On May 11, 2009, Host Hotels & Resorts, L.P. ( Host L.P. ), for whom Host Hotels & Resorts, Inc. ( Host REIT ) acts as sole general partner, issued \$400 million aggregate principal amount of Series T senior notes bearing interest at a rate of 9% per year due in 2017. The notes pay interest semi-annually in arrears. The notes were offered in a private placement to qualified institutional buyers pursuant to Rule 144A under the Securities Act of 1933, as amended, and to certain non-U.S. persons in transactions outside of the United States in reliance on Regulation S under the Securities Act. The text of the news release issued in connection with the sale of the Series T senior notes is attached as Exhibit 99.1 to this Current Report on Form 8-K and is incorporated into this Item 2.03 by reference.

*Optional Redemption Provisions and Change of Control Repurchase Right*

At any time prior to May 15, 2013, the Series T senior notes will be redeemable at Host L.P.'s option, in whole or in part, at a price equal to 100% of their principal amount, plus a make-whole premium as set forth in the senior notes indenture, plus accrued and unpaid interest to the applicable redemption date. Beginning May 15, 2013, Host L.P. may redeem, in whole or in part, the Series T senior notes at any time subject to the payment of a redemption price together with any accrued and unpaid interest to the applicable redemption date. The redemption price includes a call premium that varies (from 4.5% to 0%) depending on the year of redemption.

Prior to May 15, 2012, Host L.P. may redeem up to 35% of the aggregate principal amount of the Series T senior notes at a redemption price equal to 109% of the principal amount thereof, together with any accrued and unpaid interest to the applicable redemption date, with the net cash proceeds of sales of equity securities by Host L.P. or Host REIT.

The holders of Series T senior notes will also have the right to require Host L.P. to repurchase their notes upon the occurrence of a change in control triggering event, as defined in the senior notes indenture, at an offer price equal to 101% of the principal amount of the senior notes plus accrued and unpaid interest to the date of purchase.

*Ranking and Security*

The notes were issued pursuant to a supplement to Host L.P.'s Amended and Restated Indenture, dated August 5, 1998, originally among HMH Properties, Inc. (now, Host L.P.), the subsidiary guarantors named therein, and HSBC Bank USA f/k/a Marine Midland Bank (now succeeded by The Bank of New York Mellon), as trustee. Under the terms of the senior notes indenture, the senior notes are equal in right of payment with all of Host L.P.'s unsubordinated indebtedness and senior to all subordinated obligations of Host L.P., subject to certain limitations set forth in the senior notes indenture. The senior notes are guaranteed by certain of Host L.P.'s subsidiaries and are currently secured by pledges of equity interests in certain of Host L.P.'s subsidiaries. The guarantees and pledges ratably benefit the notes outstanding under Host L.P.'s senior notes indenture, as well as Host L.P.'s credit facility and certain other senior debt, and interest rate swap agreements and other hedging agreements with lenders that are parties to the credit facility.

*Restrictive Covenants*

Under the terms of the senior notes indenture, Host L.P.'s ability to incur indebtedness and make distributions is subject to restrictions and the satisfaction of various conditions, including the achievement of an EBITDA-to-interest coverage ratio of at least 2.0x by Host L.P. (1.7x in the case of distributions to enable Host REIT to pay dividends on its preferred stock). This ratio is calculated in accordance with Host L.P.'s senior notes indenture and excludes from interest expense items such as call premiums and deferred financing charges that are included in interest expense on Host L.P.'s consolidated statement of operations. In addition, the calculation is based on Host L.P.'s pro forma results for the four prior fiscal quarters giving effect to certain transactions, such as acquisitions, dispositions and financings, as if they occurred at the beginning of the period. Other covenants limiting Host L.P.'s ability to incur indebtedness and make distributions include maintaining total indebtedness of less than 65% of adjusted total assets (using un-depreciated real estate values) and secured indebtedness of less than 45% of adjusted total assets. So long as Host L.P. maintains the required level of interest coverage and satisfies these and other conditions in the senior notes indenture, it may make distributions and incur additional debt under the senior notes indenture. There are exceptions permitting distributions by Host L.P. to Host REIT, and other holders of partnership interests, that are necessary for Host REIT to pay dividends required to maintain its status as a real estate investment trust, even when Host L.P. does not meet the financial covenant tests set forth above.

## Edgar Filing: HOST HOTELS & RESORTS, INC. - Form 8-K

The senior notes indenture also imposes restrictions on customary matters, such as limitations on the capital expenditures, acquisitions, investments, and transactions with affiliates and the incurrence of liens.

### *Use of Proceeds*

The net proceeds of the offering will be used to repay all of the outstanding \$135 million mortgage debt on The Westin Kierland Resort & Spa in 2009, to repay the \$200 million currently outstanding on the revolving portion of Host L.P.'s credit facility and for general corporate purposes.
