Item 4.02 Non-Reliance on Previously Issued Financial Statements or a Related Audit Report or Completed Interim Review

On February 28, 2011, the management of DCP Midstream Partners, LP (the Partnership), concluded that the impact of business interruption insurance recoveries related to the Southeast Texas Midstream Business had been improperly omitted from the unaudited combined financial statements of the Southeast Texas Midstream Business for the nine months ended September 30, 2010, previously filed by the Partnership. As a result, management of the Partnership determined that the previously filed unaudited combined financial statements of the Southeast Texas Midstream Business for the nine months ended September 30, 2010, and the unaudited pro forma condensed consolidated financial statements of the Partnership for the nine months ended September 30, 2010, should no longer be relied upon.

On January 1, 2011, the Partnership acquired from DCP Midstream, LLC (Midstream) a 33.33% interest in DCP Southeast Texas Holdings, GP (the Transaction). Midstream is the owner of the Partnership's general partner. On January 6, 2011, the Partnership filed a current report on Form 8-K announcing the Transaction and including (i) unaudited combined financial statements of the Southeast Texas Midstream Business for the nine months ended September 30, 2010, and (ii) unaudited condensed consolidated pro forma financial statements of the Partnership for the nine months ended September 30, 2010. On February 28, 2011, management of Midstream determined that the impact of Hurricane Ike business interruption insurance recoveries related to the Southeast Texas Midstream Business had not been identified from the separate records maintained by Midstream and therefore had been improperly omitted from the revenues of the unaudited combined financial statements of the Southeast Texas Midstream Business. As a result, (i) the unaudited combined financial statements of the Southeast Texas Business for the nine months ended September 30, 2010 total operating revenues, operating income and net income should be increased by \$4.6 million each; and (ii) the unaudited condensed consolidated pro forma financial statements of the Partnership for the nine months ended September 30, 2010 earnings from unconsolidated affiliates, pro forma income before income taxes, pro forma net income from continuing operations, pro forma net income attributable to partners and pro forma net income allocable to limited partners should be increased by \$0.9 million and pro forma net income per limited partner unit basic and diluted should be increased by \$0.02. An authorized officer of the general partner of the general partner of the Partnership discussed this matter with the Partnership's independent registered public accounting firm.

Filed with this Form 8-K are (i) restated unaudited combined financial statements of the Southeast Texas Midstream Business for the nine months ended September 30, 2010, and (ii) the restated unaudited condensed consolidated pro forma financial statements of the Partnership for the nine months ended September 30, 2010.

Item 9.01 Financial Statements and Exhibits.

(b) Pro forma financial information.
