Neither Cypress nor any of its directors or executive officers has, during the last five years, been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors).

Neither Cypress nor any of its directors or executive officers has, during the last five years, been a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

Item 3. Source and Amount of Funds

On May 5, 2005, Cypress purchased 6,740,816 shares of Common Stock for \$4,000,000 and was issued a warrant giving Cypress the right to acquire an additional 5,055,612 shares of Common Stock (the 2005 Warrant). On October 5, 2006, Issuer completed a one-for-ten reverse stock split. Following the reverse stock split, Cypress owned or had the right to acquire 1,179,644 shares of Common Stock.

On March 24, 2006, Cypress and Issuer entered into a License and Development Agreement (the License and Development Agreement) pursuant to which, among other things, Cypress agreed to license certain intellectual property from Issuer and to pay to Issuer \$4,000,000 in non-refundable pre-paid royalties. As part of the License and Development Agreement, Issuer agreed to issue Cypress warrants to purchase 2,000,000 shares of Common Stock, of which warrants to purchase 1,000,000 shares of Common Stock were issued on March 24, 2006, warrants to purchase 500,000 shares of Common Stock were issued on June 30, 2006 and warrants to purchase 500,000 shares of Common Stock were issued on December 18, 2006 (collectively the 2006 Warrants, and together with the 2005 Warrant, the Warrants).

Cypress funded these transactions with its working capital. Any additional funds required to acquire additional shares of Common Stock or otherwise purchase additional ownership interests in Issuer are expected to also come from Cypress working capital.

Item 4. Purpose of the Transaction

Cypress original purchase of the Common Stock and the Warrants was part of a joint product development relationship between Cypress and Issuer.

Cypress intends, at any time or from time to time, to monitor and assess its investment in Issuer including assessing (i) relevant business developments, competitive and strategic matters and prevailing industry and market conditions, (ii) the value and price of the Common Stock, (iii) the financial condition, operations, prospects, capital structure and management of Issuer, and (iv) other factors which Cypress, in its sole determination, believes may create the opportunity and/or desirability to alter the relationship between Cypress and Issuer. On the basis of such assessments (or such other factors as Cypress, in its sole discretion, deems appropriate), Cypress may at any time and from time to time take such actions with respect to its investment in Issuer as it deems appropriate, including, without limitation, (i) purchasing additional Common Stock or other securities of Issuer, (ii) selling some or all of any securities of Issuer held by Cypress, (iii) proposing a transaction that would result in a merger, reorganization, liquidation or change of control of Issuer or a sale or transfer of assets of Issuer to Cypress or otherwise (including, in connection therewith, causing the securities of Issuer to be delisted or ceased to be authorized to be quoted on applicable securities exchanges or inter-dealer quotation systems and/or becoming eligible for termination of registration pursuant to Section 12(g)(4) of the Securities Exchange Act of 1934, as amended), (iv) proposing changes to the present board of directors or management of Issuer, or (v) otherwise changing its intention with respect to any of the matters referenced in this Item 4. In this regard, on February 4, 2008, Cypress determined to explore a potential acquisition of Issuer or substantially all of its outstanding equity securities and contacted representatives of Issuer to discuss such a transaction. On April 9, 2008, Cypress delivered a letter to Issuer offering to acquire all outstanding shares of Common Stock of Issuer for a cash purchase price of \$2.20 per share on a fully diluted basis (the Offer Letter). Such letter and ensuing discussions could result in a transaction in which Cypress obtains control of Issuer through a merger, acquisition of stock or otherwise or could result in a purchase of a division or business of Issuer. However, there can be no assurance that any transaction will occur.

Item 5. Interest in Securities of the Issuer

- (a) As of the date of this Amendment No. 2 to Schedule 13D, Cypress beneficially owns 3,179,644 shares of Common Stock of which Cypress owns 647,082 shares outright and has the right to acquire 2,505,562 shares upon exercise of the Warrants. These shares represent approximately 19.2% of the shares of Common Stock issued and outstanding based on 16,532,719 shares of Common Stock outstanding as reported by Issuer.
- (b) Cypress has the sole power to vote or to direct the vote and to dispose or to direct the disposition of all of the shares reported herein.
- (c) Cypress has not effected any transactions in the Common Stock during the past sixty days.
- (d) No person (other than Cypress) is known to have the right to receive or the power to direct the receipt of dividends from, or the proceeds from the sale of, the Common Stock.
- (e) Not applicable.

Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer

As disclosed above, Issuer issued the Warrants to Cypress, which gives Cypress the right to acquire up to an additional 2,505,561 shares of Common Stock. Also as disclosed above, the Issuer and Cypress are parties to the License and Development Agreement, pursuant to which Issuer agreed to issue the 2006 Warrants to Cypress. In addition, Cypress and Issuer are parties to a Registration Rights Agreement, dated May 4, 2005, pursuant to which Issuer granted Cypress certain registration rights to facilitate the transfer of the Common Stock owned by Cypress.
