OVERVIEW OF PROPOSAL

Proposal 1: Election of Trustees

Summary Discussion

Proposal 1 relates to the election of three Trustees to the Board of Trustees of the Trust. Joel Goldberg already serves as a Trustee of the Trust. He is not an interested person of the Trust (an Independent Trustee) as defined under the Investment Company Act of 1940, as amended (1940 Act). David Chrencik and Melinda Raso Kirstein are Trustee candidates and, if elected, they will also serve as Independent Trustees of the Board of Trustees.

Detailed Discussion

At the Meeting, it is proposed that Joel Goldberg, David Chrencik and Melinda Raso Kirstein (together, the Trustee Candidates) be elected by the Trust's shareholders to serve as Independent Trustees of the Trust's Board of Trustees and hold office until their successors are duly elected and qualified or his or her resignation or removal. Joel Goldberg has served as an Independent Trustee of the Trust's Board of Trustees since October 5, 2012, when the other Trustees appointed him to the Board following a review and evaluation of his experience by the Trust's Governance and Nominating Committee. At a Meeting of the Governance and Nominating Committee on December 11, 2013, the Governance and Nominating Committee selected and nominated David Chrencik and Melinda Raso Kirstein to serve as Independent Trustees of the Trust's Board of Trustees. Upon the recommendation of the Governance and Nominating Committee, at a meeting of the Board of Trustees, also on December 11, 2013, the Board of Trustees approved the appointment of David Chrencik and Melinda Raso Kirstein as members of the Board of Trustees subject to their election by the Trust's shareholders.

Each of the Trustee Candidates has consented to being named in this Proxy Statement and to serve as a Trustee, or continue serving as a Trustee, as the case may be, if elected. The Trust knows of no reason why any of the Trustee Candidates would be unable or unwilling to serve as a Trustee if elected.

Information About the Trustee Candidates

The business and affairs of the Trust, which includes all of its sixty-one Funds, are managed under the direction of its Board of Trustees. The current Board of Trustees has four members. Three of the current Trustees, Mr. Goldberg, Ms. Toni Massaro and Mr. Victor Ugolyn are Independent Trustees. Mr. Jonathan Steinberg is considered an interested person of the Trust because of his service as president and chief executive officer of WisdomTree Asset Management, Inc., the investment adviser to the Funds, and its parent, WisdomTree Investments, Inc. The addition of David Chrencik and Melinda Raso Kirstein as Independent Trustees would increase the size of the Board of Trustees to six members, 83.3% of whom would be Independent Trustees.

Messrs. Steinberg and Ugolyn and Ms. Massaro have each served as a member of the Board of Trustees since the inception of the initial Funds in the Trust and each was elected to serve as a Trustee by the initial shareholder of the Trust. Although Mr. Goldberg joined the Board of Trustees as an Independent Trustee on October 5, 2012, he has not been elected by Fund shareholders.

Individual Trustee Candidate Qualifications

The Board of Trustees has concluded that each of the Trustee Candidates should serve on the Board of Trustees because of their ability to review and understand information about the Trust and the Funds provided to them by

Edgar Filing: WisdomTree Trust - Form DEF 14A

management, to identify and request other information they may deem relevant to the performance of their duties, to question management and other service providers regarding material factors bearing on the management and administration of the Funds, and to exercise their business judgment in a manner that serves the

Table of Contents

best interests of the Funds' shareholders. The Trust has concluded that each of the Trustee Candidates should serve as an Independent Trustee based on their own experience, qualifications, attributes and skills as described below.

The Trust has concluded that Mr. Chrencik should serve as Trustee of the Funds because of the experience he gained as an audit partner of a large public accounting firm as well as his experience in and knowledge of the financial services industry, including his service as chief financial officer for a hedge fund.

The Trust has concluded that Mr. Goldberg should serve as Trustee of the Funds because of the experience he gained as a member of the staff of the U.S. Securities and Exchange Commission (SEC), including his service as Director of the SEC's Division of Investment Management, his experience as legal counsel for many mutual funds, investment advisers, and independent directors, as well as the experience he has gained serving as an Independent Trustee of the Trust since 2012.

The Trust has concluded that Ms. Raso Kirstein should serve as Trustee of the Funds because of her experience in and her knowledge of the financial services industry, including her service as a vice president, senior portfolio manager and director of tax exempt fund research of a large investment advisory firm.

In its periodic assessment of the effectiveness of the Board of Trustees, the Board of Trustees and the Governance and Nominating Committee consider the complementary individual skills and experience of the individual Trustees primarily in the broader context of the Board of Trustees' overall composition so that the Board of Trustees, as a body, possesses the appropriate (and appropriately diverse) skills and experience to oversee the operations of the Funds. Moreover, references to the qualifications, attributes and skills of the Trustee Candidates are provided for informational purposes only and do not constitute holding out of the Board of Trustees or any Trustee Candidate as having any special expertise or experience, and shall not be deemed to impose any greater responsibility or liability on any such person or on the Board of Trustees.

Trustee Candidate and Current Trustee Information

The table below provides additional information about the Trustee Candidates and the current Trustees, including their names, birth years, positions with the Trust, terms of office, length of service with the Trust, number of portfolios overseen, principal occupations during the past five years, and directorships with other companies that periodically file SEC reports. * Chair of the Governance and Nominating Committee.

** Chair of the Audit Committee.

+ As of January 27, 2014.

Board Leadership Structure

The Chairman of the Board of Trustees, Victor Ugolyn, is not an interested person of the Funds as that term is defined in the 1940 Act. The Board of Trustees is comprised of a super-majority (75%) of Independent Trustees. In the event that two new Independent Trustees are added to the Board composition, the super-majority would increase to 83.3% of the Board of Trustees being comprised of Independent Trustees. The Trust has an Audit Committee and a Governance and Nominating Committee, each of which is chaired by an Independent Trustee and comprised solely of Independent Trustees. In addition, the Governance and Nominating Committee has considered recommending to the Board of Trustees a new Contracts Committee, which would be formed after the Meeting for the purposes of facilitating the annual contract review process. The Committee chair for each is responsible for running the Committee meeting, formulating agendas for those meetings, and coordinating with management to serve as a liaison between the Independent Trustees and management on matters within the scope of the responsibilities of the Committee as set forth in its Board-approved charter. The Funds have determined that this leadership structure is appropriate given the specific characteristics and circumstances of the Funds. The Funds made this determination in consideration of, among other things, the fact that the Independent Trustees of the Funds constitute a super-majority of the Board, the assets under management of the Funds, the number of Funds overseen by the Board, the total number of Trustees on the Board, and the fact that an Independent Trustee serves as Chairman of the Board.

Meetings and Standing Committees of the Board of Trustees

At any meeting of the Board of Trustees, a majority of the Trustees then in office must be in attendance to constitute a quorum. The Trust does not have a policy with respect to the Trustees' attendance at meetings, but as a matter of practice all of the Trustees attend the Trust's Board and committee meetings (in person or by telephone) to the extent possible. During the fiscal year ended August 31, 2013, all of the Trustees attended at least 75% of all of the meetings of the Board and Board committees for which they were eligible to attend. There were nine (9) meetings of the Board held during the fiscal year ended August 31, 2013.

Audit Committee. The Board of Trustees has a standing Audit Committee consisting of each Independent Trustee, except Joel Goldberg. The principal responsibilities of the Audit Committee are the appointment,

Table of Contents

compensation and oversight of the Trust's independent registered public accounting firm, including the resolution of disagreements regarding financial reporting between Trust management and such independent registered public accounting firm. During the fiscal year ended August 31, 2013, the Audit Committee held seven (7) meetings.

Governance and Nominating Committee. The Board of Trustees has a standing Governance and Nominating Committee consisting of each Independent Trustee. The principal responsibilities of the Governance and Nominating Committee are to (i) oversee Fund governance matters and (ii) identify individuals qualified to serve as Independent Trustees of the Trust and to recommend its nominees for consideration by the full Board. While the Governance and Nominating Committee is solely responsible for the selection and nomination of the Trust's Independent Trustees, the Governance and Nominating Committee may consider nominations for the office of Trustee made by Fund shareholders as it deems appropriate. The Governance and Nominating Committee considers nominees recommended by Fund shareholders if such nominees are submitted in accordance with Rule 14a-8 of the Securities Exchange Act of 1934 (the "1934 Act"), in conjunction with a shareholder meeting to consider the election of Trustees. Fund shareholders who wish to recommend a nominee should send nominations to the Secretary of the Trust that include biographical information and set forth the qualifications of the proposed nominee. The Governance and Nominating Committee has adopted a charter, which is attached as Appendix A. During the fiscal year ended August 31, 2013, the Governance and Nominating Committee held three (3) meetings.

The duties and responsibilities of the Governance and Nominating Committee also include establishing criteria for identifying and evaluating individuals to be nominated as Trustees or Independent Trustees. Such criteria will include, at a minimum, (i) to the extent required, compliance with the independence and other applicable requirements of the 1940 Act, all other applicable laws, rules, regulations and listing standards and the criteria, policies and principles set forth in the Governance and Nominating Committee Charter, and (ii) other factors that the Governance and Nominating Committee may deem relevant to the position. Such other factors may include, but will not be limited to, the following: (1) the contribution that the person can make to the Board, with consideration being given to the person's business and professional experience, education and such other factors as the Committee may consider relevant; (2) the character and integrity of the person; (3) any relationships that might impair his or her independence, such as any business, charitable, financial or family relationships with fund management, WisdomTree Asset Management, a sub-adviser, any fund service provider or any of their respective affiliates; (4) whether or not the person is financially literate, as such qualification is interpreted by the Board in its business judgment; (5) whether or not the person serves on the boards of, or is otherwise affiliated with, competing financial service organizations or their related investment company complexes; and (6) whether or not the person is willing to serve, and willing and able to commit the time necessary for the performance of the duties of a Trustee.

The Governance and Nominating Committee will consider and evaluate candidates nominated by shareholders on the basis of the same criteria used to consider and evaluate candidates recommended by other sources.

Board Responsibilities

The Board of Trustees is responsible for overseeing the management and affairs of the Funds and the Trust. The Board has considered and approved contracts, as described herein, under which certain companies provide essential management and administrative services to the Trust.

Like most ETFs, the day-to-day business of the Trust, including the day-to-day management of risk, is performed by third-party service providers, such as the Adviser, Sub-Advisers, Distributor and Administrator (each as more fully described below). The Board is responsible for overseeing the Trust's service providers and, thus, has oversight responsibility with respect to the risk management performed by those service providers. Risk management seeks to identify and eliminate or mitigate the potential effects of risks, *i.e.*, events or circumstances

Table of Contents

that could have material adverse effects on the business, operations, shareholder services, investment performance or reputation of the Trust or Funds. Under the overall supervision of the Board and the Audit Committee (discussed in more detail below), the service providers to the Funds employ a variety of processes, procedures and controls to identify risks relevant to the operations of the Trust and the Funds to lessen the probability of their occurrence and/or to mitigate the effects of such events or circumstances if they do occur. Each service provider is responsible for one or more discrete aspects of the Trust's business (*e.g.*, the Adviser/Sub-Advisers are responsible for the day-to-day management of the Funds' portfolio investments) and, consequently, for managing the risks associated with that activity.

The Board's role in risk management oversight begins before the inception of a Fund, at which time the Fund's Adviser presents the Board with information concerning the investment objectives, strategies and risks of the Fund. Additionally, the Fund's Adviser and Sub-Advisers provide the Board with an overview of, among other things, its investment philosophy, brokerage practices and compliance infrastructure. Thereafter, the Board oversees the risk management of the Funds' operations, in part, by requesting periodic reports from and otherwise communicating with various personnel of the Funds and their service providers, including the Trust's Chief Compliance Officer (CCO) and the Funds' independent registered public accountants. The Board and, with respect to identified risks that relate to its scope of expertise, the Audit Committee, oversee efforts by management and service providers to manage risks to which the Funds may be exposed.

The Board is responsible for overseeing the nature, extent and quality of the services provided to the Funds by the Adviser and Sub-Advisers and receives information about those services at its regular meetings. In addition, on at least an annual basis, in connection with its consideration of whether to renew any Advisory Agreements and Sub-Advisory Agreements with the Adviser and Sub-Advisers, respectively, the Board meets with the Adviser and Sub-Advisers to review such services. Among other things, the Board regularly considers the Adviser's and Sub-Advisers' adherence to each Fund's investment restrictions and compliance with various Fund policies and procedures and with applicable securities regulations. The Board also reviews information about each Fund's performance and investments.

The Trust's CCO meets regularly with the Board to review and discuss compliance and other issues. At least annually, the Trust's CCO provides the Board with a report reviewing the adequacy and effectiveness of the Trust's policies and procedures and those of its service providers, including the Adviser and Sub-Advisers. The report addresses the operation of the policies and procedures of the Trust and each service provider since the date of the last report; material changes to the policies and procedures since the date of the last report; any recommendations for material changes to the policies and procedures; and material compliance matters since the date of the last report.

The Board receives reports from the Trust's service providers regarding operational risks, portfolio valuation and other matters. Annually, an independent registered public accounting firm reviews with the Audit Committee its audit of the Trust's financial statements, focusing on major areas of risk encountered by the Trust and noting any significant deficiencies or material weaknesses in the Trust's internal controls.

The Board recognizes that not all risks that may affect the Funds can be identified, that it may not be practical or cost-effective to eliminate or mitigate certain risks, that it may be necessary to bear certain risks (such as investment-related risks) to achieve each Fund's goals, and that the processes, procedures and controls employed to address certain risks may be limited in their effectiveness. Moreover, despite the periodic reports the Board receives and the Board's discussions with the service providers to the Funds, it may not be made aware of all of the relevant information of a particular risk. Most of the Trust's investment management and business affairs are carried out by or through the Funds' Adviser, Sub-Advisers and other service providers, each of which has an independent interest in risk management but whose policies and methods by which one or more risk management functions are carried out

may differ from the Trust's and each other's in the setting of priorities, the resources available or the effectiveness of relevant controls. As a result of the foregoing and other factors, the Board's risk management oversight is subject to substantial limitations.

Representatives of Ernst & Young are not expected to be present at the Meeting but have been given an opportunity to make a statement if they so desire and will be available should any matter arise requiring their participation in the Meeting.

Table of Contents

Audit Fees

The aggregate fees billed by Ernst & Young for professional services rendered by Ernst & Young for the audit of the Trust's annual financial statements and services that are normally provided by Ernst & Young in connection with statutory and regulatory filings or engagements are set forth below for the last two fiscal years ended:

(i) March 31, 2012 and 2013 were \$732,480 and \$785,733, respectively; and

(ii) August 31, 2012 and 2013 were \$291,445 and \$298,677, respectively.

Audit-Related Fees

There were no fees billed by Ernst & Young in each of the last two fiscal years ended March 31 and August 31, 2012 and 2013, respectively (the Last Two Fiscal Years), for assurance and other services by Ernst & Young that are reasonably related to the performance of the audit or review of the Trust's financial statements and not reported under Audit Fees above. With respect to engagements that related directly to the operations or financial reporting of the Trust, there were no fees billed by Ernst & Young for audit-related services to WisdomTree Asset Management or any entity controlling, controlled by or under common control with WisdomTree Asset Management that provides ongoing services to the Trust (together referred to herein as Affiliated Service Providers) for each of the Last Two Fiscal Years.

Tax Fees

The aggregate fees billed by Ernst & Young for professional services rendered for tax compliance, tax advice and tax planning (together, Tax-Related Services) are set forth below for the last two fiscal years ended:

(i) March 31, 2012 and 2013 were \$438,490 and \$396,220, respectively; and

(ii) August 31, 2012 and 2013 were \$116,000 and \$133,200, respectively.

All Other Fees

Ernst & Young did not bill the Trust for products and services in each of the Last Two Fiscal Years other than for the services reported above under Audit Fees and Tax Fees. With respect to engagements that related directly to the operations or financial reporting of the Trust, Ernst & Young did not bill WisdomTree Asset Management or the Affiliated Service Providers for products and services in each of the Last Two Fiscal Years other than as set forth herein.

Aggregate Non-Audit Fees

The aggregate non-audit fees billed by Ernst & Young for services rendered to the Trust, WisdomTree Asset Management and the Affiliated Service Providers are set forth below for the last two fiscal years ended:

(i) March 31, 2012 and 2013 were \$438,490 and \$436,220, respectively; and

(ii) August 31, 2012 and 2013 were \$116,000 and \$173,200, respectively.

Audit Committee Pre-Approval Policies and Procedures

The Audit Committee has adopted policies and procedures that require pre-approval of audit and non-audit services for the Trust and certain other services provided to WisdomTree Asset Management and the Affiliated Service Providers in accordance with Rule 2-01(c)(7) of Regulation S-X. Pursuant to the policies and procedures, the Audit Committee may delegate its authority of pre-approval to a sub-committee of one or more members and the sub-committee may pre-approve audit and non-audit services on behalf of the Audit Committee and is

Table of Contents

responsible for reporting any pre-approvals at the next scheduled Audit Committee meeting following the pre-approval of any such services. The pre-approval requirement for non-audit services for the Trust, WisdomTree Asset Management and the Affiliated Service Providers may be waived if: (i) the aggregate amount of all services provided constitutes not more than 5% of the total amount of revenues paid to the Trust's independent registered public accounting firm by the Trust, WisdomTree Asset Management and the Affiliated Service Providers during the fiscal year in which the services are provided that would have to be pre-approved by the Audit Committee; (ii) such services were not recognized at the time of the engagement to be non-audit services; and (iii) such services are promptly brought to the attention of the Audit Committee and approved prior to the completion of the audit by the Audit Committee.

Board Consideration of Non-Audit Services

Because there were no non-audit fees billed in each of the Last Two Fiscal Years by Ernst & Young for services rendered to the Trust, WisdomTree Asset Management and the Affiliated Service Providers that were not pre-approved as described above, the Audit Committee has not had cause to consider whether Ernst & Young's provision of non-audit services that were not pre-approved pursuant to paragraph (c)(7)(ii) of Rule 2-01 of Regulation S-X is compatible with maintaining Ernst & Young's independence.

Voting Information

Proxy Solicitation. The principal solicitation of proxies will be by the mailing of this Proxy Statement on or about January 27, 2014, but proxies may also be solicited by telephone and/or in person by representatives of the Trust, regular employees of WisdomTree Asset Management, or D.F. King & Co., Inc., a private proxy services firm retained by the Funds. If we have not received your vote as the date of the Meeting approaches, you may receive a telephone call from these parties to ask for your vote. Arrangements will be made with brokerage houses and other custodians, nominees, and fiduciaries to forward proxies and proxy materials to their principals.

Cost of the Meeting. The cost of the Meeting, including the costs of retaining D.F. King & Co., Inc., preparing and mailing of the notice, proxy statement and proxy, and the solicitation of proxies, including reimbursement to broker-dealers and others who forwarded proxy materials to their clients, will be borne by the Funds as an extraordinary expense and not paid by the Adviser. It is anticipated that such costs, when allocated to each Fund, will amount to approximately 0.01% to 0.02% in the total annual operating expenses of each Fund.

Shareholder Voting. Shareholders of the Funds who own shares at the close of business on the Record Date will be entitled to notice of, and to vote at, the Meeting. Each whole share is entitled to one vote, and each fractional share is entitled to a proportionate fractional vote on each matter as to which such shares are to be voted at the Meeting. One-third (33 1/3%) of the Trust's outstanding shares entitled to vote on a proposal constitutes a quorum. Abstentions and broker non-votes will not be counted for or against the proposals, but will be counted for purposes of determining whether a quorum is present.

Approval of the proposal to elect Trustees requires the vote of a plurality of the outstanding voting securities of the Trust. Thus, if a quorum is present at the Meeting, the proposal to elect a Trustee will be approved with respect to those Trustee Candidates who receive the largest number of votes with no majority approval requirement. Because a plurality vote of the outstanding voting securities of the Trust is required to approve a proposal to elect Trustees, abstentions and broker non-votes will effectively be a vote against the proposal, although they will be treated as present for determining a quorum. Broker non-votes are shares held by a broker or nominee as to which instructions have not been received from the beneficial owners or persons entitled to vote, and the broker or nominee does not have discretionary voting power.

Edgar Filing: WisdomTree Trust - Form DEF 14A

If a quorum is not present at the Meeting, or if a quorum is present at the Meeting but sufficient votes to approve a proposal are not received, or if other matters arise requiring shareholder attention, the persons named as proxy agents may propose one or more adjournments of the Meeting to permit further solicitation of proxies.

Table of Contents

Any such adjournment will require the affirmative vote of a majority of those shares present at the Meeting or represented by proxy. The persons named as proxies will vote those proxies that they are entitled to vote **FOR** such proposal in favor of such an adjournment, and will vote those proxies required to be voted **AGAINST** such proposal, against such an adjournment.

Information regarding the number of issued and outstanding shares of each Fund as of the Record Date is provided in Appendix B, representing the same number of votes for each of such Funds. The persons who are, to the knowledge of each Fund, known to have owned beneficially 5% or more of each Fund's outstanding shares as of the Record Date are listed in Appendix C. Accounts owning greater than 25% of the outstanding shares of a Fund may be deemed to control such Fund by virtue of owning more than 25% of the outstanding shares; provided, however, the Trust does not have information concerning the beneficial ownership of such shares and such shares may not be beneficially owned by such holder with power to vote such shares. As of the Record Date, to the knowledge of the Trust's management, the Trustees and officers, as a group, owned beneficially less than 1% of the outstanding shares of each Fund.

The persons named as proxies on the enclosed proxy card will vote in accordance with your directions, if your proxy card is received properly executed. If we receive your proxy card, and it is executed properly, but you give no voting instructions with respect to any proposal, your shares will be voted **FOR** the proposal. The duly appointed proxies may, in their discretion, vote upon such other matters as may properly come before the Meeting.

In order that your shares may be represented at the Meeting, you are requested to vote your shares by mail, Internet or telephone by following the enclosed instructions. **IF YOU VOTE BY TELEPHONE OR INTERNET, PLEASE DO NOT RETURN YOUR PROXY CARD, UNLESS YOU LATER ELECT TO CHANGE YOUR VOTE.** You may revoke your proxy: (a) at any time prior to its exercise by written notice of its revocation to the secretary of the Trust prior to the Meeting; (b) by the subsequent execution and timely return of another proxy card prior to the Meeting (following the methods noted above); or (c) by being present and voting in person at the Meeting and giving oral notice of revocation to the chair of the Meeting. However, attendance in-person at the Meeting, by itself, will not revoke a previously-tendered proxy.

Delivery to Shareholders Sharing an Address

As permitted by law, only one copy of this Proxy Statement may be delivered to shareholders of the Funds who reside at the same address, unless such shareholders have notified the Trust of their desire to receive multiple copies of the shareholder reports and proxy statements that the Trust sends. If you would like to receive an additional copy, please contact the Trust by writing to the Trust's address, or by calling the telephone number shown on the front page of this Proxy Statement. The Trust will then promptly deliver, upon request, a separate copy of this Proxy Statement to any shareholder residing at an address to which only one copy was mailed. Shareholders wishing to receive separate copies of the Trust's shareholder reports and proxy statements in the future, and shareholders sharing an address who wish to receive a single copy if they are receiving multiple copies, should also send a request as indicated.

Submission of Shareholder Proposals

The Trust is organized as a statutory trust under the laws of Delaware. As such, the Trust is not required to, and does not, hold annual shareholder meetings. Nonetheless, the Board may call a special meeting of shareholders for action by shareholder vote as may be required by the 1940 Act or as required or permitted by the Trust's Trust Instrument and By-Laws. Shareholders who wish to present a proposal for action at a future meeting should submit a written proposal to the Secretary of the Trust, c/o WisdomTree Trust, 245 Park Avenue, 35th Floor, New York, New York 10167, for inclusion in a future proxy statement. Shareholder proposals to be presented at any future meeting of the Trust must be

Edgar Filing: WisdomTree Trust - Form DEF 14A

received by the Trust in writing within a reasonable amount of time before the Trust solicits proxies for that meeting, in order to be considered for inclusion in the proxy

Table of Contents

materials for that meeting. Whether a proposal is included in a proxy statement will be determined in accordance with applicable federal and state laws. Shareholders retain the right to request that a meeting of the shareholders be held for the purpose of considering matters requiring shareholder approval.

Reports and Other Information

Proxy materials, reports and other information filed by the Funds can be inspected and copied at the Public Reference Facilities maintained by the SEC at 100 F Street, NE, Washington, DC 20549-0102. The SEC maintains an Internet website (at <http://www.sec.gov>), which contains other information about the Funds.

TO ENSURE THE PRESENCE OF A QUORUM AT THE SPECIAL MEETING, PROMPT EXECUTION AND RETURN OF THE ENCLOSED PROXY IS REQUESTED. A SELF-ADDRESSED, POSTAGE-PAID ENVELOPE IS ENCLOSED FOR YOUR CONVENIENCE, ALONG WITH INSTRUCTIONS ON HOW TO VOTE OVER THE INTERNET OR BY TELEPHONE SHOULD YOU PREFER TO VOTE BY ONE OF THOSE METHODS.

By Order of the Board of Trustees,

Sincerely,

Jonathan Steinberg
President

APPENDIX A
GOVERNANCE AND NOMINATING COMMITTEE CHARTER
OF
WISDOMTREE TRUST

I. Purpose of the Governance and Nominating Committee

The purpose of the Governance and Nominating Committee (the Committee) of the Boards of Trustees (the Board) of the WisdomTree Trust (the Trust) is to provide assistance to the Board in fulfilling its responsibility with respect to oversight of the appropriate and effective governance of the Trust, including, but not limited to, advising the Board on the structure, composition and procedures of the Board's committees, the size of the Board, the appropriate ratio of Trustees who are interested persons (as such term is defined in the Investment Company Act of 1940, as amended, or the 1940 Act) versus those Trustees who are not interested persons (the Independent Trustees) and the compensation of the Independent Trustees.

The purpose of the Committee is also to provide assistance to the Board in selecting and nominating candidates for election to the Board, including, but not limited to, identifying candidates for any vacancies that exist from time to time, conducting diligence on such candidates as the Committee may deem appropriate (which may include, but is not necessarily limited to, examination of credentials, personal interviews, and inquiry of persons acquainted with the candidate) and making appropriate recommendations to the Board (in the case of candidates who are interested persons) or to the Independent Trustees (in the case of candidates who are not interested persons) for the election, or nomination for election, by fund shareholders of a new Trustee.

II. Composition and Qualifications

The Committee will be comprised of not less than two members of the Board. No member of the Committee may be an interested person of the Trust as that term is defined in the 1940 Act. The members of the Committee will be appointed by the Board, and may be removed, with or without cause, by the Board.

III. Chairperson

The Board will designate one of the members of the Committee to be the Chairperson of the Committee. The Chairperson will chair all regular sessions of the Committee and set the agendas for each Committee meeting.

IV. Authority

The Committee will have the authority to carry out its duties and responsibilities as set forth in this Charter, to request appropriate officers of the Trust to provide or arrange to provide such information, data and services as the Committee may request and to institute any special investigations or inquiries as it deems necessary. The Committee will have the authority to hire or engage, at the Trust's expense, special counsel and other experts and consultants whose assistance the Committee considers necessary to carry out any of its responsibilities under this Charter.

V. Meetings and Procedures of the Committee

Unless the Committee otherwise determines, the Committee will meet on a regular basis, but in all cases, no less frequently than annually, and will call any special meetings as the circumstances may require. A majority of the members of the Committee present in person or by means of a conference telephone or other communications equipment by means of which all persons participating in the meeting can communicate with each other will

constitute a quorum. The Committee may also take action by written consent, if the number of members required for approval of such action at a meeting of the members consent to the action in writing and the written consents are filed with the records of meetings of the Committee, unless otherwise required by applicable law.

The Committee will have the right to excuse any Committee member from a meeting or portion thereof to permit the remaining members of the Committee to discuss or act on any matter for which, in the Committee's opinion, the excused member's participation is not appropriate, and such excused member's absence in this circumstance will not be deemed an absence for the purposes of determining a quorum.

The Committee will cause to be maintained minutes of each of its meetings which it has approved and any records relating to those meetings and will provide copies of such minutes to the Board and the Trust.

VI. Duties and Responsibilities of the Committee

The following are the general duties and responsibilities of the Committee and are set forth only for their guidance.

A. Corporate Governance and Other Related Responsibilities

3. The Committee will, on an annual basis (or more frequently if appropriate), evaluate the qualification of each Trustee who is a member of the Audit Committee as being (i) independent as defined by the rules promulgated by the Securities and Exchange Commission (SEC) pursuant to the Sarbanes-Oxley Act of 2002, (ii) financially literate, as such qualification is interpreted by the Board in its business judgment and (iii) an audit committee financial expert within the meaning of the rules and regulations promulgated by the SEC pursuant to the 1940 Act.
4. The Committee will serve in an advisory capacity to the Board and the Chairman of the Board in matters relating to the organizational and governance structure and conduct of the Board.
5. The Committee will, on an annual basis, assist and oversee a self-assessment of the Board as a whole to determine whether the Board is functioning effectively. The Committee will establish procedures to allow it to exercise this oversight function. The Committee will report to the full Board on the results of its evaluation, including any recommended actions to improve the performance of the Board.
6. The Committee will review and recommend to the Board the allocation of compliance responsibilities among the various committees of the Board.
7. The Committee will, on an annual basis, review the adequacy of this Charter and recommend to the full Board any changes that the Committee deems appropriate.

B. Identification and Evaluation of Potential Nominees

The duties and responsibilities of the Committee also include establishing criteria for identifying and evaluating a person as a potential nominee to serve as a Trustee or Independent Trustee of the Trust. Such criteria will include, at a minimum, (i) to the extent required, compliance with the independence and other applicable requirements of the 1940 Act, all other applicable laws, rules, regulations and listing standards and the criteria,
