STRATEGIC HOTELS & RESORTS, INC. ANNUAL MEETING ADJOURNED TO PROVIDE

SHAREHOLDERS ADDITIONAL TIME TO VOTE IN LIGHT OF CHANGE IN

RECOMMENDATION OF RISKMETRICS GROUP

Alert states no significant concerns on shareholder rights plan

CHICAGO May 21, 2009 Strategic Hotels & Resorts, Inc. (NYSE: BEE) announced that it adjourned its annual meeting of shareholders until June 5, 2009 in light of the proxy alert issued by RiskMetrics Group (RMG), formerly Institutional Shareholder Services (ISS), on May 20, 2009. RMG had originally recommended that shareholders withhold votes from all directors because the company did not submit its shareholder rights plan (the Rights Plan) to a shareholder vote. However, following discussions with the company, RMG issued an alert stating that it is not highlighting any significant concerns about the adoption of the Rights Plan by the company's board of directors. The alert further stated that RMG would have ordinarily recommended a vote FOR the directors. However, given the close proximity of the alert to the company's annual meeting . . . the issuance of the alert is for informational alert purposes only. In determining not to highlight any significant concerns about the board's adoption of the Rights Plan, RMG considered the following factors:

the initial term of the Rights Plan;

the company's governance structure and practices;

the company's track record of accountability to shareholders;

the date of the Rights Plan's adoption relative to the date of the next meeting of shareholders; and

the rationale of the board of directors in adopting the Rights Plan.

The meeting will be reconvened at the Fairmont Chicago Hotel, 200 N. Columbus Drive, Chicago, Illinois 60601 on Friday, June 5, 2009, at 10:00 a.m., Central Time. Shareholders needing assistance voting are
