Item 2.01 Completion of Acquisition or Disposition of Assets

On August 28, 2013, Hornbeck Offshore Transportation, LLC, or HOT, a wholly-owned subsidiary of Hornbeck Offshore Services, Inc., or the Company, closed the sale of substantially all of the assets and business of its Downstream segment's tug and tank barge fleet to Genesis Marine, LLC, or Genesis Marine, for \$230 million in cash. The sale was pursuant to a previously disclosed asset purchase agreement, or the Purchase Agreement, dated July 22, 2013. The Company received approximately \$224 million in proceeds, net of expenses and estimated cash taxes, from this transaction, which will be used for general corporate purposes that may include retirement of debt or funding for the acquisition, construction or retrofit of vessels. The Downstream vessels sold to Genesis Marine comprised Hornbeck's active fleet of nine ocean-going tugs and nine double-hulled tank barges.

In connection with the closing, certain affiliates of HOT and Genesis Marine entered into transition service agreements in order to ensure a smooth transition of operations and services for both employees and customers.

As previously disclosed, in connection with the execution of the Purchase Agreement, the Company entered into a guaranty agreement whereby it agreed to guarantee the performance of the obligations of HOT and certain of its affiliates under the Purchase Agreement and the other agreements contemplated thereby, including the transition service agreements. Similarly, in connection with the execution of the Purchase Agreement, Genesis Energy, L.P., the parent company of Genesis Marine, entered into a guaranty agreement whereby it agreed to guarantee the performance of the obligations of Genesis and certain of its affiliates under the Purchase Agreement and the other agreements contemplated thereby, including the transition service agreements.

J.P. Morgan Securities LLC acted as exclusive financial advisor to the Company with respect to this transaction.

The foregoing description does not purport to be a complete discussion of the Purchase Agreement and other agreements completed thereby and is qualified in its entirety by the complete text of the Purchase Agreement, a copy of which is referenced as Exhibit 2.1 hereto and incorporated herein by reference.
