**Item 1.01 Entry into a Material Definitive Agreement**

On November 7, 2013, the Board of Directors (the *Board*) of Sorrento Therapeutics, Inc. (the *Company*) authorized and declared a dividend distribution of one right (a *Right*) for each outstanding share of the common stock, par value \$0.0001 per share (the *Common Shares*), of the Company to stockholders of record at the close of business on November 18, 2013 (the *Record Date*). Each Right entitles the registered holder to purchase from the Company one one-thousandth of a share of the Series A Junior Participating Preferred Stock, par value \$0.0001 per share (the *Preferred Shares*), of the Company at an exercise price of \$150 per one one-thousandth of a Preferred Share, subject to adjustment (the *Exercise Price*). The complete terms of the Rights are set forth in a Rights Agreement (the *Rights Agreement*), dated as of November 7, 2013, between the Company and Computershare Trust Company, N.A., as rights agent.

The following is a summary of the terms of the Rights Agreement. The summary does not purport to be complete and is qualified in its entirety by reference to the Rights Agreement, a copy of which is attached as Exhibit 4.1 and incorporated herein by reference.

*Distribution and Transfer of Rights; Rights Certificates*

The Board has declared a dividend of one Right for each outstanding Common Share. Prior to the Distribution Date referred to below:

the Rights will be evidenced by and trade with the certificates for the Common Shares (or, with respect to any uncertificated Common Shares registered in book entry form, by notation in book entry), together with a copy of this Summary of Rights, and no separate rights certificates will be distributed;

new Common Shares certificates issued after the Record Date will contain a legend incorporating the Rights Agreement by reference (for uncertificated Common Shares registered in book entry form, this legend will be contained in a notation in book entry); and

the surrender for transfer of any certificates for Common Shares (or the surrender for transfer of any uncertificated Common Shares registered in book entry form) will also constitute the transfer of the Rights associated with such Common Shares.

Rights will accompany any new Common Shares that are issued after the Record Date.

*Distribution Date*

Subject to certain exceptions specified in the Rights Agreement, the Rights will separate from the Common Shares and become exercisable following (i) the 10th business day (or such later date as may be determined by the Board) after the public announcement that an Acquiring Person has acquired beneficial ownership of 15% or more of the Common Shares or (ii) the 10th business day (or such later date as may be determined by the Board) after a person or group announces a tender or exchange offer that would result in ownership by a person or group of 15% or more of the Common Shares. For purposes of the Rights Agreement, beneficial ownership is defined to include the ownership of derivative securities.

The date on which the Rights separate from the Common Shares and become exercisable is referred to as the Distribution Date.

Edgar Filing: Sorrento Therapeutics, Inc. - Form 8-K

After the Distribution Date, the Company will mail Rights certificates to the Company's stockholders as of the close of business on the Distribution Date and the Rights will become transferable apart from the Common Shares. Thereafter, such Rights certificates alone will represent the Rights.

### *Preferred Shares Purchasable Upon Exercise of Rights*

After the Distribution Date, each Right will entitle the holder to purchase, for \$150 (the Exercise Price), one one-thousandth of a Preferred Share having economic and other terms similar to that of one Common Share. This portion of a Preferred Share is intended to give the stockholder approximately the same dividend, voting and liquidation rights as would one Common Share, and should approximate the value of one Common Share.

Each Preferred Share purchasable upon exercise of the Rights will be entitled, when, as and if declared, to a minimum preferential quarterly dividend payment equal to the greater of (i) \$1.00 or (ii) 1,000 times the dividend, if any, declared per Common Share. In the event of liquidation, dissolution or winding up of the Company, the holders of the Preferred Shares will be entitled to a minimum preferential liquidation payment of \$1,000 per share (plus any accrued but unpaid dividends), provided that such holders of the Preferred Shares will be entitled to an aggregate payment of 1,000 times the payment made per Common Share. Each Preferred Share will have 1,000 votes and will vote together with the Common Shares. Finally, in the event of any merger, consolidation or other transaction in which Common Shares are exchanged, each Preferred Share will be entitled to receive 1,000 times the amount received per Common Share. The Preferred Shares will not be redeemable. The Rights are protected by customary anti-dilution provisions. Because of the nature of the Preferred Share's dividend, liquidation and voting rights, the value of one one-thousandth of a Preferred Share purchasable upon exercise of each Right should approximate the value of one Common Share.

### *Flip-Over Trigger*

If, after an Acquiring Person obtains 15% or more of the Common Shares, (i) the Company merges into another entity, (ii) an acquiring entity merges into the Company or (iii) the Company sells or transfers more than 50% of its assets, cash flow or earning power, then each Right (except for Rights that have previously been voided as set forth above) will entitle the holder thereof to purchase, for the Exercise Price, a number of shares of common stock of the person engaging in the transaction having a then-current market value of twice the Exercise Price.

### *Redemption of the Rights*

The Rights will be redeemable at the Company's option for \$0.001 per Right (payable in cash, Common Shares or other consideration deemed appropriate by the Board) at any time on or prior to the 10th business day (or such later date as may be determined by the Board) after the public announcement that an Acquiring Person has acquired beneficial ownership of 15% or more of the Common Shares. Immediately upon the action of the Board ordering redemption, the Rights will terminate and the only right of the holders of the Rights will be to receive the \$0.001 redemption price. The redemption price will be adjusted if the Company undertakes a stock dividend or a stock split.

### *Exchange Provision*

At any time after the date on which an Acquiring Person beneficially owns 15% or more of the Common Shares and prior to the acquisition by the Acquiring Person of 50% of the Common Shares, the Board may exchange the Rights (except for Rights that have previously been voided as set forth above), in whole or in part, for Common Shares at an exchange ratio of one Common Share per Right (subject to adjustment). In certain circumstances, the Company may elect to exchange the Rights for cash or other securities of the Company having a value approximately equal to one Common Share.

### *Expiration of the Rights*

The Rights expire on the earliest of (i) 5:00 p.m., New York City time, on November 7, 2016 (unless such date is extended) or (ii) the redemption or exchange of the Rights as described above.

*Amendment of Terms of Rights Agreement and Rights*

The terms of the Rights and the Rights Agreement may be amended in any respect without the consent of the holders of the Rights on or prior to the Distribution Date. Thereafter, the terms of the Rights and the Rights Agreement may be amended without the consent of the holders of Rights in order to cure any ambiguities, to shorten or lengthen any time period pursuant to the Rights Agreement or to make changes that do not adversely affect the interests of holders of the Rights.

*Voting Rights; Other Stockholder Rights*

The Rights will not have any voting rights. Until a Right is exercised, the holder thereof, as such, will have no separate rights as stockholder of the Company.

*Anti-Dilution Provisions*

The Board may adjust the Exercise Price, the number of Preferred Shares issuable and the number of outstanding Rights to prevent dilution that may occur from a stock dividend, a stock split or a reclassification of the Preferred Shares or Common Shares.

With certain exceptions, no adjustments to the Exercise Price will be made until the cumulative adjustments amount to at least 1% of the Exercise Price. No fractional Preferred Shares will be issued and, in lieu thereof, an adjustment in cash will be made based on the current market price of the Preferred Shares.

*Taxes*

The distribution of Rights should not be taxable for federal income tax purposes. However, following an event that renders the Rights exercisable or upon redemption of the Rights, stockholders may recognize taxable income.
