Item 1.01 Execution of Supply Agreement

On December 20, 2010, Monro Muffler Brake, Inc. (Registrant) wholly-owned subsidiary, Monro Service Corporation (MSC), entered into a three (3) year Supply Agreement with Ashland Consumer Markets (formerly known as The Valvoline Company), a commercial business unit of Ashland Inc. (ACM). The terms of the Supply Agreement are effective as of December 1, 2010. MSC purchases and supplies the products used at the retail locations operated by Registrant. Under the Supply Agreement, ACM will continue as the exclusive supplier of the motor oils, greases, lubricants and other related products used by Registrant at its retail locations. ACM will also supply certain oil and air filters to MSC for use in Registrant 's retail locations. As part of the Supply Agreement, the parties have entered into a specified standstill period during which neither MSC nor Registrant will negotiate with any other vendor for the supply of motor oil.

The Registrant intends to file a copy of the Supply Agreement as an Exhibit to its quarterly report filed for the period ending December 25, 2010.

Item 1.02 Termination of Material Agreement

Simultaneous with the execution by MSC of the Supply Agreement with ACM on December 20, 2010, the Registrant and ACM agreed to terminate, effective immediately, the Supply Agreement, dated as of April 1, 2006, between Registrant and The Valvoline Company (the Prior Agreement). The parties agreed to the early termination because the Supply Agreement between MSC and ACM, described above, would replace the Prior Agreement in its entirety. The Registrant was not subject to any penalties or other assessments as a result of the termination of the Prior Agreement.
