Dear Preferred Shareholder:

The fund's annual stockholders' meeting on April 1, 2008 is approaching and we urge you to immediately **vote** the enclosed **White Proxy Card** to re-elect your Board of Directors.

Your Directors are independent, highly qualified and very experienced in overseeing leveraged closed-end funds. You may have received a green proxy card from a hedge fund speculator named Arthur Lipson and his Western Investment funds seeking board seats. Do **NOT** vote any green proxy as we believe their interests are entirely self-motivated and inconsistent with yours.

We ask you to support your Board of Directors. Your Board vigorously opposes the Lipson/Western Investment nominees.

- ü **Lipson doesn't care about the interests of Preferred Shareholders.** Lipson, a **hedge fund speculator who owns TWO Preferred Shares**, is taking advantage of recent **industry-wide disruptions** in the preferred share auction markets to pursue his selfish goals of coercing the fund into a common share buyback strategy intended to benefit Lipson.
- ü Lipson's proposal would result in the **redemption of only a limited number of Preferred Shares**, leaving most Preferred Shares outstanding, and would not address the industry-wide issues in the preferred share auction markets. **As Lipson himself told us, I am not interested in long-term solutions; the long-term is the Directors' problem.**
- ü Your Board is very sensitive to the recent lack of liquidity in the Preferred Shares and **management continues to work with industry participants to analyze a range of alternatives for increasing liquidity for all Preferred Shareholders.**
- ü **The recent industry-wide disruptions in the Preferred Share auction markets do not reflect any change in the fund's investment or credit quality.** The fund continues to pay dividends on its Preferred Shares at the applicable rate and the Preferred Shares continue to be rated Aaa by Moody's Investor Services and AAA by Standard & Poor's. These ratings do not depend on any credit enhancements by insurance companies.

Even if you have previously signed a green proxy card, you should sign, date and return the enclosed **White Proxy Card**. You have the right to change your vote and only the latest dated proxy counts.
