Item 2.02. Results of Operations and Financial Condition.

The following information, including the exhibits described below, are provided pursuant to Items 2.02 and 7.01 of Form 8-K and shall not be deemed filed hereunder for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the Exchange Act), or incorporated by reference in any filing under the Securities Act of 1933, as amended, or the Exchange Act, except as shall be expressly set forth by specific reference in such a filing.

On May 10, 2012, Mattersight Corporation (Mattersight) announced its results of operations for the first quarter of 2012. A copy of the press release announcing Mattersight's first quarter 2012 results is included as Exhibit 99.1 to this Form 8-K report and is incorporated by reference.

On May 10, 2012, Mattersight will host a conference regarding its first quarter 2012 results of operations. The presentation materials relating to that conference call are available on Mattersight's website, www.mattersight.com, and are attached as Exhibit 99.2 to this report and are incorporated by reference.

Item 4.02. Non-Reliance on Previously Issued Financial Statements or a Related Audit Report or Completed Interim Review.

On May 10, 2012, Mattersight's Audit Committee of the Board of Directors, upon recommendation from Mattersight's management, concluded that the basic and diluted loss per share from continuing operations in the previously issued financial statements for the fiscal years ended December 26, 2009, January 1, 2011 and December 31, 2011 and for the quarterly periods ended April 2, 2011, July 2, 2011, October 1, 2011, and December 31, 2011 were incorrectly calculated. Specifically, the calculation of basic and diluted loss per share from continuing operations did not deduct dividends or other payments made in respect of the Series B Stock in accordance with Accounting Standards Codification 260, Earnings Per Share. As a result, the Board of Directors determined that the aforementioned financial statements should no longer be relied upon. Accordingly, Mattersight plans to restate its previously issued Consolidated Statements of Operations for the requisite periods to correct the error as set forth in the table below. The error had no effect on any other amounts or financial statement line items.

	For the Quarter Ended				For the Fiscal Year Ended

Mattersight will file an amended Annual Report on form 10-K/A for the fiscal year ended December 31, 2011. Because the 10-K/A will restate the basic and diluted loss from continuing operations on a per share basis for each of the quarterly periods, Mattersight does not plan on amending previously filed 10-Qs.

As a result of the foregoing, the registrant was not able to complete its Form 10-Q for the three-month period ended March 31, 2012 by the filing deadline of May 10, 2012 without unreasonable effort and expense. Mattersight expects to file this Form 10-Q with the SEC as soon as practicable after filing the amended filings described above, and, in any case, within five days of this filing.

Mattersight and its Audit Committee have discussed the matters reported in this report with its independent public accounting firm, Grant Thornton, LLP.
