**Item 1.01 Entry Into a Material Definitive Agreement.**

On March 31, 2010, AutoNation, Inc. (the Company) entered into an underwriting agreement (the Underwriting Agreement) among the Company, the Company's subsidiary guarantors (the Guarantors) and Banc of America Securities LLC (the Representative), as representative of the several underwriters named therein (together with the Representative, the Underwriters). The Underwriting Agreement includes customary representations, warranties and covenants. It also provides for customary indemnification by each of the Company, the Guarantors and the Underwriters against certain liabilities and customary contribution provisions in respect of those liabilities.

Pursuant to the Underwriting Agreement, the Company agreed to issue and sell to the Underwriters, and the Underwriters have agreed to purchase for resale to the public, \$400 million in aggregate principal amount of the Company's 6.75% senior unsecured notes due April 15, 2018 (the Notes) at a public offering price of 98.488% of the aggregate principal amount. The sale of the Notes is registered pursuant to a Registration Statement (No. 333-157354) on Form S-3 filed by the Company with the Securities and Exchange Commission. This Current Report on Form 8-K is being filed to incorporate the Underwriting Agreement by reference into such Registration Statement. The Notes are expected to be issued under a senior indenture to be dated as of April 14, 2010 (the senior indenture) between the Company and Wells Fargo Bank, N.A., as trustee (the Trustee), as amended and supplemented by a supplemental indenture, to be dated as of April 14, 2010 (the supplemental indenture, together with the senior indenture, the Indenture), among the Company, the Trustee and the Guarantors.

The Company intends to use the net proceeds from the offering of the Notes (1) to pay the consideration required in connection with the Company's previously announced cash tender offers, and related consent solicitations, for any and all of its outstanding Floating Rate Notes due 2013 (the Floating Rate Notes) and any and all of its outstanding 7% Senior Notes due 2014 (the Fixed Rate Notes, and together with the Floating Rate Notes, the Old Notes), including any applicable accrued and unpaid interest on such Old Notes, (2) to reduce borrowings under the term loan facility of the Company's existing credit agreement in connection with the planned amendment thereto, (3) to pay transaction fees and expenses and (4) for general corporate purposes.

A copy of the Underwriting Agreement is attached hereto as Exhibit 1.1 and is incorporated by reference herein. The above description of the material terms of the Underwriting Agreement does not purport to be complete and is qualified in its entirety by reference to such Exhibit.

***Forward-Looking Statements***

The statement regarding the Company's intended uses of the net proceeds from the offering of the Notes is a forward-looking statement. This forward-looking statement is subject to the risk that the Company may be unable to successfully complete the cash tender offers for the Old Notes and the planned amendment to its existing credit agreement discussed above. This forward-looking statement speaks only as of the date of this report, and the Company undertakes no duty to update or revise such statement to reflect subsequent events or circumstances.
