Item 1.01. Entry into a Material Definitive Agreement

On November 11, 2010, the Compensation Committee (the Committee) of the Board of Directors of Costco Wholesale Corp. (the Company) approved the fiscal 2011 performance criteria pursuant to which bonuses may be paid to executive officers. Under these criteria, executive officers (other than Jeffrey H Brotman, Chairman of the Board, and James D. Sinegal, Chief Executive Officer) are eligible to receive bonuses up to around 20% of salary based on the achievement of specified targets relating to pre-tax income and operational characteristics relevant to the executive's area of responsibility. (See Exhibit 10.1) The amounts of the actual bonuses are determined by Mr. Sinegal, subject to further approval of the Committee. Mr. Sinegal's employment agreement for fiscal 2011 provides for a bonus amount of up to \$200,000 (representing an amount up to 57% of his base salary), at the discretion of the Board of Directors or the Committee. Mr. Brotman's bonus is at the discretion of the Board of Directors or the Committee.

On November 13, the Committee established performance targets for grants of restricted stock units (RSUs) under its Fifth Restated Stock 2002 Incentive Plan to the following officers in the following share amounts for fiscal 2011: Mr. Sinegal 25,000 shares; Mr. Brotman 50,000 shares; W. Craig Jelinek (President and Chief Operating Officer) 40,000 shares; and all other executive officers 25,000 shares. Each of these grants, which are intended to qualify as performance-based compensation under applicable tax law, is subject to specified performance criteria for fiscal 2011. The performance targets may be satisfied by the Company's achieving specified percentage increases, relative to fiscal 2010, in either total sales or pre-tax income for fiscal 2011. If the Committee determines that either or both of these targets have been met, then the RSUs will be granted following the end of the Company's fiscal year and will be subject to further vesting thereafter based on the executive's continued employment with the Company through October 2014, with 20% of the shares vesting in October of each year beginning in 2010.
