\$6,742,000

5.00% Senior Medium-Term Notes due August 1, 2016

Pricing Supplement No. 6 (continued)

Series: The Notes are part of a series of debt securities entitled Medium-Term Notes, Series A that we may issue under the Indenture.

This is a reopening of the Notes that we initially issued on August 1, 2011. As of August 3, 2011, there was \$9,466,000 in aggregate principal amount of the Notes outstanding, not including the Notes offered by this pricing supplement. All of the Notes being offered hereby are a part of the same series of, and have the same CUSIP as, the Notes that initially settled on August 1, 2011. Upon settlement, the Notes offered by this pricing supplement will be fungible with the \$9,466,000 in aggregate principal amount of the Notes that we have previously issued.

We may reopen this series of Notes, and issue additional Notes of this series, under the Indenture in the future.

Interest Accrual: Because these Notes form a part of the same series of Notes that were first issued on August 1, 2011, Investors who purchase these Notes will be required to pay, in addition to the applicable purchase price of the Notes, an amount equal to the interest that has accrued on the Notes from and including the Interest Accrual Date (August 1, 2011) up to, but not including, the Reopening Settlement Date (expected to be August 8, 2011).

Interest Payment Dates: Interest will be paid semiannually on August 1 and February 1, beginning on February 1, 2012, to holders of record as of the preceding January 15 and July 15, respectively.

Day Count: 30/360

Optional Redemption: The Notes are not redeemable prior to August 1, 2012. Commencing August 1, 2012, the Notes may be redeemed in whole, but not in part, on such date or on any interest payment date thereafter. Zions Bancorporation will provide notice, in writing, of the optional redemption not less than five business days before the redemption date.

Redemption Price: 100% of the principal amount of the Notes being redeemed plus accrued interest thereon up to, but not including, the redemption date.

Use of Proceeds: The net cash proceeds from the sale will be used for general corporate purposes. Pending such use, we may temporarily invest net proceeds in interest-bearing, investment-grade securities.

Exchange Listing: The Notes will not be listed on any national securities exchange.

Denomination: We will issue the Notes in denominations of \$1,000 and in integral multiples thereof.

Book-Entry System: The Notes will be issued only in fully registered form without interest coupons. Beneficial interests in the Notes will be shown on, and transfers of those beneficial interest can only be made through, records maintained by the Depository Trust Company and its participants.

Auction / Distribution Agent: Zions Direct, Inc.

Trustee: The Bank of New York Mellon Trust Company, N.A.

Authenticating / Issuing / Paying Agent: Zions First National Bank

Settlement Date: It is expected that the delivery of the Notes will be made against payment for the Notes on August 8, 2011, which is the third business day after the allocation of the Notes by our auction agent (the settlement cycle being referred to as T+3). You should note that if you purchase the Notes using the Buy Today feature or through the distribution agent, your settlement cycle may be longer than T+3. Trading in the Notes from the date of such purchase until settlement may be affected by this longer settlement cycle.
