**PART I**

**ITEM 1. BUSINESS**

**General**

As used herein, the terms TCI, the Company, We, Our, or Us refer to Transcontinental Realty Investors, Inc. a Nevada corporation. TCI is the successor to a California business trust that was organized on September 6, 1983 and commenced operations on January 31, 1984. On November 30, 1999, TCI acquired all of the outstanding shares of beneficial interest of Continental Mortgage and Equity Trust (CMET), a real estate company, in a tax-free exchange of shares, issuing 1,181 shares of its Common Stock for each outstanding CMET share. Prior to January 1, 2000, TCI elected to be treated as a Real Estate Investment Trust (REIT) under Sections 856 through 860 of the Internal Revenue Code of 1986, as amended (the Code). During the third quarter of 2000, due to a concentration of ownership TCI no longer met the requirement for tax treatment as a REIT. Effective March 31, 2003, TCI financial results were consolidated in the American Realty Investors, Inc. (ARL) Form 10-K and related consolidated financial statements. As of December 31, 2011, ARL through subsidiaries owned 82.7% of the outstanding TCI common shares.

The Company is headquartered in Dallas, Texas and its common stock trades on the New York Stock Exchange (NYSE) under the symbol (TCI). TCI is a C corporation for U.S. federal income tax purposes and files an annual consolidated income tax return with ARL.

On July 17, 2009, the Company acquired from Syntek West, Inc., (SWI), 2,518,934 shares of Common Stock, par value \$0.01 per share of Income Opportunity Realty Investors, Inc. (IOT) at an aggregate price of \$17,884,431 (approximately \$7.10 per share), the full amount of which was paid by the Company through an assumption of an aggregate amount of indebtedness of \$17,884,431 on the outstanding balance owed by SWI to IOT. The 2,518,934 shares of IOT Common Stock acquired by the Company constituted approximately 60.4% of the issued and outstanding Common Stock of IOT. The Company had owned for several years an aggregate of 1,037,184 shares of Common Stock of IOT (approximately 25% of the issued and outstanding). After giving effect to the transaction on July 17, 2009, TCI owned an aggregate of 3,556,118 shares of IOT common stock which constituted over 80% of the shares of common stock of IOT outstanding. As of December 31, 2011 TCI owned 82.6% of the outstanding IOT common shares. Shares of IOT are traded on the American Stock Exchange (AMEX) under the symbol (IOT).

With the Company's acquisition of the additional shares on July 17, 2009, which increased the aggregate ownership to in excess of 80%, beginning in July 2009, IOT's results of operations are now consolidated with those of the Company for tax and financial reporting purposes. At the time of the acquisition, the historical accounting value of IOT's assets was \$112 million and liabilities were \$43 million. In that the shares of IOT

acquired by TCI were from a related party, the values recorded by TCI are IOT's historical accounting values at the date of transfer. The Company's fair valuation of IOT's assets and liabilities at the acquisition date approximated IOT's book value. The net difference between the purchase price and historical accounting basis of the assets and liabilities acquired was \$26.9 million and has been reflected by TCI as deferred income. The deferred income will be recognized upon the sale of the land that IOT held on its books as of the date of sale, to an independent third party.

TCI's Board of Directors represents the Company's shareholders and is responsible for directing the overall affairs of TCI and for setting the strategic policies that guide the Company. As of April 30, 2011, the Board of Directors delegated the day-to-day management of the Company to Pillar Income Asset Management, Inc., a Nevada corporation (Pillar) under a written Advisory Agreement that is reviewed annually by TCI's Board of Directors. The directors of TCI are also directors of ARL and IOT. The Chairman of the Board of Directors of TCI also serves as the Chairman of the Board of Directors of ARL and IOT. The officers of TCI also serve as officers of ARL, IOT and Pillar.

Prior to April 30, 2011, the Company's contractual Advisor and Cash Manager was Prime Income Asset Management, LLC (Prime). Effective April 30, 2011, Pillar, a Nevada corporation, the sole stockholder of which is Realty Advisors, LLC, a Nevada limited liability company, the sole member of which is Realty Advisors, Inc., a Nevada corporation, the sole stockholder of which is Realty Advisors Management, Inc., a Nevada corporation which is owned 100% by a Trust known as the May Trust, became the Company's external Advisor and Cash Manager. Pillar's duties include, but are not limited to, locating, evaluating and recommending real estate and real estate-related investment opportunities. Pillar also arranges, for TCI's benefit, debt and equity financing with third party lenders and investors. Pillar also serves as an Advisor and Cash Manager to ARL and IOT. As the contractual advisor, Pillar is compensated by TCI under an Advisory Agreement that is more fully described in Part III, Item 10. Directors, Executive Officers and Corporate Governance The Advisor . TCI has no employees. Employees of Pillar render services to TCI in accordance with the terms of the Advisory Agreement.

Prior to December 31, 2010, Triad Realty Services, L.P. (Triad), an affiliate of Prime, provided management services for our commercial properties. Triad subcontracted the property-level management and leasing of our commercial properties (office buildings, shopping centers and industrial warehouses) to Regis Realty I, LLC (Regis I). Effective January 1, 2011, Regis Realty Prime, LLC, dba Regis Property Management, LLC (Regis), the sole member of which is Realty Advisors, LLC, manages our commercial properties and provides brokerage services under the same terms as the previous agreements with Triad and Regis Realty I for a term of five years. Regis receives property and construction management fees and leasing commissions in accordance with the terms of its property-level management agreement. Regis is also entitled to receive real estate brokerage commissions in accordance with the terms of a non-exclusive brokerage agreement. See Part III, Item 10. Directors, Executive Officers and Corporate Governance Property Management . TCI engages third-party companies to lease and manage its apartment properties.

Our primary business is the acquisition, development and ownership of income-producing residential and commercial real estate properties. In addition, we opportunistically acquire land for future development in in-fill or high-growth suburban markets. From time to time and when we believe it appropriate to do so, we will also sell land and income-producing properties. We generate revenues by leasing apartment units to residents, and leasing office, industrial and retail space to various for-profit businesses as well as certain local, state and federal agencies. We also generate revenues from gains on sales of income-producing properties and land.

At December 31, 2011, our income-producing properties consisted of:

16 commercial properties consisting of 11 office buildings, one industrial warehouse, three retail properties, and one parking garage, comprising in aggregate approximately 3.6 million square feet;

50 residential apartment communities comprising 9,317 units, excluding apartments being developed.

We finance our acquisitions primarily through operating cash flow, proceeds from the sale of land and income-producing properties, and debt financing primarily in the form of property-specific, first-lien mortgage loans from commercial banks and institutional lenders. We finance our development projects principally with short-term, variable-rate construction loans that are refinanced with the proceeds of long-term, fixed-rate amortizing mortgages when the development has been completed and occupancy has been stabilized. When we sell properties, we may carry a portion of the sales price generally in the form of a short-term, interest bearing seller-financed note receivable, secured by the property being sold. We may also from time to time enter into partnerships or joint ventures with various investors to acquire land or income-producing properties or to sell interests in certain of our properties.

We join with various third-party development companies to construct residential apartment communities. We completed construction on five apartment projects in 2011 and are in the predevelopment process on several residential apartment communities, scheduled for construction in 2012. At December 31, 2011, we had no apartment projects in development. The third-party developer typically holds a general partner as well as a limited partner interest in a limited partnership formed for the purpose of building a single property while we generally take a limited partner interest in the limited partnership. We may contribute land to the partnership as part of our equity contribution or we may contribute the necessary funds to the partnership to acquire the land. We are required to fund all required equity contributions while the third-party developer is responsible for obtaining construction financing, hiring a general contractor and for the overall management, successful completion and delivery of the project. We generally bear all the economic risks and rewards of ownership in these partnerships and therefore include these partnerships in our consolidated financial statements. The third-party developer is paid a developer fee typically equal to a percentage of the construction costs. When the project reaches stabilized occupancy, we acquire the third-party developer's partnership interests in exchange for any remaining unpaid developer fees.

We have made investments in a number of large tracts of undeveloped and partially developed land and intend to a) continue to improve these tracts of land for our own development purposes or b) make the improvements necessary to ready the land for sale to other developers.
