Item 4. Description of Securities.

Not applicable.

Item 5. Interests of Named Experts and Counsel.

Not applicable.

Item 6. Indemnification of Directors and Officers.

The Maryland General Corporation Law (the "MGCL") permits a Maryland corporation to include in its charter a provision limiting the liability of its directors and officers to the corporation and its stockholders for money damages except for liability resulting from (a) actual receipt of an improper benefit or profit in money, property or services or (b) active and deliberate dishonesty established by a final judgment as being material to the cause of action. The Company's Charter contains such a provision which eliminates such liability to the maximum extent permitted by Maryland law.

The Company's Charter authorizes it, to the maximum extent permitted by Maryland law, to obligate itself to indemnify and to pay or reimburse reasonable expenses in advance of final disposition of a proceeding to: (i) any present or former director or officer or (ii) any individual who, while a director or officer of the Company and at the request of the Company, serves or has served another corporation, real estate investment trust, partnership, joint venture, trust, employee benefit plan or other enterprise from and against any claim or liability to which such person may become subject or which such person may incur by reason of his or her status as a present or former director or officer of the Company. The Company's Bylaws obligate it, to the maximum extent permitted by Maryland law, to indemnify and to pay or reimburse reasonable expenses in advance of final disposition of a proceeding to (a) any present or former director or officer of the Company who is made a party to the proceeding by reason of his or her service in that capacity or (b) any individual who, while a director or officer of the Company and at the request of the Company, serves or has served another corporation, real estate investment trust, partnership, joint venture, trust, employee benefit plan or other enterprise as a director, trustee, officer or partner and who is made or threatened to be made a party to the proceeding by reason of his or her service in that capacity, against any claim or liability to which he or she may become subject by reason of such status. The Company's Charter and Bylaws also permit the Company to indemnify and advance expenses to any person who served as a predecessor of the Company in any of the capacities described above and to any employee or agent of the Company or a predecessor of the Company.

The MGCL requires a Maryland corporation (unless its charter provides otherwise, which the Company's Charter does not) to indemnify a director or officer who has been successful, on the merits or otherwise, in the defense of any proceeding to which he or she is made a party by reason of his or her service in that capacity. The MGCL permits a corporation to indemnify its present and former directors and officers, among others, against judgments, penalties, fines, settlements and reasonable expenses actually incurred by them in connection with any proceeding to which they may be made a party by reason of their service in those or other capacities unless it is established that (a) the act or omission of the director or officer was material to the matter giving rise to the proceeding and (i) was committed in bad faith or (ii) was the result of active and deliberate dishonesty, (b) the director or officer actually received an improper personal benefit in money, property, or services or (c) in the case of any criminal proceeding, the director or officer had reasonable cause to believe that the act or omission was unlawful. However, under the MGCL, a Maryland corporation may not indemnify for an adverse judgment in a suit by or in the right of the corporation or for a judgment of liability on the basis that personal benefit was improperly received, unless in either case a court orders indemnification and then only for expenses. In accordance with the MGCL, the Company is required, as a condition to advancing expenses, to obtain (1) a written affirmation by the director, officer or employee of his or her good faith belief that he/she has met the standard of conduct necessary for indemnification and (2) a written statement by him or her or on his or her behalf to repay the amount paid or reimbursed by the Company if it shall ultimately be determined that the applicable standard of conduct was not met.

The Company has also entered into indemnification agreements with its directors and executive officers that obligate it to indemnify them to the maximum extent permitted under Maryland law. The agreements require the Company to indemnify the director or officer (the "indemnitee") against all judgments, penalties, fines and amounts paid in settlement and all expenses actually and reasonably incurred by the indemnitee in connection with a proceeding (other than one initiated by or on behalf of the Company) to which such person became subject by reason of his or her status as a present or former director, trustee, officer, employee or agent of the Company or any other corporation or enterprise for which such person is or was serving at the Company's request. In addition, the indemnification agreement

requires the Company to indemnify the indemnitee against all amounts paid in settlement and all expenses actually and reasonably incurred by the indemnitee in connection with a proceeding that is brought by or on behalf of the Company. In either case, the indemnitee is not entitled to indemnification if it is established that one of the exceptions to indemnification under Maryland law set forth above exists.

In addition, the indemnification agreement requires the Company to advance reasonable expenses incurred by the indemnitee within 10 days of the receipt by the Company of a statement from the indemnitee requesting the advance, provided the statement evidences the expenses and is accompanied by:

a written affirmation of the indemnitee's good faith belief that he or she has met the standard of conduct necessary for indemnification, and

a written undertaking by or on behalf of the indemnitee to repay the amount if it is ultimately determined that the standard of conduct was not met.

The indemnification agreement also provides for procedures for the determination of entitlement to indemnification, including requiring such determination be made by independent counsel after a change of control of the Company.

Item 9. Undertakings.

(a) The undersigned Company hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to

Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement.

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

SIGNATURES

Pursuant to the requirements of the Securities Act of 1933, as amended, the registrant certifies that it has reasonable grounds to believe that it meets all of the requirements for filing on Form S-8 and has duly caused this registration statement to be signed on its behalf by the undersigned, thereunto duly authorized, in the City of Bethesda, State of Maryland, on this 21st day of August, 2009.
