**Item 8.01. Other Events.**

Biomet, Inc. has decided to pursue strategic exploratory work to separate the Company's Biomet 3i dental business in a tax-free spin-off. There can be no assurance that the evaluation of a potential separation of the Company's Biomet 3i dental business will result in a separation. Any such transaction would be subject to customary conditions, including receipt of regulatory approvals, an opinion from tax counsel and a favorable ruling from the Internal Revenue Service to ensure the tax-free status of the spin-off, execution of intercompany agreements, further due diligence as appropriate, and final approval by the Board of Directors.

The Company is in the process of developing detailed plans for the Board's further consideration and final approval. To execute such a separation requires further work on structure, management, governance, transition services and other matters, which is expected to take several months. The Company does not intend to comment further regarding the strategic evaluation, unless and until a decision is made. Biomet is a wholly owned subsidiary of LVB Acquisition, Inc. ( LVB ). LVB has no other operations beyond its ownership of Biomet.
