Item 4. Description of Securities

Not applicable.

Item 5. Interests of Named Experts and Counsel

Joseph W. Bauer, Vice President and General Counsel of the Company, provided an opinion as to the legality of the securities being registered by this registration statement. Mr. Bauer is an eligible participant of The Lubrizol Corporation 2010 Stock Incentive Plan, and beneficially owns less than one percent of the common shares of the Company.

Item 6. Indemnification of Directors and Officers

Ohio Revised Code Section 1701.13 permits a corporation to indemnify any person who was or is a party, or threatened to be made a party, to any threatened, pending, or completed action, suit or proceeding, whether civil, criminal, administrative, or investigative, other than an action by or in the right of the corporation, by reason of the fact that he or she is or was a director, officer, employee, or agent of the corporation, if he or she acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the corporation and, with respect to any criminal action or proceeding, had no reasonable cause to believe his or her conduct was unlawful. In the case of an action brought by or in the right of the corporation, indemnification against expenses, including attorneys' fees, actually and reasonably incurred by him or her in connection with the settlement or defense of such action, is permitted if he or she acted in good faith and in a manner that he or she reasonably believed to be in or not opposed to the best interests of the corporation, subject to certain exceptions, including an exception for a matter as to which he or she is adjudged to be liable for negligence or misconduct in the performance of his or her duty to the corporation, unless the court in which such action was brought determines that he or she is fairly and reasonably entitled to indemnity for such expenses as the court shall deem proper.

The Second Amended and Restated Regulations of the Company provide that the Company shall indemnify any current or former director or officer of the Company against expenses, including attorneys' fees, judgments, fines and amounts paid in settlement, actually and reasonably incurred by him or her by reason of the fact that he or she is or was a director or officer, in connection with any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, to the full extent permitted by applicable law. In addition, the regulations provide that the Company will pay, to the full extent then permitted by law, such expenses in advance of a final disposition of the action, suit or proceeding.

Each director and officer of the Company is a party to an indemnification agreement with the Company, which agreement provides that the Company will indemnify such officer or director against expenses, including, without limitation, attorneys' fees, judgments, fines and amounts paid in settlement, in connection with any claim against him or her arising out of being an officer or director of the Company, to the fullest extent provided by (a) applicable law; and (b) the Company's articles and regulations as in effect on the date of the agreement or as amended to increase the scope of the indemnity or defense. The Company has also agreed to use commercially reasonable efforts to maintain directors' and officers' liability insurance, and to advance funds for expenses, provided the officer or director agrees to reimburse the Company if such officer or director is ultimately found not to be entitled to indemnification.

The Company maintains insurance policies that insure the Company's directors and officers against certain liabilities (excluding fines and penalties imposed by law) that might be incurred by them in such capacities and insure the Company for amounts that may be paid by it (up to the limits of such policies) to indemnify the directors and officers covered by the policies.

Item 7. Exemption from Registration Claimed

Not applicable.

Item 8. Exhibits

See the Exhibit Index appearing on the page following the signature page of this registration statement, which is incorporated herein by reference.

Item 9. Undertakings

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of this registration statement (or the most recent post-effective amendment thereof) that, individually or in the aggregate, represent a fundamental change in the information set forth in this registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the SEC pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement.

(iii) To include any material information with respect to the plan of distribution not previously disclosed in this registration statement or any material change to such information in this registration statement;

provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the SEC by the registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in this registration statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered that remain unsold at the termination of the offering.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in this registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(h) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

SIGNATURES

Pursuant to the requirements of the Securities Act of 1933, the registrant certifies that it has reasonable grounds to believe that it meets all of the requirements for filing on Form S-8 and has duly caused this registration statement to be signed on its behalf by the undersigned, thereunto duly authorized, in the City of Wickliffe, State of Ohio, on July 1, 2010.
