**ITEM 1.01: ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT.**

On June 9, 2010, the Compensation Committee of the board of directors (the Board) of Hyatt Hotels Corporation (the Company) approved an amendment to the Company's Non-Employee Director Compensation Program (the Program) to modify the stock ownership guidelines set forth therein for non-employee directors. This amendment was made to conform the stock ownership guidelines set forth in the Program with the stock ownership guidelines for non-management directors set forth in the Company's Corporate Governance Guidelines.

The Company's Corporate Governance Guidelines provide that each non-management director must accumulate and own, directly or indirectly, at least \$150,000 worth of the Company's common stock (or common stock equivalents held under the Deferred Compensation Plan for directors) at all times during his or her tenure on the Board. Non-employee directors serving at the time of the Company's November 2009 initial public offering (IPO) have up to three (3) years to meet this ownership requirement. Any new non-management directors following the IPO will have up to five (5) years to meet this ownership requirement. If the market value of a non-management director's stock falls below \$150,000 (following the relevant accumulation period), such director will not be permitted to sell any of the Company's common stock until the market value once again exceeds \$150,000 (other than in connection with a change of control transaction).

This description of the Program is qualified in its entirety by reference to the complete text of the Amended and Restated Summary of Non-Employee Director Compensation (June 2010) attached as Exhibit 10.1 to this Form 8-K and incorporated herein by reference.
