PROPOSAL 1

ELECTION OF DIRECTOR

The Company's Board of Directors currently consists of eight directors. Article VI of the Company's Certificate of Incorporation provides that the Board of Directors shall be classified with respect to the terms for which its members shall hold office by dividing the members into three classes, each serving three year terms. The two Class III directors whose terms expire at the Annual Meeting are Mr. George A. Vincent, III and Mr. Jerry K. Pearlman. Mr. Pearlman did not express an interest to stand for re-election at the Annual Meeting and therefore is expected to retire from the Board upon the completion of his current term at the Annual Meeting. The Board of Directors expresses its sincere gratitude to Mr. Pearlman for his 13 years of Board service to the Company. The Board of Directors, in accordance with the Company's bylaws, has authorized the reduction in the size of the Board from eight to seven directors, effective immediately after the Annual Meeting. The Nominating Committee has no immediate plans to search for a new director.

As a result, at the Annual Meeting, one Class III director will be elected for a term of three years expiring at the Company's 2015 Annual Meeting of Stockholders. The Company prepared the following director summary using information furnished to the Company by the nominee/director. The nominee is presently serving as director of the Company. See "Nominee" below.

If at the time of the Annual Meeting the nominee should be unable or decline to serve, the persons named in the proxy will vote for such substitute nominee as the Board of Directors recommends, or vote to allow the vacancy created thereby to remain open until filled by the Board of Directors, as the Board of Directors recommends. The Board of Directors has no reason to believe that the nominee will be unable or decline to serve as a director if elected.

The six directors whose terms of office do not expire in 2012 will continue to serve after the Annual Meeting until such time as their respective terms of office expire or their successors are duly elected and qualified. See "Other Directors" below. There is no family relationship between any director or executive officer of the Company.

THE BOARD OF DIRECTORS RECOMMENDS THAT THE STOCKHOLDERS VOTE FOR THE ELECTION OF THE NOMINEE NAMED BELOW.

Director Compensation Upon first being elected to the Board of Directors, each director of the Company who is not an employee or consultant of the Company (an Outside Director) is granted stock options to purchase 10,000 shares of common stock at the closing price as of the date of issuance (the fair market value). This initial option grant to an Outside Director vests over three years.

In 2011, the Company paid \$5,500 as quarterly compensation to the Chairman of the Board of Directors, for an annual rate of \$22,000. Mr. Henderson began receiving this quarterly rate after he became Chairman of the Board of Directors during August 2011. The Company paid \$4,500 as quarterly compensation to the Chairman of the Audit and Finance Committee and to the Vice Chairman of the Board of Directors totaling \$18,000 to each. All other Outside Directors were paid \$4,000 each as quarterly compensation, which amounts to an annual total of \$16,000 per each other Outside Director for services performed in their capacity as a director. This program and these payment levels continued into 2012.

During the first quarter in 2011, the Company granted its Outside Directors stock options totaling 89,000 shares, under the 2010 Equity Compensation Plan (the 2010 Equity Plan). On August 7, 2012, the Company granted its Outside Directors stock options totaling 79,000 shares under the 2010 Equity Plan.

During the first, second, third and fourth quarters of 2010, the Company granted its Outside Directors stock appreciation rights (SARs) totaling 61,000 shares, under the Company s Amended and Restated 2006 Stock Appreciation Rights Plan and subsequently under the 2010 Equity Plan as approved by the shareholders in August of 2010. No awards were granted under this plan during 2011 and the 2011 change for the decrease in valuation from 2010 was \$70,284 and is included in director compensation expense for the year ended December 31, 2011. The SARs granted vested immediately and are payable upon the directors termination from the position of director.

In 2010, the Company paid \$5,500 as quarterly compensation to the Chairman of the Board of Directors totaling \$22,000. The Company paid \$4,500 as quarterly compensation to the Chairman of the Audit and Finance Committee totaling \$18,000. The Company paid \$4,000 in the first quarter and \$4,500 in the second, third and fourth quarters to the Vice Chairman of the Board of Directors totaling \$17,500, compared to all other Outside Directors being paid \$4,000 each, which amounted to an annual total of \$16,000 per Outside Director for services performed in their capacity as directors.

Mr. Donald Perkins retired from the Board of Directors during August of 2011. Upon retirement, he received 24,727 shares of common stock from the Company s 2005 Non-Employee Director Restricted Stock Plan, as well as a cash payment of \$165 related to the Company s SAR program.

In 2005, the Company adopted, and the shareholders approved, the 2005 Non-Employee Director Restricted Stock Plan (the Director Restricted Stock Plan) which reserved 150,000 shares of the Company s common stock to be issued to Outside Directors in the form of restricted shares. In 2005, no awards were made under the Director Restricted Stock Plan. In 2005, the Company also adopted the Non-Employee Director Deferred Compensation Plan (the Director Deferred Compensation Plan) which permits an Outside Director to defer the receipt of director fees until separation from service or the Company undergoes a change in control. The Company amended the Director Restricted Stock Plan in 2005 to permit an Outside Director

to defer receipt of restricted stock granted under it. The deferred restricted shares are accounted for under the Director Deferred Compensation Plan and issued upon separation from service or the Company's change in control. Under the Director Deferred Compensation Plan, the deferred fees that would have been paid in cash are deemed invested in 5 year U.S. Treasury Bonds during the deferral period. The accumulated hypothetical earnings are paid following the Outside Director's separation from service or the Company's change in control. The deferred fees that would have been paid as restricted shares are deemed invested in common stock of the Company during the deferral period. The Director Deferred Compensation Plan is an unfunded, nonqualified deferred compensation arrangement. In 2009, all Outside Directors elected to defer receipts of all of the restricted shares they became entitled to under the Director Restricted Stock Plan. In 2010 and 2011, no Outside Directors elected to defer receipt of cash under the Director Deferred Compensation Plan which was consolidated into the 2010 Equity Plan.

All Outside Directors are reimbursed for their reasonable out-of-pocket expenses incurred in attending Board and committee meetings.

The members of the Audit and Finance Committee are Mr. McClung (Chairman), Mr. Pearlman, and Mr. Vincent. The members of the Compensation and Governance Committee are Mr. Pearlman (Chairman), Mr. Henderson, and Mr. Vincent. reporting to the Board of Directors regarding all of the foregoing. The Audit and Finance Committee held six formal meetings in 2011. The Board of Directors has determined that Mr. Pearlman is an audit committee financial expert as described in applicable SEC rules. Upon Mr. Pearlman's retirement, Mr. McClung and Mr. Vincent will serve as the Company's audit committee financial experts. Each member of the Audit and Finance Committee is independent, as defined in applicable SEC rules.

The Compensation and Governance Committee generally has responsibility for establishing executive officer and key employee compensation, reviewing and establishing the Company's executive compensation and general corporate governance policies and reporting to the Board of Directors regarding the foregoing. Communications with the Board of Directors Any stockholder desiring to communicate with the Board of Directors or one or more of its directors may send a letter addressed to the Board of Directors or the applicable directors in care of the Corporate Secretary at Nanophase Technologies Corporation, 1319 Marquette Drive, Romeoville, Illinois 60446. All such communications must have the sender's name, address, telephone number and e-mail address, if any, as well as a statement of the type and amount of the Company's securities the sender holds and any other interest of the sender in the subject of the communication or, if the sender is not a stockholder of the Company, a statement of the nature of the sender's interest in the Company. Communications will be forwarded to the proper recipient unless they (a) concern individual grievances or other interests that could not reasonably be construed to be of concern to the stockholders or other constituencies of the Company, (b) advocate the Company's engaging in illegal activities, (c) contain offensive, scurrilous or abusive content, or (d) have no relevance to the business or operations of the Company.

Directors Attendance at Annual Meetings When a director is unable to attend an Annual Meeting of Stockholders in person, but is able to attend by electronic conferencing, the Company will arrange for the director to participate by other means such that the director can hear and be heard by those present at the meeting. The entire Board of Directors attended the Company's 2011 Annual Meeting of Stockholders.

Board's Philosophy in Risk Oversight, Roles and Diversity The Board of Directors considers its role in risk oversight to focus primarily on evaluating risk at the entity and strategic

levels, with management primarily responsible for managing day-to-day risk factors and presenting summary materials for those positions to the Board of Directors. Consistent with this philosophy, the Board of Directors has no formal policy as to whether the roles of Chief Executive Officer and Chairman should be segregated or combined. The Board of Directors considers the circumstances of the Company and makes a determination as to the appropriate leadership structure for the Company at that time. As of the date of this Proxy Statement, the positions of CEO and Chairman are held by two individuals. Mr. Henderson serves as Chairman and Mr. Jankowski serves as CEO. Mr. Henderson brings extensive experience in corporate leadership from his own working experience and from the many Boards on which he serves or has served in the past, and Mr. Jankowski, in his relatively new role as CEO, is expected to benefit from that experience. The Board of Directors believes that is the most appropriate structure for the Company at this time.

The Board of Directors does not have a stated policy regarding diversity. The Board seeks experienced individuals for service who bring extensive experience in leadership, operations, finance and engineering, particularly in areas directly applicable to the Company or its intended future endeavors.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16 of the Securities Exchange Act of 1934, as amended (the Exchange Act) requires the Company's officers (as defined under Section 16), directors and persons who beneficially own greater than 10% of a registered class of the Company's equity securities to file reports of ownership and changes in ownership with the SEC. Based solely on a review of the forms it has received and on written representations from certain reporting persons that no such forms were required for them, the Company believes that during 2011 all Section 16 filing requirements applicable to its officers, directors and 10% beneficial owners were complied with by such persons. During 2012, several Form 4 filings related to the participation of our officers and directors in our stockholder rights offering were filed three or more business days after the transactions were committed due to administrative processes surrounding the offering, as many stockholders did not know their final allocations in the rights offering until up to ten days after the closing date.

EXECUTIVE COMPENSATION**Compliance with Section 162(m)**

The Compensation and Governance Committee currently intends for all compensation paid to the executive officers to be tax deductible to the Company pursuant to Section 162(m) of the Internal Revenue Code of 1986, as amended (Section 162(m)). Section 162(m) provides that compensation paid to the executive officers in excess of \$1,000,000 cannot be deducted by the Company for Federal income tax purposes unless, in general, (1) such compensation is performance-based, established by a committee of Outside Directors and objective, and (2) the plan or agreement providing for such performance-based compensation has been approved in advance by stockholders. The Compensation and Governance Committee believes that the requirements of Section 162(m) are uncertain at this time and may arbitrarily impact the Company. In the future, the Compensation and Governance Committee may determine to adopt a compensation program that does not satisfy the conditions of Section 162(m) if in its judgment, after considering the additional costs of not satisfying Section 162(m), such program is appropriate.

- (1) These amounts were earned in 2011 and 2010, but paid in early 2012 and 2011, respectively. Bonus compensation is driven by company performance against its goals as ultimately determined by the Board of Directors. A set of company-level objectives is created at the beginning of the year, focusing on total revenue, revenue growth, particular sources of revenue growth, business development achievements, and cash flows and related targets, as well as a small discretionary component designed to capture items not specifically listed. Each measure has four levels of achievement, typically 0%, 50%, 75% and 100% of the value of that item in the aggregate bonus measurement. The resulting bonus calculation is then applied to each individual's bonus potential as a percentage of salary.
- (2) The amounts in this column represent the aggregate fair value of awards granted in 2011 and 2010 fiscal years in accordance with FASB ASC Topic 718. See Note 11 of the notes to our financial statements contained in Part II, Item 8 of our Annual Report for a discussion of all assumptions made by us in determining the FASB ASC Topic 718 values.

- (3) None.
- (4) The amounts in this column represent 401(k) match, health and life insurance. Health insurance benefits are the same for all employees. Life insurance is provided in the amount of one times the annual base salary with a maximum of \$150,000.
- (5) Mr. Nelson resigned from his position with the Company during August 2012.

Employment Agreements

Effective as of August 12, 2009, the Company entered into an employment agreement with Jess A. Jankowski in connection with his services as President and Chief Executive Officer of the Company. No term has been assigned to Mr. Jankowski's employment agreement.

Pursuant to the terms of his employment agreement, Mr. Jankowski will receive an annual base salary of not less than \$275,000. In addition, Mr. Jankowski will be eligible for discretionary bonuses for services to be performed as an executive officer of the Company based on performance and achieving milestones approved by the Board of Directors.

Mr. Jankowski will be eligible for such stock options and other equity compensation as the Board deems appropriate, subject to the provisions of the 2010 Equity Plan. Mr. Jankowski will also be entitled to the employee benefits made available by the Company generally to all other executive officers of the Company, subject to the terms and conditions of the Company's employee benefit plan in effect from time to time.

In the event Mr. Jankowski's employment is terminated other than for cause (as such term is defined in the employment agreement), Mr. Jankowski will receive a sum equal to Mr. Jankowski's base salary in effect at the time of termination for 52 full weeks after the effective date of termination, payable in proportionate amounts on the Company's regular pay cycle for professional employees, provided that Mr. Jankowski signs, without subsequent revocation, a separation agreement and release in a form acceptable to the Company. In addition, all stock options granted to Mr. Jankowski prior to termination will become fully vested and exercisable in accordance with the applicable option grant agreement and the 2010 Equity Plan. If he is terminated for cause, or if he resigns as an employee of the Company, Mr. Jankowski will not be entitled to any severance or other benefits accruing after the term of the employment agreement and such rights will be forfeited immediately upon the end of such term.

If, within two years after the occurrence of a change in control, as defined in his employment agreement, Mr. Jankowski's employment is terminated other than for cause, his responsibilities or annual compensation are materially reduced without his prior consent, or the Company ceases to be publicly held (each, a Trigger), then, subject to Mr. Jankowski signing, without subsequently revoking, a Separation Agreement and Release in a form acceptable to the Company, Mr. Jankowski will receive a sum equal to his base salary for 104 full weeks after the date the Trigger occurs. In addition, all stock options granted to Mr. Jankowski prior to the Trigger will become fully vested and exercisable in accordance with the applicable option grant agreement and the 2010 Equity Plan.

Effective as of June 24, 2009, the Company entered into an employment agreement with Mr. Frank J. Cesario providing for an annual base salary of not less than \$150,000. The Company also granted to Mr. Cesario options to purchase up to 20,000 shares of common stock at an exercise price of \$1.07 per share with options for one-third of such shares becoming exercisable on each of the first three anniversaries of the dates of grant. No term has been assigned to Mr. Cesario's employment agreement. If Mr. Cesario is terminated other than for cause (as such term is defined in Mr. Cesario's employment agreement), Mr. Cesario will receive severance benefits in an amount equal to Mr. Cesario's base salary for three weeks. During September 2012, Mr. Cesario's employment agreement was amended, and such severance benefit was increased to 26 weeks.

Effective as of September 25, 2008, the Company entered into an employment agreement with Dr. Patrick Murray providing for an annual base salary of not less than \$150,000. No term has been assigned to Dr. Murray's employment agreement. If Dr. Murray is terminated other than for cause (as such term is defined in Dr. Murray's employment agreement), Dr. Murray will receive severance benefits in an amount equal to Dr. Murray's base salary for 26 weeks.

Effective as of September 25, 2008, the Company entered into an employment agreement with Ms. Nancy Baldwin providing for an annual base salary of not less than \$150,000. No term has been assigned to Ms. Baldwin's employment agreement. If Ms. Baldwin is terminated other than for cause (as such term is defined in Ms. Baldwin's employment agreement), Ms. Baldwin will receive severance benefits in an amount equal to Ms. Baldwin's base salary for 26 weeks.

Mr. Nelson had an employment agreement with the Company prior to his resignation. The Company has no outstanding liabilities resulting from his termination of employment under that agreement.

POTENTIAL PAYMENT UPON TERMINATION OR CHANGE IN CONTROL

Severance Benefits. Please see discussion of severance benefits under Employment Agreements above.

Change in Control. Upon a change in control, the 2001 Equity Compensation Plan (the predecessor to the 2004 Equity Compensation Plan), the 2004 Equity Compensation Plan (the predecessor to the 2010 Equity Plan) and the 2010 Equity Plan each provide that: (1) vesting under all outstanding stock options will automatically accelerate and each option will become fully exercisable; (2) the restrictions and conditions on all outstanding restricted shares shall immediately lapse; and (3) the holders of performance shares will receive a payment in settlement of the performance shares, in an amount determined by the Compensation and Governance Committee, based on the target payment for the performance period and the portion

of the performance period that precedes the change in control. If the Company is not the surviving entity, the successor is required to assume all unexercised options. Under the Company's 1992 Stock Option Plan, the vesting of options issued under it is accelerated upon a sale or merger (as defined in the 1992 Stock Option Plan).

The following table quantifies the estimated payments that would be made in each covered circumstance to our executive officers. David Nelson was not included in this table due to his resignation from the Company in August 2012. Mr. Nelson did not receive any severance benefits under his employment agreement in connection with his resignation.

PROPOSAL 2

RATIFICATION OF APPOINTMENT OF AUDITORS

Report of the Audit and Finance Committee

The Audit and Finance Committee reviews the Company's financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process. The Company's independent auditor is responsible for performing an independent audit of the Company's financial statements and expressing an opinion on the conformity of the audited financial statements to generally accepted accounting principles.

The Audit and Finance Committee has reviewed and discussed with management the Company's audited financial statements as of and for the year ended December 31, 2011. The Audit and Finance Committee has discussed with McGladrey LLP, the Company's independent auditor, the matters required to be discussed by the statement on Auditing Standards No. 61, as amended (AICPA, Professional Standards, Vol. 1, AU section 380), as adopted by the Public Company Accounting Oversight Board in Rule 3200T. The Audit and Finance Committee has received and reviewed the written disclosures and the letter required by applicable requirements of the Public Company Accounting Oversight Board regarding communications with the Audit and Finance Committee concerning independence, and the Audit and Finance Committee discussed with McGladrey LLP their independence from management and the Company. The Audit and Finance Committee has considered whether the provision of services by McGladrey LLP not related to the audit of the financial statements referred to above and to the reviews of the interim financial statements included in the Company's Forms 10-Q are compatible with maintaining McGladrey LLP's independence, and has determined that they are compatible and do not impact McGladrey LLP's independence.

Based on the reviews and discussions referred to above, the Audit and Finance Committee recommended to the Board of Directors that the audited financial statements referred to above should be included in the Company's Annual Report on Form 10-K accompanying this Proxy Statement and filed with the SEC for the year ended December 31, 2011.

The Audit and Finance Committee has appointed McGladrey LLP, an independent registered public accounting firm, as auditors of the Company's financial statements for the year ended December 31, 2012. McGladrey LLP has been engaged as auditors for the Company since November 2001. The Audit and Finance Committee has determined to afford stockholders the opportunity to express their opinions on the matter of auditors and, accordingly, is submitting to the stockholders at the Annual Meeting a proposal to ratify the Audit and Finance Committee's appointment of McGladrey LLP. If a majority of the shares voted at the Annual Meeting, in person or by proxy, are not voted in favor of the ratification of the appointment of McGladrey LLP, the Audit and Finance Committee will interpret this as an instruction to seek other auditors. The following fees were incurred by the Company for the services of McGladrey LLP in relation to the 2011 and 2010 fiscal years.

Audit Fees. The aggregate amount billed by our auditors, McGladrey LLP, for audit services performed for the fiscal years ended December 31, 2011 and 2010 was \$158,000 and \$146,000, respectively. Audit services include the auditing of financial statements and quarterly reviews.

Audit Related Fees. Total fees billed by McGladrey LLP was \$1,000 and \$0 for the years ended December 31, 2011 and 2010, which included costs incurred for reviews of registration statements, assistance with Staff comment letters, and consultation on various accounting matters in support of the Company's financial statements.

Tax Fees. There were no fees billed by McGladrey LLP for tax related services for the fiscal years ended December 31, 2011 and 2010.

All Other Fees. Other than those fees described above, during the fiscal year ended December 31, 2011 and 2010 there were no other fees billed for services performed by our auditors.

All of the fees described above were approved by Nanophase's Audit and Finance Committee.

Audit and Finance Committee Pre-Approval Policies and Procedures. Nanophase's Audit and Finance Committee pre-approves the audit and non-audit services performed by McGladrey LLP, our principal accountants, in order to assure that the provision of such services does not impair McGladrey LLP's independence. Unless a type of service to be provided by McGladrey LLP has received general pre-approval, it will require specific pre-approval by the Audit and Finance Committee. In addition, any proposed services exceeding pre-approval cost levels will require specific pre-approval by the Audit and Finance Committee.

The term of any pre-approval is 12 months from the date of pre-approval, unless the Audit and Finance Committee specifically provides for a different period. The Audit and Finance Committee will periodically revise the list of pre-approved services, based on subsequent determinations, and has delegated pre-approval authority to the Chairman of the Audit and Finance Committee. In the event the Chairman exercises such delegated authority, he shall report such pre-approval decisions to the Audit and Finance Committee at its next scheduled meeting. The Audit and Finance Committee does not delegate its responsibilities to pre-approve services performed by the independent auditor to management.

It is expected that representatives of McGladrey LLP will be present at the Annual Meeting and will be available to respond to questions. They will be given an opportunity to make a statement if they desire to do so.

THE BOARD OF DIRECTORS AND THE AUDIT AND FINANCE COMMITTEE RECOMMEND THAT THE STOCKHOLDERS VOTE FOR THE RATIFICATION OF THE APPOINTMENT OF McGLADREY LLP AS THE INDEPENDENT AUDITORS OF THE COMPANY'S FINANCIAL STATEMENTS FOR THE YEAR ENDED DECEMBER 31, 2012.

MISCELLANEOUS AND OTHER MATTERS

Solicitation The cost of this proxy solicitation will be borne by the Company. The Company may request banks, brokers, fiduciaries, custodians, nominees and certain other record holders to send proxies, proxy statements and other materials to their principals at the Company's expense. Such banks, brokers, fiduciaries, custodians, nominees and other record holders will be reimbursed by the Company for their reasonable out-of-pocket expenses of solicitation. The Company does not anticipate that costs and expenses incurred in connection with this proxy solicitation will exceed an amount normally expended for a proxy solicitation for an election of directors in the absence of a contest. In addition to soliciting proxies by mail, certain of our officers and employees, without additional compensation, may solicit proxies personally or by telephone or electronic communication on our behalf.

Proposals of Stockholders Proposals of stockholders (1) intended to be considered at the Company's 2013 Annual Meeting of Stockholders (the 2013 Annual Meeting) and (2) to be considered for inclusion in the Company's proxy statement and proxy for the 2013 Annual Meeting must be received by the Secretary of the Company on or before June 3, 2013. If a stockholder submits a proposal to be considered at the 2013 Annual Meeting other than in accordance with Rule 14a-8 under the Exchange Act, and does not provide notice of such proposal to the Company by August 17, 2013, the holders of any proxy solicited by the Company's Board of Directors for use at such meeting will have discretionary authority to vote with respect to any proposal as to which timely notice is not given.

Other Business The Board of Directors is not aware of any other matters to be presented at the Annual Meeting other than those mentioned in this Proxy Statement and the Company's Notice of Annual Meeting of Stockholders enclosed herewith. If any other matters are properly brought before the Annual Meeting, however, it is intended that the persons named in the proxies will vote such proxies as the Board of Directors directs.

Historical Legal Proceedings Involving Director In 2001, George Tatz, a purchaser of 200 shares of the Company's common stock, filed a class action complaint against the Company and its former Chief Executive Officer, Joseph Cross, in the United States District Court for the Northern District of Illinois. The complaint alleged that defendants violated the Exchange Act by making supposedly fraudulent material misstatements of fact in connection with the Company's public disclosures about a British customer, Celox. Plaintiff subsequently filed an amended complaint, alleging that the Company, three former officers and Jess A. Jankowski, then-acting chief financial officer, made additional supposedly fraudulent material misstatements of fact in connection with the Company's public disclosures concerning the Company's dealings with Celox. The Company denied these allegations. The Company and its directors and officers liability insurance carrier decided in 2003 to avoid protracted litigation and defense costs by agreeing to settle all claims against all defendants for \$2,500,000. Thereafter, the Court approved the settlement and dismissed the case with prejudice. The settlement did not admit liability by any party. In 2005, the Court ordered distribution of the net settlement fund to the plaintiff class. Because the settlement was funded by the Company's directors and officers liability insurance, the settlement did not have a material adverse effect on the Company's financial position or results of operation.

Additional Information The Company will furnish without charge a copy of its Annual Report, as filed with the SEC, upon the written request of any person who is a stockholder as of the Record Date, and will provide copies of the exhibits to such Annual Report upon payment of a reasonable fee which shall not exceed the Company's reasonable expenses in connection therewith. Requests for such materials should be directed to Nanophase Technologies Corporation, 1319 Marquette Drive, Romeoville, Illinois 60446, Attention: Nancy Baldwin, Vice President Human Resources and Investor Relations.
