This Amendment No. 20 (this **Amendment**) amends and supplements the Tender Offer Statement on Schedule TO filed on August 20, 2010, as previously amended (the **Schedule TO**), by BHP Billiton Development 2 (Canada) Limited, a corporation organized under the laws of Canada (**Offeror**) and a wholly-owned indirect subsidiary of BHP Billiton Plc, a public limited company incorporated in England and Wales (**BHP Billiton Plc**), BHP Billiton Plc and BHP Billiton Limited, a corporation organized under the laws of Victoria, Australia (together with BHP Billiton Plc, **BHP Billiton**). All capitalized terms used in this Amendment and not otherwise defined herein have the meanings ascribed to such terms in the Offer and the Circular (previously filed as Exhibit (a)(1)(i) to the Schedule TO), as amended and supplemented by the Notice of Amendment and Variation (previously filed as Exhibit (a)(1)(x) to the Schedule TO).

All information set forth in the Offer and the Circular, as amended and supplemented by the Notice of Amendment and Variation, is incorporated by reference in answer to Items 1-11 of the Schedule TO, except for those items as to which information is specifically provided in the Schedule TO or in this Amendment.

#### **Items 1 through 11.**

At the hearing that took place before the United States District Court for the Northern District of Illinois Eastern Division on November 4, 2010 in connection with the action captioned Potash Corporation of Saskatchewan Inc. v. BHP Billiton Ltd., BHP Billiton Plc, and BHP Billiton Development 2 (Canada) Ltd., Civil Action No. 1:10-cv-06024, testimony was completed and the court scheduled oral argument for Monday, November 8, 2010. BHP Billiton continues to believe PotashCorp's case is without merit.

On November 4, 2010, BHP Billiton received a No Action Letter from the Canadian Competition Bureau, confirming that the Commissioner of Competition does not intend to challenge the Offer.

On October 22, 2010, BHP Billiton applied to the Saskatchewan Financial Services Commission (the **SFSC**) for a cease trade order that will have the effect of prohibiting the issue of Shares upon the exercise of the SRP Rights issued under the Shareholder Rights Plan. PotashCorp responded to the application on October 28, 2010, and BHP Billiton replied to PotashCorp's response on November 2, 2010. A hearing scheduled to take place in Regina, Saskatchewan on November 8 and 9, 2010 has been adjourned with the consent of the parties to a date to be fixed by the SFSC.

BHP Billiton submitted a voluntary notification of the transaction to CFIUS shortly after announcement of the Offer, but CFIUS did not commence its review of the transaction until October 29, 2010. CFIUS indicated that it delayed accepting the filing because of delays in obtaining certain information from third parties. We anticipate receiving a notification as to whether CFIUS will conclude its review of the transaction or conduct an additional 45-day investigation of the transaction by November 29, 2010. BHP Billiton does not believe that its acquisition of PotashCorp Shares pursuant to the Offer presents any threat to the national security of the United States. Accordingly, we believe that it is unlikely that CFIUS will take any material negative action as a result of the Offer, although no assurances can be given until the review is complete, and we do not anticipate that CFIUS review will prevent consummation of the Offer.

**SIGNATURE**
