Item 2.02 Results of Operations and Financial Condition;

Item 7.01 Regulation FD Disclosure;

Item 8.01 Other Events

On February 19, 2014, ManTech International Corporation announced its financial results for the fiscal quarter and fiscal year ended December 31, 2013.

ManTech also announced the declaration of a quarterly cash dividend payment to its stockholders. A dividend of \$0.21 per share will be paid on March 21, 2014 to stockholders of record as of the close of business on March 7, 2014. Any future declarations of dividend payments are subject to the determination and approval of the Board of Directors.

A copy of the February 19, 2014 release is furnished as Exhibit 99.1 to this Current Report on Form 8-K. In the press release we have provided certain non-GAAP financial measures that supplement the GAAP financial measures contained in the press release. We believe these non-GAAP financial measures, which exclude the impact of the goodwill impairment charge taken in the fourth quarter of fiscal year 2013, provide useful information to our investors to better evaluate period-to-period comparisons of our operating results. Similarly, management uses these non-GAAP measures to gain a better understanding of our comparative operating performance from period-to-period and as a basis for forecasting future periods.
