Item 1.01. Entry into a Material Definitive Agreement.

As previously announced, on February 16, 2010, we entered into a letter agreement with Dawson James Securities, Inc., retaining them as our exclusive placement agent for a secondary public offering of up to \$10 million of units of our securities on a reasonable best efforts basis. At the election of us and Dawson James Securities, Inc., we may elect to increase the aggregate offering amount by up to 20%, not to exceed \$12,000,000 in the aggregate.

On March 12, 2010, we offered and sold 2,266,998 units pursuant to the final prospectus supplement dated March 9, 2010, and our previously filed registration statement on Form S-3 (Registration No. 333-147947), which was declared effective by the Securities and Exchange Commission on December 19, 2007. Each unit in the offering consisted of ten shares of our common stock, par value \$0.0001 per share, and a warrant to purchase five shares of our common stock. Each warrant will entitle its holder to purchase five shares of our common stock and will be exercisable at any time on or after six months from the date of issuance for a period of five years from that date. Units will not be issued or certificated. The units will separate immediately and the common stock and warrants will be issued separately and the common stock will trade separately. The warrants will be issued in book entry form pursuant to the terms of a warrant agreement between us and Computershare Trust Company, N.A., who will act as warrant agent. The selling price for the units was \$5.00 per unit and the exercise price for the warrants is \$0.64.

In accordance with the terms of our letter agreement, we have paid to Dawson James a cash commission of \$793,449, 7% of the gross proceeds raised in the offering. In addition, we will issue to the placement agent a warrant to purchase a number of shares of common stock equal to 5% of the aggregate shares of common stock issued in the offering. The placement agent warrant will be on substantially similar terms to the warrants issued in the offering, except that the placement agent warrants will be exercisable at an exercise price of 125% of the offering price for the common stock, will be exercisable upon the six month anniversary of their date of issuance through December 19, 2012, and will be restricted from transfer as provided by FINRA Rule 5110(g).

The foregoing description of the offering, the warrants and the letter agreement with the placement agent does not purport to be complete and is qualified in its entirety by reference to the exhibits hereto which are incorporated by reference. Except for the historical information contained herein, this report contains forward-looking statements that involve risk and uncertainties, such as statements related to the anticipated closing of the offering. The risks and uncertainties involved include the risks detailed from time to time in our filings with Securities and Exchange Commission, including our annual report on Form 10-K and quarterly reports on Form 10-Q.

Item 8.01. Other Events.

The issuance of the common stock described above will cause an adjustment to the exercise price of certain of our outstanding warrants. We have approximately 13,701,310 warrants outstanding with an exercise price of \$1.30. The exercise price of those warrants were adjusted to \$0.50 on the closing of the offering under the terms of those warrants and an additional 2,838,718 will be issued.
