Nomura Finalizes Details of Stock Options (Stock Acquisition Rights)

Tokyo, November 6, 2009 Nomura Holdings, Inc. (the Company) today announced that its Executive Management Board¹ finalized the details of the issuance of stock acquisition rights as stock options as outlined below.

1. Stock Acquisition Rights to be Issued

Stock Acquisition Rights No. 33 will be issued for employees of overseas subsidiaries of the Company.

Stock Acquisition Rights No. 33 will be issued as stock options in accordance with Articles 236, 238 and 239 of the Companies Act of Japan under the solicitation plan determined by the 105th Ordinary General Meeting of Shareholders held on June 25, 2009.

2. Reason for the Issuance of Stock Acquisition Rights as Stock Options

The Exercise Price of Stock Acquisition Rights No. 33 will be one (1) yen per share and will be granted to employees of overseas subsidiaries of the Company in lieu of a portion of cash compensation.

The Stock Acquisition Rights are expected to have the following benefits by restricting the exercise of the rights for two years after they are granted.

1. Retain talented personnel for longer terms by introducing deferred payment for employees of subsidiaries of the Company rather than paying compensation entirely in cash.
2. Align the interests of employees of the subsidiaries of the Company with those of shareholders by reflecting changes in shareholder value in compensation packages.
3. Create a common objective for Nomura Group in terms of improving performance and trust by sharing a common incentive plan for employees of the subsidiaries of the Company working in different business divisions and regions.

¹ The Executive Management Board consists of the CEO, COO, Business Division CEOs and any other executive officers nominated by the CEO, and via Board of Directors resolutions decides important business matters including the issuance of stock acquisition rights.
