This Amendment No. 2 (Amendment No. 2) amends the Statement on Schedule 13D originally filed on January 7, 2011 (the Initial Schedule), as amended by Amendment No. 1 filed on December 6, 2012 (Amendment No. 1), and together with the Initial Schedule, the Schedule 13D) by Freeport-McMoRan Copper & Gold Inc., a Delaware corporation (FCX) and Freeport-McMoRan Preferred LLC, a Delaware limited liability company and a wholly owned subsidiary of FCX (FCX Preferred). This Amendment No. 2 is being filed by FCX and FCX Preferred (the Reporting Persons), and is filed by and on behalf of the Reporting Persons with respect to the common stock, par value \$0.01 per share (the Common Stock) of McMoRan Exploration Co. (the Issuer), a Delaware corporation. Unless otherwise indicated, all capitalized terms used herein have the meaning ascribed to them in the Schedule 13D.

**Item 2. Identity and Background.**

Item 2 of the Schedule 13D is hereby amended by replacing Schedule A thereto with Schedule A hereto.

**Item 3. Source and Amount of Funds or Other Consideration.**

Item 3 of the Schedule 13D is hereby amended to add the following:

On May 31, 2013, pursuant to the PXP Merger Agreement (as defined in Amendment No. 1), Plains Exploration & Production Company (PXP) merged with and into Freeport-McMoRan Oil & Gas LLC (f/k/a IMONC LLC), with Freeport-McMoRan Oil & Gas LLC surviving the merger as a wholly owned subsidiary of FCX (the PXP Merger). Upon consummation of the PXP Merger, FCX, through Freeport-McMoRan Oil & Gas LLC, acquired 51,000,000 shares of Common Stock previously owned by PXP. PXP stockholders were entitled to elect to receive, for each share of PXP common stock they owned prior to the PXP Merger, either 1.4302 shares of FCX common stock (the PXP Share Consideration) or \$46.01 in cash (the PXP Cash Consideration) based on the closing price of FCX common stock for the ten trading days ending on May 22, 2013. These amounts do not include the previously disclosed special one-time cash dividend of \$3.00 per share which was declared, with FCX's consent, by PXP's Board of Directors on May 20, 2013 payable to PXP stockholders as of May 30, 2013, the record date for such dividend.

On June 3, 2013, pursuant to the McMoRan Merger Agreement (as defined in Amendment No. 1), INAVN Corp., a Delaware corporation and wholly owned subsidiary of FCX (the McMoRan Merger Sub) merged with and into the Issuer, with the Issuer surviving the merger as a wholly owned subsidiary of FCX (the McMoRan Merger). At the effective time of the McMoRan Merger, each issued and outstanding share of the Common Stock (other than shares held by FCX, McMoRan Merger Sub or any of their respective subsidiaries that were cancelled and holders who had perfected and not withdrawn a demand for appraisal rights) was converted into the right to receive \$14.75 in cash (the McMoRan Cash Consideration) and 1.15 units representing beneficial interests in Gulf Coast Ultra Deep Royalty Trust (together with the McMoRan Cash Consideration, the McMoRan Merger Consideration), without interest and less any applicable withholding taxes.

On February 14, 2013, FCX entered into a term loan agreement with JPMorgan Chase Bank, N.A., as administrative agent, Bank of America, N.A., as syndication agent, HSBC Bank USA, National Association, Mizuho Corporate Bank, Ltd., Sumitomo Mitsui Banking Corporation, The Bank of Nova

Scotia and The Bank of Tokyo-Mitsubishi UFJ, Ltd., as co-documentation agents, the other borrower party thereto and each of the lenders party thereto. Upon consummation of the PXP Merger, Freeport-McMoRan Oil & Gas LLC joined the term loan as a borrower thereunder. The term loan, subject to the terms and conditions thereof, provides for an aggregate principal amount of up to \$4.0 billion of term loans, of which \$1.5 billion was used to finance a portion of the PXP Cash Consideration. The remainder of the PXP Cash Consideration was financed with FCX's cash on hand. The remainder of the McMoRan Cash Consideration was financed from the issuance of \$6.5 billion of senior unsecured notes on March 7, 2013.

Pursuant to the terms of the McMoRan Merger Agreement, each outstanding and unexercised option to acquire shares of the Common Stock as of the closing of the McMoRan Merger converted into a stock option relating to shares of FCX common stock on the same terms and conditions as the option to acquire shares of the Common Stock immediately prior to closing, adjusted to reflect the exchange ratio between the trading price of the Common Stock and FCX common stock, in each case for the five trading days immediately preceding the closing date of the McMoRan Merger. Each outstanding restricted stock unit ( RSU ) relating to the Common Stock as of the closing of the McMoRan Merger converted into an RSU relating to FCX common stock, adjusted to reflect the exchange ratio between the trading price of the Common Stock and FCX common stock, with each adjusted RSU subject to the same terms and conditions as the RSU relating to the Common Stock prior to the closing of the McMoRan Merger. Each RSU that by its terms accelerated in connection with the McMoRan Merger converted into corresponding shares of Common Stock and thus into the right to receive the McMoRan Merger Consideration.

The Preferred Stock (as defined in the Initial Schedule) owned by FCX Preferred immediately prior to the effective time of the McMoRan Merger was cancelled and ceased to exist at the effective time, and no consideration was delivered in exchange therefor. For a period of 25 trading days following the consummation of the McMoRan Merger, each holder of shares of any series of the preferred stock, other than shares which did not remain outstanding following the McMoRan Merger, may convert such shares into the McMoRan Merger Consideration receivable by a holder of the number of shares of the Common Stock issuable upon conversion of such preferred stock at the make whole conversion rate described in the applicable certificate of designations. Thereafter, each share of preferred stock shall continue to be convertible into the McMoRan Merger Consideration receivable by a holder of the number of shares the Common Stock issuable upon conversion of such preferred stock at the conversion rate described in the applicable certificate of designations.

As a result of the McMoRan Merger, FCX is the sole holder of the Common Stock.

**Item 4. Purpose of Transaction.**

Item 4 of the Schedule 13D is hereby amended to add the following:

On May 31, 2013, pursuant to the PXP Merger Agreement, PXP merged with and into Freeport-McMoRan Oil & Gas LLC, with Freeport-McMoRan Oil & Gas LLC surviving the merger as a wholly owned subsidiary of FCX. Upon consummation of the PXP Merger, FCX, through Freeport-McMoRan Oil & Gas LLC, acquired 51,000,000 shares of Common Stock previously owned by PXP.

On June 3, 2013, pursuant to the McMoRan Merger Agreement, McMoRan Merger Sub merged with and into the Issuer, with the Issuer surviving the merger as a wholly owned subsidiary of FCX. As a result of the McMoRan Merger, FCX is the sole holder of the Common Stock.

For additional information concerning the PXP Merger and the MMR Merger, see the Current Report on Form 8-K filed by FCX on June 3, 2013.

(a), (b) and (d) As of the date hereof, FCX is the sole holder of Common Stock. The beneficial ownership of each of the directors and executive officers of FCX of shares of Common Stock of the Issuer is set forth in Schedule A hereto, which is incorporated herein by reference.

(c) During the past 60 days, FCX, through its wholly owned subsidiary Freeport-McMoRan Oil & Gas LLC, acquired an aggregate of 51,000,000 shares of Common Stock as a result of the PXP Merger as described above. Also during the past 60 days, FCX acquired the remaining shares of Common Stock and became the sole holder of Common Stock as a result of the McMoRan Merger as described above.
