Proxy Statement for

Annual Meeting of Shareholders

To Be Held On May 23, 2013

GENERAL INFORMATION

The Board of Directors of Park-Ohio Holdings Corp., or Board, is furnishing this proxy statement in order to solicit proxies on its behalf to be voted at our 2013 annual meeting of shareholders. The Annual Meeting will be held at The Cleveland Marriott East, 26300 Harvard Road, Warrensville Heights, Ohio 44122 on Thursday, May 23, 2013, at 10 A.M., Cleveland Time, and any and all adjournments, postponements or continuations thereof.

Proxy materials are first being mailed to shareholders on or about April 16, 2013. A shareholder giving a proxy may revoke it, without affecting any vote previously taken, by a later appointment received by us prior to the Annual Meeting or by giving notice to us in writing or in open meeting. Attendance at the Annual Meeting will not by itself revoke a proxy. Shares represented by properly executed proxies will be voted at the Annual Meeting. If a shareholder has specified how the proxy is to be voted with respect to a matter listed on the proxy, it will be voted in accordance with such specifications. If no specification is made, the executed proxy will be voted (1) FOR the election of the nominees for directors and (2) FOR ratification of the appointment of Ernst & Young LLP as our independent auditors for fiscal year 2013.

The record date for the determination of shareholders entitled to notice of and to vote at the Annual Meeting is March 29, 2013. As of March 29, 2013, there were issued and outstanding 12,385,324 shares of our Common Stock, par value \$1.00 per share. Each share is entitled to one vote on each matter presented at the Annual Meeting. Our Articles of Incorporation provide that shareholders do not have cumulative voting rights in the election of directors.

If your shares are held in the name of a brokerage firm or other nominee, your shares may be voted even if you do not provide the brokerage firm or other nominee with voting instructions. Brokerage firms and other nominees have the authority to vote shares for which their customers do not provide voting instructions on certain routine matters. When a proposal is not a routine matter and the brokerage firm or other nominee has not received voting instructions from the beneficial owner of the shares with respect to that proposal, the brokerage firm or other nominee cannot vote the shares on that proposal. This is referred to as a broker non-vote.

The proposal to ratify the appointment of Ernst & Young LLP as our independent auditor for fiscal year 2013 is the only routine matter for which the brokerage firm or other nominee who holds your shares can vote your shares without your instructions. Accordingly, there should be no broker non-votes with respect to such proposal, and broker non-votes will have no effect on the outcome of the other proposals.

We are not aware of any matters other than those described in this proxy statement that will be presented to the Annual Meeting for action on the part of the shareholders. If any other matters are properly brought before the Annual Meeting that applicable law permits proxies to vote on a discretionary basis, it is the intention of the persons named in the accompanying proxy to vote the shares to which the proxy relates thereon in accordance with their best judgment. Abstentions and broker non-votes will be counted as present at the Annual Meeting for purposes of determining a quorum.

The cost of soliciting proxies, including the charges and expenses incurred by brokerage firms and other persons for the forwarding of proxy materials to the beneficial owners of such shares, will be borne by us. Proxies may be solicited by our officers and employees by letter, by telephone or in person. Such individuals will not be additionally compensated but may be reimbursed by us for their reasonable out-of-pocket expenses. In addition, we have retained Morrow & Co., LLC, 470 West Avenue, Stamford, Connecticut 06902, a professional proxy soliciting firm, to assist in the solicitation of proxies and will pay such firm a fee, estimated to be approximately \$5,000, plus reimbursement of out-of-pocket expenses.

PROPOSAL NO. 1

ELECTION OF DIRECTORS

The authorized number of directors is presently fixed at nine, divided into three classes of three members. The directors of each class are elected for three-year terms so that the term of office of one class of directors expires at each annual meeting. Proxies may only be voted for the nominees identified in the section entitled Nominees for Election.

The class of directors to be elected in 2013, who will hold their positions for a term of three years and until the election of their successors, has been fixed at three. Unless otherwise directed, the persons named in the accompanying proxy will vote the proxies received by them (unless authority to vote is withheld) in favor of electing to that class: Matthew V. Crawford, Ronna Romney and Steven H. Rosen, all of whom, other than Mr. Rosen, were previously elected as directors by shareholders. As permitted by our Regulations, on November 16, 2011, the Board elected Mr. Rosen as a director to fill a vacancy in the class of directors whose terms expire at the Annual Meeting. Mr. Rosen was recommended to the Board for election as a Director by members of management and other directors. If any nominee is not available at the time of election, the proxy holders may vote in their discretion for a substitute or such vacancy may be filled later by the Board. We have no reason to believe any nominee will be unavailable.

Vote Required and Recommendation of the Board

The affirmative vote of a plurality of the shares of Common Stock represented at the Annual Meeting is required to elect Matthew V. Crawford, Ronna Romney and Steven H. Rosen as directors to serve until the 2016 annual meeting of shareholders. Broker non-votes will have no effect with respect to the election of directors.

YOUR BOARD UNANIMOUSLY RECOMMENDS A VOTE FOR MATTHEW V. CRAWFORD, RONNA ROMNEY AND STEVEN H. ROSEN.

CORPORATE GOVERNANCE

Director Independence

The Board believes that there should be a substantial majority of independent directors on the Board. The Board also believes that it is useful and appropriate to have members of management, including the Chief Executive Officer, or CEO, and President, as directors. The current Board members include seven independent directors (including two of the nominees).

Each of Messrs. Auletta, Greene, Mixon, Moore, Rosen and Wert and Ms. Romney is independent in accordance with the rules of the Nasdaq Stock Market. The Nasdaq Stock Market's independence definition includes a series of objective tests, including that the director is not our employee and has not engaged in various types of business dealings with us. In addition, as further required by the Nasdaq Stock Market's rules, the Board has made a subjective determination as to each independent director that no relationships exist that, in the opinion of the Board, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. In making these determinations, the Board reviewed and discussed information provided by the directors and the Company with regard to each director's business and personal activities as they may relate to the Company and management.

In addition, as required by the Nasdaq Stock Market's rules, the members of the Audit Committee are each independent under special standards established by the SEC for members of audit committees. The Audit Committee also includes at least one independent member whom the Board has determined meets the qualifications of an audit committee financial expert in accordance with SEC rules. Mr. Auletta is the independent director who has been determined to be an audit committee financial expert. Shareholders should understand that this designation is a disclosure requirement of the SEC related to Mr. Auletta's experience and understanding with respect to certain accounting and auditing matters. The designation does not impose upon Mr. Auletta any duties, obligations or liability that are greater than are generally imposed on him as a member of the Audit Committee and the Board, and his designation as an audit committee financial expert pursuant to this SEC requirement does not affect the duties, obligations or liability of any other member of the Audit Committee or the Board.

Risk Oversight

The Board is responsible for overseeing the Company's risk, with reviews of certain areas being conducted by the relevant committees of the Board and directly through senior management reports.

The Audit Committee oversees our risk policies and processes relating to the financial statements and financial reporting processes, as well as internal controls and compliance, and the guidelines, policies and processes for monitoring and mitigating those risks. The Compensation Committee assesses and monitors risks relating to our executive compensation policies and practices. The Nominating and Corporate Governance Committee is responsible for overseeing the management of risks related to our governance structure and processes, the independence of the Board and potential conflicts of interest and ensuring compliance with the Code of Business Conduct and Ethics. While each committee is responsible for evaluating certain risks and overseeing the management of such risks, the entire Board is regularly informed through committee reports about such risks.

In addition, the Board's role in our risk oversight process includes receiving regular reports either directly from presentations to the Board by senior or regional management or through executive officers at Board meetings on areas of material risk to us, including market-specific, operational, legal, regulatory, competitive and strategic risks.

The procedures described above permit the Board to maintain an awareness of material risks that may affect us and ensure the ability of the Board to take any and all appropriate actions to oversee risks we face. We also

believe that our board leadership structure complements our risk management structure, as it allows our independent directors, through the independent committees, to exercise effective oversight of the actions of management in identifying risks and implementing effective risk management policies and controls.

Leadership Structure

Our CEO, Mr. Edward Crawford, also serves as our Chairman. The Company has no fixed policy on whether the roles of Chairman and CEO should be separate or combined; this decision is based on the best interests of the Company considering the circumstances at the time. The Board believes that the combined role of Chairman and CEO promotes strategic development and execution of our business strategies, which is essential to effective governance. The Board recognizes that utilizing the expertise of Mr. Edward Crawford contributes to the success of the Company. The diversity of our operating units requires a leader who possesses detailed and in-depth knowledge of the issues, opportunities and challenges facing those diverse businesses. At this time, the Board believes that Mr. Edward Crawford, based upon his experience in the various industries in which we are positioned, is best qualified to efficiently develop agendas that ensure that the Board's time and attention are focused on the most critical matters and to execute strategic plans effectively.

The Board has chosen not to appoint a lead director, but instead uses executive sessions of the independent directors, as necessary. We believe that shared leadership responsibility among the independent directors, as opposed to a single lead director, results in increased engagement of the Board as a whole, and that having a strong, independent group of directors fully engaged is important for good governance.

Code of Business Conduct and Ethics

All directors, officers and employees must act ethically at all times and in accordance with the policies comprising our Code of Business Conduct and Ethics, or Code. A copy of the Code is available, without charge, upon written request to: Secretary, Park-Ohio Holdings Corp., 6065 Parkland Boulevard, Cleveland, Ohio 44124 and is also available on our website at www.pkoh.com. We intend to disclose any amendment to, or waiver from, the Code by posting such amendment or waiver, as applicable, on our website.

Board of Directors and Committees

Board Meetings. The Board held five meetings in 2012. All directors are expected to attend each meeting of the Board and the committees on which he or she serves. Our independent directors, in accordance with the rules of the Nasdaq Stock Market, meet on a periodic basis in executive session without management present. Our independent directors, who previously served as our Nominating and Corporate Governance Committee met two times in executive session in 2012. In 2012, no director attended less than 75% of the meetings of the Board and the committees on which he or she served. Directors are expected to attend the Annual Meeting, and all directors attended the 2012 annual meeting of shareholders.

The Board will consider candidates proposed by shareholders, and evaluates candidates proposed by shareholders using the same criteria as for other candidates. Any shareholder nominations proposed for consideration by the Board should include (1) complete information as to the identity and qualifications of the proposed nominee, including name, address, present and prior business and/or professional affiliations, education and experience and particular fields of expertise, (2) an indication of the nominee's consent to serve as a director if elected, and (3) the reasons why, in the opinion of the recommending shareholder, the proposed nominee is qualified and suited to be a director, and should be addressed to our Secretary at 6065 Parkland Boulevard, Cleveland, Ohio 44124.

Board Committees. The Board currently has, and appoints the members of, Audit, Compensation, Long-Range Planning and Executive Committees. Each member of the Audit and Compensation Committees is an independent director as defined under the rules of the Nasdaq Stock Market.

Audit Committee. The Audit Committee consists of Messrs. Auletta, Greene and Wert, with Mr. Auletta as its chair. The Audit Committee assists the Board in its general oversight of our financial reporting, internal controls and audit functions, and is directly responsible for the retention, compensation and oversight of the work of our independent auditors. In 2012, the Audit Committee held eight meetings. The Audit Committee has a written charter approved by the Board. The responsibilities and activities of the Audit Committee are described in greater detail in the Audit Committee Charter, which is available on our website at www.pkoh.com.

Compensation Committee. The Compensation Committee consists of Messrs. Moore and Rosen and Ms. Romney, with Ms. Romney as its chair. Mr. Wert served on the Compensation Committee until the 2012 annual meeting of shareholders at which time he stepped off the Compensation Committee and was appointed to the Long-Range Planning Committee. The Compensation Committee reviews and approves salaries, performance-based incentives and other matters relating to executive compensation, including reviewing and granting equity awards to executive officers. As described in greater detail below under Compensation Discussion and Analysis, the Compensation Committee determines the compensation of our executive officers, including our CEO, and directors. With respect to executive officers other than the CEO, the Compensation Committee takes into account the recommendations of the CEO when determining the various elements of their compensation, including the amount and form of such compensation. The Compensation Committee has the sole authority to retain and terminate compensation consultants to assist in the evaluation of executive compensation and the sole authority to approve the fees and other retention terms of any such consultants.

The Compensation Committee also reviews and approves various other compensation policies and matters. The Compensation Committee held four meetings in 2012 and also acted by written consents. The Compensation Committee has not yet adopted a written charter.

Executive Committee. The Executive Committee consists of Messrs. Auletta, Edward Crawford and Wert, with Mr. Wert as its chair. The Executive Committee may exercise the authority of the Board between Board meetings, except to the extent that the Board has delegated authority to another committee or to other persons and except as limited by Ohio law and our Regulations. The Executive Committee held no meetings in 2012 but did act by written consent.

Long-Range Planning Committee. The Long-Range Planning Committee consists of Messrs. Mixon, Edward Crawford, Matthew Crawford and Wert, with Mr. Mixon as its chair. The Long-Range Planning Committee was formed in 2012 and explores long-term strategic opportunities available to the Company, internal and external growth development, the Company's capital structure and other duties delegated to it by the Board.

Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee was in existence until the 2012 annual meeting of shareholders and consisted of Messrs. Auletta, Greene, Mixon, Moore, Rosen and Wert and Ms. Romney, with Mr. Wert as its chair, all of whom are independent directors in accordance with the rules of the Nasdaq Stock Market. The Board concluded that since our independent directors meet on a periodic basis in executive session there was no need to designate the independent directors as a separate committee and, effective as of the 2012 annual shareholders meeting, the Nominating and Corporate Governance Committee was eliminated. The responsibilities of the Nominating and Corporate Governance Committee were assumed by all of our independent directors, in accordance with the rules of the Nasdaq Stock Market.

Shareholder Communications

The Board believes that it is important for shareholders to have a process to send communications to the Board. Accordingly, shareholders who wish to communicate with the Board or a particular director may do so by sending a letter to our Secretary at 6065 Parkland Boulevard, Cleveland, Ohio 44124. The mailing envelope must contain a clear notation indicating that the enclosed letter is a Shareholder-Board Communication or Shareholder-Director Communication. All such letters must identify the author as a shareholder and clearly

state whether the intended recipients are all members of the Board or certain specified individual directors. The Secretary will make copies of all such letters deemed to be appropriate and circulate them to the appropriate director or directors.

Compensation Committee Interlocks and Insider Participation

Members of the Compensation Committee during 2012 were Messrs. Moore, Rosen and Wert and Ms. Romney. No current or former officer or employee of ours served on the Compensation Committee during 2012. Mr. Wert served on the Compensation Committee until the 2012 annual meeting of shareholders, at which time he stepped off the Compensation Committee and was appointed to the Long-Range Planning Committee.

COMPENSATION OF DIRECTORS

We compensate non-employee directors for serving on our Board and reimburse them for expenses incurred in connection with Board and committee meetings. During 2012, each non-employee director earned, as an annual retainer, \$20,000 and was granted 3,000 restricted shares. The restricted shares were granted in accordance with our Amended and Restated 1998 Long-Term Incentive Plan, which we refer to as the 1998 Plan. The non-employee directors also received \$4,000 for each Board meeting attended in-person or \$1,000 for each Board meeting attended telephonically, and \$1,000 for each committee meeting attended. The Compensation, Audit and Nominating and Corporate Governance Committee Chairpersons each received an additional \$5,000 committee chair retainer fee.

The restricted shares vest one year from the date of grant. As of December 31, 2012, each director in the table held 3,000 shares subject to restriction. As of December 31, 2012, Mr. Moore held options to purchase 9,500 shares.

In 2009, we established a 2009 Director Supplemental Defined Contribution Plan, or Director DC Plan, which is a non-qualified deferred compensation plan for our directors. Under the Director DC Plan, eligible directors can defer up to 100% of their cash retainer, attendance fees, and/or restricted share units for pre-tax savings opportunities. The investment options available to the eligible directors are the same investment options offered under our 401(k) Plan. Eligible directors' contributions and earnings are always 100% vested. Distributions under the Director DC Plan may be made only upon a Separation of Service (as defined in the Director DC Plan). Distributions are paid in a lump sum or in annual installments over a maximum of 10 years. We do not pay above-market interest rates or provide preferential earnings.

AUDIT COMMITTEE

Audit Committee Report

The Audit Committee oversees our accounting and financial reporting processes and the audits of financial statements. The Audit Committee selects our independent auditors. The Audit Committee is composed of three directors, each of whom is independent as defined under the rules of the Nasdaq Stock Market and SEC rules. Currently, the Audit Committee is composed of Messrs. Auletta, Greene and Wert. The Audit Committee operates under a written charter adopted by the Board.

Management is responsible for our internal controls and financial reporting process. The independent auditors are responsible for performing an independent audit of our consolidated financial statements in accordance with auditing standards generally accepted in the United States and to issue a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes.

In connection with these responsibilities, the Audit Committee met with management and Ernst & Young LLP to review and discuss the audited consolidated financial statements for the year ended December 31, 2012. The Audit Committee discussed with Ernst & Young LLP its judgments as to the quality, not just the acceptability, of our accounting principles and such other matters as are required by the Statement on Auditing Standards No. 61, as amended, (AKPA, Professional Standards Vol. 1. AU section 380) and adopted by the Public Company Accounting Oversight Board. In addition, the Audit Committee has received the written disclosures and the letter from Ernst & Young LLP required by the applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountants' communications with the Audit Committee concerning independence, and has discussed with Ernst & Young LLP its independence from management and has considered the compatibility of non-audit services with the auditors' independence.

The Audit Committee meets with the internal and independent auditors, with and without management present, to discuss the overall scope and plans for their respective audits, the results of audit examinations, their evaluations of our internal controls, and the overall quality of our financial reporting.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board, and the Board has approved, that the audited financial statements be included in the Annual Report on Form 10-K for the fiscal year ended December 31, 2012.

PROPOSAL NO. 2

RATIFICATION OF THE APPOINTMENT OF INDEPENDENT AUDITORS

The Audit Committee has appointed Ernst & Young LLP our independent auditors to examine our financial statements and those of our subsidiaries for the fiscal year ending December 31, 2013. During fiscal year 2012, Ernst & Young LLP examined our financial statements and those of our subsidiaries, including those set forth in our Annual Report on Form 10-K for the fiscal year ended December 31, 2012. The Board recommends ratification of the appointment of Ernst & Young LLP.

Representatives of Ernst & Young LLP are expected to be present at the Annual Meeting and have an opportunity to make a statement at the Annual Meeting, if they so desire, and will be available to respond to appropriate shareholders' questions.

Vote Required and Recommendation of the Board

Although shareholder approval of this appointment is not required by law or binding on the Audit Committee, the Audit Committee believes that shareholders should be given the opportunity to express their views. If the shareholders do not ratify the appointment of Ernst & Young LLP as our independent auditors, the Audit Committee will consider this vote in determining whether or not to continue the engagement of Ernst & Young LLP. Abstentions will have no effect on the ratification of the appointment of Ernst & Young LLP.

YOUR BOARD UNANIMOUSLY RECOMMENDS A VOTE FOR THE RATIFICATION OF THIS APPOINTMENT.

INDEPENDENT AUDITOR FEE INFORMATION

COMPENSATION DISCUSSION AND ANALYSIS

Our 2012 Performance

Fiscal 2012 was a year of significant and historical achievement for us and our financial performance was substantially improved over fiscal 2011. In summary:

Net sales were a record \$1.13 billion, up 17% over 2011;

Net income was a record \$31.8 million compared to \$29.4 million for 2011;

Operating cash flow was up 56% to \$55.9 million compared to \$35.9 for 2011;

Operating leverage improved to 3.81 compared to 4.33 for 2011; and

We completed a significant strategic acquisition.

Philosophy and Objectives

Our compensation program is designed to recognize the level of responsibility of an executive within our Company, taking into account the named executive officer's role and expected leadership within our organization, and to encourage and reward decisions and actions that have a positive impact on our overall performance.

Our compensation philosophy is based upon the following objectives:

to reinforce the achievement of key business strategies and objectives;

to reward our executives for their outstanding performance and business results;

to emphasize the enhancement of shareholder value;

to value the executive's unique skills and competencies;

to attract and retain qualified executives; and

to provide a competitive compensation structure.

Overview

The Compensation Committee administers our compensation program. The Compensation Committee is responsible for reviewing and approving base salaries, cash bonuses and equity incentive awards for all named executive officers. Typically, our CEO makes compensation recommendations to the Compensation Committee with respect to decisions concerning named executive officers other than himself. With respect to our CEO, the Compensation Committee makes its decisions in executive session. Our compensation program recognizes the

importance of ensuring that discretion is provided to the Compensation Committee and CEO in determining compensation levels and awards.

Our Say-On-Pay Vote

At our annual meeting of shareholders in May 2011, we held our first non-binding advisory shareholder vote on the compensation of our named executive officers, which vote is commonly referred to as a say-on-pay vote. Our shareholders overwhelmingly approved the compensation of our named executive officers, with approximately 97% voting in favor of the compensation paid to our named executive officers. After conducting the annual review of our compensation programs and considering and discussing the result of the say-on-pay vote, the Compensation Committee decided to retain our general approach to executive compensation. Since the 2011 vote, the Compensation Committee has decided not to make any substantive changes to our named executive officer compensation program that were specifically based on our 2011 say-on-pay vote results. With regard to the non-binding advisory resolution regarding the frequency for future say-on-pay votes, our

shareholders cast the highest number of votes for voting on executive compensation every three years, and we have implemented triennial say-on-pay voting. Accordingly, our next say-on-pay vote is expected to occur at our annual meeting of shareholders in 2014.

Compensation Consultants

The Compensation Committee has engaged compensation consultants on a periodic basis to help evaluate our compensation program and to help select appropriate market data for compensation determinations. The Compensation Committee also may consider a variety of data sources and information related to market practices for companies similar to ours.

In January 2011, the Compensation Committee engaged the services of Pearl Meyer & Partners (PM&P), a leading independent provider of executive compensation consulting services, to evaluate our executive compensation program and help select appropriate market data for compensation considerations. The Compensation Committee has conducted a review of its relationship with PM&P and has identified no conflict of interest. The resources used by PM&P for comparison included the Watson Wyatt Top Management Compensation Survey, the Mercer Executive Compensation Survey, the CHiPS Executive and Senior Management Compensation Survey, three PM&P proprietary executive compensation surveys, and comparative executive compensation information from a peer group consisting of the following companies:

AAR CORP	Ceradyne	Hexcel Corp
Applied Industrial Technologies	Chart Industries	Kaman Corp
Atlas Air Worldwide Holdings	Commercial Vehicle Group	Materion Corp
Air Transport Service Group	Dynamex	Mueller Industries
Barnes Group	Encore Wire Corp	RTI International Metals
Carpenter Technology Corp	Forward Air Corp	Shiloh Industries
Century Aluminum	Graitech International	Stoneridge

While these peer group companies do not represent a perfect match for us in terms of products manufactured or sold, the peer group does include representation from a broad range of industries similar to those that we compete in, such as industrial machinery, electrical equipment, metals and mining and auto components, and they are similar to us in terms of the median for revenue and number of employees.

The Compensation Committee believes this peer group is still appropriate, and it remained unchanged for 2012 with the exception that Dynamex was removed as a result of an acquisition.

For 2012, PM&P updated the 2011 market survey and peer group data, and the Compensation Committee took into consideration the market survey and peer group data from the PM&P 2012 review for comparable positions in determining the base salary, bonus, equity components and benefit package for our named executive officers. The Compensation Committee does not benchmark or otherwise aim for a level of compensation that falls within a specific range of market survey or peer group data. Instead, the Compensation Committee considers many factors in exercising its judgment and discretion in making compensation decisions, and actual compensation can and does vary widely, either above or below these medians, based on Company and individual performance, scope of responsibilities, competencies and experience, as further discussed below.

The Compensation Committee considers many factors in exercising its judgment and discretion in making compensation decisions. Other factors the Compensation Committee considers when making individual compensation decisions are described under Compensation Components below.

The Compensation Committee believes that the foregoing actions are consistent with our philosophy and objectives.

Compensation Components

Our compensation program has three primary components consisting of a base salary, an annual cash bonus, whether discretionary or pursuant to our Annual Cash Bonus Plan, or Bonus Plan, and equity awards granted pursuant to our Amended and Restated 1998 Long-Term Incentive Plan, or 1998 Plan. In addition, we also offer our named executive officers basic retirement savings opportunities, participation in a deferred compensation plan, health and welfare benefits and perquisites that supplement the three primary components of compensation. Since 2008, our compensation program has also included a non-qualified defined benefit plan, or DB Plan, and a non-qualified defined contribution plan, or DC Plan, for our CEO.

We view these various components of compensation as related but distinct. Although our Compensation Committee does review total compensation, we do not believe that significant compensation derived from one component of compensation should negate or reduce compensation from other components. The appropriate level for each compensation component is based in part, but not entirely, on our view of internal equity and consistency, and other considerations we deem relevant from year to year, such as rewarding extraordinary performance. Our Compensation Committee has not adopted any formal or informal policies or guidelines for allocating compensation between long-term and currently paid-out compensation, between cash and non-cash compensation or among different forms of non-cash compensation, but does emphasize variable compensation over fixed compensation.

Base Salary

We pay base salaries to recognize and reward each named executive officer's unique value and skills, competencies and experience in light of the executive's position. Base salaries, including any annual or other adjustments, for our named executive officers, other than our CEO, are determined after taking into account recommendations by our CEO. Base salaries for all named executive officers are determined by the Compensation Committee after considering a variety of factors such as market survey and peer group data, a subjective assessment of the nature and scope of the named executive officer's position, the named executive officer's unique value and historical contributions, historical increases, internal equitable considerations, and the experience and length of service of the named executive officer.

For 2012, the Compensation Committee considered market survey and peer group data in deciding to keep our CEO's base salary the same for 2012. For Matthew Crawford, the Compensation Committee considered his increased leadership responsibilities and the market survey and peer group data in increasing his base salary by 5.3%. The Compensation Committee, after considering recommendations from our CEO, decided to keep our other named executive officers' base salaries the same for 2012.

Annual Bonus

Annual bonuses are used to reward our named executive officers for achieving key financial and operational objectives, to motivate certain desired individual behaviors and to reward superior individual achievements. Bonus awards for our named executive officers, other than for our CEO, are determined by the Compensation Committee after taking into account recommendations by our CEO. The annual bonus awards, other than for our CEO, are fully discretionary and are based on subjective criteria, which may include:

our overall financial performance;

individual expertise, contribution, and performance;

overall leadership; and

other factors that are critical to driving long-term value for shareholders.

We have established the Bonus Plan, which was recently re-approved by our shareholders in 2011, for our CEO and any other named executive officer selected by the Compensation Committee to participate in the Bonus

Plan. The Bonus Plan includes a set of performance measures that can be used to establish the bonus award. Under the Bonus Plan, our CEO or any other selected named executive officer is eligible to receive an annual cash bonus depending on the performance of our Company against specific performance measures established by the Compensation Committee before the end of the first quarter of each year. For 2012, only our CEO participated in the Bonus Plan, and the Compensation Committee determined that our CEO would be eligible for a bonus award equal to 4% of our 2012 consolidated adjusted income before income taxes (adjusted for extraordinary gains and losses). For 2012, the Compensation Committee adjusted our 2012 consolidated adjusted income before income taxes positively in the amount of \$13 million to reflect an unusual litigation settlement expense. The Compensation Committee believes income before income taxes, as adjusted for the \$13 million litigation settlement expense, is an appropriate measure of our core operating performance, and directly links our CEO's annual bonus award to our profitability. Under the Bonus Plan, the Compensation Committee is authorized to exercise negative discretion and reduce our CEO's award, but did not do so for 2012.

For our other named executive officers, the 2012 bonus awards were determined by the Compensation Committee, after considering recommendations from our CEO, and after taking into account individual performance and our profitability. Information about bonuses paid to our named executive officers is contained in the 2012 Summary Compensation Table below.

The Compensation Committee has established that the performance measure for our CEO under the Bonus Plan for 2013 will continue to be 4% of our consolidated adjusted income before income taxes (adjusted for extraordinary gains and losses).

Equity Compensation

We use the grant of equity awards under our 1998 Plan to provide long-term incentive compensation opportunities intended to align the named executive officers' interests with those of our shareholders, and to attract, retain and reward executive officers.

Our Compensation Committee administers our 1998 Plan. Historically, the Compensation Committee has granted options and restricted shares under our 1998 Plan, but awards also can be made in the form of performance shares, restricted share units, performance units, stock appreciation rights or stock awards. There is no set formula for the granting of equity awards to named executive officers. Other than for grants of equity awards to our CEO, the Compensation Committee typically considers recommendations from our CEO when considering decisions regarding the grant of equity awards to named executive officers. The Compensation Committee grants equity awards based on its subjective judgment and discretion, and may consider a number of criteria, including the relative rank of the named executive officer, market survey and peer group data, total compensation levels, and the named executive officer's historical and ongoing contributions to our success based on subjective criteria. Because the Compensation Committee and the CEO in their discretion consider such factors as they deem relevant in determining the named executive officer's overall equity award, other factors may cause the award in any given year to differ from historical amounts.

We do not have any program, plan or obligation that requires us to grant equity awards on specific dates. We have not made equity grants in connection with the release or withholding of material, non-public information. Options granted under our 1998 Plan have exercise prices equal to the closing market price of our Common Stock on the day of the grant.

On June 8, 2012, the Compensation Committee approved restricted share awards for Messrs. Edward Crawford, Matthew Crawford, Vilsack and Fogarty in the amounts of 75,000, 50,000, 10,000 and 10,000 shares, respectively.

On July 2, 2012, the Compensation Committee approved a restricted share award for Mr. Emerick in the amount of 20,000 shares in connection with his commencement of employment as our CFO.

These restricted share grants vest one-third each year over three years. The Compensation Committee did not perform a qualitative or quantitative analysis, but instead used its subjective judgment and discretion in determining the value of the equity awards. Restricted shares were utilized over stock options because restricted shares serve to reward and retain executives and foster stock ownership, while also minimizing the number of shares granted in aggregate, thereby reducing dilution. In exercising its judgment and discretion, the Compensation Committee was influenced by recommendations from our CEO and motivated by its desire to award each named executive officer equity value that it considered necessary to achieve the shareholder alignment and attraction, retention and motivation objectives of our compensation program. The Compensation Committee's review and consideration of each of the named executive officer's equity grants were of a general nature, rather than identifying and focusing on each individual's performance relative to specific tasks, projects or accomplishments or distinguishable qualitative performance goals. The Compensation Committee did not otherwise take into account any specific performance, criteria or achievements relative to qualitative performance goals when making its equity compensation decisions for 2012. In granting the 2012 restricted share awards, the Compensation Committee also considered:

the market survey and peer group data for our CEO;

total compensation levels for each named executive officer in 2010, 2011 and 2012;

the value provided by restricted shares versus stock options;

the value and size of historical grants;

how much value was created by the historical grants; and

shares available for grant under the 1998 Plan.

More information about equity awards granted in 2012 to our CEO and our other named executive officers is contained in the 2012 Grants of Plan-Based Awards Table .

Retirement Benefits

Our Individual Account Retirement Plan, or 401(k) Plan, is a tax-qualified retirement savings plan that permits our employees, including our named executive officers, to defer a portion of their annual salary to the 401(k) Plan on a before-tax basis. Prior to March 1, 2009, our named executive officers participated in the 401(k) Plan on the same basis as all other salaried employees whereby we annually contributed 2% of their salary into the 401(k) Plan on their behalf, subject to Internal Revenue Code limitations. Our named executive officers vest in the Company contributions ratably over six years of employment service, at which time they are 100% vested.

Effective April 1, 2011, the Company amended its Park-Ohio Industries, Inc. and Subsidiaries Pension Plan, or Pension Plan, to provide a new tax-qualified defined benefit for our employees, called the Account Balance Plan, or AB Plan. The AB Plan is intended to replace the contributions previously made under the 401(k) Plan. All of the named executive officers participate in the AB Plan. The AB Plan incorporates elements of a defined contribution plan into a defined benefit plan. Each participant has a notional account which receives quarterly allocations equal to 2% of compensation, subject to Internal Revenue Code limitations. Interest is credited to the notional account based on a market index. All AB Plan participants, including our named executive officers, are 100% vested in the benefit provided by the AB Plan. Additional detail on the AB Plan, including the value of the named executive officers' accrued benefits, is provided below under Pension Benefits.

In 2008, the Compensation Committee established the DC Plan and the DB Plan for our CEO, which is described under Pension Benefits for 2012 and Non-Qualified Deferred Compensation for 2012 below. These retirement benefits are intended to reward our CEO for his past service to us and to recognize, over the long term, future service to us.

Deferred Compensation

The Company maintains a non-qualified deferred compensation plan, which we refer to as the 2005 Supplemental Defined Contribution Plan, or 2005 Plan, that allows certain employees, including our named executive officers, to defer a percentage of their salary and bonus, to be paid at a time specified by the participant and consistent with the terms of the 2005 Plan. We do not provide any matching contributions to the 2005 Plan. We do not pay above-market interest rates or provide preferential earnings.

For 2012, our CEO was the only participant in the DC Plan, to which we make an annual contribution of \$375,000 as noted in the 2012 Non-Qualified Deferred Compensation Table below. We do not pay above-market interest rates or provide preferential earnings.

Termination-Related Payments

All of our named executive officers are employees-at-will and, as such, do not have employment agreements with us. Therefore, we are not obligated to provide any post-employment compensation or benefits. However, upon a change of control, as defined in the 1998 Plan, all unvested stock option grants become fully exercisable, all outstanding restricted share grants fully vest, and our CEO becomes 100% vested in his benefit under the DB Plan, regardless of years of service.

Other Benefits

We also provide other benefits to our named executive officers that we consider necessary in order to offer fully-competitive opportunities to attract and retain our named executive officers. These benefits include life insurance, company cars or car allowances, executive physicals, and club dues. Named executive officers are eligible to participate in all of our employee benefit plans, such as the 401(k) Plan and medical, dental, group life, disability and accidental death and dismemberment insurance, in each case on the same basis as other employees.

Limitations on Deductibility of Compensation

As part of its role, the Compensation Committee reviews and considers the deductibility of executive compensation under Section 162(m) of the Internal Revenue Code, which generally disallows a tax deduction to public corporations for compensation over \$1,000,000 paid for any fiscal year to a company's CEO and certain other executive officers as of the end of any fiscal year. However, the statute exempts qualifying performance-based compensation from the deduction limit if certain requirements are met.

The Compensation Committee believes that it is generally in our best interest to attempt to structure performance-based compensation, including annual bonuses, to named executive officers who may be subject to Section 162(m) in a manner that satisfies the statute's requirements. However, the Compensation Committee also recognizes the need to retain flexibility to make compensation decisions that may not meet Section 162(m) standards when necessary to enable us to meet our overall objectives, even if we may not deduct all of the compensation. Accordingly, the Compensation Committee has expressly reserved the authority to award non-deductible compensation in appropriate circumstances.

We are not obligated to offset any income taxes due on any compensation or benefits, including income or excise taxes due on any income from accelerated vesting of outstanding equity grants. To the extent any such amounts are considered excess parachute payments under Section 280G of the Internal Revenue Code and, thus, not deductible by us, the Compensation Committee is aware of that possibility and has decided to accept the cost of that lost deduction. However, the Compensation Committee has not thought it necessary for us to take on the additional cost of reimbursing executives for any taxes generated by the vesting accelerations.

COMPENSATION COMMITTEE REPORT

We have reviewed and discussed the foregoing Compensation Discussion and Analysis with management. Based on our review and discussion with management, we have recommended to the Board that the Compensation Discussion and Analysis be included in this proxy statement and in our Annual Report on Form 10-K for the year ended December 31, 2012.

- (5) The amounts listed in this column for 2012 are the increases in actuarial present value of accrued benefits under our defined benefit pension plans. For Mr. Edward Crawford, the amount listed consists of \$148,175 for the increase in the actuarial present value of the non-qualified defined benefit under the DB Plan and \$10,001 for the mandatory distribution of his accrued benefits under the AB Plan. The \$148,175 increase in the value of the DB Plan benefit reflects three factors: \$46,048 for the incremental value of an additional year of service; \$91,597 due to the change in the interest rate from 5.00% to 4.50%; and \$10,530 for the update to the mortality assumption. For all other named executive officers, the amount listed for 2012 is for the increase in the qualified defined benefit under the AB Plan. The defined benefit plans are described in more detail in the Pension Benefits section.

PENSION BENEFITS

2012 Pension Benefits Table

The following table sets forth information with respect to our DB Plan and our AB Plan as of December 31, 2012.

Name	Plan Name	Number of Years Credited Service(1)(#)	Present Value of Accumulated Benefit \$(2)	Payments During Last Fiscal Year (\$)
Edward F. Crawford	DB Plan	18	3,036,656	0
	AB Plan	1.75	0	10,001(3)
W. Scott Emerick	AB Plan	0	0	0
Matthew V. Crawford	AB Plan	1.75	8,933	0
Robert D. Vilsack	AB Plan	1.75	9,386	0
Patrick W. Fogarty	AB Plan	1.75	9,381	0
Jeffrey L. Rutherford	AB Plan	1.0	6,962	0

(1) The DB Plan was adopted by us in January 2008; therefore, the years of credited service represent prior years of service, but not all of the actual years of service. Upon establishment of the DB Plan, 13 years of Mr. Edward Crawford's prior service were recognized and credited under the DB Plan. The AB Plan went into effect on April 1, 2011, at which time all of the named executive officers began accruing benefits. No credits for prior service were provided under the AB Plan.

(2) For the DB Plan, the reported value represents the actuarial present value of the vested accrued benefits as of December 31, 2012 payable at age 74 in single-life annuity form, with a 4.50% discount rate and using the RP2000 White Collar Male mortality table projected to 2012 using Scale AA. For the AB Plan, the reported value represents the actuarial present value of the accrued benefits as of December 31, 2012, payable at age 65 in lump sum form, with a 3.00% rate for future interest credits and a 3.66% discount rate.

(3) This amount represents the mandatory distribution of accrued benefits under the AB Plan.

The DB Plan provides Mr. Edward Crawford with an annual retirement benefit of up to \$375,000 upon his termination of employment with us, for his life, as defined in the DB Plan. The annual benefit that he actually receives depends on his years of credited service as of his termination of employment. If he has 20 or more years of credited service, he will receive the full \$375,000 annual benefit. Prior to 20 years of credited service, the accrued benefit equals \$375,000 multiplied by the ratio of years of credited service to 20 years. If he dies while employed or before the first day of the month following his termination of employment, his spouse is entitled to receive an amount equal to 50% of the amount he would have been entitled to receive on the date of his death, payable semi-annually for the life of his spouse. In the event of a change in control of the Company, the full \$375,000 annual benefit is payable, regardless of service.

The Pension Plan is a tax-qualified defined benefit pension plan. Previously, the Pension Plan provided benefits primarily to retired and terminated participants from legacy locations. Effective April 1, 2011, the Pension Plan was amended to implement the AB Plan benefits for all domestic employees, except certain collectively bargained employees. All of the named executive officers participate in the AB Plan.

The AB Plan uses a cash balance design, which incorporates elements of a defined contribution plan into a defined benefit plan. Each participant has a notional account which receives quarterly allocations equal to 2% of compensation (inclusive of short-term incentive compensation). The compensation used in the calculation is held to the Internal Revenue Code annual limitation for qualified plan earnings. Interest is credited to the notional account using the rate for 1-year Treasury constant maturities. The annual interest rate is held to a minimum of 3% and a maximum of 7%. Interest during 2012 was credited at an annual rate of 3%.

Upon retirement, termination, disability or death, the accumulated notional account balance is immediately payable to the named executive officer as a single lump sum payment. The present value of accrued benefits displayed in the table above is based on a lump sum payment.

The Present Value of Accumulated Benefit in the above table is the value at December 31, 2012 of the pension benefit payable at age 65 (or current age if older) that was earned as of December 31, 2012. For the AB Plan, this benefit at age 65 is derived by projecting the notional balance from current age to age 65 using 3% interest and no future allocations. This age-65 value is then discounted at a rate of 4.5% to December 31, 2012 to receive the current value of the benefit. No mortality assumption is used in the calculation because the benefit is assumed to be paid in lump sum form. Because the 3% interest crediting rate is less than the 4.5% discount rate, the present value at December 31, 2012 is smaller than the notional account balance at that date.

- (1) The aggregate earnings are not above-market or preferential earnings and, therefore, are not reported in the 2012 Summary Compensation Table.
- (2) Of the amounts reported in this column, \$1,500,000 for Mr. Edward Crawford and \$138,333 for Mr. Vilsack was previously reported as compensation in prior years Summary Compensation Tables.
- (3) Consists of contributions made in 2012 by us and credited to Mr. Edward Crawford's account. This amount was also included in the All Other Compensation column in the 2012 Summary Compensation Table.

(4) This amount is included in the Bonus column of the 2012 Summary Compensation Table.

The DC Plan provides our CEO with an aggregate annual credit of \$375,000, or DC Benefit, during the seven-year period beginning on January 1, 2008 and ending on December 31, 2014. The DC Benefit is credited to an account on our books for our CEO, provided he has not had a termination of employment with the Company, as defined in the DC Plan. Our CEO's account is adjusted for any positive or negative investment results from phantom investment alternatives selected by him. These phantom investment alternatives track actual market investments and are similar to the investment alternatives offered under our 401(k) Plan. We do not provide above-market or preferential earnings on the amounts credited under the DC Plan. We contribute to a grantor trust in order to provide a source of funds for the benefits under the DC Plan. Our CEO is at all times 100% vested in the DC Benefit and any earnings thereon. The amount credited under the DC Plan for our CEO will be paid upon his termination of employment.

Our 2005 Plan is a non-qualified deferred compensation plan for certain key employees, including our named executive officers. Under the 2005 Plan, eligible participants can defer up to 100% of their base salary and 100% of their cash bonus for pre-tax savings opportunities. The investment options available to the participant are the same investment options offered under our 401(k) Plan. Participants' contributions and earnings are always 100% vested. Distributions under the 2005 Plan may be made only upon a Separation of Service (as defined in the 2005 Plan), disability, or hardship. Distributions are paid in a lump sum or in annual installments over a maximum of 10 years.

POTENTIAL POST-EMPLOYMENT PAYMENTS

Upon termination of employment for any reason, no severance benefits are payable to any of the named executive officers.

Upon the death, disability, or retirement of a named executive officer, all restricted share grants fully vest and all unvested stock options become immediately exercisable under the 1998 Plan, and under the DB Plan certain benefits are immediately recognized. The value of these vesting accelerations and benefits for the named executive officers, as if a death, disability or retirement had occurred on December 31, 2012, would be as follows:

Name	Death \$(1)	Disability \$(2)	Retirement \$(3)
Edward F. Crawford	4,407,781	5,700,406	5,700,406
W. Scott Emerick	426,200	426,200	426,200

- (2) This amount represents the vesting of previously unvested restricted shares valued at the closing market price of \$21.31 of our Common Stock on December 31, 2012. - (3) This amount includes the vesting of previously unvested restricted shares valued at the closing market price of \$21.31 of our Common Stock on December 31, 2012. For Mr. Edward Crawford, this amount includes \$3,036,656, which is the actuarial present value of the previously vested accrued non-qualified pension benefit as a lifetime annuity under the DB Plan.

Under the 1998 Plan, upon a change of control, all restricted share grants fully vest and all unvested stock options become immediately exercisable. Under the DB Plan, upon a change of control, all pension benefits fully vest. The value of these vesting accelerations for the named executive officers, as if a change of control had occurred on December 31, 2012, would be as follows:

No cash payments or other benefits are due the named executive officers upon a change of control, as defined in the 1998 Plan and DB Plan. A change of control is generally defined in the 1998 Plan and DB Plan as: (i) our corporate reorganization or a sale of substantially all of our assets

with the result that the shareholders

prior to the reorganization or sale afterwards hold less than a majority of our voting stock; (ii) any person becoming the beneficial owner of 20% or more of the combined voting power of our outstanding securities; and (iii) a change in the majority of our Board. For information about vested amounts or balance under the AB Plan and the DC Plan and 2005 Plan, see the 2012 Pension Benefits Table and 2012 Nonqualified Deferred Compensation Table respectively, above.

TRANSACTIONS WITH RELATED PERSONS

In accordance with our Audit Committee Charter, our Audit Committee is responsible for reviewing and approving the terms and conditions of all related-party transactions. In some cases, however, the Audit Committee will defer the approval of a related-party transaction to the disinterested members of the full Board.

Neither the Audit Committee nor the Board has written policies or procedures with respect to the review, approval or ratification of related-party transactions. Instead, the Audit Committee, or the Board, as applicable, reviews each proposed transaction on a case-by-case basis taking into account all relevant factors, including whether the terms and conditions are at least as favorable to us as if negotiated on an arm's-length basis with unrelated third parties. The following related-party transactions have been approved either by our Board or our Audit Committee.

During 2012, we chartered, on an hourly basis, an airplane from a third-party private aircraft charter company. IMPORTANT NOTICE TO PARTICIPANTS IN THE INDIVIDUAL ACCOUNT RETIREMENT PLAN OF PARK-OHIO INDUSTRIES, INC. AND ITS SUBSIDIARIES

To The Charles Schwab Trust Company, Trustee of the Individual Account Retirement Plan of Park-Ohio Industries, Inc. and Its Subsidiaries (the Plan): The signed shareholder, a participant in the Plan, hereby directs the Trustee to vote in person or by proxy (a) all shares of Park-Ohio Holdings Corp. common stock credited to the signed shareholder's account under the Plan on the record date (allocated shares); and (b) the proportional number of shares of common stock of Park-Ohio Holdings Corp. allocated to the accounts of other participants in the Plan, but for which the Trustee does not receive valid voting instructions (non-directed shares) and as to which the signed shareholder is entitled to direct the voting in accordance with the Plan provisions at the annual meeting of shareholders of Park-Ohio Holdings Corp. to be held at The Cleveland Marriott East, 26300 Harvard Road, Warrensville Heights, Ohio 44122, on May 23, 2013, and any and all adjournments, postponements, or continuations thereof. Under the Plan, shares allocated to the accounts of participants for which the Trustee does not receive timely directions in the form of a signed proxy card are voted by the Trustee as directed by the participants who timely tender a signed proxy card. By completing this proxy card and returning it to the Trustee, you are authorizing the Trustee to vote allocated shares and a proportionate amount of the non-directed shares held in the Plan. The number of non-directed shares for which you may instruct the Trustee to vote will depend on how many other participants exercise their right to direct the voting of their allocated shares. Any participant wishing to vote the non-directed shares differently from the allocated shares may do so by requesting a separate proxy card form from the Trustee at 800-724-7526.
