Item 1.01. Entry into a Material Definitive Agreement.

On September 21, 2010, Curis, Inc. (the Company) entered into a Lease Agreement (the Lease Agreement), effective September 16, 2010, with the Trustees of Lexington Office Realty Trust (Lessor) pursuant to which the Company has agreed to lease 24,529 square feet of property to be used for office, research and laboratory space (the Leased Property) located at 4 Maguire Road in Lexington, Massachusetts. The Company intends to move all of its operations currently conducted at 45 Moulton Street, Cambridge, Massachusetts to the Leased Property.

The term of the Lease Agreement commences on the later of December 1, 2010 or the date that contractually-specified building upgrades, modifications and repairs are substantially complete to allow for the Company to occupy the Leased Property (the Commencement Date) and expires approximately seven years and two months from the Commencement Date. The Company currently anticipates that the term will begin on December 1, 2010. The Company has the option to extend the term for one additional five-year period upon the Company's written notice to the Lessor at least one year and no more than 18 months in advance of the extension. The Company also has the option to terminate the Lease Agreement after three years (the Early Termination Option) upon the Company's written notice to the Lessor no later than the second anniversary of the Rent Commencement Date (as defined in the Lease Agreement) and, concurrently with such notice, pays a termination fee to the Lessor equal to the sum of two months base rent at the rate for the third year of the term and 65.46% of the value of certain transaction expenses incurred by the Lessor. The maximum fee for exercising this Early Termination Option is \$771,503.

The total cash obligation for the base rent over the initial term of the Lease Agreement is approximately \$4.4 million. In addition to the base rent, the Company is also responsible for its share of operating expenses and real estate taxes, in accordance with the terms of the Lease Agreement. The Company will provide a security deposit in the amount of \$277,546 to the Lessor, which may be reduced by up to \$124,896 over time in accordance with the terms of the Lease Agreement. The Lessor has agreed to pay up to \$788,816 for certain upgrades and repairs to be made to the Leased Property.

If the Company is considered in default under the terms of the Lease Agreement (a Default) and fails to cure such Default in the applicable time period prescribed under the Lease Agreement, the Lessor may terminate the Lease Agreement and the Company will be required to pay the difference between the remaining rent payments through the expiration of the Lease Agreement and any rental income from reletting the Leased Property over such time period, after deducting any expenses incurred in connection with such reletting. Circumstances which may be considered a Default under the Lease Agreement include the failure to timely pay any rent obligations and the filing by the Company of a petition for liquidation or reorganization under bankruptcy law.

The foregoing is a summary of the Lease Agreement and is qualified in its entirety by reference to the Lease Agreement, a copy of which is attached hereto as Exhibit 10.1 and is incorporated into this Item 1.01 by reference.

Item 9.01. Financial Statements and Exhibits.
