On March 1, 2012, Galectin Therapeutics Inc. (the Company) filed a Certificate of Change with the Secretary of State of Nevada pursuant to which the Company effected a one-for-six (1:6) reverse stock split (the Reverse Stock Split) of its authorized and issued and outstanding common voting shares, par value \$0.001 per share (the Common Stock), effective as 4:01 PM (EDT) on March 22, 2012.

The Company currently has five (5) registration statements on Form S-8 on file with the Securities and Exchange Commission (the SEC) that register shares offered pursuant to awards under stock incentive plans. The information incorporated by reference is considered to be part of the prospectus included within each of those registration statements. Information in this Current Report on Form 8-K is therefore intended to be automatically incorporated by reference into each of the active registration statements on Form S-8 listed below, thereby amending them. Pursuant to Rule 416(b) under the Securities Act of 1933, as amended, the amount of undistributed shares of common stock deemed to be covered by each of the following effective registration statements of the Company will be proportionately reduced to give effect to the Reverse Stock Split:
