**Item 1.01. Entry into a Material Definitive Agreement.**

On April 29, 2010, Chesapeake Lodging Trust (the Company) announced that an indirect, wholly owned subsidiary of the Company had entered into a definitive agreement to acquire the 188-room Hilton Checkers Los Angeles from Kalpana, LLC and 535 Grand Avenue, LLC for cash consideration of \$46.0 million, plus customary pro-rated amounts and closing costs. The Company expects to fund the purchase price from the proceeds of its initial public offering, which was completed in January 2010. The parties currently anticipate that the transaction will close within 30 days.

On April 29, 2010, the Company also announced that the same indirect, wholly owned subsidiary of the Company had entered into a definitive agreement to acquire the 153-room Courtyard Anaheim at Disneyland Resort from Mantra, LLC for cash consideration of \$25.0 million, plus customary pro-rated amounts and closing costs. The Company expects to fund the purchase price from the proceeds of its initial public offering and a secured borrowing the Company expects to have in place at the time of closing. The parties currently anticipate that the transaction will close within 90 days.

A copy of the Company's press release announcing these two agreements is filed as Exhibit 99.1 to this report.

The Company has deposited \$1.5 million and \$0.75 million under the respective purchase and sale agreements (each, a PSA) for the Hilton Checkers Los Angeles and Courtyard Anaheim at Disneyland Resort. Each deposit is non-refundable except in the event of (i) a default under the PSA by the seller or (ii) expressly otherwise provided by the PSA. Consummation of each of the two transactions is subject to customary closing conditions, including without limitation (i) the accuracy of the seller's representations and warranties as of closing; (ii) the seller's performance of its obligations under the PSA; and (iii) the absence of condemnation proceedings or casualty events. Neither of the potential acquisitions is conditioned on the consummation of the other. There are no assurances that the conditions of either of the two transactions will be met or that either of the two transactions will be completed according to the anticipated schedule or at all.
