Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers

On April 26, 2013, the shareholders of Myers Industries, Inc. (the Company) approved the adoption of the Performance Bonus Plan of Myers Industries, Inc. (the Plan). The Plan was recommended by the Compensation Committee on March 1, 2013, and adopted by the Board of Directors on March 1, 2013, subject to shareholder approval. Shareholder approval of the Plan was necessary to ensure that certain compensation paid under the Plan can be eligible for an exemption from the limits on tax deductibility imposed by Section 162(m) of the Internal Revenue Code.

The purpose of the Performance Bonus Plan is to attract, reward and retain officers and other key employees of the Company by payment of performance compensation based on achievement of certain financial objectives. The Compensation Committee will administer the Plan. The Compensation Committee will have full authority to determine the participants to whom awards are granted, the amount or value of any award, the terms of any award, to establish and administer any performance goals applicable to awards, to amend or cancel awards, to accelerate the vesting of awards, to require the cancellation of any previously granted awards under the Plan or any other plans of the Company as a condition to the granting of an award, to interpret the Plan, and to prescribe, amend and rescind rules and regulations relating to the Plan.

The Compensation Committee may grant annual cash awards, which have a performance period of one year or less, and long-term cash awards, which have a performance period of more than one year. The total amount of any annual cash award granted to a participant in any year may not exceed \$2,500,000, and the total amount of any long-term cash award granted to a participant may not exceed the product of \$2,500,000 and the number of years in the performance period. Except in the case of death, disability or a change of control, awards under the Plan will be earned only if corporate, business unit or individual performance goals over the performance period established by the Compensation Committee are certified by the Compensation Committee to have been met.

Subject to certain limitations, the Company will generally be entitled to a deduction for federal income tax purposes that corresponds to the timing and amount of compensation income recognized by a participant.

The foregoing summary of the Performance Bonus Plan does not purport to be complete and is qualified in its entirety by reference to the full text of the Plan, which is filed as Exhibit 10.1 to this Current Report on Form 8-K and is incorporated herein by reference.
