Item 1.01. Entry into a Material Definitive Agreement.
6.50% Series A Senior Notes due 2022 and 6.50% Series B Senior Notes due 2022

On November 19, 2012, Clear Channel Worldwide Holdings, Inc. (CCWH), an indirect subsidiary of Clear Channel Outdoor Holdings Inc. (the Company), completed the sale of \$735,750,000 aggregate principal amount of 6.50% Series A Senior Notes due 2022 (the Series A Notes), which were issued at an issue price of 99.0% of par, and \$1,989,250,000 aggregate principal amount of 6.50% Series B Senior Notes due 2022 (the Series B Notes and collectively with the Series A Notes, the Notes), which were issued at par, in a private placement to qualified institutional buyers pursuant to Rule 144A under the Securities Act of 1933, as amended (the Securities Act), and to persons outside the United States pursuant to Regulation S under the Securities Act. The Notes mature on November 15, 2022 and bear interest at a rate of 6.50% per annum, payable to the Trustee (as defined below) weekly in arrears and to the noteholders semi-annually in arrears on May 15 and November 15 of each year, beginning on May 15, 2013.

CCWH loaned the gross proceeds of the Notes to its parent company, Clear Channel Outdoor, Inc. (CCOI), which used the proceeds to repay the \$2.5 billion in loans (the Existing Proceeds Loans) made by CCWH to CCOI in December 2009 from the proceeds of the 9.25% Series A Senior Notes due 2017 (the Existing Series A Notes) and the 9.25% Series B Senior Notes due 2017 (the Existing Series B Notes and together with the Existing Series A Notes, the Existing Notes). CCOI used the remaining proceeds, together with cash on hand, to make a capital contribution to CCWH, which CCWH used, together with the proceeds from the repayment of the Existing Proceeds Loans, to: (i) fund the repurchase of \$280,455,000 principal amount of Existing Series A Notes and \$1,444,002,000 principal amount of the Existing Series B Notes on the early settlement date of the previously announced tender offer for the Existing Notes as described below, (ii) make a deposit with the trustee to fund the redemption of the Existing Notes that remained outstanding following the early settlement of the tender offer and (iii) pay all related fees and expenses.

Indentures

The Series A Notes were issued pursuant to an indenture, dated as of November 19, 2012 (the Series A Note Indenture), among CCWH, the Company, CCOI and the other guarantors named therein (collectively with the Company and CCOI, the Series A Note Guarantors) and U.S. Bank National Association, as trustee (the Trustee), and the Series B Notes were issued pursuant to an indenture, dated as of November 19, 2012 (the Series B Note Indenture and together with the Series A Note Indenture, the Indentures), among CCWH, the Company, CCOI and the other guarantors named therein (collectively with the Company and CCOI, the Series B Note Guarantors, and collectively with the Series A Note Guarantors, the Guarantors) and the Trustee.

The Notes are CCWH's senior obligations and are fully and unconditionally guaranteed, jointly and severally, on a senior basis by the Guarantors. At any time prior to November 15, 2017, CCWH may redeem the Notes, in whole or in part, at a price equal to 100% of the principal amount of the Notes plus a make-whole premium, together with accrued and unpaid interest, if any, to the redemption date. CCWH may redeem the Notes, in whole or in part, on or after November 15, 2017, at the redemption prices set forth in the applicable Indenture plus accrued and unpaid interest to the redemption date. At any time on or before November 15, 2015, CCWH may elect to redeem up to 40% of the aggregate principal amount of the Notes at a redemption price equal to 106.500% of the principal amount thereof, plus accrued and unpaid interest to the redemption date, with the net proceeds of one or more equity offerings. Notwithstanding the foregoing, none of the Company or any of its subsidiaries is permitted to make any purchase of, or otherwise effectively cancel or retire any Series B Notes if, after giving effect thereto and, if applicable, any concurrent purchase of or other addition with respect to any Series A Notes, the ratio of (a) the outstanding aggregate principal amount of the Series A Notes to (b) the outstanding aggregate principal amount of the Series B Notes shall be greater than 0.25, subject to certain exceptions.

The Series A Note Indenture contains covenants that limit the Company's ability and the ability of its restricted subsidiaries to, among other things: (i) incur additional debt or issue certain preferred stock; (ii) engage in certain transactions with affiliates; (iii) create restrictions on dividends or other payments by the restricted subsidiaries; and (iv) merge, consolidate or sell substantially all of the Company's or CCWH's assets. The Series A Note Indenture does not include limitations on dividends, stock redemptions or other distributions or investments or on asset sales. The Series B Note Indenture contains covenants that limit the Company's ability and the ability of its restricted

subsidiaries to, among other things: (i) pay dividends, redeem stock or make other distributions or investments; (ii) incur additional debt or issue certain preferred stock; (iii) transfer or sell assets; (iv) engage in certain transactions with affiliates; (v) create restrictions on dividends or other payments by the restricted subsidiaries; and (vi) merge, consolidate or sell substantially all of the Company's or CCWH's assets. The Indentures also provide for customary events of default.

The description of the Notes and the Indentures contained in this Current Report on Form 8-K is qualified in its entirety by reference to the complete text of the respective Indentures filed as Exhibits 4.1 and 4.2 hereto and incorporated herein by reference.

Exchange and Registration Rights Agreements

On November 19, 2012, in connection with the private placement of the Notes, CCWH, the Guarantors and Goldman, Sachs & Co., Citigroup Global Markets Inc. and Morgan Stanley & Co. LLC on behalf of the initial purchasers, entered into two Exchange and Registration Rights Agreements, one such agreement with respect to the Series A Notes (the Series A Note Registration Rights Agreement) and one such agreement with respect to the Series B Notes (the Series B Note Registration Rights Agreement) and together with the Series A Note Registration Rights Agreement, the Registration Rights Agreements), pursuant to which CCWH and the Guarantors are required to (i) use their commercially reasonable efforts to file with the Securities and Exchange Commission not later than June 17, 2013 a registration statement with respect to an offer to exchange the Notes for new issues of debt securities registered under the Securities Act, with terms substantially identical to those of the Series A Notes or Series B Notes, as applicable (except for provisions relating to the transfer restrictions and payment of additional interest); (ii) use their commercially reasonable efforts to cause the registration statement to become effective no later than August 16, 2013; (iii) use their commercially reasonable efforts to commence the exchange offer no later than 10 business days after the effective time of the registration statement; and (iv) in certain circumstances, file a shelf registration statement for the resale of the Notes. If CCWH and the Guarantors fail to satisfy their registration obligations under any applicable Registration Rights Agreement, then CCWH will be required to pay additional interest to the holders of the Series A Notes and/or Series B Notes, as applicable, up to a maximum additional interest rate of 0.50% per annum.

The foregoing description is qualified in its entirety by reference to the complete text of the respective Registration Rights Agreements filed as Exhibits 4.3 and 4.4 hereto and incorporated herein by reference.
