QUALIFICATION OF BOARD OF DIRECTORS

The Board believes that each Director's experience, qualifications, attributes or skills on an individual basis and in combination with those of other Directors lead to the conclusion that each Director should serve in such capacity. Among the attributes or skills common to all Directors are their ability to review and to evaluate, question and discuss information provided to them, to interact effectively with other Directors, MCIM, other service providers, counsel and the Fund's independent registered public accounting firm, and to exercise effective and independent business judgment in the performance of their duties as Directors. Each Director's ability to perform his/her duties effectively has been attained in large part through the Director's business, consulting, public service, and/or academic positions; experience from service as a Board member of the Fund, other investment funds, public companies or non-profit entities or other organizations. Each Director's ability to perform his/her duties effectively also has been enhanced by education, professional training and experience. The charter for the Board's Nominating and Corporate Governance Committee contains certain other factors considered by the Committee in identifying and evaluating potential Director nominees. In addition to these shared characteristics, set forth below is a brief discussion of the specific experience, qualifications, attributes or skills of each Director that support the conclusion that each person should serve as a Director.

Gordon A. Baird. Since 2003, Mr. Baird has been the Chief Executive Officer, Partner and Member of the Board of Paramax Capital Partners, an asset management firm specializing exclusively in the financial services industry. Prior to his involvement with Paramax Capital Partners, Mr. Baird worked as a private equity analyst in the investment management group at State Street Bank and Trust Company and the ABS securitization group at State Street Capital

Mr. Frishberg has more than 20 years of asset management experience.

DIRECTORS – LEADERSHIP STRUCTURE AND OVERSIGHT RESPONSIBILITIES

Overall responsibility for general oversight of the Fund rests with the Board. The Board has appointed Mr. Thomas W. Hunersen, a Non-Interested Director, to serve in the role of Chairman. The Chairman presides over executive sessions of the Directors and also serves between meetings of the Board as a liaison with service providers, officers, counsel and other Directors on a wide variety of matters, including scheduling agenda items for Board meetings. The designation as Chairman does not impose on the Chairman any obligations or standards greater than or different from other Directors.

The Board meets in-person at regularly scheduled quarterly meetings each year. Furthermore, the Board may hold special in-person or telephonic meetings or informal conference calls to discuss specific matters that may arise or require action between regular meetings. As discussed below, the Board has established a Nominating and Corporate Governance Committee and an Audit Committee and may establish ad hoc committees or working groups from time to time to assist the Board in fulfilling its oversight responsibilities. To assist Non-Interested Directors in evaluating matters under federal and state law, the Non-Interested Directors are counseled by their own independent legal counsel, who participates in Board meetings and interacts with Fund counsel and MCIM’s counsel. Counsel to the Non-Interested Directors, to the Fund and to MCIM have significant experience advising funds and fund directors. The Board and its committees have the ability to engage other experts as appropriate. The Board evaluates its performance on an annual basis.

All of the Fund's Directors, other than Mr. Brad Frishberg, are Non-Interested Directors, and the Board believes they are able to provide effective oversight of the Fund's service providers. The three Non-Interested Directors interact directly with senior management of MCIM at scheduled meetings and between meetings as appropriate. Non-Interested Directors have been designated to chair the Board, the Audit Committee and the Nominating and Corporate Governance Committee. In addition, from time to time, Non-Interested Directors may be designated, formally or informally, to take the lead in addressing with management or their independent legal counsel matters or issues of concern to the Board. As a result, the Board has determined that its leadership structure is appropriate in light of the Board's size and the cooperative and dynamic working relationship among the Non-Interested Directors. In addition, the Board's leadership structure is appropriate for the Fund because it enables the Board to exercise informed and independent judgment over matters under its purview, allocates responsibility among committees in a manner that fosters effective oversight and allows the Board to devote appropriate resources to specific issues in a flexible manner as they arise. The Board periodically reviews its leadership structure, as well as its overall structure, composition and functioning, and may make changes at its discretion at any time.

The Fund's operations entail a variety of risks, including investment, administration, valuation and a range of compliance matters. Although MCIM and the officers of the Fund are responsible for managing these risks on a day-to-day basis within the framework of their established risk management functions, the Board also addresses risk management of the Fund through its meetings and those of the committees and the working groups. As part of general oversight, the Board and the Chairman regularly interact with and receive reports from senior personnel of service providers, including the Fund's and MCIM's Chief Compliance Officer and portfolio management personnel. The Board's Audit Committee (which consists of all Non-Interested Directors) meets during its scheduled meetings and between meetings, the Audit Committee Chair maintains contact with the Fund's independent registered public accounting firm and the Fund's Chief Financial Officer. The Board also receives periodic presentations from senior personnel of MCIM regarding risk management generally, as well as periodic presentations regarding specific operational, compliance or investment areas, such as business continuity, personal trading, valuation and credit. The Board's oversight function is facilitated by management reporting processes designed to provide visibility to the Board regarding the identification, assessment and management of critical risks, and the controls and policies and procedures used to mitigate those risks. The Board reviews its role in supervising the Fund's risk management from time to time and may make changes at its discretion at any time. In addition, MCIM and other service providers to the Fund have adopted a variety of policies, procedures and controls designed to address particular risks to the Fund.

AUDIT COMMITTEE

The Board of Directors has an Audit Committee composed of the three Non-Interested Directors who (a) are not interested persons of the Fund as defined in Section 2(a)(19) of the Investment Company Act, (b) are independent as defined in the New York Stock Exchange (NYSE) listing standards and (c) meet any other applicable requirements of the Securities and

Exchange Commission (SEC) and other applicable rules and regulations. The members are Ms. Chris LaVictoire Mahai and Messrs. Thomas W. Hunersen and Gordon A. Baird. The responsibilities of the Audit Committee include: (i) overseeing the performance of the Fund's internal audit function, including the Fund's internal control over financial reporting; (ii) overseeing the integrity of Fund's financial statements and the independent audit thereof; (iii) overseeing or, as appropriate, assisting the Board of Directors' oversight of, the Fund's compliance with legal and regulatory requirements; and (iv) the appointment, compensation, performance, retention and oversight of the Fund's independent registered public accounting firm. The Audit Committee is also required to prepare an audit committee report pursuant to the rules of the SEC for inclusion in the Fund's annual proxy statement. The Audit Committee operates pursuant to the written Audit Committee Charter (the Charter) that was most recently reviewed and approved by the Board of Directors on January 18, 2011. A copy of the Charter is available on the Fund's website at www.macquarie.com/mgu. As set forth in the Charter, management is responsible for maintaining appropriate systems for accounting and internal control, and the Fund's independent registered public accounting firm is responsible for planning and carrying out proper audits and reviews. The independent registered public accounting firm is ultimately accountable to the Board of Directors and to the Audit Committee, as representatives of the Fund's stockholders. The independent registered public accounting firm for the Fund reports directly to the Audit Committee. During the fiscal year ended November 30, 2010, the Audit Committee met four times.

AUDIT COMMITTEE REPORT

In performing its oversight function, at a meeting held on January 18, 2011, the Audit Committee reviewed and discussed with management of the Fund and the independent registered public accounting firm, PricewaterhouseCoopers LLP (PricewaterhouseCoopers), the audited financial statements of the Fund as of and for the fiscal year ended November 30, 2010 and discussed the audit of such financial statements with PricewaterhouseCoopers.

In addition, the Audit Committee discussed with PricewaterhouseCoopers the accounting principles applied by the Fund and such other matters brought to the attention of the Audit Committee by PricewaterhouseCoopers required by Statement of Auditing Standards No. 114, *The Auditor's Communication With Those Charged With Governance*, as currently modified or supplemented. At the October 19, 2010 meeting of the Board of Directors, the Audit Committee received from PricewaterhouseCoopers the written disclosures and statements required by the SEC independence rules and the letter required by Public Company Accounting Oversight Board Rule 3526, *Communication with Audit Committees Concerning Independence*, formerly Independence Standards Board Standard No. 1, *Independence Discussions with Audit Committees*, delineating relationships between PricewaterhouseCoopers and the Fund and discussed the impact that any such relationships might have on the objectivity and independence of PricewaterhouseCoopers.

As set forth above, and as more fully set forth in the Charter, the Audit Committee has significant duties and powers in its oversight role with respect to the Fund's financial reporting procedures, internal control systems and the independent audit process.

The members of the Audit Committee are not, and do not represent themselves to be, professionally engaged in the practice of auditing or accounting and are not employed by the Fund for accounting, financial management or internal control purposes. Moreover, the Audit Committee relies on and makes no independent verification of the facts presented to it or representations made by management or PricewaterhouseCoopers. Accordingly, the Audit

Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and/or financial reporting principles and policies, or internal controls and procedures, designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions referred to above do not provide assurance that the audit of the Fund's financial statements has been carried out in accordance with generally accepted accounting standards or that the financial statements are presented in accordance with generally accepted accounting principles.

Based on its consideration of the audited financial statements and the discussions with management and PricewaterhouseCoopers referred to above, and subject to the limitations on the responsibilities and role of the Audit Committee set forth in the Charter and those discussed above, the Audit Committee recommended to the Board of Directors that the Fund's audited financial statements be included in the Fund's Annual Report for the fiscal year ended November 30, 2010.

SUBMITTED BY THE AUDIT COMMITTEE OF THE FUND'S BOARD OF DIRECTORS

Dated: January 18, 2011

Chris LaVictoire Mahai

Gordon A. Baird

Thomas W. Hunersen

NOMINATING AND CORPORATE GOVERNANCE COMMITTEE

The Board of Directors has a Nominating and Corporate Governance Committee composed of the three Non-Interested Directors who (a) are not interested persons of the Fund as defined in Section 2(a)(19) of the Investment Company Act, (b) are independent as defined in the NYSE listing standards, and (c) meet any other applicable requirements of the SEC and other applicable rules and regulations. The members are Ms. Chris LaVictoire Mahai and Messrs. Thomas W. Hunersen and Gordon A. Baird. The Nominating and Corporate Governance Committee is responsible for identifying and recommending to the Board of Directors individuals it believes to be qualified to become Board members in the event that a position is vacated or created. While the Nominating and Corporate Governance Committee is solely responsible for the selection and nomination of the Fund's Non-Interested Directors, it may consider Director candidates recommended by stockholders as it deems appropriate.

Stockholders who wish to recommend a nominee should send nominations to the Fund's Secretary and include biographical information and set forth the qualifications of the proposed nominee. See Stockholder Proposals. The Nominating and Corporate Governance Committee evaluates nominees from all sources using the same standards. The Board of Directors of the Fund has adopted a written charter for the Nominating and Corporate Governance Committee, a copy of which is available on the Fund's website at www.macquarie.com/mgu.

The Nominating and Corporate Governance Committee believes that it is in the best interest of the Fund and its stockholders to obtain highly qualified candidates to serve as members of the Board. Furthermore, the Nominating and Corporate Governance Committee believes that Directors need to have the ability to critically review, evaluate, question and discuss information provided to them and to interact effectively with Fund management, service providers and

counsel, in order to exercise effective business judgment in the performance of their duties. The Nominating and Corporate Governance Committee shall evaluate each potential nominee to serve as a Director of the Fund, which evaluation shall include, at a minimum, to the extent required, compliance with the independence and other applicable NYSE listing standards, and all other applicable laws, rules, regulations and the criteria, policies and principles set forth in the Nominating and Corporate Governance Committee's charter. In nominating candidates, the Nominating and Corporate Governance Committee shall take into consideration such factors as it deems appropriate, including: (i) educational background, business and professional experience, character and integrity; (ii) individual qualities and attributes, including gender, race or national origin; (iii) whether or not the person has any criminal convictions or convictions involving the purchase or sale of a security; (iv) whether or not the person has been the subject of any order, judgment or decree of any federal or state authority finding that the individual violated any federal or state securities laws; (v) whether the person is otherwise qualified under applicable laws and regulations to serve as a Director of the Fund; (vi) the nature of any business, charitable, financial or family relationships that might impair the individual's independence; (vii) whether the individual is financially literate pursuant to the listing standards of the NYSE; (viii) whether the person serves on a board of, or is otherwise affiliated with, competing financial services organizations or their related investment company complexes; (ix) the person's willingness to serve and ability to commit the time necessary to perform the duties of a Director of the Fund; and (x) whether the selection and nomination of the person is consistent with the Fund's retirement policy, if any.

The Nominating and Corporate Governance Committee held two meetings during the fiscal year ended November 30, 2010.

OTHER BOARD RELATED MATTERS

The Fund has no formal policy regarding Director attendance at stockholder meetings. Directors did not attend last year's Annual Meeting of Stockholders.

Stockholders may mail written communications to the full Board of Directors, to committees of the Board of Directors or to specified individual Directors in care of the Secretary of the Fund, 125 West 55th Street, New York, NY 10019. All stockholder communications received by the Secretary will be forwarded promptly to the full Board of Directors, the relevant Board committee or the specified individual Director, as applicable, except that the Secretary may, in good faith, determine that a stockholder communication should not be so forwarded if it does not reasonably relate to the Fund or its operations, management, activities, policies, service providers, board, officers, stockholders or other matters relating to an investment in the Fund or is purely ministerial in nature.

REQUIRED VOTE

The election of Ms. Mahai and Mr. Frishberg as the Class III Directors of the Fund requires the affirmative vote of the holders of a majority of the shares of Common Stock outstanding and entitled to vote thereon.

THE BOARD OF DIRECTORS, INCLUDING THE NON-INTERESTED DIRECTORS, UNANIMOUSLY RECOMMENDS THAT THE COMMON STOCKHOLDERS VOTE FOR THE ELECTION OF THE NOMINEES.

ADDITIONAL INFORMATION

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

PricewaterhouseCoopers LLP, 1670 Broadway, Suite 1000, Denver, CO 80202, has been selected to serve as the Fund's independent registered public accounting firm for the Fund's fiscal year ending November 30, 2011. PricewaterhouseCoopers acted as the Fund's independent registered public accounting firm for the fiscal year ended November 30, 2010. The Fund knows of no direct financial or material indirect financial interest of PricewaterhouseCoopers in the Fund. A representative of PricewaterhouseCoopers will not be present at the Meeting, but will be available by telephone and will have an opportunity to make a statement, if asked, and will be available to respond to appropriate questions.

Audit Fees: The aggregate fees billed in each of the fiscal years ended November 30, 2010 and November 30, 2009 for professional services rendered by PricewaterhouseCoopers for the audit of the Fund's annual financial statements or services that are normally provided by the auditors in connection with statutory and regulatory filings or engagements were \$80,648 and \$75,000, respectively.

Audit-Related Fees: The aggregate fees billed in each of the last two fiscal years ended November 30, 2010 and 2009 for assurance and related services by the principal accountant that are reasonably related to the performance of the audit of the registrant's financial statements and are not reported under *Audit Fees* above were \$4,394 and \$4,038, respectively. These fees are for out-of-pocket expenses related to traveling to complete the registrant's audit.

Tax Fees: The aggregate fees billed in each of the last two fiscal years ended November 30, 2010 and 2009 for professional services rendered by the principal accountant for tax compliance, tax advice and tax planning, which includes the filing of federal and excise tax returns and preparation of state tax returns, were \$63,450 and \$67,800, respectively.

All Other Fees: There were no fees billed in each of the fiscal years ended November 30, 2010 and November 30, 2009 for products and services provided by PricewaterhouseCoopers, other than the services reported under *Audit Fees*, *Audit-Related Fees* and *Tax Fees* above.

Non-Audit Fees: The aggregate non-audit fees billed by PricewaterhouseCoopers for services rendered to the Fund, and rendered to the Fund's investment adviser (not including any sub-adviser whose role is primarily portfolio management and is subcontracted with or overseen by another investment adviser), and any entity controlling, controlled by, or under common control with the investment adviser (affiliates) that provides ongoing services to the Fund (Covered Service Provider) for the fiscal years ended November 30, 2010 and 2009 were \$0 and \$0, respectively.

The Fund's Audit Committee Charter requires that the Audit Committee pre-approve all audit and non-audit services to be provided by the auditors to the Fund, and all non-audit services to be provided by the auditors to the Fund's investment adviser and any Covered Service Provider, if the engagement relates directly to the operations and financial reporting of the Fund. The Audit Committee may delegate its responsibility to pre-approve any such audit and permissible non-audit services to the Chairman of the Audit Committee, provided, however, that the Audit Committee may not delegate pre-approval of the audit required by the 1934 Act and the

Chairman must report to the Audit Committee, at its next regularly scheduled meeting after the Chairman's pre-approval of such services, his decision(s) to grant pre-approval. The Audit Committee may also establish pre-approval policies and procedures for pre-approval of such services and may delegate any portion of its authority, including the authority to grant pre-approvals of permitted non-audit services, to a sub-committee of one or more members of the Audit Committee pursuant to pre-approval policies and procedures established by the Audit Committee. Pre-approval by the Audit Committee of any permissible non-audit services is not required so long as: (i) the aggregate amount of all such permissible non-audit services provided to the Fund, the Fund's investment adviser and any Covered Service Provider constitutes not more than 5% of the total amount of revenues paid by the Fund to its independent registered public accounting firm during the fiscal year in which the permissible non-audit services are provided; (ii) the permissible non-audit services were not recognized by the Fund at the time of the engagement to be non-audit services; and (iii) such services are promptly brought to the attention of the Audit Committee and approved by the Audit Committee or the Chairman prior to the completion of the audit. All of the audit, audit-related, tax and other services described above for which PricewaterhouseCoopers billed the Fund fees for each of the fiscal years ended November 30, 2010 and November 30, 2009 were pre-approved by the Audit Committee.

THE INVESTMENT ADVISER AND ADMINISTRATOR

Macquarie Capital Investment Management LLC is the Fund's investment adviser, and its business address is 125 West 55th Street, New York, NY, 10019.

ALPS Fund Services, Inc. is the administrator of the Fund, and its business address is 1290 Broadway, Suite 1100, Denver, Colorado 80203.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the 1934 Act requires the Officers and Directors of the Fund and persons who own more than 10% of the Fund's Common Stock to file reports of ownership and changes in ownership on Forms 3, 4 and 5 with the SEC and the NYSE. Officers, Directors and greater than 10% stockholders of the Fund are required by SEC regulations to furnish the Fund with copies of all Forms 3, 4 and 5 they file.

Based solely on the Fund's review of the copies of such forms and amendments thereto furnished to it during or with respect to its most recent fiscal year and written representations from certain reporting persons, the Fund believes that all of its Officers, Directors, greater than 10% beneficial owners and other persons subject to Section 16 of the 1934 Act due to the requirements of Section 30 of the Investment Company Act have complied with all filing requirements applicable to them with respect to transactions during the Fund's most recent fiscal year.

BROKER NON-VOTES AND ABSTENTIONS

The affirmative vote of the holders of a majority of the shares of Common Stock outstanding and entitled to vote thereon is required to elect the Nominees as the Class III Directors.

Broker-dealer firms holding shares of the Fund in street name for the benefit of their customers and clients will request instructions from such customers and clients prior to the Meeting on how to vote their shares. The Fund understands that, under the rules of the NYSE,

such broker-dealer firms may, without instructions from their customers and clients, grant authority to give a proxy to vote on routine matters, including the election of Directors, if no instructions have been received prior to the date specified in the broker-dealer firm's request for voting instructions. However, the NYSE also provides that in certain, non-routine matters, a broker member may not authorize any proxy without instructions from the customer. Votes that, in accordance with the NYSE rules, are not cast by broker-dealer firms on those non-routine matters are called broker non-votes. Because the sole matter to be considered at the Meeting is routine (Proposal 1 – the uncontested election of the Nominees for Class III Directors), broker non-votes are not expected to occur at the Meeting.

For the purpose of electing the Nominees, the failure to return a properly executed proxy card or otherwise authorize a proxy, an abstention or a broker non-vote, if any, will have the same effect as a withhold vote. Abstentions or broker non-votes, if any, will be considered to be present at the Meeting for purposes of determining the existence of a quorum.

Stockholders of the Fund will be informed of the voting results of the Meeting in the Fund's Semi-Annual Report for the period ending May 31, 2011.
