Item 4. *The Solicitation or Recommendation.*
Recommendation of Seneca Capital.

Seneca Capital urges Dynegy shareholders to NOT TENDER their stock to the Offeror, an affiliate of Dynegy's largest shareholder, for \$5.50 per share. It is the WRONG PRICE at the WRONG TIME for the WRONG REASONS.

Accordingly, and for the other reasons described in more detail below, Seneca Capital recommends that the Company's stockholders NOT tender their Shares pursuant to the Offer.

Reasons for the Recommendation of Seneca Capital.

Seneca Capital urges Dynegy shareholders to **NOT TENDER** their stock to the Offeror, an affiliate of Dynegy's largest shareholder, for \$5.50 per share. It is the WRONG PRICE at the WRONG TIME for the WRONG REASONS.

WRONG PRICE: On January 25, 2011, Seneca Capital filed with the Securities and Exchange Commission (SEC) a detailed presentation in support of its view that shareholders should reject the \$5.50 per share tender offer. Seneca Capital has updated its valuation analysis to reflect the work of outside experts including a third party accounting firm's analysis of cost cutting potential and a power price scenario analysis performed by Ventyx (Energy Velocity). Seneca Capital has more conviction than ever that selling Dynegy at a low price at this point in the cycle does not reflect Dynegy's industry leading operating and financial leverage to a commodity recovery. Dynegy's flexible capital structure and cost cutting potential provide additional levers to drive value regardless of commodity prices.

WRONG TIME: Dynegy stock has dramatically underperformed its IPP peers by nearly 30% and the overall market by more than 40% since its poorly received reverse split last March. In addition, several important potential positive catalysts related to pending EPA clean air rules are expected in the coming months (EPA HAPS/MACT proposed rules as soon as March, PJM capacity auction in May and potential MISO capacity market rules by June). Seneca Capital remains shocked and disappointed that after shareholders resoundingly rejected two proposed Blackstone mergers the Special Committee of Dynegy's Board abandoned its November 23rd promise to carefully review its standalone restructuring alternatives in order to attempt again to sell the company.

WRONG REASONS: Management stands to benefit from \$36 million in change-of-control severance payments (nearly 6% of Dynegy's equity value) that are largely irrespective of the deal price. The Special Committee of Dynegy's Board that abandoned its promise of a careful standalone review in favor of yet another sale agreement and an ill-timed auction for Dynegy during the heart of the holiday season, is comprised of members that have only purchased a combined total of less than 16,000 shares.

PURSUIING CHANGE: Seneca Capital continues to vigorously pursue a consent solicitation to protect shareholder value by replacing the Chairman and one other Board member with Hunter Harrison, a pioneering railroad executive, and Jeff Hunter, a successful power industry veteran. Mr. Harrison and Mr. Hunter are fully aligned with the proposition of driving value for Dynegy shareholders. Mr. Harrison has already purchased 500,000 shares personally and Mr Hunter has committed to purchase 300,000 shares while serving on the Board.

Table of Contents

Seneca Capital is currently working diligently towards achieving definitive status for its preliminary consent solicitation. Dynegy must provide a record date for the consent solicitation that is no later than 20 days from the date of a request by Seneca Capital. Once the preliminary consent solicitation becomes definitive, Seneca Capital will begin gathering shareholder consents and once consents for a majority of shares outstanding have been collected, Seneca's nominees must be seated on the Dynegy Board.

Seneca Capital urges shareholders to NOT TENDER their stock for \$5.50 per share. It is the WRONG PRICE at the WRONG TIME for the WRONG REASONS.

Intent to Not Tender.

Neither Seneca Capital nor any of Seneca Capital's affiliates or subsidiaries intend to tender any Shares held of record or beneficially owned by them pursuant to the Offer. Seneca Capital and each of Seneca Capital's affiliates and subsidiaries intend to continue to hold any Shares held of record or beneficially owned by them.

Item 5. *Persons/Assets, Retained, Employed, Compensated or Used.*

Neither Seneca Capital nor any person acting on its behalf has employed, retained or compensated any person to make solicitations or recommendations to Dynegy's stockholders on behalf of Seneca Capital in connection with the Offer, except that Seneca Capital has retained Okapi Partners (Okapi) as its information agent. Seneca Capital has agreed to pay Okapi a fee for its services as information agreement. Seneca Capital does not anticipate such fee exceeding \$100,000.

Item 6. *Interest in Securities of the Subject the Company.*

No transactions with respect to the Shares have been effected by Seneca Capital or, to the knowledge of Seneca Capital, by any of its affiliates or subsidiaries during the past 60 days.

Item 7. *Purposes of the Transaction and Plans or Proposals.*

Not applicable.

Item 8. *Additional Information.*

The following information is as stated in Dynegy's Schedule 14D-9, as amended:

Regulatory Approvals.

The Offer is conditioned on satisfaction (or waiver, only with the prior written consent of the Company and only subject to and to the extent permitted by applicable law, including the requirements of Rule 14d-4 under the Exchange Act) of the Regulatory Condition. In order to satisfy the Regulatory Condition the parties must make filings with a number of federal, state, public utility, antitrust and other regulatory authorities. If the Offeror's acquisition of Shares is delayed due to a failure to satisfy the Regulatory Condition, the Offer will be extended in certain circumstances.

Appraisal Rights.

No appraisal rights are available in connection with the Offer. However, if the Offer is successful and the Merger is consummated, stockholders of the Company who have not properly tendered in the Offer and have neither voted in favor of adoption of the Merger Agreement nor consented thereto in writing, and who otherwise comply with the applicable procedures under Section 262 of the Delaware General Corporation Law, as amended (the DGCL), will be entitled to appraisal rights for their Shares and the right to receive in cash the fair value of their Shares, as determined by the Delaware Court of Chancery, in accordance with Section 262 of the DGCL. Any stockholder contemplating the exercise of such appraisal rights should review carefully the provisions of Section 262 of the DGCL, particularly the procedural steps required to perfect

such rights.

Table of Contents

The obligations of the Company to notify stockholders of their appraisal rights will depend on how the Merger is effected. If a meeting of the Company's stockholders is held to adopt the Merger Agreement, the Company will be required to send a notice to each stockholder of record not less than 20 days prior to the special meeting of Company stockholders that appraisal rights are available, together with a copy of Section 262 of the DGCL. Within 10 days after the effective time of the Merger, the surviving corporation will be required to send a notice that the Merger has become effective to each stockholder who delivered to the Company a demand for appraisal prior to the vote and who did not vote in favor of adoption of the Merger Agreement. Alternatively, if the Merger is consummated through a short-form procedure without any meeting of Company stockholders, or pursuant to a written consent of Company stockholders in lieu of a meeting, the Surviving Corporation will be required to send a notice within 10 days after the date the Merger has become effective to each Company stockholder of record on the effective date of the Merger. The notice will inform Company stockholders of the effective date of the Merger and of the availability of, and procedure for demanding, appraisal rights, and will include a copy of Section 262 of the DGCL.
