor corporation or a parent or subsidiary of such successor corporation. In the event that the successor corporation refuses to assume or substitute for outstanding options, the Contribution Period then in progress shall be shortened and a new Purchase Date shall be set (the "New Purchase Date"), as of which date the Contribution Period then in progress will terminate. The New Purchase Date shall be on or before the date of consummation of the Corporate Transaction and the Board shall notify each Participant in writing, at least 10 days prior to the New Purchase Date, that the Purchase Date for his or her option has been changed to the New Purchase Date and that his or her option will be exercised automatically on the New Purchase Date, unless prior to such date he or she has withdrawn from the Plan as provided in Section 10. For purposes of this Section 17, an option granted under the Plan shall be deemed to be assumed, without limitation, if, at the time of issuance of the stock or other consideration upon a Corporate Transaction, each holder of an option under the Plan would be entitled to receive upon exercise of the option the same number and kind of shares of stock or the same amount of property, cash or securities as such holder would have been entitled to receive upon the occurrence of the Corporate Transaction if the holder had been, immediately prior to the Corporate Transaction, the holder of the number of Shares covered by the option at such time (after giving effect to any adjustments in the number of Shares covered by the option as provided for in this Section 17); provided however that if the consideration received in the transaction is not solely common stock of the successor corporation or its parent (as defined in Section 424(e) of the Code), the Board may, with the consent of the successor corporation, provide for the consideration to be received upon exercise of the option to be solely common stock of the successor corporation or its parent equal in fair market value, as determined by the Committee, to the per Share consideration received by holders of Common Stock in the Corporate Transaction.

The Board may, if it so determines in the exercise of its sole discretion, also make provision for adjusting the number of Shares set forth in Section 11 hereof, as well as the price per Share covered by each outstanding option, in the event that the Company effects one or more reorganizations, recapitalizations, rights offerings or other increases or reductions of its outstanding Common Stock, and in the event the Company is consolidated with or merged into any other corporation.

Section 18. Amendment or Termination.

- (a) The Board may at any time and for any reason terminate or amend the Plan. Except as provided in Section 17, no such termination of the Plan may affect options previously granted, provided that the Plan or the Contribution Period may be terminated by the Board on a Purchase Date or by the Board's setting a new Purchase Date with respect to a Contribution Period then in progress if the Board determines that termination of the Plan and/or the Contribution Period is in the best interests of the Company and the shareholders or if continuation of the Plan and/or the Contribution Period would cause the Company to incur adverse accounting charges as a result of a change after the effective date of the Plan in the generally accepted accounting principles applicable to the Plan. Except as provided in Section 17 hereof and in this Section 18, no amendment to the Plan shall make any change in any option previously granted that adversely affects the rights of any Participant. In addition, to the extent necessary to comply with Rule 16b-3 under the Exchange Act or Section 423 of the Code (or, in either case, any successor rule or provision or any applicable law or regulation) or the requirements of any stock exchange upon which the Shares may then be listed, the Company shall obtain shareholder approval in such a manner and to such a degree as so required.

- (b) Without shareholder approval and without regard to whether any Participant rights may be considered to have been adversely affected, the Board shall be entitled to change the Contribution Periods and/or the Purchase Price as permitted under the Plan, limit the frequency and/or number of changes in the amount deducted during a Contribution Period, establish the exchange ratio applicable to amounts deducted in a currency other than U.S. dollars, permit payroll deductions in excess of the amount designated by a Participant in order to adjust for delays or mistakes in the Company's processing of properly completed payroll deduction elections, establish reasonable waiting and adjustment periods and/or accounting and crediting procedures to ensure that amounts applied toward the purchase of Shares for each Participant properly correspond with amounts deducted from the Participant's Compensation, and establish such other limitations or procedures as the Board determines in its sole discretion to be advisable and consistent with the Plan.

Section 19. Notices.

All notices or other communications by a Participant to the Company under or in connection with the Plan shall be deemed to have been duly given when received in the form specified by the Company at the location, or by the person, designated by the Company for the receipt thereof.

Section 20. Conditions Upon Issuance of Shares.

Shares shall not be issued with respect to an option unless the exercise of such option and the issuance and delivery of such Shares pursuant thereto shall comply with all applicable provisions of law, domestic or foreign, including, without limitation, the Securities Act of 1933, as amended, the Exchange Act, the rules and regulations promulgated thereunder, applicable state securities laws and the requirements of any stock exchange upon which the Shares may then be listed, and shall be further subject to the approval of counsel for the Company with respect to such compliance.

As a condition to the exercise of an option, the Company may require the person exercising such option to represent and warrant at the time of any such exercise that the Shares are being purchased only for investment and without any present intention to sell or distribute such Shares if, in the opinion of counsel for the Company, such a representation is required by any of the aforementioned applicable provisions of law.

Section 21. Term of Plan; Effective Date.

The Plan shall become effective upon approval by the Company's shareholders. It shall continue in effect until all of the Shares set forth in Section 11 hereof are exhausted or such earlier time as the Plan is terminated pursuant to Section 18.

Section 22. Additional Restrictions of Rule 16b-3.

The terms and conditions of options granted hereunder to, and the purchase of Shares by, Officers shall comply with the applicable provisions of Rule 16b-3. This Plan shall be deemed to contain, and such options shall be deemed to contain, and the Shares issued upon exercise thereof shall be subject to, such additional conditions and restrictions as may be required by Rule 16b-3 to qualify for the maximum exemption from Section 16 of the Exchange Act with respect to Plan transactions.

Section 23. Governing Law.

The internal law, and not the law of conflicts, of the State of Maryland, shall govern all questions concerning the validity, construction and effect of the Plan, and any rules and regulations relating to the Plan.

Section 24. Severability.

If any provision of the Plan is or becomes invalid, illegal, or unenforceable in any jurisdiction or would disqualify the Plan under any law, such provision shall be construed or deemed amended to conform to applicable laws, or if it cannot be so construed or deemed amended without materially altering the intent of the Plan, such provision shall be stricken as to such jurisdiction, and the remainder of the Plan shall remain in full force and effect.

Section 25. No Rights as an Employee.

Nothing in the Plan shall be construed to give any person (including an Employee or Participant) the right to remain in the employ of the Company or a Subsidiary or to affect the right of the Company or a Subsidiary to terminate the employment of any person (including the Employee or Participant) at any time with or without cause. Nothing in this Plan shall confer on any person any legal or equitable right against the Company or any Subsidiary, or give rise to any cause of action at law or in equity against the Company or any Subsidiary. Neither the Shares purchased hereunder nor any other benefits conferred hereby, including the right to purchase Common Stock at a discount, shall form any part of the wages or salary of any eligible Employee for purposes of severance pay or termination indemnities, irrespective of the reason for termination of employment. Under no circumstances shall any person ceasing to be an Employee be entitled to any compensation for any loss of any right or benefit under this Plan which such Employee might otherwise have enjoyed but for termination of employment, whether such compensation is claimed by way of damages for wrongful or unfair dismissal, breach of contract or otherwise.

Section 26. International Participants.

The Committee shall have the power and authority to allow any of the Company's Subsidiaries other than Designated Subsidiaries to adopt and join in the portion of this Plan that is not intended to comply with Section 423 of the Code and to allow employees of such Subsidiaries who work or reside outside of the United States an opportunity to acquire Shares in accordance with such special terms and conditions as the Committee may establish from time to time, which terms and conditions may modify the terms and conditions of the Plan set forth elsewhere in this Plan. Without limiting the authority of the Committee, the special terms and conditions which may be established with respect to any foreign country, and which need not be the same for all foreign countries, include but are not limited to the right to participate, procedures for elections to participate, the payment of any interest with respect to amounts received from or credited to accounts held for the benefit of participants, the purchase price of any Shares to be acquired, the length of any Contribution Period, the maximum amount of contributions, credits or Shares which may be acquired by any participating employees, and a participating employee's rights in the event of his or her death, disability, withdrawal from participation in the purchase of Shares hereunder, or termination of employment. Any purchases made pursuant to the provisions of this Section 26 shall not be subject to the requirements of Section 423 of the Code.

Section 27. Provision to Purchase Additional Shares of Common Stock

The Committee shall have the power and authority to allow any Employee or director to receive Shares in Lieu of cash compensation or cash fees.
