EXPLANATORY NOTE

This Registration Statement on Form S-8 relates to Amendment No. 4 to the Ultralife Corporation Amended and Restated 2004 Long-Term Incentive Plan (the Plan) pursuant to which the Registrant's shareholders on June 7, 2011 authorized an increase of 900,000 shares of the Registrant's common stock, par value \$0.10 per share (the Common Stock) authorized to be issued pursuant to the Plan. The Plan was originally authorized to issue up to 750,000 shares of Common Stock together with such additional shares as remain available for issuance under the Company's Amended and Restated 2000 Stock Option Plan, as amended, or shares which become available upon the lapse, expiration, termination or cancellation of outstanding stock options under the 2000 Stock Option Plan. The initial 750,000 shares of Common Stock were previously registered pursuant to a Form S-8 registration statement (File No. 333-117662). Pursuant to Amendment No. 1 to the Plan, approved by the Registrant's shareholders on June 8, 2006, the number of shares of Common Stock authorized pursuant to the Plan was increased from 750,000 to 1,500,000 and those additional 750,000 shares were registered pursuant to a Form S-8 registration statement (File No. 333-136737). Pursuant to Amendment No. 3, approved by the Registrant's shareholders on June 5, 2008, the number of shares of Common Stock authorized pursuant to the Plan was increased from 1,500,000 to 2,000,000 and those additional shares were registered pursuant to a Form S-8 registration statement (File No. 333-155349). Amendment No. 4 to the Plan increases the number of shares of Common Stock authorized under the Plan from 2,000,000 to 2,900,000. Pursuant to instruction E to Form S-8, the filing fee is being paid only with respect to the 900,000 shares of Common Stock covered by Amendment No. 4, which were not previously registered.

Item 4. Description of Securities.

Not applicable.

Item 5. Interests of Named Experts and Counsel.

Not applicable.

Item 6. Indemnification of Directors and Officers.

Section 145 of the Delaware General Corporation Law (the "GCL") provides for indemnification of directors and officers against any legal liability (other than liability arising from derivative suits) if the director or officer acted in good faith and in a manner that he or she reasonably believed to be in or not opposed to the best interests of the corporation. In criminal actions, the director or officer must also have had no reasonable cause to believe that his or her conduct was unlawful. A corporation may indemnify a director or officer in a derivative suit if the director or officer acted in good faith and in a manner that he or she reasonably believed to be in or not opposed to the best interests of the corporation, unless the director or officer is found liable to the corporation (in which case a court may permit indemnity for such director or officer to the extent it deems proper).

The Company's Restated Certificate of Incorporation includes a provision by which the Company will indemnify to the fullest extent permitted by the GCL any director of the Company who is a party to any proceeding by reason of the fact that such person is a director or served as a director of another corporation, partnership, joint venture, trust, employee benefit plan or other enterprise at the request of the Company. The Company's board of directors is permitted under the Restated Certificate of Incorporation to contract in advance to indemnify any director.

In addition, we have purchased insurance policies which provide coverage for our directors and officers in certain situations where we cannot directly indemnify such directors or officers.

Item 7. Exemption from Registration Claimed.

Not applicable.

Item 9. Undertakings.

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) to include any prospectus required by Section 10(a)(3) of the Securities Act of 1933, as amended;

(ii) to reflect in the prospectus any facts or events arising after the effective date of this registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and

(iii) to include any material information with respect to the plan of distribution not previously disclosed in this registration statement or any material change to such information in this registration statement.

provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) above do not apply if this registration statement is on Form S-8, and the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Securities and Exchange Commission by the registrant pursuant to Section 13 or 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in this registration statement; and

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof; and

- (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.
- (b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in this registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.
- (c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.
