**ITEM 8.01 OTHER EVENTS**

During the first quarter of 2013, Office Depot, Inc. (the Company) modified its measure of business segment operating income for management reporting purposes to allocate to the North American Retail Division, North American Business Solutions Division and International Division (the Divisions) additional General and administrative and other expenses, as well as to allocate to the Divisions additional assets, capital expenditures and related depreciation expense. No changes have been made to the composition of these reportable segments. Additionally, the Company changed its accounting principle of presenting shipping and handling expenses in Operating and selling expenses to a preferable accounting principle of presenting such expenses in Costs of goods sold and occupancy costs. The Company considers this presentation preferable because it includes costs associated with revenues in the calculation of gross profit and provides better comparability to industry peers. Prior period results have been reclassified to conform to the current period presentation for both the change in accounting principle and the change in measurement of Division operating income (loss).

The Company is filing this Current Report on Form 8-K to update its Annual Report on Form 10-K for the fiscal year ended December 29, 2012 filed with the Securities and Exchange Commission (the SEC) on February 20, 2013 (the 2012 Form 10-K), to reflect the modified Division operating income (loss) solely to the extent this information is impacted by the revised business segment expense allocation and present the revised Consolidated Statement of Operations resulting from the change in presentation of shipping and handling expenses. Neither the change in accounting principle, nor the change in Division operating income (loss) impacted Consolidated Operating income (loss), Net earnings (loss), or Earnings (loss) per share for the respective periods.

The following Notes to the Consolidated Financial Statements, in Item 15 (a) 1, Part IV of the 2012 Form 10-K have been retrospectively adjusted from the previous presentation:

Note A: Summary of Significant Accounting Policies

Note B: Severance and Facility Closure Costs

Note O: Segment Information

Note R: Quarterly Financial Data (Unaudited)

Similarly, Part II, Item 7. Management's Discussion and Analysis of Financial Condition and Results of Operations has been retrospectively adjusted to conform to the current presentation. Except as specifically noted in the filing, this Current Report on Form 8-K does not reflect events or developments that occurred after February 20, 2013, and does not modify or update the disclosures in any significant way other than as described above and set forth in the exhibits hereto. Without limiting the foregoing, this filing does not purport to update or amend the information contained in 2012 Form 10-K for any information, uncertainties, transactions, risks, events or trends occurring, or known to management. More current information is contained in the Company's Form 10-Q for the three months ended March 30, 2013 and other filings with the SEC. The information in this Current Report on Form 8-K should be read in conjunction with the 2012 Form 10-K filed by the Company with the SEC on February 20, 2013, subsequently amended as to Part III on April 26, 2013. Revisions to the 2012 Form 10-K included in this Current Report on Form 8-K as noted above supersede the corresponding portions of the 2012 Form 10-K.
