Item 1.01 Entry into a Material Definitive Agreement

On July 1, 2009, International Assets Holding Corporation (International Assets) and FCStone Group, Inc. (Nasdaq: FCSX) (FCStone) entered into an Agreement and Plan of Merger (the Merger Agreement), pursuant to which FCStone will merge (the Merger) with a wholly-owned subsidiary of International Assets.

Under the terms of the Merger Agreement, FCStone s stockholders will receive 0.2950 shares of International Assets common stock for each share of FCStone common stock they own. It is anticipated that the current stockholders of International Assets will own approximately 52.5 percent of International Asset following the Merger and the current stockholders of FCStone s will own the remaining approximately 47.5 percent. The Merger is expected to be tax free to stockholders of both companies.

After the Merger, FCStone will retain its name and operate as a subsidiary of International Assets. International Assets will continue to list its common stock on the Nasdaq Global Market and trade under the symbol IAAC.

Following the Merger, Sean O Connor will continue to serve as Chief Executive Officer and as a director of International Assets. Paul Anderson will serve as President and a director of International Assets while retaining the position of Chief Executive Officer of FCStone.

The Board of Directors of International Assets will consist of thirteen directors, seven designated by International Assets and six designated by FCStone.

The Merger Agreement contains certain termination rights for both International Assets and FCStone, and further provides that, upon termination of the Merger Agreement under specified circumstances, a party may be required to pay the other party a termination fee of \$4.9 million and to reimburse the other party s expenses in an amount up to \$2 million.

Consummation of the transactions contemplated by the Merger Agreement is subject to the approval of the stockholders of International Assets and FCStone, regulatory approvals, and the satisfaction or waiver of various other conditions as more fully described in the Merger Agreement. It is anticipated that the closing of the Merger will occur in the fourth quarter of 2009.

In connection with the Merger Agreement, FCStone has granted to International Assets an irrevocable option (Option) to purchase from FCStone, under certain circumstances, common shares of FCStone equal to 19.9% of the total shares outstanding at a price, subject to certain adjustments, of \$4.15 per share. Under certain circumstances, FCStone may be required to repurchase the Option and the shares acquired pursuant to the exercise of the Option. The Option Agreement will not become exercisable in the event that FCStone is required to pay the termination fee to International Assets. A copy of the Option Agreement is attached as Exhibit 99.1 hereto and is incorporated herein by reference. The description of the Option Agreement set forth herein is qualified in its entirety by reference to such Exhibit.

In connection with the transactions contemplated by the Merger Agreement, FCStone and certain stockholders of International Assets who are also officers and directors of International Assets have entered into a Support Agreement, pursuant to which these

stockholders agreed, in their capacities as stockholders, to vote in favor of the Merger. They also agreed to use their reasonable best efforts to cause certain of their affiliates and related persons to become parties to the Support Agreement. The stockholders who have executed and their affiliates and related persons who may become parties to the Support Agreement in the aggregate beneficially approximately 30.5% of the outstanding shares of International Assets.

The foregoing description of the Merger Agreement, the Option Agreement and the Support Agreement not purport to be complete and is qualified in its entirety by reference to the Merger Agreement, the Option Agreement, and the Support Agreement, copies of which are attached as exhibits hereto and incorporated herein by reference.
