Item 3.03. Material Modification to Rights of Security Holders.

On October 31, 2013, F.N.B. Corporation (the Company) filed an Articles of Amendment to the Articles of Restatement of the Articles of Incorporation of the Company (the Amendment) with the Department of State of the State of Florida, establishing and fixing the rights and preferences of up to 115,000 shares of its Fixed-to-Floating Rate Non-Cumulative Perpetual Preferred Stock, Series E, par value \$0.01 per share (the Preferred Shares). A copy of the Amendment is filed as Exhibit 3.1 to this Current Report on Form 8-K, and is incorporated herein by reference.

With respect to the payment of dividends and amounts upon the Company's liquidation, the Preferred Shares will rank equally with all of the Company's other preferred shares issued in the future (except as these may be expressly made junior or senior to the Preferred Shares) and senior to the Company's common shares. Upon the Company's voluntary or involuntary liquidation, dissolution or winding-up, holders of the Preferred Shares are entitled to receive out of the Company's assets that are legally available for distribution to shareholders of the Company, before any distribution is made to holders of our common shares or other equity securities ranking junior to the Preferred Shares, a liquidation distribution in the amount of \$1,000 per share, plus any declared and unpaid dividends, to the date of the liquidation distribution, without regard to any undeclared dividends. Distribution will be made only to the extent the Company's assets that are available after satisfaction of all liabilities to creditors and subject to the rights of holders of any securities of the Company ranking senior to the Preferred Shares and pro rata as to any other shares of the Company's capital stock ranking equally as to such distribution, if any.

On or after February 15, 2024, the Preferred Shares may be redeemed at the Company's option on any dividend payment date, in whole or in part, from time to time, at a redemption price equal to \$1,000 per share, plus any declared and unpaid dividends, without regard to any undeclared dividends.

The Company may also redeem the Preferred Shares on any dividend payment date in whole, but not in part, within 90 days following the occurrence of a regulatory capital treatment event, as described in the Amendment, at a redemption price equal to \$1,000 per share, plus any declared and unpaid dividends, without regard to any undeclared dividends. Holders of the Preferred Shares will have no right to require us to redeem or repurchase the Preferred Shares and should have no expectation that the Company will redeem the Preferred Shares.

The foregoing is a summary and is not complete. The full terms of the Preferred Shares are set forth in the Amendment, filed as Exhibit 3.1 hereto. The terms of the depositary shares, each representing a 1/40th interest in a share of the Preferred Shares (the Depositary Shares), are set forth in the Deposit Agreement, dated November 1, 2013, by and between the Company and Registrar and Transfer Company, as Depositary (the Deposit Agreement). A copy of the Deposit Agreement is filed as Exhibit 4.1 to this Current Report on Form 8-K, and is incorporated herein by reference.

On October 31, 2013, the Company filed the Amendment with the Department of State of the State of Florida, establishing and fixing the rights and preferences of up to 115,000 shares of the Preferred Shares. A copy of the Amendment is filed as Exhibit 3.1 to this Current Report on Form 8-K, and is incorporated herein by reference.
