PROXY STATEMENT

GENERAL INFORMATION

This Proxy Statement, which was first mailed to stockholders on or about April 18, 2008, is furnished to the holders of the common stock, par value \$.01 per share, of LaBranche & Co Inc. in connection with the solicitation by our Board of Directors of proxies for use at the 2008 Annual Meeting of Stockholders, or at any adjournment thereof (the Annual Meeting), pursuant to the accompanying Notice of Annual Meeting of Stockholders. The Annual Meeting will be held on Tuesday, May 20, 2008 at 9:00 a.m., Eastern Standard Time, at the Down Town Association, 60 Pine Street, New York, New York 10005.

It is proposed that at the Annual Meeting our stockholders (i) elect two Class III directors to serve for a term of three years and (ii) ratify our appointment of KPMG LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2008.

Management currently is not aware of any other matters that will come before the Annual Meeting. If any other matters properly come before the Annual Meeting, the persons designated as proxies intend to vote in accordance with their best judgment on such matters.

Proxies for use at the Annual Meeting are being solicited by and on behalf of our Board of Directors primarily through the use of the mails. We have retained Morrow & Co., Inc., a professional proxy solicitation firm, to assist in the solicitation of proxies and will pay Morrow & Co., Inc. a fee of approximately \$4,500 for its services. In addition, our officers, directors, employees and other agents, none of whom will receive additional compensation therefor, may solicit proxies by telephone, facsimile or other personal contact. We will bear the cost of the solicitation of proxies, including postage, printing and handling and will reimburse the reasonable expenses of brokerage firms and others for forwarding material to beneficial owners of shares of our common stock.

REVOCABILITY AND VOTING OF PROXY

A form of proxy for use at the Annual Meeting and a return envelope for the proxy are enclosed. You also may vote your shares by accessing the special web site indicated on the proxy card, as more fully explained in the internet voting instructions on the proxy card. Unless otherwise indicated on the form of proxy, shares of our common stock represented by any proxy in the enclosed form, assuming the proxy is properly executed and received by us prior to the Annual Meeting, will be voted with respect to the following items on the agenda: (i) the election of the nominees for Class III directors shown on the form of proxy; and (ii) the ratification of our appointment of KPMG LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2008.

Stockholders may revoke the authority granted by their execution of a proxy at any time prior to the effective exercise of the powers conferred by that proxy by filing with our Secretary a written notice of revocation or a duly executed proxy bearing a later date, by changing or withdrawing your vote on the internet or by voting in person at the meeting. Shares of our common stock represented by executed and unrevoked proxies will be voted in accordance with the instructions specified in such proxies. If no instructions are given, the proxies intend to vote the shares represented thereby **for** the election of the nominees for director as shown on

the form of proxy and for the ratification of our appointment of KPMG LLP as our independent registered public accounting firm and in accordance with their best judgment on any other matters that may properly come before the meeting.

RECORD DATE AND VOTING RIGHTS

On March 24, 2008, there were 61,934,978 shares of our common stock outstanding, each of which is entitled to one vote upon each of the matters to be presented at the Annual Meeting. Only stockholders of record at the close of business on March 24, 2008 are entitled to notice of, and to vote at, the Annual Meeting. The holders of a majority of the outstanding shares of our common stock, present in person or by proxy and entitled to vote, will constitute a quorum at the Annual Meeting.

The affirmative vote of the holders of a plurality of the shares of our common stock present in person or represented by proxy and entitled to vote at the Annual Meeting is required for the election of directors. Accordingly, each of the directorships to be filled at the Annual Meeting will be filled by the nominee receiving the highest number of votes. In the election of each director, votes may be cast in favor of, against or withheld with respect to each nominee. Votes that are withheld will be excluded entirely from the vote and will have no effect on the outcome of the vote.

The affirmative vote of the holders of a majority of the shares of our common stock present in person or represented by proxy and entitled to vote at the Annual Meeting is required to ratify our appointment of KPMG LLP as our independent registered public accounting firm for the year ending December 31, 2008. An abstention from voting on this matter will be treated as present for purposes of determining the presence or absence of a quorum, but it will have the practical effect of a vote against this proposal because the abstention results in one less vote for such proposal.

Under the rules of the Financial Industry Regulatory Authority (FINRA), member brokers generally may not vote shares held by them in street name for customers unless they are permitted to do so under the rules of any national securities exchange of which they are a member. Under the rules of the New York Stock Exchange (NYSE), NYSE-member brokers (other than our LaBranche Financial Services, LLC subsidiary) who hold shares of our common stock in street name for their customers and have transmitted our proxy solicitation materials to their customers, but do not receive voting instructions from such customers, are permitted to vote on the election of our Class III directors and the proposal to ratify our appointment of KPMG LLP as our independent registered public accounting firm for the year ending December 31, 2008. With respect to each of the election of our Class III directors and the ratification of our appointment of KPMG LLP as our independent registered public accounting firm, if our LaBranche Financial Services, LLC subsidiary does not receive voting instructions regarding shares of our common stock held by it in street name for its customers, it is entitled to vote these shares only in the same proportion as the shares represented by votes cast by all stockholders of record with respect to such matter.

BENEFICIAL OWNERSHIP OF COMMON STOCK BY CERTAIN

STOCKHOLDERS AND MANAGEMENT

The following table sets forth information as of March 24, 2008 regarding the beneficial ownership of our common stock by: (i) each person known by us to own beneficially more than five percent of our outstanding common stock; (ii) each of our directors and nominees for director; (iii) each executive officer named in the Summary Compensation Table (see Executive Compensation below); and (iv) all our directors and executive officers as a group.

All persons listed have sole voting and investment power with respect to their shares unless otherwise indicated. Unless otherwise indicated, the address of each beneficial owner is: c/o LaBranche & Co Inc., 33 Whitehall Street, New York, New York 10004. Beneficial ownership is determined in accordance with the rules

Edgar Filing: LABRANCHE & CO INC - Form DEF 14A

of the Securities and Exchange Commission (the SEC) and generally includes voting or investment power with respect to securities. Shares of common stock issuable pursuant to options, to the extent such options are exercisable or convertible within 60 days after March 24, 2008, are treated as outstanding for purposes of computing the percentage ownership of the person holding such securities, but are not treated as outstanding for purposes of computing the percentage of any other person.

As a result of the stockholders' agreement, Messrs. LaBranche, Hayward and Gallagher, acting together as a group, may be deemed to beneficially own an aggregate of approximately 9,586,159 shares of common stock (including the 5,820,769 shares beneficially owned by them individually), constituting approximately 15.3% of the outstanding shares of our common stock. Each of Messrs. LaBranche, Hayward and Gallagher disclaims beneficial ownership of any and all shares of our common stock held by any person or entity other than him.

- (2) Includes 1,400,000 shares of common stock held by Mr. LaBranche's wife. Also includes options to purchase 700,000 shares of our common stock which are exercisable within 60 days.

Based on an Amended Schedule 13F filed by the named individuals and entities on February 14, 2007, Torray LLC has shared voting and investment power with respect to these shares. In accordance with written procedures adopted by his employer and our policy, Mr. Torray, exercises no voting or investment control over the shares managed by the funds owned by Torray LLC, and accordingly Mr. Torray disclaims beneficial ownership of these shares.

- (5) Includes options to purchase 830,000 shares of our common stock which are exercisable within 60 days.

PROPOSAL NO. 1 ELECTION OF CLASS III DIRECTORS

Two Class III directors are to be elected at the Annual Meeting. Our Board of Directors has been classified pursuant to our Amended and Restated Certificate of Incorporation (the Certificate of Incorporation). In accordance with the provisions of the Certificate of Incorporation, our directors are divided into three classes, designated Class I, Class II and Class III. Each class consists, as nearly as possible, of one-third of the total number of directors constituting our entire Board of Directors. Currently, our Class III directors will serve until this Annual Meeting, our Class II directors will serve until the 2010 annual meeting of our stockholders and our Class I directors will serve until the 2009 annual meeting of our stockholders. At each annual meeting of our stockholders, successors to the directors whose terms expire at that annual meeting are elected for a three-year term. The Annual Meeting will be our ninth annual meeting since our initial public offering in August 1999.

Stuart M. Robbins and Robert E. Torray currently serve as Class III directors for a term expiring at the Annual Meeting or at a special meeting in lieu thereof; Katherine Elizabeth Dietze and Donald E. Kiernan currently serve as Class II directors for a term expiring at the 2010 annual meeting or at a special meeting in lieu thereof and Michael LaBranche and Alfred O. Hayward, Jr. currently serve as Class I directors for a term expiring at the 2009 annual meeting of our stockholders or at a special meeting in lieu thereof. Messrs. Robbins and Torray have been recommended by our Nominating & Corporate Governance Committee for election as Class III directors. Based on this recommendation, our Board of Directors has nominated Messrs. Robbins and Torray for election as Class III directors at the Annual Meeting. If either Mr. Robbins or Mr. Torray becomes unavailable for any reason, or if a vacancy should occur before the election, the shares represented by the proxy will be voted for the person, if any, who is designated by our Board of Directors to replace the nominee or to fill the vacancy. Each of Mr. Robbins and Mr. Torray has consented to be named and has indicated his intent to serve if elected. Our Board of Directors has no reason to believe that either Mr. Robbins or Mr. Torray will be unable to serve or that any vacancy on the Board of Directors will occur.

The following information, as of April 18, 2008, is provided with respect to the nominees for Class III director:

VOTE REQUIRED

The two nominees receiving the highest number of affirmative votes will be elected as Class III directors. Only votes cast for a nominee will be counted, except that the accompanying proxy will be voted for each nominee in the absence of instructions to the contrary. Abstentions, broker non-votes and instructions on the accompanying proxy card to withhold authority to vote for either of the nominees will not be counted as a vote for such nominee.

OUR BOARD OF DIRECTORS DEEMS THE ELECTION OF BOTH THE NOMINEES AS CLASS III DIRECTORS TO BE IN OUR AND OUR STOCKHOLDERS' BEST INTERESTS AND RECOMMENDS A VOTE FOR THE ELECTION OF THESE NOMINEES.

CORPORATE GOVERNANCE

Board of Directors

Our Board of Directors currently consists of six members, a majority of whom have been determined to be non-management and independent within the meaning of the listing standards of the NYSE. Our Board has determined, upon recommendation from our Nominating & Corporate Governance Committee, that Katherine Elizabeth Dietze, Donald E. Kiernan, Stuart M. Robbins and Robert E. Torray have no direct or indirect material relationship with us other than in their capacity as directors, and thus are non-management and independent directors in accordance with NYSE rules and under the SEC's audit committee independence standards. Four of our six directors, therefore, are non-management or independent directors. In making these determinations, the Board applied the standards set forth in our Amended and Restated Corporate Governance Guidelines, which state that a prospective board member will not be deemed non-management and independent if, within the preceding three years:

he or she was employed by us or a member of his or her immediate family was one of our officers;

he or she (or his or her immediate family member) received direct compensation from us (other than compensation for service as a director, or compensation related to a pension or deferred compensation plan) of more than \$100,000/year;

he or she was affiliated with, or was employed by, our internal or external auditor or a member of his or her immediate family was affiliated with, or employed in a professional capacity by, our internal or external auditor;

he or she (or his or her immediate family member) was part of a compensation committee interlock involving one of our executive officers (or his or her immediate family member);

he or she was an executive officer or employee of a company that makes payments to, or receives payments from, us in amounts exceeding the greater of \$1 million or 2% of the other company's consolidated gross revenues, or his or her immediate family member was an executive officer of a company that makes payments to, or receives payments from, us in amounts exceeding the greater of \$1 million or 2% of the other company's consolidated gross revenues; or

he or she is an executive officer or employee of another company who is indebted to us, or to which we are indebted, and the total amount of such indebtedness at the end of the last completed fiscal year is more than one percent of the other company's total consolidated assets.

In addition, a director will not be non-management and independent if, at the time of the independence determination, the director serves as an officer, director or trustee of a charitable organization, and our discretionary charitable contributions to the organization are more than one percent of that organization's total annual charitable receipts during its last completed fiscal year.

During 2007, the Board of Directors held 19 meetings and executed three unanimous written consents in lieu of a meeting. During 2007, all our Directors attended 75% or more of the meetings of the Board and meetings of committees of the Board on which they served. The Board of Directors also regularly held executive sessions of the independent directors. Donald E. Kiernan served as presiding director for these executive sessions in 2007. Mr. Kiernan, the Chair of our Nominating & Corporate Governance Committee, has been designated as presiding director for these executive sessions in 2008. Interested parties may communicate with the presiding director by directing written correspondence to our Secretary at 33 Whitehall Street, New York, New York 10004. The Secretary will forward such communications to the presiding director.

Messrs. LaBranche and Hayward attended our 2007 annual meeting of stockholders. We encourage our local directors to attend our 2008 Annual Meeting of Stockholders.

Our Board of Directors has three standing committees: the Audit Committee, the Compensation Committee and the Nominating & Corporate Governance Committee. Our four independent, non-management directors,

Katherine Elizabeth Dietze, Donald E. Kiernan, Stuart M. Robbins and Robert E. Torray, serve on each of these standing committees. As a result, subjects relevant to one Committee's charter sometimes are discussed during meetings of another Committee.

Audit Committee

Our Audit Committee oversees our financial reporting process and reports the results of its activities to our Board of Directors. Our Audit Committee reviews, acts on and reports to our Board of Directors with respect to various auditing, accounting, financial reporting, internal control, taxation and regulatory compliance matters, and it has the sole authority and direct responsibility to select, evaluate, determine the compensation of, oversee, and where appropriate, replace our independent registered public accounting firm.

Our Audit Committee is currently composed of Katherine Elizabeth Dietze, Donald E. Kiernan, Stuart M. Robbins and Robert E. Torray. Ms. Dietze currently is the Chair of our Audit Committee. Our Board of Directors has determined that Ms. Dietze and Mr. Kiernan are the audit committee financial experts as defined by Item 401(h) of Regulation S-K under the Securities Exchange Act of 1934. Our Board of Directors has also determined that each of the members of our Audit Committee is independent, or a non-management director, within the meaning of applicable laws and the rules and regulations of the NYSE and the SEC.

During 2007, our Audit Committee met seven times, including executive sessions outside the presence of our management.

A copy of our Third Amended and Restated Audit Committee Charter is available on our website at www.labranche.com and is available in print without charge to any stockholder who requests a copy in writing.

Compensation Committee

The principal responsibilities of our Compensation Committee are to review and approve our goals and objectives with respect to the compensation of our executive officers, evaluate our executive officers' performance in light of those goals and objectives and set our executive officers' compensation based on such evaluation, review our overall compensation structure to determine whether we establish appropriate incentives for our executive officers and directors, and make recommendations to our Board of Directors with respect to the structure of our equity and incentive compensation plans and programs.

Our Compensation Committee is composed of Katherine Elizabeth Dietze, Donald E. Kiernan, Stuart M. Robbins and Robert E. Torray. Mr. Torray currently is the Chair of our Compensation Committee. Our Board of Directors has determined that each member of our Compensation Committee is independent, or a non-management director, within the meaning of the applicable laws and rules and regulations of the NYSE and the SEC.

During 2007, our Compensation Committee met four times, including executive sessions outside the presence of our management.

A copy of our Amended and Restated Compensation Committee Charter is available on our website at www.labranche.com and is available in print without charge to any stockholder who requests a copy in writing.

Nominating & Corporate Governance Committee

Our Nominating & Corporate Governance Committee identifies individuals qualified to become members of our Board of Directors and leads and oversees management in shaping our corporate governance structure in a manner that promotes our and our stockholders' best interests. Our Nominating & Corporate Governance Committee makes recommendations to our Board of Directors with respect to all corporate governance matters affecting us, annually reviews and assesses the adequacy of our Code of Conduct and Corporate Governance Guidelines and recommends changes to the Board for approval and adoption as necessary or advisable.

Our Nominating & Corporate Governance Committee is composed of Katherine Elizabeth Dietze, Donald E. Kiernan, Stuart M. Robbins and Robert E. Torray. Mr. Kiernan currently is the Chairman of our Nominating & Corporate Governance Committee. Our Board of Directors has determined that each member of the Nominating & Corporate Governance Committee is independent, or a non-management director within the meaning of the applicable laws and rules and regulations of the NYSE and the SEC.

During 2007, our Nominating & Corporate Governance Committee met two times.

A copy of our Amended and Restated Nominating & Corporate Governance Committee Charter is available on our website at www.labranche.com and is available in print without charge to any stockholder who requests a copy in writing.

Corporate Governance Guidelines

The Board of Directors has adopted our Amended and Restated Corporate Governance Guidelines (the Guidelines) to address significant corporate governance issues. The Guidelines provide a framework for our corporate governance system and covers such topics as director qualifications and Board composition, director compensation, evaluation of our Chief Executive Officer and director orientation and continuing education. The Nominating & Corporate Governance Committee is responsible for annually reviewing the Guidelines and reporting and recommending to the Board changes to the Guidelines as necessary or advisable. In October 2007, following a review of the Corporate Governance Guidelines by the Nominating & Corporate Governance Committee, the committee recommended no changes to our Corporate Governance Guidelines. We will post on our website any amendments to or waivers of the provisions of our Corporate Governance Guidelines applicable to any of our directors and executive officers. A copy of our Amended and Restated Corporate Governance Guidelines is available on our website at www.labranche.com and is available in print without charge to any stockholder who requests a copy in writing.

Code of Conduct

We have adopted an Amended and Restated Code of Conduct (the Code of Conduct) designed to help directors, officers and employees resolve ethical issues that arise in the conduct of their duties. Our Code of Conduct applies to all of our directors, officers and employees, including our Chief Executive Officer, Chief Financial Officer, Corporate Controller and any other employee performing similar functions. Our Code of Conduct covers such topics as conflicts of interest, insider trading, full, fair, accurate, timely and understandable disclosure in our public filings and communications, compliance with applicable governmental laws, rules and regulations, accountability for adherence to our Code of Conduct and the prompt internal reporting of violations of our Code of Conduct. In October 2007, following a review of the Code of Conduct by the Nominating & Corporate Governance Committee, the committee recommended no changes to our code of Conduct. A copy of our Amended and Restated Code of Conduct is available on our website at www.labranche.com and is available in print without charge to any stockholder who requests a copy in writing.

We will post on our website any amendments to or waivers of the provisions of our Code of Conduct applicable to any of our directors and executive officers. We also have an anonymous Whistleblower Policy, which has been made a part of, and is incorporated by reference into, our Code of Conduct. The Whistleblower Policy is available to all our employees to report any perceived noncompliance with our Corporate Governance Guidelines or Code of Conduct or any federal, state or self-regulatory organization statutes, rules and regulations.

Director Nomination Process

Our Nominating & Corporate Governance Committee is responsible for recommending to our Board of Directors nominees for election as Directors. In selecting nominees, and when considering the Board and its committees, each as a whole, our Nominating & Corporate Governance Committee seeks to maintain a balance of business experience and interpersonal skills, thereby maximizing the effectiveness of the Board and each of its committees. In assessing a candidate's qualifications, our Nominating & Corporate Governance Committee considers such factors as the following:

whether the candidate has demonstrated broad business judgment and leadership;

management experience at a senior policy-making level in one or more functional areas of a major public company;

familiarity with relevant regulatory issues or specific industry knowledge;

business creativity and vision;

a demonstrable personal commitment to our and our stockholders' interests;

ability and desire to invest time and effort on a consistent basis;

awareness of, and perspective on, relevant current business issues;

diversity of relevant experience, expertise, age, race and gender;

prior participation in board and committee deliberations; and

absence of an over-commitment to other business activities or the requirements of boards of other companies.

Our Nominating & Corporate Governance Committee does not set specific, minimum qualifications that nominees must meet to be recommended to the Board, but instead believes that each candidate must be evaluated on his or her individual merits, taking into account our needs as a company and the needs of our stockholders. EXECUTIVE AND DIRECTOR COMPENSATION

Compensation Discussion and Analysis

Compensation Objectives and Procedures

The Compensation Committee oversees the design, development and implementation of our compensation program for our Chief Executive Officer, our Chief Financial Officer and our three other named executives. We believe that compensation should be directly tied to our success in achieving a long-term increase in the value of our stockholders' investment. Our compensation program is designed to attract, retain and reward capable employees who contribute to the attainment of this goal, as well as underscore the importance of integrity and the adherence to sound principles of corporate governance. It is also our policy that while compensation should be competitive, it must fairly reflect our financial performance and the performance of the individual. We evaluate our executive officers based on their long-term impact on our financial performance, commitment to regulatory compliance, leadership qualities, length of service and dedication to the enhancement of stockholder value. The Compensation Committee meets in connection with the setting of salaries of our named executive officers and the determination of mid-year and year-end bonuses and other compensation-related matters. It also meets at the request of senior management in order to consider compensation issues brought to their attention.

We rely heavily on the industry experience, knowledge, skills, integrity and leadership of our management team and key employees. The main elements of compensation, discussed in more detail in "Compensation Components and Decisions Regarding 2007 Compensation" include:

Base salary;

Cash bonuses, payable mid-year and at year end based on our performance and an assessment of the individual's contributions; and

Equity incentive compensation in the form of restricted stock units (RSUs) that may or may not be granted in a particular year. The award of RSUs is contingent on the individual's performance and also takes into consideration the person's then-current equity ownership. RSUs are subject to vesting schedules that require continued employment on each vesting date to obtain the underlying shares.

We have a 401(k) defined contribution plan but no other pension plan or defined benefit plan. We have no long-term performance or other deferred compensation programs. As with our other employees, our named executive officers are reimbursed for certain accountable business expenses and receive no perquisites.

Senior management establishes the amount of salaries, bonuses and equity incentive plan grants for all employees other than our named executive officers, and the Compensation Committee approves the aggregate amount to be paid to employees other than our named executive officers. Senior management recommends the amount of salaries, bonuses and equity incentive plan grants, if any, for our named executive officers (other than Mr. LaBranche), and our Compensation Committee reviews and makes determinations concerning the recommendations in executive session without the named executive officers present. Mr. LaBranche's compensation is determined by the Compensation Committee without a recommendation by Mr. LaBranche or management, based solely on an assessment of Mr. LaBranche's performance by the Compensation Committee. Mr. LaBranche consults with members of the Compensation Committee in determining the amounts of bonuses to recommend for the named executive officers other than himself. Mr. LaBranche attends and participates in the meetings of the Compensation Committee during which goals, performance measures and general targets are discussed, all of which could affect his compensation for the period being discussed, but does not provide the Compensation Committee with any advice or suggestions with respect to his own compensation. At times when the Compensation Committee has retained a compensation consultant, Mr. LaBranche has met with the consultant.

Compensation Components and Decisions Regarding 2007 Compensation

The components of our compensation program are set forth below in more detail:

Base Salary. From our initial public offering in 1999 through January 2007, base salaries of our named executive officers, our managing directors and our other key employees were capped at \$250,000 per annum. This amount was chosen at the time of our initial public offering, to be consistent with the pre-IPO base salaries of our managing director employees, and was based on an assumption that most compensation would be paid in the form of bonuses. In January 2007, our Compensation Committee increased the base salaries for our named executives to be more in line with financial services industry salaries, based on the Compensation Committee's belief that base salaries should comprise a larger part (compared with bonuses) of these individuals' compensation in light of the changes our business has undergone in recent years, and based on the executives' years of experience with us, the jobs these individuals perform and the responsibilities we have asked them to assume. This decision was also supported by the analysis of our compensation consultant, Semler Brossy Consulting Group, LLC, in January 2007 that salaries of senior management in the financial services industry were much higher than the salaries of our named executive officers. Mr. LaBranche's annual salary was set at \$750,000, Messrs. Hayward's and Burke's salaries were set at \$600,000, Mr. McCutcheon's salary was set at \$350,000 and Mr. Gray's salary was set at \$300,000.

Annual Bonus. Our Senior Executive Bonus Plan and Annual Incentive Plan are intended to compensate officers for achieving financial goals and business objectives and for achieving individual annual performance objectives. Our Senior Executive Bonus Plan provides for cash bonuses and/or equity incentive awards to our named executive officers in the amount of 5% of our Pre-Tax Income, as defined below. Our Annual Incentive Plan for our other officers, managing directors and key employees, provides for the payment of bonuses to those employees based on the same definition of Pre-Tax Income as the Senior Executive Bonus Plan. The maximum amount payable under both plans is an aggregate of 30% of our Pre-Tax Income.

Our Senior Executive Bonus Plan and Annual Incentive Plan thus rely on the attainment of prescribed financial goals in setting the compensation of our named executive officers, and include formulas to determine compensation, but the Compensation Committee has discretion to increase or reduce the amounts paid under these bonus formulas. In the event the Compensation Committee increases the bonuses of any of our named executive officers to an amount above the Senior Executive Bonus Plan formula, we would be required to publicly disclose the increase and would lose tax deductibility with respect to any amounts of the bonus exceeding \$1,000,000.

The following is a summary of the material terms of the Senior Executive Bonus Plan.

Performance Periods Our Compensation Committee establishes performance periods, which are based on our performance over a whole fiscal year or portions of a fiscal year, and are established within the first 90 days of the year and within the first 25% of any other performance period. Our 2007 performance periods were the first two fiscal quarters of 2007 and the full fiscal year of 2007. In January 2008, the two performance periods for our 2008 fiscal year were set as the first two fiscal quarters of 2008 and the full fiscal year of 2008. These performance periods have been selected in accordance with industry practice and our historical bonus payment schedules of mid-year and year-end. Any additional performance periods must be determined within the first 25% of the performance period.

Participation The Senior Executive Bonus Plan requires our Compensation Committee to select the participants for each performance period no later than the date the performance period is established. For 2007, the participants in the Senior Executive Bonus Plan were Messrs. LaBranche, Hayward, Burke, McCutcheon and Gray. For 2008, Messrs. LaBranche, Hayward, Burke, McCutcheon and Gray remain the participants in our Senior Executive Bonus Plan.

Bonus Amounts Bonus payments under our Senior Executive Bonus Plan and Annual Incentive Plan are based on our performance over each applicable performance period. For the full-year performance period, the

amount payable is reduced automatically for amounts previously paid under the plan for any prior performance period in the same fiscal year. Under the Senior Executive Bonus Plan, the bonus formula for each of our named executive officers is 5% of our Pre-Tax Income which is defined as our net income before taxes for each performance period, *excluding* (1) amounts expensed as a result of the amortization of equity-based awards granted to any individual at any time, (2) amounts expensed as a result of the amortization of grants of equity-based awards granted in connection with any acquisition, (3) losses related to the impairment of goodwill, other intangible assets, and exchange memberships, (4) any restructuring expenses, (5) gains or losses on the extinguishment of any of our debt, (6) gains on the restructuring of our debt or other liabilities, (7) gains or losses that are the direct result of major casualties or natural disaster, (8) non-cash gains or losses with respect to the shares of NYSE Group stock we received in the NYSE/Archipelago merger and retained following the 2007 merger of NYSE Group, Inc. and Euronext, and (9) any other expenses, losses, income or gains that we separately disclose in public filings and are outside the ordinary course of our business or infrequent events. Our Annual Incentive Plan governs bonuses payable to our other executive officers, managing directors and key employees. As stated above, the aggregate maximum amount payable under our Senior Executive Bonus Plan and Annual Incentive Plan cannot exceed 30% of our Pre-Tax Income for a given performance period.

Reductions of the 5% bonus amounts provided for under the Senior Executive Bonus Plan historically have been made in order to provide room under our Annual Incentive Plan to appropriately compensate our other officers and key employees, to provide continuity of the compensation of our named executive officers in relation to historical compensation, and/or to reinvest our cash in the operations of our business for future periods.

In connection with its 2007 year-end bonus determination, the Compensation Committee considered, among other things, the successes our business has experienced, the difficulties we have experienced due to the significant changes in the NYSE specialists business and regulatory and market structure changes, as well as the measures taken by senior management to adapt to these changes, decisions to increase focus on the specialist and market-making products that provide the most optimal returns for our stockholders, cost-cutting measures that increased the responsibilities and increased the demands placed on our senior executives and other employees, and the responsibilities and demands placed on our senior management by the board's examination of strategic alternatives during the second half of 2007. The Compensation Committee also relied on decisions made at the time mid-year bonuses were determined that year-end bonuses should turn in substantial measure on whether we would sustain and increase our first half of 2007 positive net cash operating income and the efforts made to ensure the success of the Company's examination of strategic alternatives. The Compensation Committee also considered that employees must be paid fair and just amounts in order to retain them in an environment in which employees have seen substantial layoffs and have been asked to assume increased roles and responsibilities due to these departures. Keeping in mind these considerations, and its decision in early 2007 to increase the salaries for the reasons stated above, the Compensation Committee determined to award year-end bonuses to our named executive officers that were less than the mid-year bonuses they received (with the exception of Mr. Gray, our lowest-paid named executive officer, who received the same year-end bonus as his mid-year bonus). The Compensation Committee also took this step to facilitate the reinvestment of cash into our business and pay incentive bonuses to our other non-senior executive officer employees and our best producers. The specific amounts of mid-year and year-end bonuses awarded in 2007 are stated in footnote 1 to the Summary Compensation Table below.

Our 2007 Pre-Tax Income calculation under the Senior Executive Bonus Plan was higher than our Pre-Tax Income calculation for 2006. Accordingly, the total potential bonus payout under our Senior Executive Bonus Plan increased from its 2006 level. The Compensation Committee nevertheless reduced the bonuses payable to our named executive officers for the reasons stated above. Mr. LaBranche's 2007 bonus compensation was reduced by 5.4% from the amount allowable under the Senior Executive Bonus Plan, and our remaining named executive officers' 2007 bonuses were reduced by an average of approximately 77.2% from the amounts allowable under the plan. The reduction in Mr. LaBranche's bonus was significantly less than the reduction of our other named executive officers' bonuses, due to Mr. LaBranche's years of experience with the firm, to retain

his services, and to reward him for leading us through a period of extensive change in our industry as well as diversifying our business model to lessen our reliance on our traditional businesses, while maintaining a strong capital base throughout this transition period. In 2006, the Compensation Committee reduced our named executive officers' 2006 year-end bonuses by an average of approximately 54.2% (8.8% for Mr. LaBranche and an average of 55.1% for the other named executive officers) in order to reinvest cash into our business, pay appropriate bonuses to our other officers, managing directors and key employees under the Annual Incentive Plan, and to reflect a decline in our Pre-Tax Income in 2006 from 2005.

Equity Incentive Plan Grants. The Compensation Committee reviews and approves proposed grants of options and/or restricted stock units under our Equity Incentive Plan, which enables us to grant awards over the life of the plan of up to a total of 7,687,500 shares of our common stock, in order to further align our employees' interests with the interests of our stockholders. In January of each year, with the advice and assistance of senior management of our subsidiaries, Messrs. LaBranche and Hayward recommend to the Compensation Committee grants of awards to certain key employees. Since 2002, these awards have consisted only of restricted stock units, and not options. The restricted stock units generally vest in installments over a period of three years and the employee must be employed on each vesting date in order to receive his or her shares, as all unvested restricted stock units are forfeited on the date of termination. In January 2007, the Compensation Committee approved the grant of restricted stock units representing a total of 600,000 shares of our common stock to certain key employees, including 10,000 to Mr. McCutcheon and 7,500 to Mr. Gray, as the two members of the named executive officer group who were not with us at the time of our initial public offering and thus did not own a substantial number of shares of our common stock. The majority of the 600,000 restricted stock units issued in 2007 were granted to our best traders. In January 2008, the Compensation Committee did not grant any restricted stock units.

Other Compensation. Other benefits we maintain for our officers and other employees include life insurance premiums, long-term disability insurance premiums, health insurance premiums and 401(k) matches under our retirement plan. Named executive officers are provided reimbursement for certain accountable business expenses and receive no perquisites. The Compensation Committee, in its discretion, may revise, amend or add to the officer's executive benefits and perquisites as it deems it advisable to do so.

Use of Compensation Consultant. In determining compensation of our named executive officers, our Compensation Committee, at times, considers financial industry data provided by a compensation consultant. The Compensation Committee retained Semler Brossy Consulting Group, LLC as its compensation consultant in late 2006 and early 2007 to determine our named executive officers' 2006 bonuses and 2007 salaries, but did not utilize a compensation consultant at the end of 2007 to determine 2007 bonuses.

Semler Brossy advised the Compensation Committee in early 2007 (and the Compensation Committee determined in late 2007 that this advice was still reliable) that (1) there is a lack of direct peer group data because although we compete in the financial services industry, our direct competitors do not publicly disclose the compensation of their executive officers because they are either privately owned entities or smaller divisions of large public financial institutions that do not report their operations separately, (2) our pay system is responsive to performance; (3) our percentage of total compensation to revenues is in line with market levels; (4) our bonus pool generated by current operating results may not fully reflect our accomplishments; and (5) our \$250,000 named executive officer salaries until early-2007 were below market and unique in publicly traded financial services companies in that their salaries were the same as a broad group of non-executive managing directors.

In determining not to retain a compensation consultant to determine 2007 bonuses, the Compensation Committee considered the fact that it had received reports of Semler Brossy with respect to our 2005 and 2006 bonus compensation and to set 2007 salaries, the relatively few changes that have taken place in the overall payment structures in our industry in 2007, the lack of direct peer group data that Semler Brossy was able to collect for us due to the nature of our business and the cost of another compensation consultant report. The same factors had been referred to and relied upon by the Compensation Committee in determining the compensation of our named executive officers in 2005 and 2006.

The Compensation Committee accordingly based its determinations concerning 2007 compensation on business judgment, its collective experience in the financial industry, the advice of its compensation consultant (with respect to salaries, but not bonuses), and, with respect to bonuses, consideration of recommendations and studies performed by its compensation consultant in those prior years.

Summary Compensation Table

The following table sets forth information regarding compensation earned by our Chief Executive Officer, our Chief Financial Officer and the three other most highly compensated executive officers during 2007. These amounts may not be indicative of amounts to be paid to the named executive officers in future years. Each of their agreements also provides that they will take all actions and do all things reasonably requested by us during a 90-day transition period following termination of employment to maintain the business, goodwill and business relationships in which or with which he was previously involved on our behalf. If any of Messrs. LaBranche, Hayward or Burke breaches the noncompetition or non-solicitation provisions of his agreement before the termination thereof, then he will be liable for liquidated damages in an amount equal to 75% of the aggregate value of the common stock and cash received by him from us in connection with our reorganization from partnership to corporate form in August 1999. The liquidated damages provision is guaranteed by a separate pledge agreement entered into by each of Messrs. LaBranche, Hayward and Burke.

The Compensation Committee, which is comprised solely of outside directors as defined for purposes of Section 162(m) of the Internal Revenue Code, may elect to adopt plans or programs providing for additional benefits if the Compensation Committee determines that doing so is in our and our stockholders best interests.

Grants of Plan-Based Awards

Equity Incentive Plan. Our Equity Incentive Plan enables us to grant awards over the life of the plan of up to an aggregate of 7,687,500 shares of our common stock. In January of each year or such other times as deemed necessary or appropriate, management recommends to the Compensation Committee awards to certain key employees, which, since 2002, have consisted only of restricted stock units, not options. In January 2007, the Compensation Committee approved the grant of restricted stock units representing 600,000 shares of our common stock to certain key employees, including 10,000 to Mr. McCutcheon and 7,500 to Gray. The table set forth below provides information with respect to these 2007 grants of plan-based awards. To date in 2008, no restricted stock units have been awarded to any of our named executive officers.

| (a) Name | (b) Grant Date | (i) All Other Stock Awards: Number of Shares of Stock (1) | (l) Grant date Fair value (2) |

- (2) Column (l) shows the full grant date fair value of RSUs under SFAS 123R in 2007. Generally, the full grant date fair value is the amount that we expense in our financial statements over the award's vesting schedule. For RSUs, fair value is calculated using the closing price of our common stock on the grant date, of \$8.99 per share.

(1) The amounts in column (c) reflect the dollar value of restricted stock units granted to each individual for meetings of the board of directors and each committee which each director attended, based on the average closing price per share of our common stock on the NYSE over the five trading-day period up to and including the last day of 2007.

Four independent, or non-management, directors serve as members of our Board of Directors. In 2007, each of our non-employee directors received an annual retainer of \$100,000 and attendance fees of \$2,500 per board meeting and \$2,500 per committee meeting attended. The cash retainer is paid in equal quarterly installments following the conclusion of each fiscal quarter. The meeting attendance fees are paid during the first quarter following the end of each fiscal year during which the meetings were attended in shares of our common stock under our Equity Incentive Plan. The Chairs of our Audit Committee, Compensation Committee and Nominating & Corporate Governance Committee also receive an additional annual retainer in the amount of \$25,000, \$10,000 and \$10,000, respectively.

Our employee directors do not receive any compensation (other than their compensation as officers) for serving on our Board of Directors or any committee of our board. Our non-employee directors do not receive any compensation from us other than the retainer and attendance fees described above.

Potential Payments Upon Termination or Change in Control

On September 18, 2007, our Board of Directors approved change in control agreements with Jeffrey A. McCutcheon, our Senior Vice President and Chief Financial Officer, and Stephen H. Gray, our General Counsel and Corporate Secretary, as the two members of the named executive officer group who were not with us at the time of our IPO and thus did not own a substantial number of shares of our common stock that they could benefit from on a change of control.

Each of these change in control agreements has a term that commenced on September 18, 2007, and will end upon the expiration of a 12-month period following the occurrence of a change in control (as defined in the change in control agreements).

Under these change in control agreements, in the event of a qualifying termination (as defined in the change in control agreements) prior to the 12-month period after a change of control, each of these two executives would become immediately entitled to the following benefits:

- (a) a lump-sum cash payment, payable within 10 business days after the date of a qualifying termination, in an amount equal to the sum of (i) the executive's annual base salary in effect immediately prior to the change in control or the date of the executive's termination of employment, whichever is greater, and (ii) the annual cash bonus paid to the executive for the calendar year immediately preceding the year in which the executive's employment with us is terminated or the aggregate cash bonus paid to the executive during the 12-month period immediately preceding the termination date of the executive's employment with us, whichever is greater;
- (b) the executive and his family will receive continuation of group health plan benefits (including all life insurance, health, accident and liability plans and programs) to which the executive was entitled to participate in immediately prior to a qualifying termination to the extent authorized by, and consistent with, COBRA until the earlier of (i) the 12-month period following the date of a qualifying termination and (ii) the executive's employment with a new employer, with the cost of the regular premium for such benefits shared in the same relative proportion by us and the executive as in effect on the date of termination; and
- (c) reimbursement by us for reasonable legal fees incurred in seeking to obtain or enforce in good faith any right or benefit provided by the change in control agreement in the event that the executive substantially prevails in such dispute, up to a maximum of \$50,000.

In order to obtain the benefits provided under the change in control agreements, each executive must first execute a release of claims with us that includes a waiver and release of any and all claims he may have against us. As of December 31, 2007, the change of control payments Messrs. McCutcheon and Gray would have received in the event of a change of control would have been \$775,000 and \$550,000, respectively, as well as 12 months of premiums for COBRA health insurance coverage of approximately \$5,971 and \$14,034, respectively.

None of Messrs. LaBranche, Hayward or Burke have any agreements relating to or requiring potential severance payments upon termination or payments upon a change in control due to their large relative ownership of our outstanding stock. The Compensation Committee may in its discretion revise, amend or add to the benefits if it deems advisable.

Indemnification of Officers and Directors

Our Certificate of Incorporation, bylaws and indemnification agreements with certain of our directors and executive officers executed in connection with our initial public offering provide for indemnification and advancement of legal expenses for our directors and officers in connection with claims against them.

REPORT OF OUR AUDIT COMMITTEE

The Audit Committee reviews, acts on and reports to the Board of Directors of LaBranche & Co Inc. (the Company) with respect to various auditing, accounting, financial reporting, internal control and regulatory compliance matters. The Audit Committee has the authority and direct responsibility to select, evaluate, determine the compensation of, oversee, and, where appropriate, replace the Company's independent registered public accounting firm. The Audit Committee also has the authority to resolve disagreements between management of the Company and its independent registered public accounting firm. The Audit Committee reviews and discusses its charter at least annually in order to determine whether appropriate changes and/or additions need to be made to update and enhance the Company's auditing procedures and standards. The Board of Directors of the Company has determined that each member of the Audit Committee is non-management and independent as defined by the rules promulgated by the SEC and the listing standards of the NYSE.

KPMG LLP, the Company's independent registered public accounting firm, is responsible for performing an independent audit of the Company's consolidated financial statements and expressing an opinion on the conformity of those financial statements with accounting principles generally accepted in the United States of America. KPMG LLP is also required to express an opinion on the effectiveness of the Company's internal control over financial reporting.

In accordance with the Audit Committee charter, the Audit Committee assists the Company's Board of Directors in fulfilling its responsibility for oversight of the quality and integrity of the Company's accounting, auditing, taxation and financial reporting practices. During the year ended December 31, 2007, the Audit Committee met eight times. The Audit Committee also held executive sessions throughout 2007 with officers of the Company, KPMG LLP and counsel, as the Audit Committee deemed appropriate.

In discharging its oversight responsibility as to the audit process, the Audit Committee obtained from KPMG LLP a formal written statement describing all relationships between KPMG LLP and the Company that might bear on KPMG LLP's independence consistent with Independence Standards Board Standard No. 1 Independence Discussions with Audit Committees, discussed with KPMG LLP any relationships that may impact KPMG LLP's objectivity and independence, and satisfied itself as to KPMG LLP's independence.

During 2007, the Audit Committee devoted substantial attention to, among other things, the audit plans, audit scope and identification of audit risks by the Company's internal auditors and KPMG LLP and the review of quarterly financial statements and earnings releases, and discussed the interim financial information contained in each of the Company's quarterly earnings announcements, the relationship between the Company's debt obligations and its liquidity and capital resources, audit-related matters and tax-related issues, regulatory investigations and inquiries, litigation and other legal and regulatory proceedings facing the Company and its subsidiaries.

Throughout 2007, the Audit Committee also oversaw management's completion of the documentation, testing and evaluation of the Company's internal control over financial reporting in accordance with the requirements of Section 404 of the Sarbanes-Oxley Act of 2002. The Audit Committee reviewed the Company's assessments, testing and evaluations of its internal control over financial reporting, provided oversight and advice to management during the process and received and discussed updates from management and KPMG LLP at each regularly scheduled Audit Committee meeting concerning testing of operating effectiveness. Additionally, the Chairman of the Audit Committee received and discussed updates from management concerning testing of operating effectiveness between meetings of the full Audit Committee. At the conclusion of the process, management of the Company provided the Audit Committee with, and the Audit Committee reviewed, a report on the effectiveness of the Company's internal control over financial reporting. The Audit Committee also reviewed the report of management on internal control over financial reporting contained in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2007, which was filed with the Securities and Exchange Commission on March 17, 2008. The Audit Committee met with KPMG LLP prior to the filing of

the Company's 2007 Annual Report on Form 10-K and reviewed KPMG LLP's Report of Independent Registered Public Accounting Firm included in the Company's 2007 Annual Report on Form 10-K related to (i) its audit of the consolidated financial statements of the Company and (ii) the effectiveness of the Company's internal control over financial reporting.

The Audit Committee continues to oversee the Company's efforts related to its internal control over financial reporting and management's preparations for the annual evaluation in 2008.

The Audit Committee discussed and reviewed with KPMG LLP all communications required by generally accepted auditing standards, including those described in Statement on Auditing Standards No. 61, as amended "Communication with Audit Committees," and, with and without management present, discussed and reviewed the results of the independent registered public accounting firm's audit of the Company's consolidated financial statements.

Based on the above-mentioned review and discussions with management and the independent registered public accounting firm, the Audit Committee recommended to the Board of Directors of the Company that the Company's audited consolidated financial statements be included in its Annual Report on Form 10-K for the fiscal year ended December 31, 2007, for filing with the SEC.

PROPOSAL NO. 2 RATIFICATION OF**APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

Our stockholders will be asked to ratify our appointment of KPMG LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2008. KPMG LLP audited our consolidated financial statements as of and for the fiscal year ended December 31, 2007. A representative of KPMG LLP is expected to be present at the Annual Meeting and will have the opportunity to make a statement if he or she desires to do so and is expected to be available to respond to appropriate questions from stockholders.

Our organizational documents do not require that our stockholders ratify the appointment of our independent registered public accounting firm. We are doing so (as we have done in prior years) because we believe it is a matter of good corporate practice. If our stockholders do not ratify our appointment of KPMG LLP as our independent registered public accounting firm, our Audit Committee will reconsider whether or not to retain KPMG LLP, but still may retain them. Even if the selection is ratified by our stockholders, our Audit Committee, in its discretion, may change the appointment at any time during the year if it determines that such a change would be in our and our stockholders' best interests.

Audit Fees

The following table sets forth the fees we paid for audit, audit-related, tax and other services provided by KPMG LLP to us during each of the last two fiscal years. Numbers for 2006 in the table below have been conformed to the 2007 fiscal year presentation.

| | 2007 | 2006 |
|--------------------|--------------|--------------|
| Audit fees | \$ 1,477,500 | \$ 1,451,875 |
| Audit-related fees | | |
| Tax fees | | |
| All other fees | | 99,000 |

Audit fees included the annual audit of our financial statements included in our Annual Report on Form 10-K, reviews of financial statements included in our quarterly reports on Form 10-Q during each fiscal year and other services directly related to the audit and review of our financial statements. These services included audits of certain consolidated subsidiaries and reviews of compliance with our debt covenants in connection with the audit. All other fees in 2006 consist of accounting assistance in connection with foreign regulatory filings.

Our Audit Committee has determined that the services described above that were rendered by KPMG LLP were compatible with the maintenance of its independence from our management.

Audit Committee Pre-Approval Policies and Procedures

The Audit Committee pre-approves all audit and non-audit services provided by our independent registered public accounting firm prior to the engagement of the independent registered public accounting firm with respect to such services. The Audit Committee also pre-approves any additional audit services and permissible non-audit services. All fees and expenses set forth above were pre-approved by the Audit Committee in accordance with its pre-approval policy.

VOTE REQUIRED

The affirmative vote of the holders of a majority of the shares of our common stock is required for the ratification of our appointment of KPMG LLP as our independent registered public accounting firm. Abstentions will have the practical effect of a vote against this proposal. Broker non-votes are not treated as a vote for or against this proposal and thus will not have any impact on the outcome of the vote on this proposal.

THE BOARD OF DIRECTORS DEEMS PROPOSAL NO. 2 TO BE IN OUR AND OUR STOCKHOLDERS' BEST INTERESTS AND RECOMMENDS A VOTE FOR APPROVAL THEREOF.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Review and Approval of Related Person Transactions. We review all relationships and transactions in which we and our directors and executive officers or their immediate family members are participants to determine whether such persons have a direct or indirect material interest. We obtain information from the directors and executive officers with respect to real and potential related person transactions and determine, based on the facts and circumstances, whether we or the related person has a direct or indirect material interest in the transaction. As required under SEC rules, transactions that are determined to be directly or indirectly material to us or a related person are disclosed in our proxy statement. In addition, our board of directors reviews and approves any related person transaction (without the vote of any member who would be deemed the related party) that is required to be disclosed. In the course of its review and approval or ratification of a related person transaction, our board of directors considers:

the nature of the related person's interest in the transaction;

the material terms of the transaction, including, without limitation, the amount and type of transaction;

the importance of the transaction to the related person;

the importance of the transaction to us;

whether the transaction would impair the judgment of a director or executive officer to act in the best interest of our company; and

any other matters deemed appropriate.

Prior to December 2007, Michael LaBranche owned a 12.5% membership interest in a limited liability company in which one of our subsidiaries, LABDR Services, Inc., also owns a 25% membership interest. This limited liability company, which owns a 100% interest in one small aircraft and an 18.75% interest in another small aircraft, allows its members to share flight time based on their respective membership interests. In December 2007, an unrelated third party offered Mr. LaBranche the opportunity to sell his entire 12.5% interest in Exchange Air Partners for \$215,000. Mr. LaBranche brought this opportunity to our attention prior to his agreement to sell his interest in Exchange Air Partners to the third party and our board of directors approved this transaction.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires our executive officers and directors and persons who beneficially own more than ten percent of our outstanding common stock to file initial reports of ownership and reports of changes in ownership with the SEC. Executive officers, directors and greater than ten percent beneficial owners are required by the SEC to furnish us with copies of all Section 16(a) forms they file.

Based on a review of the copies of such forms furnished to us and written representations from our executive officers and directors, we believe that during fiscal 2007 all Section 16(a) filing requirements applicable to our executive officers, directors and greater than ten percent beneficial owners were complied with on a timely basis.

STOCKHOLDER PROPOSALS

All stockholder proposals which are intended to be presented at our annual meeting of stockholders to be held in 2009 must be received by us no later than November 30, 2008 for inclusion in our proxy statement and form of proxy relating to that meeting.

Stockholder proxies obtained by our Board of Directors in connection with our annual meeting of stockholders to be held in 2009 will confer on the proxies discretionary authority to vote on any matters presented at the meeting which were not included in the proxy statement, unless notice of the matter to be presented at the meeting is provided to our Secretary before February 7, 2009.

OTHER BUSINESS

Our Board of Directors knows of no other business to be acted upon at the Annual Meeting. However, if any other business properly comes before the Annual Meeting, it is the intention of the persons named in the enclosed proxy to vote on such matters in accordance with their best judgment.
